The Permanent Committee on Evangelism, through its Chairman, Mr. Charles L. Huston, presented its Report, which was accepted, and, after addresses by Rev. John R. Davies, D.D., Rev. Henry C. Minton, D.D., Rev. Henry C. Culbertson, D.D., and Rev. G. G. Mahy, D.D., was adopted. The Report is printed in the Appendix. The Resolutions adopted are as follows:

Resolved, I. That, as the terms of service of the following members of the Committee expire with this Assembly, viz.: Rev. E. B. Cobb, D.D., Rev. John R. Davies, D.D., Rev. Stephen S. Estey, D.D., Mr. Ralph W. Harbison, Mr. J. H. Jefferis and Mr. Andrew Stevenson, the Moderator be authorized to appoint six members—three ministers and three elders—for the ensuing term of three years.

Resolved, II. That the Committee be given the following instructions:

(1) To continue its institute and conference work in Presbyteries and Synods, and its coöperation with Presbyterial and Synodical committees responsible for the supervision of evangelistic work in their fields.

(2) To continue its correspondence with pastors and churches concerning their evangelistic work, and to secure, by arrangement with the Board of Publication and Sabbath School Work, or in some other way, the publication at a low cost of a new series of evangelistic leaflets.

(3) To continue the promotion and direction of evangelistic

work in Presbyterian colleges, and to carry on this work in connection with the vocational campaigns conducted by the Board of Education.

(4) To coöperate with the Committee on Christian Life and Work in making a general inquiry concerning the practice of the churches in placing members on the suspended roll, and in preparing for the consideration of Presbyteries a statement on this matter, accompanied by recommendations concerning methods of coöperative effort designed to improve present conditions.

(5) To coöperate with the Evangelistic Commission of the Federal Council of the Churches, and with the evangelistic committees of other denominations in all undertakings which may commend themselves to the Committee.

Resolved, III. That the Assembly rejoices in the activity of Presbyterial evangelistic committees and workers during the past year, urges the Presbyteries to continue the policy recommended by previous Assemblies, of maintaining and strengthening Standing Committees on Evangelism, and calls upon Presbyteries and Synods to coöperate with the Assembly's Committee in its institute, conference and other forms of work.

Resolved, IV. That the Assembly notes with approval the cordial support given by the churches to the Permanent Committee on Evangelism, as evidenced by their hearty coöperation with its programme of work and the increased number of churches which are placing the Committee on their benevolent lists, and urges the churches to continue to give the Committee their support and coöperation.

Resolved, V. That the Assembly invites the faculty and student bodies of all our Presbyterian colleges to coöperate, in every way possible, with the Permanent Committee on Evangelism and the Board of Education in their joint programme of college evangelism, and enlistment of students for Christian service.

Resolved, VI. That the Assembly rejoices in the hearty coöperation of our churches with other churches in great revival movements during the year, in the blessing which has come to them as a result of these movements, and in the evidence that the Holy Spirit has blessed the labors of the earnest and faithful evangelists who have been the chosen leaders in these efforts.

Resolved, VII. That the Assembly rejoices to learn of the success of Dr. Chapman in Scotland, cordially recommends him and his co-laborers to the churches in Scotland, and invokes upon their work the continuance of the awakening and regenerating influences of the Holy Spirit.

Resolved, VIII. That the Committee be authorized to reappoint its sub-committee on Coöperation with other Presbyterian and Reformed Churches in order to keep in touch with their work, particularly with the work that may be carried on among them under the leadership of the Rev. J. Wilbur Chapman, D.D., for so many years the Committee's honored Secretary, and that the Committee be authorized to appoint the Rev. J. Wilbur Chapman, D.D., as representative-at-large.

Resolved, IX. That the Moderator and Stated Clerk of the Assembly be *ex-officio* members of the Committee, and that the Committee be authorized to appoint special representatives to coöperate with it in its work throughout the Church.

The Committees on Editions of the Constitution, etc., presented their Report, which was adopted, and is as follows:

The Committees on Editions of the Constitution, Digest, etc., present a joint Report as follows:

1. A new edition of the Constitution has been issued by the Board of Publication and Sabbath School Work, including all changes up to the year 1913.

2. The manuscript for a new edition of the Digest is well in hand. The reasons for apparent delay are the following: (*a*) The *Digest* has always been issued at considerable intervals of time, the interval between the last two editions being nine years. (*b*) The demand for the *Digest* is limited at the best, and the expense of production is considerable. (*c*) It was felt to be very important to include in the new edition the final decisions connected with the litigation over the union with the Cumberland Presbyterian Church. The Committee desires to emphasize that Bittinger's *Manual of Law and Usage*, referred to in the Report made by this Committee to the Assembly of 1913, is a publication which was prepared at the request of the Board of Publication and Sabbath School Work, and has always borne its imprint. It is hoped that the *Digest* will be issued in 1915. The Committee have placed the work of the preparation of the *Digest* in the hands of the Stated Clerk.

Respectfully submitted,
Wm. H. Roberts,
Wm. B. Noble,
Alexander Henry.

The Executive Commission, through its Chairman, Rev. John Timothy Stone, D.D., presented its Report, which was adopted, with the exception of Sections III, VII and IX, upon which action was deferred. The Report in full appears later in these *Minutes*.

The Moderator announced the following members of the Permanent Committee on Evangelism: *Ministers*—Eben B. Cobb, D.D., John R. Davies, D.D., and Stephen S. Estey, D.D.; *Ruling Elders*—Ralph W. Harbison, J. H. Jefferis and Edward H. Smith. All appointed to serve for three years.

The Committee on *The Assembly Herald*, through Mr. William H. Scott, a member of the Committee, presented its Report, which was adopted, and is as follows:

BRETHREN:—During the year 1913 we did not receive one single adverse criticism, little or big, of *The Assembly Herald*, while on the other hand there came to us from all parts of the country, letters of commendation and appreciation. We submit our Report, therefore, with much satisfaction. Our every endeavor has always been to make the magazine of value to the Church, and the experience of the last year at least, has satisfied us that wherever it is taken, the aim to stimulate and create zeal in the great work of our Church has been accomplished.

Naturally, the subscription list, the most important factor in the publication of *The Assembly Herald*, has had our careful study and consideration. Surely, there never was a time when the activities of the Church needed more publicity than to-day. It is out of the question for pastors, or for our secretaries, to tell the people all they should know about the work of the Church and its needs. We must depend, therefore, upon *The Assembly Herald*, which alone is able month by month to bring to the families a message full of life, vigor and information from every Board.

There is one spot, and that alone, which we must reach as a starting place for an increased circulation—the heart of the pastor. Unless he gives his earnest support and endorsement, and unless he urges the people to subscribe to the *Herald*, and sees to it that plans for a successful presentation of it to the individual members are intelligently and systematically pushed, we cannot hope to succeed.

It is a source of congratulation that during the past ten years the circulation of *The Assembly Herald* has increased from 30,000 annual subscriptions to 52,426, but your Committee does not feel at all satisfied with these figures. There is no real reason why practically every family in the Church should not subscribe. We are sometimes told that there is so much literature being sent to the churches by the Boards, and being pressed upon them by secular publications that the people cannot find time to read *The Assembly Herald*.

Surely, this excuse should not be allowed to stand. Nothing should keep a member of the Presbyterian Church from familiarizing himself to some extent at least with the *Herald.*

There should be no such thing as competition and no such thing as shutting out our magazine because of any other publication. We hope pastors will hear our appeal through this General Assembly for a more vigorous support, and that the great agencies of our Church will do all they can to keep *The Assembly Herald* before the people so that it may not lack support. The *Herald* is not valued as it should be. This statement is borne out by the fact that a large number of our churches are not supporting it at all, and that its circulation, despite our earnest, persistent effort, does not rise much beyond the 50,000 mark.

By way of illustration, the Royal Baking Powder Company has paid us for many years, $255 a year, for the use of a half-page in each issue for advertising purposes. On this basis they consider four pages inserted twelve times to be worth just about as much as our entire deficit, which for 1913, amounted to $2,169.27. Looking at it in another way, it is worth noticing that this great keen business concern figures the value of the pages in *The Assembly Herald* as already quoted, and if we accept their judgment as correct the value of the 699 reading pages, which were furnished every subscriber last year, would warrant an annual deficit of $29,580.

The financial statement for the year 1913 is as follows:

I have audited the accounts of Horace P. Camden, Business Manager of *The Assembly Herald*, and find them correct as per statement herewith.

JOHN D. MURPHY, *Public Accountant.*

We are glad to call attention to the decrease in the deficit as compared with that for 1912—$522.53. Six hundred and thirty-eight thousand copies of *The Assembly Herald* were published during the year. The expense to our Church is represented by the deficit, which, figured down, amounts to one-third of one cent for each of the 638,000 copies—a very small figure, indeed, when we consider the carefully prepared, official, up-to-date and splendidly illustrated material which each contained; and which was furnished in clubs to subscribers at 25 cents for each annual subscription—a figure which does not nearly cover the actual cost of production.

We recommend,

1. That the Assembly again recognizes the value of *The Assembly Herald* as a means of communication between the members of the various Churches and the Boards and Agencies of the Assembly.

2. That the Stated Clerks of Presbyteries be requested to call the attention of Pastors and Clerks of Sessions to *The Assembly Herald*, and urge the formation of clubs in all of the churches.

Respectfully submitted,

A. W. HALSEY,
JOHN DIXON,
WM. H. SCOTT,
Committee.

A change was made in the Docket, authorizing the Committee on the Educational Policy of the Church, and the

Committee on the White Slave Traffic, to exchange the times of the presentation of their Reports.

The Assembly took recess, and was closed with prayer.

FRIDAY, May 22, 2.30 o'clock P.M.

The Assembly met, and was opened with prayer.

The Special Committee on Church Coöperation and Union, through its Chairman, Rev. William H. Roberts, D.D., presented its Report, which was adopted, with the exception of the fourth Resolution, under Section III, which was referred, under the Rules, to the Finance Committee. The Report is as follows:

The Special Committee on Church Coöperation and Union respectfully presents to the General Assembly its Report, arranged under the following heads:

I. The Presbyterian Church and Other Churches.
II. Meetings.
III. The Federal Council of the Churches of Christ in America.
IV. The Reformed Church in the U. S.
V. The World Conference on Faith and Order.
VI. The Disciples of Christ in America.
VII. The Plan of Union of all the Churches of the Presbyterian Household.

I. The Presbyterian Church and Other Churches.

The Committee draws attention to the following declaration of the Assembly at the time of the appointment of the Committee, setting forth in clear terms the attitude of the Presbyterian Church towards other Churches:

"The Presbyterian Church holds Christian fellowship with all who confess and obey Jesus Christ as their divine Saviour and Lord, and acknowledges the duty of all Churches that recognize Him, as the only Head of the Church Universal, to work together in harmony and love for the extension of His Kingdom and the good of the world; and this Assembly earnestly desires to commend and promote this Christian coöperation, and also practically to advance the cause of Church Union by confederation, and, where possible, by consolidation among the Churches of the Reformed Faith, which are most nearly akin in doctrine and organization."

The Committee has endeavored in all its work to advance

the high ideals expressed in this deliverance of the General Assembly, remembering the words of the Holy Ghost through the apostle Paul, "There is one body, and one Spirit, even as ye are called in one hope of your calling; one Lord, one faith, one baptism, one God and Father of all."

II. Meetings.

The Committee has held but one regular meeting during the year, at Philadelphia, Pa., April 16, 1914. Prior to this meeting a conference was had by a sub-committee, with the Committee of the Reformed Church in the United States, on Closer Union with the Presbyterian Church in the U. S. A. Reference to the results of this meeting will be found under the appropriate head.

III. The Federal Council of the Churches of Christ in America.

The regular annual meeting of the Executive Committee of the Federal Council of the Churches of Christ in America met at Baltimore, Md., December 4 to 6, 1913. The number of members of the Executive Committee present was fifty-five, representing twenty-five Churches. There were also present forty-two corresponding members, connected with eight Commissions of the Council, and in addition five secretaries. The Annual Report, from the Secretary of the Federal Council is submitted to the Assembly in separate form, in another part of the volume. The following items in connection with the Council and its work are of interest to the Assembly, and are dealt with directly by this Committee.

1. *Constituency.*—The question is frequently asked as to the statistics of the constituent Churches of the Federal Council. The figures furnished for the ecclesiastical year 1913, show that the 30 Churches in the Council reported a total of 101,652 ministers, 138,155 churches, and 16,936,233 communicants (see table, p. 25).

The moral power resting in this great aggregation of ministers, churches and church members is beyond computation in any visible manner. That great tact and deep thought, conjoined with sincere reliance upon the Holy Spirit will be necessary for the proper conduct of the affairs of the Council is very evident. Both the size and complexity of the organization involve the presence of these vital features of Christian activity. In particular should care be taken to avoid interference with the functions of the State, for the Churches in the Council have generally taken the position that the Church and the State occupy different spheres of

CONSTITUENT CHURCHES.

activity. This position, further, has been reënforced in the Republic by the decisions of the Federal Courts, the Supreme Court of the United States included, declaring repeatedly that "ecclesiastical decisions are final in ecclesiastical matters." The State, therefore, in this nation, recognizes the authority of the Church of Christ within its own jurisdiction, and the Church can do no less than recognize the authority of the State in connection with matters, which have been placed of God, within its sphere of action. The Church is first of all as to duty a teacher and counselor, is in its nature spiritual, and its supreme function is to witness to Christ.

2. *Principles.*—The sphere of operation of the Churches as associated together in the Federal Council is set forth in the Declaration of Principles, adopted by the Executive Committee, at Baltimore, Md., December 4, 1913. This Declaration, it is to be noted, draws attention to the Preamble of

the Plan of Federation, which states that "This Federal Council shall have no authority over the constituent bodies adhering to it; but its province shall be limited to the expression of its counsel and the recommending of a course of action in matters of common interest to the churches, local councils and individual Christians."

"It has no authority to draw up a common creed or form of government or of worship, or in any way to limit the full autonomy of the Christian bodies adhering to it."

Special attention is called to a part of the closing paragraph of the Statement, viz., that "The coöperation implied in the fellowship of the Federal Council does not require any one of the constituent bodies to participate in any such coöperative movements as may not be approved by it, or for which its methods of organization and work may not be adapted."

The statement of principles appears in the Report of the Federal Council to this General Assembly, and it is hoped that it will be acceptable to the Assembly.

3. *Chaplains in the United States Navy.*—It is a matter of congratulation that an Act is before the Congress of the United States, with every prospect at this date, of its passage, increasing the force of chaplains to one for each 1,250 of the personnel of the Navy, making the total number of chaplains 52 instead of 24. In addition, the grade of Acting Chaplains is recommended in the Act, with a view to testing for the period of three years, the men who are appointed to this important service, and thereafter upon satisfactory experience of their qualifications, there will follow promotion to the regular chaplaincy. This situation is a cause for thankfulness on the part of Christian men everywhere, for the Navy in the past has been most inadequately provided with religious services and spiritual privileges.

4. *The Panama-Pacific Exposition.*—A National Committee of One Hundred has been appointed, of which the President is the Rev. Edwin Holt Hughes, D.D., Bishop of the Methodist Episcopal Church. There are twelve additional Vice-Presidents, each representing other denominations. The main purpose of this National Committee is to provide for appropriate religious services, missionary and religious exhibits, and the holding of religious congresses and conventions in connection with the Panama-Pacific Exposition, at San Francisco, California, in 1915. Especial attention has been given to the provision of proper, moral and social conditions in connection with the Exposition. In response to a letter addressed to the Mayor of San Francisco by the President of the Federal Council, the former gave the assurance that the city administration was sincere and determined

in "efforts to suppress vice and crime, and to make San Francisco a clean, wholesome metropolis, worthy in every respect to be the world's Exhibition City."

5. *Foreign Missions.*—The Commission on Foreign Missions, of which Dr. Robert E. Speer, of New York City, is Chairman, has prepared a Statement of policies, in which the following things are worthy of special mention:

"It shall be the policy of the Commission not to duplicate the work of the Annual Conference of Mission Boards and of the Committee of Reference and Counsel, and to look forward to the time when the Foreign Mission function of the Federal Council may be discharged through the annual Conference of the Foreign Mission Boards."

"It shall be the policy of the Commission to keep before the churches the attainments already made in foreign missionary work, in federation, coöperation and unity, as a help to the Church at home in its consideration of the methods and possibilities of unity in the work of the Church in the United States." These statements emphasize the fact that the Christian workers in the foreign field are far in advance of those in the home field in the realization of unity and of coöperation.

6. *Associate Secretary.*—The Rev. Dr. Henry K. Carroll, of the Methodist Episcopal Church, who is distinguished in many ways as an executive and as a statistician, was chosen by the Executive Committee at the Baltimore meeting as Associate Secretary of the Federal Council, with residence at Washington, D. C. It was the general consensus of opinion on the part of the Executive Committee, that a Secretary of the Council was needed, with an office in the Capital of the nation, and therefore the office and the man.

7. *Peace and Arbitration.*—The Commission on Peace and Arbitration has done considerable work during the year. The Secretary, the Rev. Dr. Frederick Lynch, the editor of *Christian Work*, has sent out in the name of the Commission, a large number of articles and many items of news matter, which have appeared in the religious journals. A general church Peace League has been enrolled with over a thousand ministers as members. And the influence of the Commission has led to the gift by a wealthy New Yorker of a fund of two millions of dollars, known as the Church Peace Union, the interest of which is to be used for the promotion of the cause of Peace and Arbitration as between Nations, through the Christian Churches. This Church Peace Union, however, is a separate body from the Commission on Peace and Arbitration. Dr. Lynch is the Secretary of both bodies.

8. *Evangelism.*—The Commission on Evangelism, of which

the Stated Clerk of this General Assembly is Chairman, has elected the Rev. William E. Biederwolf, D.D., as Secretary. The Commission is planning, under the direction of the Secretary, for the performance of nation-wide Evangelistic Work, in accordance with the Plan adopted by the Council. It has now in its charge the celebration of the two hundredth anniversary of the birth of the Rev. George Whitefield, on December 16, 1914. Born at Gloucester, England, in 1714, Whitefield died at Newburyport, Mass., on September 30, 1770, and his remains are interred in the Old South Church at Newburyport, which was founded by him, and has been always a Presbyterian congregation. Whitefield was associated with John Wesley in the Methodist Revival of the 18th century, rendered great spiritual service in the American Colonies from 1744 to 1748, and was the President of the first General Conference of the Calvinistic Methodists, held at Watford, Glamorganshire, Wales, January 5, 1742, two years prior to the holding of any conference of the Wesleyan Methodists. The body over which Whitefield thus presided was later organized as the Welsh Calvinistic Methodist or Presbyterian Church. Concerning Whitefield, John Wesley in a memorial sermon, preached on November 18, 1770, thus referred to his friend's great ministry:

"Have we read or heard of any person, since the Apostles, who testified the Gospel of the Grace of God through so wide a space, through so large a part of the habitable world? Have we read or heard of any person who called so many thousands, so many myriads of sinners to repentance? Above all, have we read or heard of any person who has been a blessed instrument in the hand of God of bringing so many sinners 'from darkness to light, and from the power of Satan unto God?'"

The Presbyterian Church with all other Evangelical Churches should remember in grateful and efficient ways this first of modern international evangelists.

The following recommendations are offered for adoption:

Recommendations.

Resolved, 1. That the General Assembly again affirms its sympathy with the purposes of the Federal Council of the Churches of Christ in America, and its interest in the progress of the work of the Council. It advises its representatives to advocate caution in connection with action upon all subjects which are upon the border line of the two independent jurisdictions of the Church and the State, lest there should be intrusion by the Church, into the sphere of duty of the civil

magistrate, "Whom God the supreme Lord and King of all the world hath ordained to be under Him, over the people, for His own glory and the public good."

Resolved, 2. That the Assembly reaffirms the action of the Assembly of 1913, heartily approving of the recognition by the Council of some of those social needs which the Christian Church has so long pointed out, and called on men, in the name of God, to supply. At the same time, the Assembly expresses its conviction, that the power of the Gospel as the source of all true social progress should be increasingly recognized by the Council in its advocacy of social service.

Resolved, 3. That the Committee on Church Coöperation and Union is hereby authorized to represent the General Assembly in all matters in connection with the affairs of the Federal Council, the appointment of members of the Executive Committee included.

IV. The Reformed Church in the U. S.

The General Assembly of 1913, took action with a view to ascertaining the situation within this Church as to the tentative Plan of Union through the following Resolution:

"*Resolved*, That the Stated Clerk be directed to send down to the Presbyteries the following question, Do you favor the union with the Reformed Church in the U. S., as set forth in the Plan of Union approved tentatively by the General Assembly of 1911, *Minutes*, pp. 236–241, and that the answers of the Presbyteries be returned to the Stated Clerk by January 1, 1914, and be by him transmitted to the Committee on Church Coöperation and Union for consideration and report to the General Assembly?"

The question was sent down by the Stated Clerk as directed, and the Report made to the Committee at its meeting showed that two hundred and twenty Presbyteries out of two hundred and ninety-six had voted in the affirmative on the tentative Plan of Union of 1911, and that the Presbyteries in the negative numbered only three.

The tentative Plan of Union was considered also in the Classes or Presbyteries of the Reformed Church in the U. S., and the Conference between the sub-committee of this Committee and the Committee on Closer Union of the Reformed Church with the Presbyterian Church in the U. S. A., officially disclosed the fact that opposition to the Plan of Union, tentatively approved by the General Assembly and General Synod in 1911, had taken on a positive form, and required not only careful consideration by this Committee, but in addition, action by this General Assembly.

The Committee of the Reformed Church submitted at the Conference the statement contained in the following letter:

Lancaster, Pa., April 11, 1914.

My Dear Dr. Roberts:

I have collected the final action of the several Classes on the Plan of Union of the Joint Committee submitted to the General Synod, and by it referred to the subordinate judicatories. The result is as follows: Favorable, 13; unfavorable, 42; unreported or non-committal, 4.

The number of Classes is 59. Thus more than two-thirds voted unfavorably to the present Plan. Many of them made special mention of the desirability of federation, and practically all of them favor federation, though they made no mention of it, since the occasion did not call for it. The solution of the question of union seems to be in the direction of closer federation.

The vote of our Classes does not indicate opposition to Church union in general; nor any feeling against the Presbyterian Church. It was simply an expression of view on the present Plan of Union. I am convinced that the apparent defeat was a step in advance in the direction of union of some kind, one of those defeats which will end in victory, though we may not be able to foresee how and when at present.

I am preparing the Committee's Report for General Synod and shall mail you a copy before your Assembly meets, and after the Committee have adopted it.

I am sincerely yours,

George W. Richards, *Secretary.*

One of the chief influences at work in the Reformed Church to bring about the result stated in the above communication, appears to have been the feeling that the contemplated union between the two Churches, could be more effectively accomplished by a Plan of Union comprehending all the Churches of the Reformed and Presbyterian households. This matter is dealt with in another section of this Report.

Attention is drawn to the fact that the first approach towards Closer Relations between this Church and the Reformed Church in the U. S., was taken at Charlotte, N. C., in March, 1906, when the Committees of the two Churches were engaged with the Committees of other Presbyterian Churches, in the Conferences which resulted in the Articles of Agreement of the Council of the Reformed Churches in America holding the Presbyterian System. At a joint meeting of the two Committees the following Resolution was adopted:

"Believing that the time has come when the Reformed Church in the United States and the Presbyterian Church in the United States of America, two great historic Churches of the Reformation, holding in common the Reformed Theology and the Presbyterian Order, should come into closer relations with each other, in order to carry on more effectively the work committed by Christ to His Church, the Committees of the two Churches in this Conference hereby agree to recommend to our respective General Synod and General Assembly to appoint Committees to consider this whole subject of closer relations, either federal or organic, between the Churches." (*Minutes*, General Assembly, 1906, p. 136.)

The General Synod of the Reformed Church in 1908 took action appointing a new Committee on Closer Union with the Presbyterian Church in the U. S. A., with the Rev. J. Spangler Kieffer, D.D., as Chairman. Previous to the appointment of this Committee, a Report was presented by the Synod's Committee on Closer Union and Coöperation of the Reformed family of Churches, appointed by the General Synod of 1905. This Report contained the Resolution above given, adopted by the representatives of the two Churches at Charlotte, N. C., in March, 1906, and also the invitation of this General Assembly, tendered in 1908 "with a view to further consideration of the subject of Closer Relations between the two denominations." The Report was approved.

The General Assembly of 1909 took the following action:

"*Resolved*, 1. That the General Assembly hereby expresses its hearty appreciation of the action of the General Synod of the Reformed Church in the U. S. in appointing its Committee on Closer Union with the Presbyterian Church in the U. S. A.

"*Resolved*, 2. That the report of progress made by the Committee on Church Coöperation and Union is hereby approved, and the whole subject of relations with the Reformed Church in the United States is again referred to said Committee, to report to the next General Assembly."

The two Committees met frequently in the years 1909 to 1911, and presented a joint report on Union to the General Synod and the General Assembly, in 1911. The Tentative Plan of Union is printed at length in the *Minutes* of the Assembly for 1911, pages 236 to 241, and the action of this General Assembly approving the Plan of Union was unanimous. The following telegram concerning the Plan was received from the General Synod of the Reformed Church (*Minutes*, General Assembly, 1911, p. 94):

Canton, Ohio, May 23, 1911.

To the General Assembly of the Presbyterian Church, Atlantic City, N. J.:

The General Synod of the Reformed Church in the United States adopted the Plan of Union almost unanimously.

JAMES I. GOOD, *President;*
J. RAUCH STEIN, *Stated Clerk.*

Encouraged by the action of the General Synod the General Assembly in 1911, adopted the following:

"*Resolved*, 1. That the Plan of Union contained in this Report is hereby submitted by the General Assembly and the General Synod to the subordinate judicatories, for information and discussion, as an acceptable plan for future action, subject to such modifications as conditions may require.

"*Resolved*, 2. That the Committee on Church Coöperation and Union is hereby directed and empowered to confer with the Committee on Closer Union of the Reformed Church in the U. S., and on the basis of such information by both Committees, to make final report to the respective Supreme Judicatories in 1914."

The above record speaks for itself, and your Committee under the circumstances simply draws attention to Section VII of this Report, and submits the following Resolutions for adoption:

Recommendations.

Resolved, 1. That the Assembly expresses its pleasure that the Presbyteries have approved, with so remarkable a degree of favor the Plan of Union with the Reformed Church in the U. S., as submitted to the Assembly of 1911, and tentatively adopted by it. The vote of the Presbyteries is the evidence of the great desire of our ministers and members for a union in one body of all the Churches of the Presbyterian household in the United States of America.

Resolved, 2. That although more than two-thirds of the Classes of the Reformed Church in the U. S., have declined to assent to the Plan of Union of 1911, yet in the spirit of Christian courtesy the Assembly withholds from taking further action upon said Plan of Union until the General Synod of the Reformed Church shall have had an opportunity to pass finally thereupon.

Resolved, 3. That should the General Synod of the Reformed Church in the U. S., in May, 1914, approve of the proposal of its own Committee, submitted to and approved by this General Assembly, during its sessions at Atlanta, Ga., in May, 1913, with reference to the union of all the Churches of the Presbyterian household in the United States; then the Committee on Church Coöperation and Union is hereby

authorized to enter into negotiations on the subject with any Committee appointed by the General Synod of the Reformed Church in the U. S., report to be made to the next Assembly.

V. World Conference on Faith and Order.

The progress made in connection with this unique movement is shown by the list of Protestant Churches which so far have agreed to take part therein, which includes Churches in all parts of the world. The country is the United States unless otherwise specified.

1. *List of Constituent Churches.*

Anglican.—The Protestant Episcopal Church; The Church of England; the Church of England in Canada; in Argentina; the Episcopal Church in Scotland; the Church of Ireland; the Church of England in India; the Chung Hua Sheng Kung Hui of China; the Nippon Sei Kokwai of Japan; the Church of England in Australia and Tasmania; the Church of the Province of South Africa.

Baptist.—The Northern Baptist Convention; the Southern Baptist Convention; the Free Baptist Conference; the Seventh Day Baptist General Conference; the Baptist Union of Great Britain and Ireland.

Congregational.—The National Council of Congregational Churches.

Disciples of Christ.—A Commission has been appointed for the United States and Canada, and another for Great Britain.

Lutheran.—The General Synod of the Evangelical Lutheran Church in the U. S. A.

Methodist.—The Methodist Episcopal Church; the Methodist Episcopal Church, South; the Methodist Church in Canada; the Wesleyan Methodist Conference in England, whose Commission by arrangement represents also the Irish Conference.

Commissions have now been appointed representing probably more than forty millions of Christians. Considering

that it has not yet been possible to get the information needed to issue invitations for the appointment of Commissions in the Continent of Europe or the near East and other important territories, this result shows a most encouraging interest in this effort to prepare the way for the World Conference.

2. *The Deputation to Great Britain.*—One notable event in connection with this World Conference during the year, was the appointment and visit of a Deputation to confer with the various non-Episcopal Churches in Great Britain and Ireland, in order to secure their coöperation. This Deputation was appointed by the Commission on the World Conference of the Protestant Episcopal Church, and the certificate of appointment issued to them is herewith presented for general information.

New York, N. Y., December 1, 1913.

TO ALL OUR BRETHREN IN CHRIST:

This is to certify that at a meeting of the Commission of the Protestant Episcopal Church on the World Conference on Faith and Order, held May 20, 1913, it was

Resolved, That a Deputation be sent to visit Great Britain and Ireland, and there to present to the Christian communions, other than the Anglican, the principles and the purposes underlying and animating the resolution adopted by the General Convention of the Protestant Episcopal Church appointing this Commission to join with other Christian communions in arranging for a World Conference upon questions of Faith and Order.

The reverend gentlemen hereinafter named were appointed to constitute such Deputation, namely:

The Rev. Newman Smyth, D.D.,
The Rev. Bishop John W. Hamilton, LL.D.,
The Rev. John Henry Jowett, D.D.,
The Rev. William H. Roberts, D.D.,
The Rev. Peter Ainslie, D.D.,

The Rev. Tissington Tatlow, M.A., was requested to act in association with the Deputation, and to render such assistance as may be practicable.

Attest: C. P. ANDERSON,
President of the Commission of the Protestant Episcopal Church on the World Conference on Faith and Order.

WILLIAM T. MANNING,
Chairman of the Executive Committee of the Commission of the Protestant Episcopal Church on the World Conference on Faith and Order.

ROBERT H. GARDINER,
Secretary of the Commission.

The members of the Deputation who were able to perform the service requested were the Rev. Newman Smyth, D.D., of the Congregational Churches; the Rev. William H. Roberts, D.D., of the Presbyterian Church in the U. S. A.; and the Rev. Peter Ainslie, D.D., of the Church of the Disciples. The Deputation reached England early in 1914, and was received on the evening of January 9th by the Free Church Council of England, at a banquet at the Hotel Metropole, London, attended by one hundred and ten guests, being the leaders of the Free Churches of England. Dr. Meyer, the Secretary of the Free Church Council, and others, declared that this gathering was the most historic event of English non-conformity, and marked a distinct epoch in the life of the Church there. Conferences followed on successive days with official bodies of the Presbyterian Church of England, the Primitive Methodists, the Wesleyan Methodists, the United Methodists, the Congregationalists of England and Wales, the Welsh Calvinistic Methodists, the Baptists, the Friends, the Moravians, the Disciples, and with several voluntary religious organizations both of the Free Churches and the Church of England.

The Deputation was received in Scotland, on January 14, 1914, in the Official Building of the Church of Scotland at Edinburgh, at a meeting gathered by special invitation, and composed of selected representatives of the Church of Scotland, the United Free Church of Scotland, the Presbyterian Church of Ireland, the Congregational Church in Scotland, and other Scottish Churches. Lord Balfour, of Burleigh, had been appointed to preside and associated with him the Rev. Archibald Henderson, D.D. The gathering was most cordial in its spirit, and the attitude of the 150 ministers and laymen present is shown by the following brief extracts from addresses made:

The Very Rev. Dr. MacAdam Muir, of Glasgow, in moving a vote of thanks to the Deputation, said: "I think we can most cordially hope that what has been suggested to us by our friends, will be carried out to the great good of the Communions which we represent and the whole Church of Christ." The Rev. Principal Whyte, of New College, Edinburgh, in seconding the vote, among other things, said, "Anyone who knows me, knows that I favor this with my whole heart. I am only speaking for myself when I say that since I sat down in this room I have felt thankful personally for this visit. It has for the first time brought me within the household and under the roof of our old Mother Church. I shall date the first time when I was invited within its walls to the day of the visit of our American friends." The Rev. William Park, of Belfast,

President of the General Council of the World Presbyterian Alliance, spoke in part as follows: "I think it is a very important matter, and the mere fact that it is a new way of approaching this great subject of Union, should commend itself to us very much, and make us hope and pray that by God's blessing, it may be successful. A second thing which is very interesting, is that this invitation comes to us from the Episcopal Church in America, and that it is coming to us not to ask us to join in and recognize Episcopacy, but has come to ask us to meet with them in conference to discuss that question as well as other doctrinal or ecclesiastical questions that may arise. I think that it is right that we, as a Presbyterian body, and that the whole of the Presbyterian Churches in the world, should welcome a proposal of this kind."

Mr. Gardiner, the Secretary of the Protestant Episcopal Commission, writes concerning the Deputation's visit in the following terms:

"In all, they met thirty-one groups in conference, and accepted twenty invitations of a social character for further conference with representative men. In all instances their message was sympathetically received, and from all the conferences they had the definite promise of recommending to the various annual meetings the appointment of commissions to coöperate in arranging for and conducting the World Conference. Not only did they thus advance the project of that Conference, but they were the means of bringing the Christians of England, Scotland and Ireland into much closer relation and sympathy."

3. *The Advisory Committee.*—At a meeting of the Protestant Episcopal Commission with the Commissions appointed by other Christian Churches at New York City, on May 8, 1913, it was decided to appoint an Advisory Committee, composed of one representative of each of the Commissions already appointed, to be chosen by each of said Commissions, with the purpose of coöperating in promoting any preparation preliminary to the work of convening the World Conference. Your Committee appointed the Chairman as its representative on this Advisory Committee.

On November 19, 1913, in New York City, the Advisory Committee organized, with Rev. Dr. Wm. T. Manning as Chairman and Mr. Robert H. Gardiner as Secretary. The following resolutions were adopted:

"1. That the time has come to begin the consideration of the steps to be taken before the topics for consideration by the Conference can wisely be formulated.

"2. That each member of the Advisory Committee should

recommend to the Commission of his Communion the immediate consideration of how the following questions should be answered:

"(*a*) What should be the nature of the bodies or groups which are finally to be charged with the duty of formulating topics for the Conference?

"(*b*) What can be done by each Commission in the way of preparing a statement of the topics which that Commission thinks appropriate for ultimate consideration at the Conference?"

This subject of the topics for the Conference was considered by your Committee, and the Chairman with Rev. Drs. J. Ross Stevenson and Charles R. Erdman were appointed as the sub-committee to consider and to report at the next meeting.

At a meeting of the Advisory Committee held March 21, 1914, the Advisory Committee adopted a Paper which has been commonly spoken of as "The Truce of God," and it is herewith submitted.

New York, N. Y., March 21, 1914.

To our Christian Brethren in Every Land,
GREETING:

We, the Advisory Committee, representatives by appointment of many Churches in the United States, have become associated with the Commission of the Protestant Episcopal Church in the preparation of a World Conference on questions of Faith and Order as a first step towards unity. We believe in the one people of God throughout the world. We believe that now is a critically hopeful time for the world to become Christian. We believe that the present world problems of Christianity call for a World Conference of Christians.

This proposal has already received the approval and coöperation of a large number of Christian Churches; approaches are being made to others as rapidly as possible; so that we hope that ere long its world-wide representative character will be established beyond peradventure. In the work of preparation for its convening, we have no authority or desire to enter into a discussion of the important questions which the Conference itself will meet to consider. It is our immediate concern to take whatever measures may be advisable to secure the best possible presentation to the Conference of the matters to be considered. In so doing we cannot, however, remain indifferent to present conditions which may either promote or tend to thwart the purposes and hopes which the approaching World Conference should fulfill.

At the present moment some of these important issues have suddenly become matters of renewed controversy. From the

mission field the long outstanding problem of Christian unity has been brought by the providence of God and set directly in the way before all Christian Communions. It cannot longer be passed by. The great interests which Christian people of every name have most at heart call for its solution. But solution cannot be secured by surrender. It must be preceded by conference. Before conference there must be truce. The love of Christ for the world constrains us to ask you to join with us and with His disciples of every name in proclaiming among the Churches throughout Christendom a Truce of God. Let the questions that have troubled us be fairly and clearly stated. Let scholars, Catholic and Protestant, give freely to the people whatever light from their historical studies they can throw over these subjects. More than that, it is of essential importance for us to seek to understand what in the religious experience of others, are the things of real value which they would not lose, and which should be conserved in the one household of faith. We pray also that each Christian Communion may avoid, so far as possible, any controversial declaration of its own position in relation to others, but rather that all things be said and done as if in preparation for the coming together of faithful disciples from every nation and tongue, to implore a fresh outpouring of God's Holy Spirit.

Before all indifference, doubt and misgivings, we would hold up the belief that the Lord's prayer for the oneness of His disciples was intended to be fulfilled; and that it ought not to be impossible in the comprehension of the Church, as it is practicable in the State, for men of various temperaments and divergent convictions to dwell together on agreed principles of unity. We would, therefore, urge all who hold positions of leadership or authority in the Church to labor without ceasing to work out in this generation, by mutual recognitions and possible readjustments, a practical basis of unity in liberty, in order, in truth, in power and in peace. To this end we ask your prayers.

By order of the Advisory Committee of the Commissions on the World Conference on Faith and Order.

WILLIAM T. MANNING, *Chairman;*
ROBERT H. GARDINER, *Secretary.*

In its Report to the Protestant Episcopal Convention of 1913, the Commission reported the following Resolutions of the Advisory Committee on the scope and character of the World Conference Movement:

1. That the true ideal of the World Conference is of a great meeting participated in by men of all Christian Churches

within the scope of call, at which there shall be consideration not only of points of difference and agreement between Christians, but of the values of the various approximations of belief characteristic of the several Churches.

2. That while organic unity is the ideal which all Christians should have in their thoughts and prayers, yet the business of the Commissions is not to force any particular scheme of unity, but to promote the holding of such a conference as is above described.

The following recommendations are submitted to the General Assembly for adoption:

Recommendations.

Resolved, 1. That the Assembly expresses its pleasure over the welcome given to the Deputation sent by the Commission of the Protestant Episcopal Church to visit the non-Episcopal Churches of Great Britain, and expresses the sincere hope that the fellowship between the Churches revealed by the visit of the Deputation may have, in due time, visible manifestation in other and more concrete forms than at present.

Resolved, 2. That the Assembly approves of the sentiments contained in the document issued by the Advisory Committee of the World Conference, and entitled: "The Truce of God." This Assembly has been repeatedly on record as instructing its Committee on Church Coöperation and Union, as the body representing the Assembly, to decline to discuss, in anticipation of the Proposed Conference, any questions as to Faith and Order. The Assembly is therefore bound by its own action to the course of procedure outlined in the document.

Resolved, 3. That the General Assembly again entrusts the negotiations with a view to the Proposed World Conference, and all matters connected with the preparation therefor, expenses included, to the Committee on Church Coöperation and Union, as the body representing the Assembly, to report to the next Assembly.

Resolved, 4. That the General Assembly again emphasizes its firm adherence to the condition, in connection with the meeting of the Proposed Conference, that no Church shall be invited to participate therein that has not positively declared "its faith in and obedience to Jesus Christ as God and Saviour."

VI. The Disciples of Christ in America.

There has been no opportunity this year for a Conference with the Commission on Christian Unity of the Disciples

of Christ, but such a conference it is hoped will be practicable prior to the meeting of the next General Assembly. There has been an exchange of Christian courtesies, however, between the Churches. The Rev. George B. Stewart, D.D., President of Auburn Theological Seminary, accepted the appointment of fraternal delegate to the Annual Convention of the Disciples at Toronto, Canada, in October, 1913, authorized by the Assembly of 1913. He was received most cordially by the Convention.

The following resolution is submitted for adoption:

Resolved, That the General Assembly expresses its pleasure over the interchange of delegates between the General Convention of the Disciples of Christ and this General Assembly, and authorizes the Committee on Church Co-operation and Union to continue to confer with the Commission on Christian Unity of the Disciples of Christ with a view to closer relations.

VII. The Plan of Union between all the Churches of the Presbyterian Household.

The important subject of the union of all the Churches in the United States of America of the Presbyterian household, has been in many minds for a considerable period of time, and first found a partial visible expression in the establishment of "The Council of the Reformed Churches in America holding the Presbyterian System." The Articles of Agreement establishing this Council were framed at Charlotte, N. C., in 1906, and were adopted by several of the supreme judicatories of the Presbyterian and Reformed Churches in 1907. The first meeting of this Council was held in New York City, December, 1907, and it has met in regular session biennially since that date. The Council, however, is a body with little power, and its main function thus far has been to bring together for coöperative work the Agencies of the seven Churches which are represented in it, in order to bring about unity of administrative effort in certain departments.

That there is considerable potentiality for federation in The Council of the Reformed Churches is evidenced by the emphasis placed upon it by the action of the Classes of the Reformed Church in the United States upon the tentative plan of union, between that Church and the Presbyterian Church in the United States of America, as stated in Section IV of this report. This view of the matter is further emphasized by the request of the Committee on Closer Union of the Reformed Church in the U. S., submitted to the General Assembly at Atlanta, Ga., May, 1913; approved by that

Assembly, and sent through the Stated Clerk to the supreme judicatories of all the Churches in the United States of the Presbyterian household. The action thus sent down reads as follows:

"WHEREAS, The Classes of the Reformed Church in the U. S., in their consideration of the Plan of Union between the Reformed Church in the U. S. and the Presbyterian Church in the U. S. A. have offered a number of objections to the proposed Plan, and yet the reports of the Classes indicate a widespread and deeply felt desire for closer union between the Presbyterian and Reformed Churches in the United States; and

"WHEREAS, The Committee of the Reformed Church in the U. S., on Closer Union with the Presbyterian Church in the U. S. A. believes that the contemplated union with the Presbyterian Church in the U. S. A. can be more effectually accomplished by a plan of union comprehending all the Churches of the Reformed and Presbyterian household; and

"WHEREAS, Such a union has been in a measure prepared for by the fellowship of the Council of the Reformed Churches in America holding the Presbyterian System, organized in 1906, and efforts are now being made by some of the Churches represented in the Council for organic union; therefore

"*Resolved*, 1. That the Committee of the Reformed Church in the U. S. requests the Committee of the Presbyterian Church in the U. S. A., that it join in presenting a memorial or overture to the General Assembly of the Presbyterian Church in the U. S. A. and to the General Synod of the Reformed Church in the U. S., urging the two judicatories to memorialize or overture the General Assemblies or the General Synods of the other denominations in the Council, to appoint committees on this matter, or to refer it to existing Committees on Church Union, to coöperate with similar committees of the other Churches in the Council, to put the movement for organic union in shape for further action.

"*Resolved*, 2. That in view of the unusual fact that three General Assemblies of Churches in the Council of Reformed Churches holding the Presbyterian System in America are about to meet at the same time and place this coming May, the Committee on Closer Union of the Reformed Church in the U. S. requests the Committee on Church Coöperation and Union of the Presbyterian Church in the U. S. A. to present this memorial or overture through their General Assembly to the General Assemblies or General Synods of the other Churches in the Council of the Reformed Churches.

"*Resolved*, 3. That the action is not intended to suspend the movement for Closer Union between the Presbyterian

Church in the U. S. A. and the Reformed Church in the U. S., or a similar movement between any other Churches in the membership of the Council of Reformed Churches in America."

This matter has been also brought to the attention of your Committee through the action of the General Assembly of 1913 in referring to it for consideration and report, *Overtures No. 234* from the Presbytery of Austin and *No. 301* from the Presbytery of Fort Worth, relating to the organic union of all the Presbyterian and Reformed Churches of America. These overtures draw attention to the fact that there exists in many of our towns of the southwest, a hurtful overlapping of Presbyterian Churches of different denominations, resulting in harmful competition and loss from both Churches to other denominations, and in injury to the common cause.

The same Assembly referred to this Committee, upon recommendation of the Committee on Christian Life and Work, the following resolution:

Resolved, 3. That the matter of effecting a close coöperation with power, by the Churches included in the Council of the Reformed Churches in America, in the carrying on of interchurch work in common territory, be referred to the Committee on Church Coöperation and Union, with a request that a beginning be made at the earliest practicable moment. (*Minutes*, 1913, p. 295.)

The Committee, further, has been informed that the "Council of the Reformed Churches in America holding the Presbyterian System," of which seven Presbyterian and Reformed Churches are members, has taken action recently with reference to the idea of the increase of its powers along coöperative lines of action in the interest of the constituent Churches.* To that action, however, at present this Committee has no relation, and simply refers to it because it was the action of the General Assembly at Atlanta in relation to a plan of federative union, already referred to in this Report, which led to action by the Council at its meeting in Philadelphia on March 18, 1914.

This matter of federation with a view to a closer union has received from your Committee prayerful and earnest attention. The many obstacles at present in the way of organic union have been clearly realized and definitely stated at the conferences with the Committee of the Reformed Church in the U. S. What is true of that Church is true of all other Churches of the Presbyterian family. Each one has its own

* See in this volume, p. 32.

historic character, a most loyal constituency, and a marked individuality. These factors, so vital to the homogeneity and prosperity of a Christian Church, are of great value. That to a certain extent they are barriers in the way of organic union is certain, but it is believed also that they will be highly advantageous in relation to a union of a federative character, fashioned somewhat after the plan of union which to-day exists in the American nation, where each State retains self-government in certain important particulars, but in which matters of national importance find a centre in the organized government of the United States. That this idea of a federative union is increasingly popular in the several Churches of the Presbyterian family in our country is evident.

The Committee also has given attention to the matter of overlapping, and of the need for the concentration of resources, both of men and means, in certain lines of Church work, as set forth in the overtures from the Presbyteries of Austin and Fort Worth, and also in the Resolution of the Committee on Christian Life and Work. That a plan of federative union would do away in some measure with the difficulties referred to in the overtures, and inure to the prosperity of the work of Christ carried on by the Presbyterian and Reformed Churches, is increasingly admitted in many influential quarters.

The Committee also expresses the judgment, in view of its experiences and its observations of conditions and circumstances, that it would be wise for this General Assembly to give expression to the general opinion held in this Church that while as a Church the ideal is cherished of a future complete organic union of all the Presbyterian and Reformed Churches in the United States, that nevertheless this ideal finds origin in a sincere desire for an increasing power for them all in connection with the work of Christ in our land, and not in any narrow idea of the absorption of other Churches and so to increase our already great constituency. In the Providence of God, this Church is the largest Presbyterian Church in the world, and it is certain that we cherish no other feelings but those of fraternity and deep sympathy for all Churches, both at home and abroad, whether large or small, which are integral parts of our branch of the Church Universal of Jesus Christ. We hold organic union as the ideal of union, because there is in it the hope of strength, harmony, power and prosperity beyond any present development.

In view of all the considerations above stated, the Committee submits the following resolutions:

Recommendations.

I. *As to the Overtures on Organic Union.*—With reference to Overtures Nos. 234 and 301 from the Presbyteries of Austin and Fort Worth, both having to do with the subject of organic union of all Presbyterian and Reformed Churches in the United States of America, and giving as a reason their experience of the difficulties connected with the overlapping of missions and churches on the Home Mission field, the following answer is recommended:

Resolved, 1. That since "The Council of the Reformed Churches in America holding the Presbyterian System" was formed "to promote closer relations, and more effective administrative coöperation among our Churches," this Assembly recommends that local councils for the same purposes be formed, representative of Presbyteries and Classes within a given territory, which shall be empowered by the bodies appointing them, to devise measures and promote educational, missionary and other united enterprises in accord with the Articles of Agreement, adopted for the Council by its constituent Churches, report to be made to the Presbyteries and Classes interested.

Resolved, 2. That our Presbyteries and Synods hold conferences with the corresponding ecclesiastical bodies of other Presbyterian and Reformed Churches in their respective territories, for the cultivation of closer relations and for general education in the whole matter of Church coöperation and union.

II. *As to Federation.*—In the matter of Federation, the following Resolutions are submitted for adoption:

Resolved, 1. That it is the judgment of this Assembly that this Church should seek the coöperation of other Churches of the Presbyterian family, in efforts to bring all Presbyterian and Reformed Churches to promote some plan of effective federation, in which there shall be a central body, with authority to regulate the great missionary agencies in which all our Churches are deeply interested, somewhat under the form by which the States of the Union have been federated, with a limited and yet with an effective central power, and to that end recommends careful consideration of the availability for this purpose of the already existing "Council of the Reformed Churches in America holding the Presbyterian System."

Resolved, 2. That this Assembly disclaims any purpose to seek to absorb into our own organization, other Church organizations, but declares that it desires at present such a federated union of all Presbyterian and Reformed Churches as will leave to each constituent Church such a degree of self-

government and of freedom in worship as each one of the Churches would be pleased to retain.

Resolved, 3. That the Committee on Church Coöperation and Union is authorized to take up negotiations as to a general Plan of Union of all the Churches of the Presbyterian family in the United States with any Committees or Commissions appointed by the supreme judicatories of other Presbyterian and Reformed Churches, or by the Council of the Reformed Churches in America holding the Presbyterian System.

The Committee in closing places on record its high appreciation of the kindly courtesy and fraternal spirit of the representatives of the Churches with whom the privilege of conference has been enjoyed. No note of discord has at any time been heard at any meeting with these brethren. On the other hand, the sense of a common fellowship in Christ made itself evident in most gracious ways. So distinct was this manifestation in an outward manner of an inward feeling of unity, that the Chairman of the Committee has ventured to call the Twentieth Century, the Age of Fellowship. The Sixteenth Century was the Age of Reformation; the Seventeenth, the Age of Creed Construction; the Eighteenth, the Age of Defense and the Beginnings of Revival; the Nineteenth, the Age of Missions and Church Expansion; may this Century be increasingly one of true fellowship between Christians, hastening the coming of the day when every tongue shall confess that Jesus Christ is Lord to the glory of God the Father.

The Special Committee on Christian Life and Work, through its Chairman, Rev. John Timothy Stone, D.D., presented its Report, which was accepted.

The appointment of Mr. Thomas J. Arnold on the Committee, in place of Mr. J. Fithian Tatem, resigned, was confirmed, and the other members whose terms had expired were reëlected.

The Overtures presented under Sections V and VI, on the Deacon and the Deaconess, were adopted, and ordered to be sent down to the Presbyteries for their action. They are as follows:

The Committee respectfully submits the following Overture, to be sent down to the Presbyteries, namely: Shall the Form of Government be amended and altered by the addition of a Chapter, to be numbered XXV, to be entitled, "Of the Board of Deacons," and which shall read:

FORM OF GOVERNMENT, CHAPTER XXV.

OF THE BOARD OF DEACONS.

"SECTION 1. The Board of Deacons consists of the pastor or pastors, and deacons of a particular congregation.

"SECTION 2. Of this Board, two deacons, if there be as many in the congregation, with the pastor, shall be necessary to constitute a quorum.

"SECTION 3. The moderator of the Board of Deacons shall be the pastor, or in his absence a deacon appointed by him. The Board shall elect from its membership its own secretary and treasurer.

"SECTION 4. The Board of Deacons shall have charge of the poor of the congregation, and may perform such other administrative, charitable, and community duties, the disbursement of charitable funds included, as may be determined upon, after consultation with and action by the Session. The Board of Deacons shall report to the Session all disbursements.

"SECTION 5. The Board of Deacons shall report annually to the Session upon all business transacted, and its Minutes shall be reviewed at least annually by the Session, subject to the supervisory authority of the Presbytery.

"SECTION 6. The deacons may be entrusted in addition with the care and management of the temporalities of the Church, and when so entrusted they shall report at least annually upon the same to the Session, being subject also to the supervisory authority of the Presbytery."

In view of the changes which have taken place since 1891, the year of the report, the Committee also feels that it would be well to submit to the Presbyteries the following Overture: Shall a Section, to be numbered nine (9), be added to Chapter XIII, Form of Government, as follows:

"9. Deaconesses may be elected to office in a manner similar to that appointed for deacons and set apart by prayer. They shall be under the supervision of the Session, and their duties shall be indicated by that body."

Under Section VII, Resolution 1 was referred to the Standing Committee on Home Missions.

Resolution 2 was adopted, and is as follows:

"2. The General Assembly also directs that steps be taken for a careful inquiry as to how to meet our pressing need for

some Department or Agency corresponding to the 'Department of the Stranger' of the Presbyterian Church in Canada, and that this investigation be taken up by the Committee on Christian Life and Work in conference with the Board of Home Missions, to report at the next meeting of the General Assembly."

Under Section XI, the following Deliverance was adopted:

"Your Committee earnestly recommends the adoption of the following deliverance:

"The General Assembly calls the whole Church represented by it; all Synods, Presbyteries, Sessions and pastors; all Sabbath-school officers, teachers, and Christian pupils; and all diligent readers of the Scriptures in private, to enter upon a united and prayerful effort to bring to the regular reading of God's Word all communicant members and all other persons within the influence of the Church.

"The Church courts, the ministers, elders, deacons and devoted Christian women and men are urged, under the leadership of the Holy Spirit, to devise effective means, and persistently to use them, so as to make universal the faithful reading and study of the Holy Scriptures; that all professed followers of Christ, and those associated with them, may grow in the knowledge of the Divine Oracles, and by grace and knowledge be fitted for Christian profession and service, to the honor of God, the salvation of souls and the sanctification and preparation of Christ's Church for its world-wide mission."

Section XII was adopted, as follows:

"XII. Statistical Blanks.—The General Assembly referred to the Committee a number of Overtures from the Presbyteries, with reference to statistical blanks, namely: The Annual Report of the Church to Presbytery, and the Narrative of Christian Life and Work in the Congregation. The Committee respectfully requests from the Assembly authority to take up the entire subject of the statistical blanks, report to be made to the next Assembly. Meantime the Committee further requests that it be empowered to act upon the Narrative of Christian Life and Work, both for the congregation and the Presbytery, in its own discretion, in order that these Narratives may be sent in an amended form to the churches, at the beginning of the year 1915."

Under Section XIII, the consultation suggested with the Permanent Committee on Evangelism was authorized.

Section XIV, on Marriage and Divorce, was referred back to the Committee for further consideration.

The Committee was also asked to present a resolution on the subject of Family Religion.

The Resolutions under Section XX were amended and adopted, as follows:

"XX. RESOLUTIONS.—The following Resolutions are submitted to the Assembly for adoption:

"*Resolved*, 1. That the attention of all the Presbyteries and Synods be again called to the imperative need of better arrangements for the reporting of the Narrative, and to that end the Assembly would suggest to each of them that there be a Standing Committee of at least three rotating members together with the Moderator and Stated Clerk, *ex officio*, making five, to prepare the Narrative, and that a period of at least one hour be allotted to the Report at the close of a morning session of the judicatory, to be accompanied with exercises of praise and prayer.

"*Resolved*, 2. That the Stated Clerks of Synods be and are hereby appointed as advisory members of the General Assembly's Special Committee on the Narrative of Christian Life and Work, and that the Synods be requested to direct the said Clerks to coöperate with the Committee in the preparation of the Narrative for the Assembly.

"*Resolved*, 3. That the Narrative of the Special Committee, when approved by the Assembly, be printed in full in the Appendix to the Minutes.

"*Resolved*, 4. That the churches are again advised, wherever the way is wise in the judgment of Presbytery to unite with the churches of other denominations in the communities in which they are located, for the purpose of carrying on co-operative Christian work, and Presbyteries and Synods are requested to stimulate this work within their bounds.

"*Resolved*, 5. That the Board of Publication and Sabbath School Work be authorized to issue literature prepared by this Committee in connection with the work entrusted to it by the Assembly.

"*Resolved*, 6. That church Sessions are most earnestly requested to give most particular attention to the absentee members of their congregations, to comply with the requirements of the Book of Discipline, in relation to such matters, and to endeavor by correspondence to recommend such members to unite with the churches in the communities in which they have located.

"*Resolved*, 7. That the Presbyteries be and hereby are instructed to give particular attention to the Sabbath-schools connected with the churches under their jurisdiction, and especially to make provision for the establishment of one or more Sabbath-schools in connection with every congregation.

"*Resolved*, 8. That the Presbyteries are earnestly directed to inquire of Sessions of any congregations subject to their

authority, as to the prevalence of the evangelistic spirit in their midst, and to encourage all Sessions to stimulate a true evangelism among all the members, in order that in every church there may be obedience to the command of Christ to preach the Gospel to every creature. Thus laboring in the spirit of our Divine Saviour will it be possible in every congregation to add unto the number of them that are saved.

"*Resolved*, 9. That the Committee on Christian Life and Work be and is hereby charged with the duty of sending out to the Church a solemn call for a year of intercession, beginning October 1, 1914, for the outpouring and receiving of the Holy Spirit throughout the world in both home and foreign fields. The call, when prepared, shall be signed by the Moderator and Stated Clerk on behalf of the General Assembly, and shall be communicated to the proper authorities of other Christian denominations.

The Report as a whole, with the exceptions noted above, was adopted, and the Report was ordered printed in full in the Appendix.

The following was presented:

Resolved, That the Assembly place itself on record as in favor of a Federal Law of Divorce. Pending its discussion, the Order of the Day arrived, and the resolution was placed on the Docket.

Dr. Sidney L. Gulick, representing the Special Commission on Japan, of the Federal Council of the Churches of Christ in America, addressed the Assembly, on the subject of Peace and Arbitration as connected with Japan.

The Report of the Joint Committee, appointed to prepare a United Declaration on Christian Faith and Social Service, was presented by Rev. W. S. Plumer Bryan, D.D., Chairman, and was adopted. It is as follows:

The Joint Committee appointed to prepare a United Declaration on Christian Faith and Social Service, by the General Assembly of the Presbyterian Church in the United States; the General Assembly of the United Presbyterian Church of North America; the General Assembly of the Presbyterian Church in the U. S. A., in session at Atlanta, Ga., May, 1913, and the Associate Reformed Presbyterian Synod, in session at Statesville, N. C., November, 1913, respectfully submits the following Report:

We were appointed in response to a proposal that our four Presbyterian Churches should prepare and publish a United Declaration of their common faith in the great truths of the

Gospel in relation to what has come to be known as Social Service. We understand from the action taken by the respective bodies which appointed us that our Churches call for such a Declaration as will make clear to the world the true place of Social Service in Christian life and work.

Our United Declaration.

In preparing this United Declaration, we use the words:

"Christian Faith" to designate the teachings of the Holy Scriptures, the essential doctrines of which are held in common by all Evangelical Churches and are embodied in the ecumenical creeds of Christendom.

"Church" to designate an organized body instituted by Christ and exercising her corporate functions through her courts and officers.

"Social Service" to designate the practice of the principles set forth in God's holy law which regulate the relations by which men are bound together in the social order, this practice being a part of those good works of which our Confession of Faith teaches that they are only such as God hath commanded in his Holy Word and are done in obedience to God's command and are the fruits and evidence of a lively faith, and at best cannot merit pardon of sin or eternal life at the hand of God.

Accordingly, our Churches unite in saying:

I. We believe that man's chief end is to glorify God and to enjoy Him forever, and that the first duty of all men is to seek God, to repent of sin, to accept the offer of salvation through Jesus Christ and to dedicate their lives unreservedly to His service.

II. We believe that, from the creation of man, God has ordained for us those social relationships which are to His glory and to the happiness and usefulness of mankind, and that in every age He has made known His will that he that loveth God must love his brother also.

III. We believe that the moral principles upon which all social relations are based were written in the heart of man, when he was made in the image of God, that these principles have been obscured by sin and are revealed anew in the Holy Scriptures. Inasmuch as all evils, social and individual, have their source in human sin and selfishness, they can be remedied only by the divinely appointed plan for salvation from sin and through the divinely given motive which is the love begotten in our hearts through God's great love for us in the gift of His Son.

IV. We believe that the Church, holding the Gospel of Jesus Christ, is not only the appointed means to salvation

from eternal death, but that, with the state and the family, she has a distinctive work to do in bettering the social relations of men in this present world. The power given to the Church is spiritual, ministerial and declarative, and her functions, through the Word and the Holy Spirit, is to inculcate and apply those principles and to quicken those motives which are essential to all true and lasting reform.

V. We believe that the social conditions of our day require emphasis upon the divine message for the following reasons:

1. The tremendous advance in our time of scientific discovery and invention and of commercial, industrial and civic enterprises by which men have been brought into closer relations of reciprocal dependence and service towards one another as individuals and towards society as an organized body.

2. The vast increase of wealth, its unequal and often unjust distribution, and the consequent increase of the power of the privileged few to exploit their fellow-men for private and selfish ends.

3. The development of great business corporations which discharge many of the functions once belonging to individuals, and as a result of this the weakening of the sense of individual responsibility for social wrongs.

4. The fostering or protection of vice as an instrument to private gain or to selfish ambition for place and power.

5. The submergence of large classes in ignorance and poverty so that the difficulty of reaching them with the message of Christ is greatly increased.

These reasons require that the Church of Jesus Christ, which takes its stand as Christ did against the sins of social injustice and tyranny, as well as against other forms of sin, should emphasize:

1. The duty of man towards his fellow-men as individuals and towards society, with reference to the life that now is as well as to the life which is to come.

2. The duty of men to put into practice the Christian principles of love, justice and truth in all their social relations, economic, industrial or political; as officials or citizens of the state, as employers and employees, as capitalists and laborers, as stockholders or officers in corporations, and in all similar relationships.

3. The responsibility of men both for the manner in which they acquire positions, possessions and power in their social relations, and for the manner in which, as stewards of God, they use these, lest, in the great day of judgment, they be found unfaithful.

4. The responsibility of every individual not only for

those social wrongs to which he may be a contributing cause, but for those which, by his prayers and efforts, he could assist in abolishing.

5. The duty of Christian citizens to observe those principles of our religion which require that every man do his full share of the world's work; which oppose injustice and tyranny, even when these are entrenched in the usages of our civilization; which lead men to endeavor to maintain themselves in a self-respecting, God-fearing way, this self-maintenance being understood to include a fair return for labor, sufficient to support the man and his family, conditions of labor that are safe and healthy, opportunity to provide against illness and old age, and relief from labor on one day in seven; which lead to movements to secure childhood against forced labor and woman against conditions degrading to womanhood.

6. The duty of every man to accept Jesus Christ and obey His teachings as the only cure for the injustice, tyranny and sins now looming so large upon the world's horizon.

VI. We believe that, inasmuch as many of these evils are rooted in the past and have grown with the development of civilization, they can be cured only by concerted and organized effort on the part of all good citizens. Our Churches, therefore, should always encourage voluntary organizations for the betterment of social conditions and urge their members to coöperate in them, leaving private judgment to decide what means or methods or what organizations are best adapted to the promotion of these desirable ends.

Your Joint Committee would respectfully recommend to the General Assemblies and to the Synod which appointed it, that:

1. This Report be adopted.

2. This Report be printed by the Boards of Publication of our Churches, or by one of these Boards acting for the others, in the number of at least ten thousand copies, for distribution.

3. This Report be transmitted to the Supreme Judicatories of our sister Churches in the Federal Council for their consideration by the clerk of this Committee, Rev. D. F. McGill, D.D., Ben Avon, Pa.

4. Our Churches cordially recognize and encourage the Federal Council as affording a common ground where all who love and serve our Lord Jesus Christ may meet for conference and coöperation in the vast and holy enterprise of Christian Social Service, and, to the end that these conferences may continue to be truly Christian and this coöperation really

effective, the representatives of our Churches in the Executive Committee of the Federal Council be directed to endeavor at all times to have the Federal Council distinctly recognize the great truths of the Christian Faith held in common by the Evangelical Churches and thus avoid and allay misunderstandings. Further, that these representatives be directed to report to the subsequent Assemblies and Synod the result of their endeavors.

All of which is respectfully submitted.

Signed by the members of the Committee in the order of their Churches.

By order of the Joint Committee, on this the 20th day of March, 1914.

W. S. Plumer Bryan, *Chairman;*
D. F. McGill, *Secretary.*

The following action, after due consideration, was taken, viz.:

Resolved, That we reaffirm the Deliverance of the General Assembly of 1910 on the Social Programme of the Church. (See *Minutes*, 1910, pp. 230–232.)

The Assembly adjourned, and was closed with prayer.

FRIDAY, May 22, 8 o'clock P.M.

A Popular Meeting was held in the interest of the Board of Publication and Sabbath School Work, and addresses were delivered by Rev. W. O. Forbes, D.D., Rev. John A. Marquis, D.D., and Mr. William H. Schureman.

SATURDAY, May 23, 9 o'clock A.M.

The Assembly met, and was opened with devotional services.

The Minutes of yesterday's sessions were read and approved.

The Permanent Committee on Commissions reported the following additional Commissioners, who were duly enrolled: *Minister*—George Alexander, D.D., of the Presbytery of New York; *Ruling Elders*—George Dew, of the Presbytery of Waterloo; A. W. Caldwell, of the Presbytery of Zanesville, and William H. Bair, of the Presbytery of Des Moines.

The Permanent Judicial Commission, through its Moderator, Rev. Thomas A. McCurdy, D.D., announced that on account of the absence of some of its members, it would be necessary for the Assembly to appoint three additional members for the present sessions, in order to secure a quorum. The matter was referred to the Judicial Committee.

A Paper on the Reorganization of the Board of Home Missions was referred to the Committee on Bills and Overtures.

The Special Committee on the Duties and Powers of Executive Commissions entered upon the presentation of its Report, but the presentation was interrupted at Section 8 by the Order of the Day, and the Report was placed on the Docket.

The Assembly was addressed, in behalf of the American Bible Society, by the General Secretary, Rev. John Fox, D.D., and the following action was taken:

The General Assembly, having heard with much interest of the approaching Centennial Anniversary of the American Bible Society, in May, 1916, in accordance with the request of the Board of Managers of the Society, hereby appoints a

committee of five, of which the Moderator shall be Chairman, to coöperate with similar committees representing other religious bodies and with the Society itself, in making the necessary preparations for the proper observance of this Anniversary.

The Assembly learns, at the same time, with sincere regret that the receipts of the Society during the past year have fallen so far behind its expenditures, as to necessitate severe retrenchment in its appropriations at home and abroad, and this at the very time when the world is open to the Bible in a degree quite without precedent in the history of mankind.

The Assembly therefore repeats, with added emphasis, the deliverances of previous Assemblies, as to the indispensable need of just such service as the Society renders to all the Churches. It earnestly hopes that the prayers and gifts of its churches may be increased, so that there may be no lessening of the sacred duty of pushing forward the translation, publication and circulation of God's Holy Word in all languages and in all lands.

Upon nomination of the Judicial Committee, the following were made members, for the sessions of this General Assembly, of the Permanent Judicial Commission: *Minister*—Robert Hunter, D.D.; *Ruling Elders*—Joseph H. Burns and D. Wilson Moffat.

The Assembly was addressed in behalf of the American Tract Society by Rev. Judson Swift, D.D., General Secretary, and Rev. William Wallace. The following was then adopted:

Resolved, That the General Assembly congratulates the American Tract Society on having attained to the goodly age of fourscore and nine years. It rejoices in the large and efficient service it has rendered by means of the printed page in diffusing a knowledge of our Lord Jesus Christ as the Redeemer of sinners.

The Society's publications in one hundred and seventy-six languages and dialects have given invaluable aid to the mission fields both at home and abroad; the grand total of all its publications in both English and foreign languages being 788,045,890 copies. Its missionary colporteurs have made 18,203,799 family visits in the home land, and distributed a total of 17,267,506 volumes of Christian literature, while at foreign mission stations it has issued 5,600 distinct publications by means of foreign cash appropriations and grants of electrotypes, amounting in value to a grand total of $854,715.35.

The Assembly is pleased to look upon the Tract Society as an admirable and efficient agency in bringing the world to Christ, and believes that the necessity and opportunity for the printed page were never so great as now. We, therefore, earnestly pray that the Tract Society's work may be greatly enlarged, and we share the conviction that the American Tract Society should be increasingly recognized as a force in providing the supply of Christian literature in all languages for the mission fields of the world. To this end, and for the sake of Him who suffered and died for us all, it is recommended that our pastors and Sessions place the Tract Society upon the schedule of their annual benevolent offerings, and commend its work to all the members of our Church for generous support and coöperation.

The Assembly was addressed in behalf of the Presbyterian Historical Society by Rev. Joseph B. Turner, General Secretary, and action as to the Society was referred to the Committee on Bills and Overtures to report to the Assembly.

The Special Committee on Sabbath Observance, through its Chairman, Mr. James Yereance, presented its Report, which was accepted. Addresses were made by Rev. Harry L. Bowlby, General Secretary of the Lord's Day Alliance; Rev. Wallace Radcliffe, D.D., and Rev. Henry C. Minton, D.D. Pending the consideration of the Report, the hour of adjournment arrived, and the Report was placed on the Docket.

The time was extended ten minutes for a Report of the Committee on Bills and Overtures, through its Chairman, Rev. John Timothy Stone, D.D.

"WHEREAS, no general public discussion of this matter was permitted by the Assembly; and

"WHEREAS, it is most necessary that the work of reform already started be not abandoned until it is carried to its proper conclusion, in order to avoid similar agitation hereafter; therefore

The Assembly met, and was opened with devotional services.

The Minutes of Saturday's session were read and approved.

The Moderator announced that he had appointed George W. Bailey, M.D., of the Presbytery of Philadelphia, as Vice-Moderator of the Assembly.

The Committee on Bills and Overtures presented a Report on papers retained by it, which was adopted, except the third item. The Report is as follows:

That *Overtures 280* and *281* be referred to the Committee on Christian Life and Work, to submit a policy to the next Assembly.

Rev. Charles S. McFarland, D.D., Secretary of the Federal Council, addressed the Assembly.

A Resolution on Chaplains in the Navy was referred to the Committee on Bills and Overtures.

It having been announced that Rev. Wm. Hiram Foulkes, D.D., Secretary of the Board of Ministerial Relief and Sustentation, and Rev. William W. Heberton, D.D., Treasurer of the Board, are both passing through severe domestic affliction, the Assembly was led in prayer in their behalf, at the request of the Moderator, by Rev. Cleland B. McAfee, D.D.

The Standing Committee on Ministerial Relief and Sustentation, through its Chairman, Rev. Murdoch McLeod, D.D., presented its Report, which was accepted, and, after addresses by the Chairman, Rev. John R. Davies, D.D., President of the Board, and Rev. W. S. Holt, D.D., Associate Secretary, was adopted. The Report, with the exception of Resolution No. 12, which was referred to the Executive Commission, is as follows:

Your Committee, in submitting this Report on the Board of Ministerial Relief and Sustentation to this General Assembly, desires first of all to express gratitude to God for His blessing which has accompanied the labors of its efficient Secretary, the Rev. William Hiram Foulkes, D.D., and his faithful associates in the work, enabling them to complete a year of such substantial progress, adding to the cash assets of the Board the sum of $820,000; and also for the growing conviction and appreciation on the part of our Church of the practicability of the combination of these two agencies, working not as rival interests, but, in the harmony of mutual helpfulness, like the right and left hands of the body. So much so, that other great branches of the Christian Church have not only regarded our efforts with interest, but are adopting similar plans for modifying their old ones along the lines of our Sustentation Department.

Your Committee records with sorrow the loss by death

during the past year of one of the efficient members of the Board, Mr. I. Layton Register.

The policy of the Board during the past year has been consistently aggressive and progressive. The plan of publicity, which has been confined almost entirely to our Church papers, has not only kept this department of our work prominently before our churches and impressed it upon the mind and hearts of our people, but the results in financial return have been such as to eminently justify all the expenditures for this purpose.

The Board has steadily pursued the approved policy of holding Presbyterial endowment campaigns, whereby an effort is made to enlist the coöperation of Presbyteries in an effort to secure permanent funds amounting to ten millions of dollars, through the presentation, at the regular services of the churches, the needs and claims of these combined agencies. The success which has attended this effort thus far is in itself a promise of even greater results in the future.

A new feature of the work of the past year is the plan of erecting a cottage known as the Ministers' Memorial Cottage in connection with the Southwestern Presbyterian Sanatorium at Albuquerque, N. M. The total cost of the cottage, exclusive of lot and furnishing, will be $10,000, gathered by the General Secretary from ministers of the Church as a gift to their brethren who may be suffering from the ravages of tuberculosis, and who may be cared for in this cottage by arrangement with the sanatorium at a sum not to exceed $400 per year for annuitants of this fund.

Acting under the instruction of the Assembly of last year, the Board is endeavoring to secure the interest and cooperation of the Sunday-schools, by asking them to set apart some convenient day, preferably the second Sunday in May, known as Mothers' Day, for a presentation of this cause. The Board is also seeking definite contact with the women of our Church in their aid societies and their coöperation for the relief of the 734 widows last year assisted by this Board. And yet, notwithstanding these forward movements, there are two important features of the work which we feel should be especially pressed upon the attention of the Church as not yet having received the full support and therefore not made the advance the work must make to be of the greatest help to the largest number:

(A) In the matter of enlisting the younger men of our ministry in the provisions of the Sustentation Fund, the average age of present members being forty-eight years; and

(B) The fact that last year 4,041 of our churches made no gift at all to this great cause of Relief.

As to cost of administration: While the expense of this year exceeds somewhat that of last, we note that it is but $8\frac{1}{2}$ per cent., and that it should also be borne in mind that it is not the expense of administration, but the expense of securing subscriptions and contributions; that it is possible to cut the expense of administration so as to impair administrative efficiency, and that there is every disposition on the part of the Board to keep the cost of administration to the minimum.

Your Committee calls the attention of the Assembly to certain changes in the details of administration which we submit for the approval of the Assembly:

(A) A revision of the blanks used by Presbyterial Committees so as to remove unnecessary embarrassments from the process of securing an annuity from the relief department. Your Committee feels that this revised blank should be approved.

(B) Withdrawals from the Sustentation Fund:

Voluntary.—

"In case any minister desires at any time to withdraw from the Fund, he may do so by relinquishing his certificate of membership, whereupon he will be entitled to receive a paid-up pension annuity which will become due under the regular conditions of the Fund. This paid-up annuity will be for such a sum as his payments, plus his *pro rata* share of all other payments to the Fund, up to the time of his withdrawal, have produced; the same to be actuarially and equitably estimated. In case he desires to receive a cash payment instead of a paid-up pension annuity, he will be entitled to receive all the accumulations of the cash proceeds of his own contribution plus a paid-up pension annuity for his *pro rata* share of all the accumulations of other contributions to the Fund up to the time of his withdrawal, the same to be actuarially and equitably estimated."

Involuntary.—

"Whenever a member of the Fund ceases to be a member of Presbytery or whenever a member of the Fund demits the ministry, he shall be entitled to receive all the accumulations of the cash proceeds of his own contributions, up to the date of his withdrawal, and shall automatically forfeit all claim to further benefit."

"The Board respectfully requests the General Assembly to renew its appeal to the young men entering the ministry to unite at once with the Sustentation Department."

WHEREAS, The matter of furnishing additional accommodations in the Witherspoon Building has been referred to in the Reports of the Board of Publication and Sabbath School

Work, Ministerial Relief and Sustentation, and Education, sub-committees were appointed by the Standing Committees of the General Assembly upon these three Boards jointly to consider the matter; and

WHEREAS, These committees met in joint session and carefully considered the matter, they therefore unanimously adopted the following resolution, to wit:

"That in furnishing such additional accommodations to any of the Boards or agencies of the Church, now occupying or that may hereafter occupy space in the Witherspoon Building, the Board of Publication and Sabbath School Work shall charge for such additional space a rental equivalent to 75 per cent. the rental value of similar space in other parts of the building."

Your Standing Committee upon Ministerial Relief and Sustentation therefore embodies this Report of its sub-committee in its own Report and offers at the close of this Report an appropriate resolution:

The Board submits for approval the amendments to the charter to the Sustentation Fund as instructed by the last General Assembly, and asks the approval of this Assembly to certain amendments to the Charter of the Board of Relief.

Your Committee respectfully submits the following recommendations:

1. Your Committee has examined the Minutes and Treasurer's Report of both departments of Ministerial Relief and Sustentation, and recommends that they be approved by the General Assembly.

2. We recommend that the Assembly authorize the Board to endeavor to secure the coöperation of Women's aid societies in the support of the Relief Department.

3. We recommend the approval of the action of the Board in selecting the second Sunday in May (Mothers' Day), as the day when an offering may be taken in the Sunday-schools for the Relief Department.

4. We recommend that the Assembly approve the effort of the Board to provide a Ministers' Memorial Cottage in connection with the Sanatorium at Albuquerque, N. M., and the contract with the Sanatorium whereby a sum not to exceed $400 per year shall be paid for the care of its annuitants.

5. We recommend that the blanks of the Relief Department as revised by recommendation of the last General Assembly be approved.

6. We recommend that the changes in the charter of the Sustentation Fund as authorized by the last General Assembly be approved.

7. We recommend that the Assembly authorize the Board to secure the following amendments in the Charter of the Board of Relief and such change in the by-laws as are necessary to conform to the amended charter, to wit:

1. That Article VI, Paragraph I, of the Charter be amended to read as follows:

"The business of the corporation shall be managed by a Board of Directors, consisting of twelve, and the General Secretary and one or more Associate Secretaries and the Treasurer (such Secretaries and the Treasurer to be *ex officio* corresponding members of the Board), and of whom five voting members shall be a quorum; and such officers and committees under its supervision as it may elect and appoint."

That Article VII of the Charter be amended to read as follows:

"The officers of the Board shall be a President, Vice-President, General Secretary, one or more Associate Secretaries, Recording Secretary and Treasurer, who shall be elected by the Board by ballot at the annual meeting, which shall be held during the month next succeeding the annual meeting of the General Assembly, and whose duties shall be defined by the By-Laws."

8. We recommend that the conditions of withdrawal from the Sustentation Fund as adopted by the Board be approved by the General Assembly.

9. That in view of the request of the Board for counsel regarding the substitution of the word "Pension" for the word "Sustentation," we recommend that the matter be referred back to the Board for consideration, with the request that, if possible, they bring in a recommendation to the next General Assembly.

10. We recommend that in considering applications for aid for other dependent members of the families than those now designated in the provisions of the Relief Department, the Board be granted discretionary powers.

11. We recommend that in considering Honor Roll applications the Board be granted the same discretionary powers in interpreting the phrase, "According to need as determined by resources and circumstances," as it has in considering other applications.

12. *Resolved*, That the General Assembly hereby directs the Board of Publication and Sabbath School Work to furnish at the earliest opportunity such additional space in the Witherspoon Building as may be desired by the Board of Ministerial Relief and Sustentation for its enlarging work, and that the Board of Ministerial Relief and Sustentation be authorized to pay and the Board of Publication and Sabbath

School Work authorized to receive for such additional space a sum per annum equivalent to 75 per cent. of the rental value of similar space in other parts of the building.

13. *Resolved*, That the General Assembly call upon all the churches to open their doors to the representatives of this Board for subscriptions and contributions, and that the budget plan be not construed so as to forestall contributions and subscriptions to the Endowment Fund.

14. *Resolved*, That this Assembly direct those licensing and ordaining candidates to the ministry to confront each with the sacred and solemn expectation of the Church that they shall begin at once to provide for old age and disability by uniting with the Sustentation Fund.

15. We recommend for reëlection as Directors of this Board for the term expiring May, 1917, Rev. Marcus A. Brownson, D.D., of Philadelphia; the Rev. George Francis Greene, D.D., Cranford, N. J.; Henry B. McCormick, Esq., Harrisburg, Pa.; Hon. William P. Potter, Pittsburgh, Pa.; and also the election of William Allen Brown, Esq., Swarthmore, Pa., to fill the unexpired term of Mr. I. Layton Register, deceased, and that the Assembly nominate these same gentlemen to the members of the Sustentation Fund as Directors for the term specified.

16. We recommend that the Assembly confirm the action of the Board in electing the Rev. William Sylvester Holt, D.D., as Associate Secretary.

17. *Resolved*, That the General Assembly solemnly declares that the Board of Ministerial Relief and Sustentation is second to none among all the benevolent agencies of the Church, and that provision for its disabled servants is not a mere charity, but among the highest and holiest privileges and duties of the Church.

Respectfully submitted,

MURDOCH MCLEOD, *Chairman.*

The Judicial Committee, through its Chairman, Rev. James T. Black, D.D., presented a Report, which was adopted, and is as follows:

The Judicial Committee recommends action as follows:

Judicial Case No. 1, being the complaint of A. G. Eagleson *vs.* Presbytery of Steubenville.

The complaint is found to be in due form. In the opinion of the Committee, sufficient reason being shown for passing the Synod of Ohio, it is recommended that the complaint be entertained and referred to the Permanent Judicial Commission.

Judicial Case No. 3, being the complaint of Rev. Adolph Haberly *vs.* Presbytery of Southern Oregon.

The Committee finds that the complaint is in due form and shows sufficient cause, in addition to oral statement of complainant, for passing by the next superior court and having the cause considered by the Assembly, and recommends that the complaint be referred to the Permanent Judicial Commission.

Judicial Case No. 7, being the appeal of Rev. Dr. J. A. MacCallum *vs.* Presbytery of Philadelphia.

As the Committee finds that another phase of the controversy involved in this appeal is pending before the Synod of Pennsylvania, it is recommended that the papers in this case be transmitted to the Synod of Pennsylvania for consideration and judgment.

Respectfully submitted,

James T. Black, *Chairman.*

Frank J. Loesch, *Secretary.*

The Special Committee on the Educational Policy of the Church, through Rev. Cleland B. McAfee, D.D., a member of the Committee, presented its Report, which was accepted. An amendment was offered, pending the discussion of which the hour of recess arrived, and its further consideration was made the order for 11.30 o'clock to-morrow morning.

The Assembly took recess, and was closed with prayer.

MONDAY, May 25, 2.30 o'clock P.M.

The Assembly met, and was opened with prayer.

A paper presented by Rev. George Logie, on the Reorganization of the Board of Home Missions, and another on the same subject presented by Rev. A. S. Badger, D.D., were referred to the Committee on Bills and Overtures.

The Standing Committee on Education, through its Chairman, Rev. Edward E. Hastings, D.D., presented its Report, which was accepted, and, after addresses by Rev. Charles Wadsworth, Jr., D.D., President of the Board; Rev. Richard C. Hughes, D.D., Secretary for University Work, and Rev. Thomas R. White, was adopted, with the exception of Resolution No. 19, which was referred to the Executive Commission. The Report is as follows:

The Standing Committee on Education has the privilege and joy of reporting another year of splendid accomplishment by your Board of Education. The success which seems to

have attended the activities of all the agencies of our beloved Church has been enjoyed by this particular agency in so large a measure as to indicate the leadership and blessing of Him for whose honor and glory it has all been undertaken. Last year was declared, in the language of the Report, to be the banner year of all the years; but this year, the ninety-fifth in the history of the Board, sets a new mark and is justly entitled to possess the banner. Advancement is noted wherever comparisons are possible. But there is more than figures and statistics can ever tell. A year ago your Committee said, "It is certainly day-break on the horizon of the Board of Education, and we are only beginning to appreciate what God will do with this arm of the Church if the Church is true to Him and it." But the day has advanced and in this past year God has already done wonderful things through this arm of the Church, and the noon-tide is still afar off.

No report which is less extensive than the Report of the Board itself can do justice to the work of the Board, and for this reason the Board's Report should have a careful and extensive reading. Your Committee would attempt to call attention only to the striking features of the Report. In general it may be said the work of the Board falls into three divisions: (1) The encouragement and aid of students for the ministry and definite Christian work; (2) the College Visitation Work, and (3) the State University Work. Both of the latter, while of course incorporating other features, are strikingly evangelistic in purpose and method.

During the year, 874 men were recommended by the Presbyteries, of whom 825 were accepted, an increase of 31 over last year, 23 of whom are new men. Of this number, 338 were in the seminaries, 379 in the colleges and 108 in preparatory schools.

In coöperation with the Foreign Board, your Board of Education has given assistance to 18 students in the medical colleges who are volunteers for the foreign field, the amount of aid totaling $2,650.

Also the Board has granted aid to 9 students in the Presbyterian Training School of Baltimore in the total amount of $900; to 5 students in the Philadelphia School for Christian Workers of the Presbyterian and Reformed Churches in the total amount of $500, and to 3 students in the Presbyterian Training School of Chicago in the total amount of $250.

The report of the visitation work in the colleges is remarkable not only for its actual accomplishments, but as revealing the unlimited opportunity confronting the Board and the Church. As nearly as can be estimated, 105,000 young people have been reached with a message from the Board.

Forty-two visitors have spent an aggregate of eight months in evangelistic and vocational work in 47 institutions; 275 evangelistic meetings and many conferences have been held, and 500 students are reported as having been converted. Multitudes more have received impressions and direction which will mean much to them and to the Church in the years to come. The spiritual revolution which has taken place in the college life of many institutions has resulted in an entire change in the attitude of instructors and students toward things religious and spiritual. Time will not permit of particular instances, but a reading of the Board's Report is most informing and stimulating.

The university work is constantly becoming more definite and precise. A vast fund of valuable information has been gathered and the problem is being attacked in a most intelligent manner by a splendid corps of devoted men. The Church may confidently look for large returns from its investment in the branch of the Board's work in the immediate future.

The Report of the Board is characterized by the penetrating and exhaustive diagnosis of its problem. Intelligence respecting our tasks is primarily essential to the well doing of them. Your Board invites the increasing confidence and support of the Church at large by reason of this fact.

Your Committee would emphasize the value of Vocation Day, and is pleased to note that more churches are observing it each year with decided benefit to themselves. The resolution presented herewith for the consideration of the Assembly touching the extension of the Board's work among high-school students indicates another field of great importance.

Your Committee rejoices in the splendid coöperation of the Evangelistic Committee with the Board in its college visitation and the State university work.

The offerings for the year did not reach the $100,000 mark apportioned to the Board in the budget of the last General Assembly, but there was an increase in the offerings from churches, Sunday-schools and societies of $2,487.06, which is equivalent to a 3 per cent. increase over last year. Surely, if the Church were thoroughly acquainted with the importance, the plans, and the prospects of this agency of the Church, the money with which to carry forward its work would not be lacking.

The following resolutions are presented for adoption:

1. That the Board be commended for the year's faithful service to the Church, whereby its work upon the field has been greatly strengthened and its general administrative efficiency enhanced.

2. While the churches are hereby encouraged to send all their offerings designated for seminaries, schools for lay workers, and work at State universities to the Board of Education, such churches be urged to refrain from designating for such specific purposes any of their regular offerings for the general work of the Board.

3. That the policy of granting lump sums to each of the two seminaries for foreign-speaking students, *i.e.*, Bloomfield and Dubuque, be approved and the Board given discretion as to the amount to be appropriated from year to year, the foreign-speaking churches being requested, in view of this, to give larger financial support to the work of the Board.

4. That the action of the Board on the paper referred by the Assembly of 1913 concerning the advisability of granting aid to ordained men in theological seminaries be approved, the action being "that the proposed measure is regarded as impracticable."

5. That the Board be authorized to grant aid to students pursuing a course leading up to the degree of B. S., providing such course has equal language and humanistic values with the average A.B. course. That the Board be authorized to decline candidates pursuing their collegiate studies in institutions whose standards are inferior.

6. That the Board be authorized to decline ministerial students who regularly supply churches receiving aid from the Home Mission Board except during their senior year in the seminary.

7. That the Assembly commends the Board for its careful examination of conditions surrounding the policy of beneficiary aid to ministerial students and approves herewith proposed change of policy from grants to loans in the case of preparatory and collegiate students. It also herewith approves proposed modification of Board rules as found upon pages 11 and 12 of the Report, declares rescinded all previous rules to the contrary and approves the new application blanks submitted with the Report.

8. That the Board be authorized, in exceptional instances, to exercise its discretion in granting limited appropriations to medical missions students during their interneships in an accredited hospital immediately succeeding their graduation from a first-class medical college.

9. That the Assembly approves the action of the Board in exercising its discretion in aiding students during their course in schools for Christian workers whose charters declare them to be Presbyterian; that the rules submitted in connection with granting such aid be approved and that the Assembly declare that the charter of the Philadelphia School

for Christian Workers of the Presbyterian and Reformed Churches sufficiently meets the conditions laid down by the Assembly of 1913.

10. That the Assembly approves the fidelity and success of the Board in providing, in coöperation with the several Synods, for the Christian culture of students in State universities and other non-church colleges, and directs the Board to continue to develop this work in such Synods and Presbyteries as coöperate with the Board in supplying the required financial support.

11. That the Assembly reaffirms its position that in its work at State universities and other non-church colleges, the Church make its direct approach to the institution and to the students and that the representatives of the Church be independent of all other control.

11*a*. The plan adopted by the Council of the Church Boards of Education looking toward the unification of the church work at State universities, as outlined on page 34 of the Board's Report, is worthy of the most serious attention and is referred to the Board of Education for further consideration.

12. That the Board of the Church Erection Fund of the General Assembly of the Presbyterian Church in the U. S. A. be instructed to confer with the Board of Education in the matter of the erection of churches at State university centres, and that the Board of the Church Erection Fund, in cooperation with the Board of Education, be authorized to appeal to the Church for moneys with which to erect churches at such centres as may be decided upon, and that deliverances of the General Assembly and rules of the Board of the Church Erection Fund limiting the amount of aid shall not apply in the administration of this proposed fund.

13. Recognizing the need of religious instruction for the children in our public schools, and that the responsibility for promoting this rests with the churches, that the General Assembly instruct the Board of Education to take steps looking toward the solution of this problem.

14. That the recent successful work of the Board in College Visitation and Evangelism calls forth the enthusiastic approval of the Church.

15. That the action of the Board in securing the services of the Rev. William H. Crothers as the Board's special representative for College Visitation and Candidate Enlistment, as the result of the recommendations of the Assembly of 1913, looking toward larger coöperation between educational and Home Mission interests, be and hereby is approved.

16. That the election of a Joint Committee on College

Visitation by the Board of Education and the Evangelistic Committee and the arrangement whereby a portion of the time of the Rev. William H. Crothers, the Board's representative, is devoted to the work of the Joint Committee, be and hereby is heartily approved.

17. That the arrangement between the Board of Education and the Home Mission Board, whereby the Board of Education is charged with the exclusive visitation of the colleges in the interests of the recruiting of candidates for the Home and Foreign Mission fields, be and hereby is approved.

18. That the Assembly name the first full week of February as Education Week throughout the Church, the first Sunday to be observed as Vocation Day in churches and Sunday-schools; the following Thursday to be observed as the Day of Prayer for colleges and other educational institutions, and the second Sunday to be observed as Education Sunday in the interests of Christian colleges and academies.

19. That the Assembly direct the Board of Publication and Sabbath School Work to grant the Board of Education such additional space as is needed for the transaction of its growing work without rental to said Board in view of the historical rights which the Board of Education has in the building.

20. That the following-named gentlemen, whose terms expire with this Assembly, be reëlected to the Class of 1914–'17: James M. Hubbert, D.D., William P. Finney, D.D., F. W. Loetscher, Ph.D., H. C. Swearingen, D.D., S. Spencer Chapman, Esq., George W. Warren, D.D.S., Mr. Craig N. Ligget, Mr. James A. Hayes, Mr. Alba B. Johnson; and that the following-named gentlemen be elected to fill unexpired terms: Rev. John E. Tuttle, D.D., Rev. William Muir Auld, Mr. A. G. Bradford, and Mr. Burton E. Kipp.

That the Report of the Treasurer and the Minutes of the Recording Secretary, having been examined, be approved.

In behalf of the Committee,

EDWARD E. HASTINGS, *Chairman.*

An additional Resolution offered was referred to the Committee on Bills and Overtures.

An Overture on the Reorganization of the Board of Home Missions, referred to the Executive Commission, was, at the request of the Executive Commission, referred to the Standing Committee on Home Missions.

A Resolution on the use of tobacco by students for the ministry was referred to the Standing Committee on Education.

Two papers on Home Missions were, on report of the Committee on Bills and Overtures, referred to the Standing Committee on Home Missions.

The Vice-Moderator, at this point in the proceedings, took the chair.

The Judicial Committee, through its Chairman, Rev. James T. Black, D.D., presented a Report, which was adopted, and is as follows:

Judicial Case No. 5, being the appeal of Herbert L. Walker *vs.* the Synod of Alabama. We find the papers in due form, and recommend that the appeal be sent to the Permanent Judicial Commission.

Judicial Case No. 6, being the copy of record of the Synod of Missouri on a reference by the Assembly of 1913. The Report deals with the appeal of William K. Reeme, has been considered, and it is recommended that the same be printed in the *Minutes*.

Overtures Nos. 622 and *623*, from the Presbyteries of Louisville and Transylvania, asking for the union of two churches in Harrodsburg, Ky. It is recommended that they be referred to the Committee on Polity.

Judicial Case No. 2, being the appeal of Percival H. Barker *vs.* the Presbytery of Neosho. Having considered the appeal papers, and finding the same in due form, we agree that good cause has been shown for the consideration of the appeal by the General Assembly, and recommend that the case be referred to the Permanent Judicial Commission.

Respectfully submitted,

JAMES T. BLACK, *Chairman.*

F. J. LOESCH, *Secretary.*

A Resolution on "Gideon" Work, and a Resolution on Systematic Benevolence, were referred to the Committee on Bills and Overtures.

The Standing Committee on Freedmen, through its Chairman, Rev. Henry T. McClelland, D.D., presented its Report, which was accepted, and, after addresses by Rev. John M. Gaston, Field Secretary of the Board, Rev. John A. Savage, D.D., Rev. Daniel D. Davis and Rev. H. M. Stinson, was adopted, with the exception that the portion referring to a proposal to place all work for negroes in the United States under the care of the Board was referred to the Executive Commission, to report to the next Assembly. The Report is as follows:

Your Standing Committee on Missions for Freedmen would respectfully report that the Board has rendered its Forty-ninth Annual Report to this Assembly. We commend its careful perusal to all the members of this venerable body. It teems with stimulus and encouragement. It faces the rising day and prepares for the new day's work. The spirit of this Report from the Board moves us away from the dark mountains of prejudice, and also from the "green and gushing" oases of isolated sentiment. We find ourselves facing the facts of sin and salvation, standing, thank God, upon the firm foundations of the Great Commission, and upon the Impregnable Rock of Holy Scripture.

We, by the functions of this Board, are with Paul and his cosmopolitan gospel on Mars Hill, and sound out to all our negro people and their colored neighbors in the Southland the glorious invitation of that Gospel, "All men, everywhere, repent and come to Jesus." And up from our Southland comes, as it has been coming to the ears of our Church for forty-nine years, from corn-land and cotton-land, from sugar-land and rice-land, from pine-land and orange-land, from the highlands, lowlands and shores of the sea, a great and melodious voice of mellowed, trusting, chastened, penitent, repentant song filled with the memories of Old Africa, the strange histories of New America, made vital and heavenly by the gifts of the Holy Spirit, the song of tens of thousands as the song of a single soul:

> "Just as I am, without one plea,
> But that Thy blood was shed for me,
> And that Thou bidd'st me come to Thee,
> O Lamb of God, I come, I come."

Forty-five years ago, when your Chairman was a missionary teacher upon quaint Edisto, a common reply of aged uncles and aunts, when their health was inquired for, was "Out of

bed, thank the Lord." Our Freedmen's Board reports for the fourteenth time, "Out of debt, thank the Lord," and your Committee says, "Amen."

The Board speaks for the heart of the Saviour in grateful appreciation of the support given to the work during the year that has just closed. It also solemnly declares that to swell that swelling song as it should be swelled, our gifts for negro evangelization and edification, through church and school, should be more than doubled. These Alpine climbers up the Hill of Difficulty have sharper steeps to scale in the future than ever in the past. We who, in the order of God, are just before them on the way and next to them in the long, hard climb, must lend them our hands with all our might until both they and we stand disenthralled upon the supreme summit of our course. This is plain truth. Blind is the eye that does not see it. Hard is the heart that does not feel it.

The work of our Presbyterian Church among the Freedmen of the South cannot be adequately presented in statistics, nor measured by monetary standards. Nevertheless, money speaks a language understood by the people, and as our Lord once sat over against the treasury, so may we, and, with His mind and spirit, make fruitful comparisons. From this standpoint we may judge the efficiency of this Board as an administrative agency, the loyalty of the Church at large to this sacred trust, and the will of a people helped to help themselves.

Funds coming into the treasury of the Board are traced in the Report of the Board presented to this Assembly to seven sources. The streams from these springs all ran with stronger flow this year than last, save only the income from the intermittent geyser of legacies, unspeakably important as the years go on, but flowing with incalculable irregularity. The loss from this source this year as compared with last is $9,970.16. The aggregate gain from the other sources is $13,458.62. The total income from all sources during last year was $247,188.20.

We rejoice to note that the women who minister unto Him of their substance in this behalf and who have been praying and working for some years to reach an annual contribution of $90,000 to this cause, passed the goal this year in the sum of $94,015.81. The General Secretary of the Woman's Department of the Freedmen's Board and her assistant, who so faithfully led the auxiliaries afield in this gleaning, must be singing in their hearts, with new courage, glad thanksgivings unto Him who has done and can do through His people for His glory more than they ask or think.

The sum of $247,188.20 was received from the seven sources

in order to help the aided people to help themselves. We gratefully report that they did help themselves during the past year in church and in school in the amount of $171,177.82 given on the field or gathered by teachers from patrons and friends. This is $21,500.77 more than the field raised in 1912–13. Thus a people, who, fifty years ago, were in absolute poverty—many of whom are still "desperately poor"—have demonstrated that godliness is profitable for all things. They are laying hold of the good that is promised for this life as well as for the life to come.

Thus from all sources, in the office and upon the field, there was an increase of financial power to help of $34,959.39. Those actively interested in this department of the King's business naturally ask, What is there to show for this extra outlay? Are there compensating results? Doubtless more than can be discovered by your Committee. The seed still grows secretly. The leaven still works unseen. We do not have the items of advance made possible by the extra $21,-500.77 raised by the field. That money, we may be sure, worked coöperatively with the money raised by the Board. The Report of the Board in our hands shows advance along several lines.

There was new work in the repair, improvement, enlargement of the material plant at more than twenty different points.

The day-schools went ahead from an enrollment of 16,400 to 19,166—a total of 2,766 new scholars. The teaching force was strengthened by forty-five recruits. This advance in school work is equivalent to forty-five new schools of sixty pupils each and sixty-six pupils over waiting for another teacher. This waiting for another teacher—they should have two teachers, these extra sixty-six—shows that this work is alive and must grow. We have opened our mouths to the Lord, we cannot go back. We have put our hands to the plow, we must not even look back.

The preaching of the Gospel in the 412 churches and missions under our care has gone forward. The Board has put into the Synods of East Tennessee and Canadian a colored evangelist to help there as the other colored evangelist has been helping in the Synods of Atlantic and Catawba. Upon these evangelists, as well as upon the settled ministers of the field, God has set His seal. Through the ministry of the evangelists and the pastors there were added to the Lord, upon examination, this year 2,024 souls, equivalent, if conserved, to ten churches of a little more than two hundred communicants each.

Back of the churches and the schools are the homes of the

people. For the sake of these, indeed, the 412 churches and missions and the 138 schools are operated. Accordingly, the policy of the Board, as the work is carried forward, wisely recognizes the place of the Christian home in the constitution of redeemed society. Our Lord Jesus grew in stature and in wisdom and in favor with God and with man in connection with a godly home. He could not have become perfect man otherwise. An essential characteristic of the primitive Christian was that he should work with his hands that which is good. How necessary this is in the rural life to which so many of the beneficiaries of this Board are destined. On pp. 12 and 13 of the Report of the Board presented to this Assembly is described a most interesting recent acquisition of the Board, known as "Selden Institute" and situated at Brunswick, Ga. The winsome and pathetic story of how this co-educational boarding school was founded and carried on, and of how the Board came to acquire it, is well worth reading by all of us who love our Saviour and those for whom He died. Time fails us to tell it here. But presently the Board will be operating, according to the plans of the founder, who has gone to her glorious reward, a new plant for doing good, consisting of about one hundred acres of land and buildings worth not less than $20,000. The report tells us:

"The school as maintained this last year consisted of nine teachers and one hundred and forty-seven pupils.

"All work in the institution is done by the students. They are taught to look on work as honorable. Every boarder must take a daily share in the necessary work of the household, that he or she may acquire habits of industry and thrift.

"Printing, nurse training, millinery, fancy needle work, domestic science and agriculture are taught daily by competent instructors. Each male student is given one-half acre of land to cultivate. The school furnishes each young planter the seed, plowing, fertilizer and the experienced instructor, and is allowed one-third of the profit of his labor."

Near Keysville, Ga., the Board has placed a faithful and competent colored minister in charge of a Farm Home Scheme. This is in the midst of negro tenant farmers who have been ruined by the hard conditions imposed by landlords who seek a return of 60 per cent. upon their investments in the rented land. Unwary tenants become involved in large debts to stores operated by their landlords, and thus the renters are wrecked. The manager of the Farm Home Scheme has given some of these distressed farmers relief by renting reasonably to them, and at the same time has had a return from them in rentals of about 5 per cent. of the money

invested by the Board in the lands. None of these farmers have been able as yet to buy land. Some of them hope to be able to begin purchasing next year. The school in connection with this scheme is in a flourishing condition, and the rising generation in that locality will become, we confidently trust, wise as serpents and harmless as doves in avoiding ruinous leases and store debts as well as all other economic and spiritual foes.

At Harbison College, Irmo, S. C., the negro community is more prosperous. The college has a college farm of 569 acres, which are not for sale. But the Board has acquired adjoining land and has placed on sale to small farmers over 880 acres. A thrifty neighborhood of land-owning, home-making, God-fearing Presbyterian negroes is being formed about the college with its ample 569 acres for demonstrative agriculture.

Somewhat as the *Skolastikos* in the Greek anecdote presented a brick as a sample of the house he had for sale, these examples are submitted as typical of what your Board is directing and you are sustaining progressively in the Christian nurture of the heads, hearts, hands and homes of our negro constituency. Time fails us to say more of the vastness of this interest. Our joy in the faithful work of our preachers and teachers is "like to that above." Our work in this behalf is called exceptional. Be it so. The four negro Synods stand inferior to none in our great body in devotion to Him who for our sakes both died and rose again. To be able to bear such testimony is a sweet and present reward, as well as a strong incentive to press on.

The 19,166 pupils in our day-schools are far more than our own Presbyterian families have to send. They represent the vast work we have been doing for negroes of other communions than ours. We love our own folks, but we are serving Christ in the interest of the whole Africo-American race, the great tithe of our mighty nation.

Your Committee urges the study of the geography of the South with questions suggested by the list of schools in the Report of the Board. It urges the study of this special missionary geography that you may appreciate the splendid school system we are operating among the negroes. Whatever else they are, these 136 schools, from the humblest parochial school up to such far-famed institutions as Haines and Scotia and Biddle—whatever else they are, they are all Bible schools. God works by them; the power of God unto salvation is with them. Humble enough may be the outward semblance of most of them, but God working in them works omnipotently for the redemption of a great people. The

seed is the Word. It is being sown widely and upon good ground. God will give the increase.

All has not been gain this year. Some losses have been sustained. In some past years the work has met with heavy losses by fire. This year swells the record with five more, two of them very small and three others more serious; one at Albion Academy, N. C., and two within two days at Brainerd Institute. The fires were not of incendiary origin, no lives were lost, and there was some insurance on each building destroyed. Losses by fire on the field dwindle into insignificance when we consider the loss from the Board of a most valuable life, that of the Rev. Henry D. Lindsay, D.D., who went home to the Father's house January 18, 1914. Dr. Lindsay was a princely Southern gentleman, a cultured educator, a good minister of Jesus Christ. Born in South Carolina, and knowing what he did, he served in this Board faithfully and lovingly and most effectively for twenty-one years. "Servant of God, well done." "As thou hast done it unto one of the least of these my brethren, thou hast done it unto me." "Enter thou into the joy of thy Lord."

Another matter of loss to the work obtains in the migratory character of the people, to better their condition, under the mighty spell of the great northern cities, they come north of the line called Mason's and Dixon's. In order that the Board of Missions for Freedmen may continue to care for those in the North whom they have formerly helped in the South, this Board joins with the Board of Home Missions in a request to this Assembly, placing the entire work of Missions among the Negroes in the United States under the care of the Freedmen's Board. (This part of the Report was referred to the Executive Commission.)

Your Committee recommends:

1. That the Minutes of the Board for the year ending March 31, 1914, be approved.

2. That the Secretary and her Assistant in the Woman's Department be congratulated upon the success of the past year, and that the work of the Department be most cordially commended.

3. That this Assembly congratulates the Secretaries, the Board and the workers on the field upon the approaching semi-centennial of our Missions to the Freedmen and pledges constant prayer and the necessary financial support to make the coming year the golden year of the half-century.

4. That the following deliverance of a recent Assembly be reaffirmed, viz.: that the Sabbath nearest Lincoln's birthday be set aside for an offering from Sabbath-schools for this cause, or, if this day be not convenient, some other

day in accord with the decision of the Session in each church.

5. That the following ministers and elders be elected members of the Board, their term of service to expire in 1917: *Ministers*—S. J. Fisher, D.D., and Hugh T. Kerr, D.D.; *Ruling Elders*—Robert S. Davis, Willis A. Boothe, Esq., and W. U. Follansbee.

All of which is respectfully submitted,

HENRY T. MCCLELLAND, *Chairman.*

Three papers, one on Reorganization of the Board of Home Missions, another on Peace and Arbitration, and a third on Peace with Mexico, were referred to the Committee on Bills and Overtures.

The Report on the Educational Policy of the Church was taken up, amended and adopted. It is as follows:

The Special Committee on the Educational Policy of the Church respectfully reports to the General Assembly as follows:

The recommendation adopted by the Assembly, involving the appointment and duties of the Committee is as follows:

The Executive Commission, having under consideration the union of the College Board and the Board of Education, reported to the Assembly of 1913, as follows:

"X. UNION OF TWO BOARDS.

"The Presbyterian College Union presented to the Commission at its meeting in February, 1913, a communication looking toward the union of the College Board with the Board of Education. In view of the importance of the paper, it was referred to a Special Committee, consisting of Jos. L. Weaver, D.D., Charles Little, D.D., and William Foulkes, D.D., to report at the meeting of the Commission at Atlanta, Ga., May, 1913.

"The Executive Commission, having considered the whole matter, and heard representatives of the Board of Education and the College Board, and of the college presidents, is of the opinion that no such union is at present feasible or expedient; and that any action on that subject should be based upon a more careful and exhaustive consideration of the whole subject of Christian Education.

"It therefore recommends that no such action be taken at present.

"In view, however, of the great importance of the subject of Christian Education, and the growing confusion in the minds of their constituency as to the functions of the various

Boards and Agencies which are engaged wholly or in part in providing such education, and of the increasing danger of friction between said Boards and Agencies, and of the duplication of their work, the Commission further recommends that the whole subject of Christian Education be referred to a Special Committee of nine to be appointed by the Moderator, which shall consider the matter and report to the next General Assembly its conclusions thereon and its recommendations."

The Moderator appointed a special Committee of nine, consisting of the following persons: *Ministers*—Rev. William L. McEwan, D.D., Rev. C. B. McAfee, D.D., Rev. W. O, Thompson, D.D., Rev. Ira Landrith, D.D., Rev. W. H. Boocock, Rev. Robert Clements; *Elders*—President John H. Finley, President John Willis Baer, Honorable W. P. Potter.

Rev. W. O. Thompson, D.D., and President John H. Finley, finding it impossible to serve, were excused by the Moderator, and, in their stead, President John S. Nollen and President F. W. Hinitt, D.D., were appointed.

The Committee held three meetings: in Pittsburgh, November 13, 1913; in New York, January 27 and 28, 1914, and in Philadelphia, April 21 and 22, 1914.

The Committee interpreted its commission to include the consideration of the entire educational scheme of the Presbyterian Church and all the Agencies doing educational work of any kind.

The Committee found the following Educational Agencies at work with little coördination or coöperation.

1. The Board of Education.—This Board has been an agency of the Church for ninety-five years. At one time it included in its work the founding and supporting of parochial schools, academies and colleges. After the union of the Old and New Schools of the Church, it withdrew its support of institutions, and confined itself to "fostering an educated and pious ministry." It now carries on its work along three lines: securing and aiding candidates for the ministry; developing religious influences in universities and non-Church colleges; vocational and evangelistic work among students generally, in coöperation with the General Assembly's Permanent Committee on Evangelism.

2. The College Board.—This Board was erected in 1883 for the purpose of maintaining Christian colleges, a number of which had been founded by the Board of Education.

3. The Board of Publication and Sabbath School Work.—This Board was created in 1838, and has been an agency of the Assembly for seventy-six years. The last Assembly directed this Board to establish a Department of Religious Education and recommended that "the Board be

regarded, and that it regard itself, as preëminently an educational Board."

4. Mission Boards with Educational Departments.—The following Mission Boards are conducting Mission Schools:

(*a*) The Board for Freedmen, with its schools among the negroes. This work is properly temporary, because it is done in a peculiar field. Many of its schools are not intended to be permanent; others are gaining strength and may become part of the educational system of the Church.

(*b*) The Woman's Board of Home Missions, with its schools among children of exceptional populations in the home field. This work is largely temporary and purely missionary in its purpose. It may be hoped that some schools will become permanent, in which case they would take their place in the educational system of the Church.

(*c*) The Board of Foreign Missions with academies, colleges and seminaries in foreign lands. The work done in the foreign field is under peculiar conditions of language and administration. It is not now correlated into a regular system covering the field, but is adapted to each location of country.

5. The Presbyterian Department of Missionary Education, created by the joint action of the Boards of Home and Foreign Missions.—This department is disseminating missionary information, organizing study classes and employing various means to further the interest of the local churches in Home and Foreign Missions.

6. Theological Seminaries.—There are twelve of these. They report to the Assembly, but they have no such relations to each other that a standardized curriculum is possible.

7. Presbyterian Colleges.—A large number of colleges established and maintained as Presbyterian institutions have, within the present generation, severed their ecclesiastical connections. Others maintain these connections under great difficulties. The Church, in some way, should foster and strengthen the relations of these institutions.

The mere recital of these different Agencies indicates a lack of coördination that results in confusion. In many Synods and Presbyteries there are three or four Committees on Education. Sometimes there is overlapping and duplication, and there is increasing danger of friction.

The Committee heard at length representatives of the Board of Foreign Missions, of the Board of Publication and Sabbath School Work, of the Board of Education, of the College Board, and of the Women's Boards. They had before them letters and papers from many quarters—too many to mention in their Report.

The Committee unanimously adopted the general principles stated below, and proposes the tentative plan which follows:

I. Definition and General Principles.

The aim of Christian education, as understood by the Committee, is the developing of lives of the Christian type grounded in the Word of God, instructed, trained and consecrated to the realization of the Kingdom of God on earth. The general principles involved are as follows:

(1) Religion is a necessary element in education. Educational results, apart from religion, are partial, unequal to the demands of life, and untrue to a full view of human nature. The relation of Christianity to education is not supplementary or extraneous. Religion must be recognized as an essential factor of the process of education in all its parts and through all its types.

(2) The agencies of the Church for the advancement of the Kingdom fall naturally into two classes: first, those which have to do with the nurture of the individual and the training of the worker; and, secondly, those bearing directly on the extension of the Kingdom, such as missions, social service, and the like. The first class includes Christian nurture in the home and the local church (with its special agencies, the Sunday-school, Young People's Society, etc.). It follows the student with specific religious influences to the school, the college and the university. It founds and maintains colleges and schools of definitely Christian character and purpose. It seeks through all these means and by educational evangelism to bring to the service of the Church and State and above all to the Christianization of the world, a body of trained Christian men and women alive and responsive to the call to service in the realization of the Kingdom of God on earth. This is the work of Christian education. One of the greatest needs of the Presbyterian Church to-day is that this work shall be brought as vividly to the consciousness of its ministers and members as is the work of Missions.

(3) The unity of the work of Christian education, as to both nature and purpose, must be clearly recognized. It is one work, whether in the home and Sunday-school, the training class, the high school, the college, or the theological seminary. It follows, therefore, that its organizing principle must be unitary, educationally sound, and spiritually complete.

(4) This unity of a great cause should find expression in a unification whereby the various parts of the educational

work of the Church are brought together in efficient economical coördination.

(5) Such an unification the Presbyterian Church should ultimately bring about by the creation of one Board wherein the scattered elements of Christian education now existent would be brought together and all their interests conserved with such enlargement of the scope of the work as will meet the need of the Church for an increasing supply of trained workers to promote the development of a Christian civilization at home and abroad.

II. A Tentative Proposal.

1. The organization of a new Board: The Board of Christian Education of the Presbyterian Church in the United States of America.

2. This new Board to absorb the whole of the present educational work of the three first-named Boards (Publication and Sabbath School Work, Education, Colleges), and add the large work now left undone of supplementing our national system of education with the religious influences which will make it more efficient for citizenship.

3. To leave untouched the present and, so far as can now be seen, the future field work of the Foreign Board.

4. To recognize the purely missionary character of most of the field school work of the Home and Freedmen's Boards, but to lay on those Boards and the new Board responsibility for securing working agreements for these results:

(*a*) That schools or colleges which prove to be permanent and properly part of an educational system shall pass as soon as that fact is demonstrated under the supervision of the new Board, their financial support being determined in each case by the conditions which may appear;

(*b*) That new educational work undertaken by the two missionary Boards on the field shall be planned in coöperation with the new Board as to its educational features and location;

(*c*) That the new Board, without assuming control or responsibility for present, temporary work, shall bring to the service of the two missionary Boards its educational equipment and experience in correlating their schools with institutions of higher grade in which mission school students may continue their work.

Details of this coöperation may be safely entrusted to the judgment of the Boards concerned, whose interests are one.

5. To recognize the Presbyterian Department of Missionary Education as an integral part of the work of the new Board, allowing it to be located and supported as at present. It would need to be definitely understood, on the part of the

three missionary Boards, that the plans and programs of the Presbyterian Department of Missionary Education are to be correlated with the general educational plan and program of the Board of Christian Education.

6. To locate the new Board at Philadelphia in the Witherspoon Building, with the expectation that offices will be maintained in New York and in the West.

7. The legal problems involved have received much attention, and many of these have been worked out in other connections. The Committee has been assured that none of the difficulties are insuperable.

III. Proposed Details of Organization.

The work of the Board of Christian Education might fall into departments such as these:

(*A*) *Department of the Home and Local Church.*—This would include:

(*a*) Organization of courses and work in the local church and its immediate agencies—Sunday-schools, Young People's Societies, adult classes, such as teacher training classes, parents' classes, Bible classes;

(*b*) Development of the home as an educational agency;

(*c*) Coöperative relationship with the public school system;

(*d*) Coöperation with other religious bodies for religious education in the community;

(*e*) Organization of Christian educational agencies in new fields.

(*B*) *Department of Colleges and Professional Schools,* with such work as:

(*a*) The founding, endowment and development of Presbyterian colleges and other Presbyterian educational institutions;

(*b*) Coöperation with the theological seminaries related to the Assembly, in the coördination of courses, etc. This could, in the nature of the case, be only a coöperating relationship.

(*C*) *Department of Vocation and Student Evangelism,* with such work as:

(*a*) Recruiting and aiding young men and women in preparation for distinctive Christian service, as ministers, missionaries, lay assistants;

(*b*) Christian nurture of students; evangelism among students, in connection with the Assembly's Evangelistic Committee;

(*c*) Development of religious agencies in State Universities and non-Church institutions.

(*D*) *Department of Literature,* whose purpose would be to serve the needs of all other departments in this particular

line, and which would need an editor as well as a business manager. In addition to Sunday-school publications, this Board might well develop a line of general works on religious education.

(*E*) *Department of Finance*, taking over the financial details, the raising of funds, planning of financial campaigns, etc. All such work would necessarily be in connection with the other departments, which know the needs and are in close touch with the sources of supply. The separation of this department should serve the purpose of dissociating the financial plea from the educational one.

This division of duties suggests the organization of the Board as follows:

An adequate membership, divided into committees, according to the departments, with such secretarial force as the work may require.

The Committee has given careful consideration to this tentative proposal for the merging of these Agencies into one great Board of Education. It has not been unmindful of the fact that great trust funds are involved and that many difficulties will arise, but in view of the lamentable lessening of the Church's educational activity, efficiency, and control, it feels warranted in presenting this Report to the Church. No careful observer can fail to be alarmed at the almost complete elimination of religion from public education; the lessening use of the Bible in schools; the ignoring of religious elements in education in State universities; the restlessness of denominational colleges, and the failure of the Church to adequately equip itself for the great work of Christian education.

The Committee does not in this Report criticise any of the different Agencies of the Church at work in the educational field. The difficulties of the present situation are somewhat emphasized by their fidelity and the success of their work. They are all striving to do the work committed to them by the General Assembly. They deserve the gratitude of the whole Church. In the judgment of the Committee, they can never do the great work required in this generation, separated and not closely related, as they now are.

The whole Committee is unanimously of the opinion that the first step toward securing an adequate educational policy would be the merging of the College Board and the Board of Education. The Committee would be ready, in this Report, to recommend this merger, but in view of the larger merging of Educational Agencies, which ought to be accomplished, the majority of the Committee requests that the consideration of the merger of these two Boards men-

tioned be postponed for the year. The minority of the Committee, desirous of having these larger schemes brought before the Church for fair and full discussion, consents to the presentation of the Report in its present form.

The Committee therefore recommends:

(1) That the Stated Clerk be authorized and directed to send an attested copy of this Report to the Presbyterian religious newspapers with the request that the same be published, and also to each of the Boards interested.

(2) That the Committee be continued with the same powers as heretofore, that its membership be increased to fifteen, and that it be instructed to report on the whole subject to the next Assembly, and that suggestions be invited from all quarters, which shall be sent to the Chairman of the Committee.

(3) That this Assembly instructs all Boards and Agencies involved in the proposed union or coördination of educational agencies to proceed in the year's work with their accustomed vigor, advancing their plans for the work now committed to them without hesitation, with the assurance that whatever advanced step the Church may take will require the largest possible results for the year's service.

In behalf of the Committee,

WM. L. MCEWAN, *Chairman.*

The Assembly took recess, and was closed with prayer.

TUESDAY, May 26, 2.30 o'clock P.M.

The Assembly met, and was opened with prayer.

The Report of the Committee on Next Place of Meeting was made the Order for 4 o'clock this afternoon.

The Standing Committee on Colleges, through its Chairman, Rev. H. H. McQuilkin, presented its Report, which was accepted, and, after addresses by the Chairman and Rev. Robert Mackenzie, D.D., Secretary of the Board, was adopted. It is as follows:

The College Board has submitted to your Committee for examination its Minutes and Treasurer's Report. The former we find to be a model of neatness and accuracy, and the latter, previously audited, we find correct in every particular, and we commend the clearness and fullness of the Report, which is the work of G. R. Brauer, Assistant Treasurer of the Board.

We desire to express our hearty appreciation of the faithful and efficient labors of the Secretary of the Board, the Rev. Robert Mackenzie, D.D., and of his devoted staff of assistants.

The Thirty-first Annual Report of the Board furnishes a brief survey of the year's plans and achievements, but must of necessity leave unchronicled the most vital and abiding results, for they lie too deep in human life to be tabulated or run into the molds of articulate speech or metal type.

We should try to visualize the more than twenty-three thousand young men and women who, under the Christian leadership of the fifteen hundred and forty-six professors and instructors in the sixty-three institutions with which the Board coöperates, and, as they pass in splendid review before us, let us seek to realize the vast possibilities in that great multitude, possibilities which are being transmuted into living realization under the inspiring touch of Christian education.

Brethren, the Report of the College Board comes to the Church in as many editions as the young lives included in the expanding circle of its influence, and directly enriched by its help, and that vastly greater multitude that will be indirectly touched for blessing by these in their turn. And so, the endless chain of heavenward moving constraint stretches away to-day from the College Board and its sixty-three schools and colleges, until it hooks itself into the aspirations and destiny of this innumerable throng of splendid young men and women whom God has committed to their care and assistance, and through these to the present and future generations. Thus only can the limits of the real Report, as God knows it, be presented. The printed Report is fragmentary, casual, superficial in comparison.

In the printed Report we discover that the year has been crowded full of earnest work.

The Report shows that the new Department of Publicity and Extension has been active during the past year. A large amount of printed matter has been distributed, there have been numerous publications in the Church papers and many addresses delivered, and a special campaign for the purpose of creating new interest was carried forward in about half of the Presbyteries of the Church in the fall of 1913. It is evident that these aggressive measures have not been without result, for your Committee learns that the number of contributing churches has increased 376 over the preceding year, and that there has been an increase of about 33 per cent. in the number of Sunday-schools contributing to the work of the Board and also in the total contributions received from Sunday-schools. Such results fully warrant

the Board in giving larger attention to what it calls educational efforts, even though immediate returns may not be large.

Among the new lines of activity undertaken by the Board during last year was a plan to carry out the instructions of the General Assemblies of 1904 and 1910, when the Board was directed to endeavor to secure the interest and gifts of children and youth "on the ground that young people should be interested in the equipment of young people for service in the Church." The aim that the Board has in view is not primarily to secure additional gifts, but to bring the importance of the Christian college before the youth of the Church so that they may grow up acquainted with the work of our institutions of learning and with a desire to become identified therewith, and in later years to assist in the promotion of Christian education. As children can be interested only in some concrete enterprise, the Board's plan is that each Sabbath-school shall become a member of a Presbyterian Bible Foundation League, making annual offerings which shall be used for the support of teachers of English Bible in unendowed or partly endowed institutions.

There is a startling demand for such support revealed in the Report of the Board. Only nine institutions connected with the Board have endowed Chairs of English Bible, and only seventeen have regular professors in the department. There are forty-six institutions, and among them are some of the oldest and otherwise best equipped of our colleges, in which this most important work has to be taken care of as a side issue by already overworked professors. The situation is deplorable in the extreme, creating, as it must, in the minds of our students a feeling that the study of the Bible must be of secondary or even incidental importance, since it is only a lean-to in the curriculum; and thus losing the formative influence of a fully equipped department, standing on an equality with every other department in the institution.

We urge with all our hearts that every effort be made to introduce this department of Bible Study and Pastoral Supervision in all our colleges.

While we notice that the total income of the Board for 1913 was $1,437,438.10, and for 1914, $1,190,959.26, a falling off of $246,478.84, yet we rejoice that from the churches and church organizations, for the same period, there has been an increase in contributions amounting to $4,746.64.

We find that the operating expenses of the Board are slightly under 3 per cent. of its receipts.

We approve the Treasurer's report and heartily commend the Board for its economical administration.

Two legacies will shortly come into the possession of the Board, amounting to a total of over $125,000.

What better investment could our people of means make than to bequeath such large sums, and larger, to be used as pillars in the temple of Christian education, monuments that not only remind, but perpetuate; that not only point to the past, but lead the living present in the name of the Lord Jesus Christ? Of all such donors, it might, with peculiar appropriateness, be said, "They rest from their labors and their works do follow them."

The year now ended witnessed the removal of three men by death from the membership of the Board, whose contribution was not only of money, but of their time and energy and ripe judgment. They were men of tremendous power and influence in the world and the world is poorer for their going away. It is a great thing to be missed when one dies. It is both an attestation and a legacy.

Let us call the memorial roll to-day in this Assembly.

Louis H. Severance, master of finance, yet with a faith as simple and sustaining as a child's and with a heart that was consumed by the desire for the coming of the Kingdom. His munificent gifts work on while he reigns with Christ.

Herrick Johnson, founder of the College Board, for years its President, and its honored President Emeritus at the time of his departure. He was himself a giant in the pulpit and a rare inspirer and trainer of young men for the work of preaching. There has been but one Herrick Johnson in our Church.

The third name in this roll of departed heroes is that of James A. Beaver, distinguished citizen, soldier, bearing the marks of battle to his grave, statesman of commanding influence, jurist of such eminence as to receive from the University of Edinburgh the degree of Doctor of Laws, and, last and best of all, the untiring champion of every Christian cause.

Men of Presbyterianism, upon our shoulders the mantle and consecration of these illustrious leaders must descend in order that their unfinished work may be prosecuted until "the night cometh."

The Committee offers for adoption the following Recommendations:

1. That the Board be commended for its efforts to carry out the instructions of the Assembly of 1911 and to extend and intensify the interest of the Church in Christian education and the Christian college, and that it be urged to continue such efforts to awaken greater interest in this cause.

2. That the Assembly approve of the plan inaugurated by the Board for enlisting the interest of children and young people through the Bible Foundation League, and that all

Sunday-schools be urged to coöperate in this effort to provide for instruction in the English Bible in all of our colleges.

3. That in view of the facts set forth by the Board concerning the lack of endowed Chairs of Bible Study and Pastoral Supervision in Presbyterian colleges, the Assembly call upon the colleges, the Synods and the Presbyteries to coöperate with the Board to endow departments of English Bible in all of our colleges, and that the Assembly urge upon pastors the importance of bringing this movement to the attention of liberal friends of Christian education.

4. That the Assembly authorize the College Board to make the verbal correction, the necessity for which is pointed out in the Board's Report, so that section (*b*) of paragraph 5 of the Constitution of the College Board shall read as follows:

"(*b*) To coöperate with such institutions as it is authorized to assist so as to promote and maintain high educational standards, spiritual culture and thorough Bible teaching, to the end that persons contributing funds for such institutions may be assured that their students will be under positive Christian influence."

5. That the College Board be instructed to call the attention of the colleges, the churches and of Presbyteries and Synods to Section 8 (*a*) of the Constitution of the Board, which declares that "every college hereafter established, as a condition of receiving aid, shall be organically connected with the Presbyterian Church in the U. S. A., or by perpetual charter provision shall have two-thirds of its Board of Control members of this Church"; also to Section 2 of the Policy of the Board (first paragraph, under "Applications"), and that the Board and the churches be instructed to confine the distribution of church collections to the two classes of colleges mentioned in these paragraphs, colleges in class three not being entitled to aid from this source.

6. That the Assembly approve of the Board's action in securing the Rev. Calvin H. French, D.D., as Associate Secretary of the Board. Also that David R. Forgan, of Chicago, be elected to the Class of 1917, and Rev. William C. Covert, of Chicago, to fill the place left vacant by the selection of the Rev. John Timothy Stone, D.D., for the Executive Commission.

7. That in view of the unparalleled necessity and difficulty of maintaining its place and work, and in view of the fact of the hearty coöperation of other Evangelical denominations with it, Westminster College, located at Salt Lake City, the very core of the Mormon hierarchy, be commended to the special attention and generosity of the Church.

8. A communication from the trustees of Highland Univer-

sity informs your Committee that this institution is heavily in debt and that it may become necessary to sell part of the property. It also points out that probably legal title could not be given without action by the General Assembly for the reason that the charter contains the following paragraph:

"Sec. 5. That if, at any time, the General Assembly of the Old School Presbyterian Church in the U. S. should see fit to take charge and oversight of the affairs of this corporation they shall have the full power to go forward with the business of the corporation, according to the provisions of this charter."

In view of this charter provision, the request is made that the Board of Trustees of Highland University be made the Assembly's Board of Trustees for the purpose of liquidating the affairs of the corporation, if necessary, the net proceeds to be turned over to the College Board for the promotion of Christian education. It is the opinion of your Committee that the formal action that may be necessary on behalf of the Assembly can be better accomplished by a small Board. We therefore recommend that Messrs. G. T. Ratcliffe, Tobias Larson, W. M. Doone, B. D. Allen, S. M. Brewster, A. T. Wynkoop, J. A. Jones and L. C. Faust, of the present Trustees of Highland University, together with Dr. J. E. Clarke, of the College Board, be constituted Trustees of this Assembly for the purpose of liquidating the affairs of the corporation of Highland University, if such a course becomes necessary, with instructions that the net proceeds, after the debts are paid, be turned over to the College Board, in compliance with the request of the Trustees of Highland University.

9. That the following memorial, which comes to us from the Presbyterian College Union, with the hearty endorsement of the Conference of College Presidents, held in this city Wednesday, May 20, 1914, be adopted:

"The General Assembly hereby reminds the Synods and Presbyteries and the College Board that the offerings of the congregations for College Board work are missionary offerings, and that these gifts should be used for current expenses of Presbyterian colleges in those sections of the country, where our colleges have not sufficient resources to attain the end in view without outside help.

"The further equipment and endowment of colleges already well-equipped and endowed should depend mainly upon the gifts of individuals, and congregational offerings should be used to assist those institutions which cannot do standard work without such assistance. The Assembly therefore counsels the Synods and Presbyteries not to direct

that the offerings of their congregations be used for building, equipment, endowment or the establishment of special funds, but to urge that all congregational offerings be sent to the College Board to be used for the *current expenses* of such institutions, as cannot carry forward standard college work without the aid of the Church at large.

"It is the judgment of the Assembly that a college should not seek aid for maintenance from this congregational fund, after the college has a productive endowment of $300,000, and that the Board and Synods are not justified in directing the use of congregational offerings for the current expenses of institutions with so large an endowment, unless it can be done without neglecting the pressing needs of struggling institutions, or unless it is to assist in extra and unusual expenses incident to some special effort like an endowment campaign; and the College Board should be judge concerning when special needs justify the diversion of congregational offerings from the missionary purpose for which they are primarily designed."

10. That *Overture No. 445*, from the West Jersey Presbytery, which asks that the Assembly authorize and direct the College Board to turn over to said Presbytery the accrued interest of the Van Meter Fund, be answered in the negative, inasmuch as there are insurmountable constitutional obstacles in the way of the Board's acceding to this demand.

11. That the Minutes and Treasurer's Report of the Board be approved.

12. That the Assembly approve the efforts of the Board to classify the colleges of our Church according to the standardization scheme already approved by the Assembly, and the plan to publish during the coming year a list giving the grade of each college, thus bringing our Church into line with other denominations which have already prepared and published such lists.

13. *Overture No. 685*, from the Synod of California, has been put into our hands and reads as follows:

"WHEREAS, Occidental College of Los Angeles in celebrating its quarter-centennial is moving upon a new ninety-acre campus and occupying a number of new and modern buildings; and

"WHEREAS, Its present endowment fund of over three hundred thousand dollars is inadequate, and there is also need for more buildings to meet the demands of a rapidly increasing student body, the enrollment having now reached three hundred college students; and

"WHEREAS, A movement has been inaugurated by the trustees of Occidental College, for securing an additional

fund of five hundred thousand dollars for endowment and further equipment of the college,

"*Be it Resolved*, (1) That the Synod of California, in session at Santa Rosa, October 16, 1913, heartily endorses the movement to raise said fund for Occidental College;

"(2) That the Synod cordially recommends it to the sessions of its churches for public presentation and recommendation to their individual members;

"(3) That the Synod appoint a committee of three—two ministers and one elder—who shall, without expense to the Synod, present a request from the Synod to the General Assembly, at Chicago next May, asking the Assembly's endorsement of said movement and its coöperation in raising such fund for Occidental College."

We recommend that the Assembly recognize with gratitude the splendid achievement of Occidental College in already raising $500,000 for its new buildings, in connection with the removal of the institution to the new campus, and also that it give its hearty endorsement to the effort to complete the raising of a like amount for further endowment and equipment.

14. That the following members of the Board whose terms of office expire at this time be reëlected: *Ministers*—J. Ross Stevenson, D.D., J. G. K. McClure, D.D., Minot C. Morgan, T. A. Wigginton, D.D.; *Ruling Elders*—James H. Post, Henry L. Smith, Thomas W. Synnott, John H. MacCracken, Ph.D.

15. Your Committee has received a memorial from the Synod of Indiana touching the movement upon the part of the Trustees of Hanover College to raise a quarter of a million dollars for endowment and equipment, and requesting this Assembly to endorse and coöperate with said movement; reciting, among others reasons for their action, the following: Hanover's eighty-five years of devoted service to the Presbyterian Church, during which time 45 per cent. of her graduates have entered the gospel ministry, the increasingly overcrowded condition demanding enlarged facilities, and the hearty endorsement of the movement by both the College Board and the Board of Education. We recommend that the desired endorsement be heartily given by the Assembly.

Respectfully submitted,

HARMON H. MCQUILKIN, *Chairman.*

The Judicial Committee presented a Report on Judicial Case No. 4, which was adopted, and is as follows:

Judicial Case No. 4, being the appeal of the Presbytery

of Birmingham *vs.* the Synod of Alabama. The papers are in order, and it is recommended that the case be referred to the Permanent Judicial Commission.

In behalf of the Committee,

JAMES T. BLACK, *Chairman.*

The Judicial Committee also reported the following nominations for membership in the Permanent Judicial Commission, Class of 1914–1917: *Ministers*—James T. Black, D.D., John G. Newman, D.D.; *Elders*—Thomas E. D. Bradley, William S. Bennet and John A. Murray.

Opportunity was given for nominations from the floor, and as none were made nominations were closed.

The Committee on Next Place of Meeting presented its Report, which was adopted, and is as follows:

The Committee on the Next Place of Meeting respectfully reports to the General Assembly as follows:

Invitations have been received from the Central Presbyterian Church of Rochester, N. Y., and from other churches and organizations in the city of Rochester; also from the First Presbyterian Church of Atlantic City, N. J., and various bodies—ecclesiastical and civil—of that community; also from the First Presbyterian Church of Seattle, Wash., and other bodies in that city.

After careful consideration of the whole subject, it is recommended that the invitation from the Central Presbyterian Church of Rochester be accepted, including the customary agreement as to a free place of meeting and entertainment for the officers of the Assembly, and that the following action be taken:

Resolved, (1) That the next General Assembly hold its sessions in the Central Presbyterian Church of Rochester, N. Y., and that the pastor and session of the Church together with the Stated Clerk of the General Assembly be the local Committee of Arrangements, with power to add to their number.

Resolved, (2) That the thanks of the General Assembly be given to the churches and other organizations which have tendered invitations for the meeting of the 127th General Assembly.

Resolved, (3) That all arrangements for railroad and other transportation be placed, as customary, in the hands of the Stated Clerk.

In behalf of the Committee,

MAITLAND ALEXANDER, *Chairman.*

The Executive Commission presented an additional Report, which was approved and adopted, and it was ordered that the action taken be inserted in the proper place in the general report of the Commission. The Report dealt with:

1. An Overture from the Presbytery of Mankato.
2. The subject of percentages for contributions.
3. The incorporation of the Woman's Board.
4. Certain changes in the plan of financial administration.

The Standing Committee on Temperance, through its Chairman, Rev. Joseph P. Calhoun, D.D., presented its Report, which was accepted, and, after addresses by the Chairman, Prof. Charles Scanlon, General Secretary of the Board, Rev. Clarence J. Miller, Associate Secretary of the Board, and others, was adopted. It is as follows:

Your Committee congratulates the Board of Temperance upon its first year of service as a Board of the Church.

Organized as a permanent Committee thirty-three years ago, so efficient were its services in behalf of the cause of Temperance that one year ago at the Atlanta Assembly, it was constituted one of the Boards of the Church. In this capacity the work of this agency of our Church has been emphasized and its field enlarged.

Its receipts for the year, including a balance of $6,423.07 carried over from last year, total $44,244.56. So economical has been its administration that there is a balance of $8,944.39 in its treasury.

A bequest by Mr. John M. Colton, a Commissioner to the last Assembly, of $17,317.62, was a noble recognition of the growing importance of the work of our new Board of Temperance. And there is another bequest by Miss Anna Inskipp, of Ohio, the amount of which is not yet known.

Only the interest of these bequests is used.

The Board has six representatives and two special workers who devote their whole time to the furtherance of total abstinence on the part of the individual and prohibition in the State.

The Board offers to pay the traveling expenses and send out 250 special workers and speakers to assist in large campaigns, as in Oklahoma, Texas, Colorado, Oregon and Washington. This help will be greatly appreciated by the local workers.

The Temperance Board has stood and now stands ready to coöperate with the Anti-Saloon League, or any other temperance organization, anywhere and everywhere, that may need its services in the war against the liquor traffic.

This is the deadliest, most unscrupulous foe of human

society, and the General Assembly of the Presbyterian Church in the United States of America would, through its official Board of Temperance, pledge its moral and active support to every agency enlisted to destroy the liquor traffic.

As a Bureau of Information, the Board has been effective. Your Committee quotes from its Report for this year: "The Board conducts fifteen lines of work, reaching not only into every State of the Union, but into almost if not all civilized countries, especially our own foreign missionary fields; directly or indirectly the Board supplies everything in the line of temperance which can be had anywhere. Memorializing the heads of the departments of government, petitioning for good laws and remonstrating against bad ones, furnishing general and specific information to thousands of our people and others, the preparation and sending out of stereopticon slides and many other lines of work require the maintenance of what is in reality a Bureau of Information on this subject, and our people in rapidly increasing numbers are availing themselves of this service.

The Temperance Bureau has the highest testimonials from many outside influential sources as to the effectiveness of this part of its work.

The Amethyst, the official organ, has a circulation of 140,000, an increase of 25,000 during the year.

25,000,000 pages of twelve languages have been sent out in tracts to nearly every country in the world.

A $5 temperance library has been furnished to a number of colleges and to some churches and public libraries during the past year.

A $25 prize in gold has been given to all theological seminaries and colleges that hold a prohibition oratorical contest.

More than 100 colleges and universities have now systematic study courses on the liquor problem.

One thousand students have prepared and delivered orations on the temperance question during the past year. Nearly fifty of the leading monthly magazines and 150 daily and weekly publications exclude all liquor advertisements.

The attitude of the National Administration in behalf of Temperance, of the Department of State and the United States Navy, together with the pending legislation in Congress looking to National Constitutional Prohibition, are all a prophecy of the coming and speedy doom of the liquor traffic.

On December 11, 1913, the Temperance Commission of the Federal Council of Churches of Christ in America was formally constituted in Washington, D. C., and now has its headquarters in the office of our Board of Temperance. This new organization represents thirty denominations,

with 17,000,000 communicants, thus giving to the great majority of all Protestants in this country a united voice on the Temperance question. This movement was initiated by the Presbyterian General Assembly, and Professor Charles Scanlon is the General Secretary, and serves the Commission without charge.

With nine States now under prohibition, and seventeen States with more than 50 per cent. of their population in dry territory, a total of 46,000,000 of people, and with favorable action on the temperance legislation now pending in Congress, we may confidently anticipate the speedy coming of the day of National Constitutional Prohibition.

In this great forward movement for the home, the church and God, our Presbyterian Board of Temperance has had no small part.

And, therefore, be it *resolved:*

1. That the Board of Temperance be commended for its unceasing activity and increasing influence. Its members, officers and field agents are worthy of unqualified commendation. Prof. Scanlon, its General Secretary, has three times represented the United States in the World's Congress of Temperance in foreign lands. This was by appointment twice by President Taft and once by President Wilson. Miss Marie C. Brehm, a representative of the Board, was also thus honored by President Wilson.

2. That this Assembly rejoices in the good work of the various denominational temperance agencies, the National Temperance Society, the Anti-Saloon League, the W. C. T. U. and all other organizations coöperating for the destruction of the liquor traffic.

3. That we recognize with appreciation the invaluable aid of medical science in this reform, and especially the American Society for the Study of Alcohol and other Narcotics, which for forty-four years has disseminated truth on this subject.

4. That we commend our Board for what it is doing among immigrants, and authorize it to extend its help to the people at our ports.

5. We call attention to the disastrous influence of cigarettes upon the habit-forming ages. We deprecate their effect upon the physical, intellectual and moral life, and call attention to cigarettes as the precursor of the drink and other habits that demoralize and disintegrate character. We urge upon our churches to make greater efforts to combat this growing evil.

6. That we again reaffirm our advocacy of an amendment to the Constitution of the United States prohibiting the manufacture, importation, sale and transportation of alcoholic

beverages, and to this end favor the Sheppard-Hobson Bill or any other which will accomplish the desired end. We also urge the officers of our civil government not to appoint to high official position men whose utterances and actions have proved their indifference to the moral aspect of questions of public interest. Further that the Stated Clerk of the General Assembly be instructed to communicate this action to the President of the United States and both Houses of Congress.

7. That this Assembly express to Secretary Daniels of the Navy its appreciation of his order prohibiting the use of alcoholic beverages by Navy officers on board any naval vessels or within any navy yard or station, and earnestly desire that nothing may prevent this order going into effect.

8. That any minister or member of the Presbyterian Church, U. S. A., who is a member of any club or association licensed to sell and does sell intoxicating liquors to its own members or to others, should resign from such club or association in order to be free from the traffic in which the club or association is directly engaged.

9. That we request Presbyteries and Sessions of our churches to use all measures to provide a non-alcoholic wine for the celebration of the Lord's Supper, that no professing Christian with a predisposition to intoxicants, or from conscientious motives, may be prohibited from participation in the Communion.

10. That we recommend and advise the Presbyteries to endorse and engage in interdenominational no-license and similar anti-liquor campaigns, where they may be proposed to be carried on in uncompromising and aggressive warfare against the home-wrecking, the jail-filling and soul-destroying liquor traffic.

11. That we reaffirm the deliverance of 1913, forbidding the manufacture and sale of alcoholic stimulants as inconsistent with Christian duty, and further that all officers and members of local churches be forbidden to in any way aid or abet the liquor traffic in the signing of liquor applications or the presenting the same in court. They are also forbidden to rent any building to any person or persons for the purpose of dispensing alcoholic liquors.

12. That in view of what our Board of Temperance is doing in local, State and National prohibition campaigns, and of the unceasing demands upon it for aid in such campaigns, we cordially urge upon all our congregations the most generous financial support of the Board; and that this Board have first consideration in the gifts of the churches to Temperance.

13. That there be a general observance in all our churches and Sabbath-schools of Temperance Sunday, either on the last Sunday of October or some other convenient time.

14. That we hereby commend *The Amethyst*, as the official organ of the Board of Temperance, to the churches, and urge its continued and increased use.

15. That the members of the Board whose terms expire with this General Assembly be reëlected to succeed themselves, namely: Rev. Thomas Watters, D.D., Rev. David R. Breed, D.D., Hon. R. V. Johnson, Prof. W. R. Crabbe, A. A. Hersperger, and that Rev. Campbell Coyle, D.D., be elected to succeed Rev. William Parsons, D.D.

16. That the minutes of the Board of Temperance, which are well kept and in order, be approved. The Treasurer's record is duly certified by a public accountant, and is recommended for approval.

17. That the General Assembly record its appreciation of the long and arduous services of the Rev. John F. Hill, D.D., the aged Recording Secretary of the Temperance Board, and render thanksgiving to God that Dr. Hill has been spared to see the work of the Temperance Committee grow into one of the great Boards of the Church.

18. That the Stated Clerk of the General Assembly be authorized to furnish a certified copy of these Resolutions to the Board of Temperance, and that said Board be instructed to print and send a copy of the same to each pastor and Session to be read to each congregation.

Respectfully submitted,

JOSEPH P. CALHOUN, *Chairman.*

The Reports were approved, and the Stated Clerk was authorized to coördinate these with the other Report. The coördinated Reports will be found in the Report of the Executive Commission.

The Standing Committee on Home Missions, through its Chairman, Rev. J. Ross Stevenson, D.D., presented its Report, which was read and accepted.

The Chairman of the Executive Commission, at this point in the proceedings, was permitted to present a statement, which was ordered to be printed in the *Minutes*, and is as follows:

The Executive Commission wishes to express at this time and before the entire Assembly, that it is in no way responsible for the detrimental reports or statements which have been printed in the public press or circulated by any of its members, as to the Home Board and its work. We regret exceedingly any hindrance or embarrassment which such unfortunate publicity may have occasioned; and we have expressed emphatically our disapproval and called attention to the violation of our rule on the subject.

As a Commission, we have confidence in the Board, and appreciate the sincere efforts they have made to meet the increasing needs and varied interests of their great work. We have had differences in interpretation and definition as to methods of work; there have been some misunderstandings, and errors in judgment; but we have freely and frankly talked all these matters over together, and here affirm our mutual confidence and hearty good will. Our united desire is to bend all our energies to the performance of our great duties in the advancement of our Lord's Kingdom, and to endeavor to coöperate in the vast responsibilities which our Church has committed to the Board of Home Missions.

We unitedly pray for ourselves that the Holy Spirit of God may prompt us to-day, in the discussion of those great problems, to disregard all personalities, prejudices and littlenesses, and face the future with a living faith, unbounded enthusiasm, and constructive purpose and plan.

The consideration of the Report of the Standing Committee on Home Missions was resumed, and after addresses by Rev. Edgar P. Hill, D.D., a member of the Board, and by the Chairman of the Committee, the Report was adopted. It is as follows:

The Standing Committee on Home Missions respectfully reports as follows:

Your Committee would earnestly commend to the Assembly the Annual Report of the Board, together with the reports of the self-sustaining Synods, as worthy of far more careful and extended notice than can be given here and now. In justice to the other matters demanding our time, we find it possible to give but the briefest mention to a few of the more outstanding matters therein presented.

It is a matter of regret to all that the Board, in common with many other agencies in our own denomination and in others, closes the year with a deficit, for the second time only in the past fifteen years, and has been compelled to withdraw funds from its Reserve, with which, temporarily, to meet it. We are sure that we voice the mind of the Assembly and of the Church in expressing the hope that the gifts of the churches may speedily rise to where they may enable the Board not only to maintain its present work without deficit, but to replace the funds temporarily taken from the reserve, and to meet the urgent calls of the growing and expanding enterprise of Home Missions.

The Woman's Board should receive the hearty congratulations and thanks of the Church for the splendid record of the year. Particularly significant are the large increase in the number enrolled in Mission Study classes, and the notable financial success whereby, in a year of general stringency and falling receipts, they changed a deficit of $24,000 into a surplus of $26,000.

Every division of the work administered by the Board needs increased support. We believe the Board is true to the heart of the Church and to the will of our Lord in declaring that "for the new year we have made an adventure of faith. We have not dared to retrench where retrenchment would spell disaster. We have accepted the obligation to advance —when failure to advance would mean retreat. We count upon a Church which has always rated high its sense of stewardship not to fail us in this critical time."

Especially strong are the calls for a forward movement that come to us from the work among immigrants, immense, full of promise, a work of which we have only crossed the threshold; from Alaska, where the recent action of the United States government in opening the territory through railroad construction has enormously enlarged our responsibility and opportunity; from the Mexican districts in the Southwest, now crowded with refugees from that distracted Republic, giving an unprecedented opening for evangelistic effort; from the steadily increasing opportunities and enlarging demands for Christian social ministry in the churches and Presbyteries, in cities and rural districts where unusual problems are to be solved. We can do no more than allude thus hastily to these great outstanding needs and openings, which our Church dare not neglect. We believe the heart of the whole Church is with us when we express our hearty approval and endorsement of the aggressive policies of our Board, whereby, alike in the congested quarters of the cities and in the neglected and lifeless churches and villages

in the rural districts, it has kindled new hope, quickened churches and communities which were slowly stagnating and dying, and kept our Church in the van of the forces making for social righteousness, peace and joy. In the matter of all these forward-looking policies, we must move steadily and strongly onward. Our Board has "sounded forth the trumpet that shall never sound retreat," and the Church must respond with ever-increasing enthusiasm and loyalty, enlarging and deepening its social work to meet our country's need of the Kingdom of God.

To this general word of endorsement of the policies of the Board—a word all too inadequate—we rejoice to add, in the name of the Assembly and of the Church at large, an expression of profound esteem and gratitude to the leader who is so largely responsible for the initiation and successful prosecution of these enterprises. In connection with the approaching withdrawal from the Secretariate of Dr. Thompson, which we are informed will take effect on the 1st of June, we are sure the Assembly would wish us to put on record the following minute:

"The General Assembly desires to place upon record its profound and hearty appreciation of the long, faithful and successful services of the Rev. Charles L. Thompson, D.D., who has filled the office of General Secretary for sixteen years. His prophetic vision and utterance, his inspiring leadership, his indomitable courage, his large-minded statesmanship, have combined to make his services to the Church such as can never be forgotten. The religious life of America will be forever different because of what he has seen and hoped and worked out. Nor is it only in our own branch of the Church that his service has had meaning and value. For under his leadership, the work has been such that other divisions of the Church have looked to the Board of Home Missions of the Presbyterian Church for their guidance and inspiration. We thank God, that if he must lay down his task, it can be with the glad consciousness that he has served the Church of God as it is given to few men to serve her."

Best of all the achievements of this year, as of every year, is the quiet, self-sacrificing, faithfulness of the men who have been doing the hard and noble work in the newer and less fully evangelized sections of the country. The hero of every chapter of our Home Mission story is the home missionary. We call upon the Church to honor these, its pioneers, its advance guard. With reverence and affectionate regard, we call the roll of those who, during the past year, have entered into the presence and service of God above.

First on the list comes Robert N. Adams, D.D., a veteran of the Civil War, and, for forty-five years, a servant of the Church in its home missionary work. The other names on this honor roll are:

Rev. Columbus W. Duncan, Afton, Tenn.
Rev. George L. Engler, St. Joseph, Mo.
Rev. John S. Handyside, Osakis, Minn.
Rev. H. A. Ketchum, D.D., Salem, Ore.
Rev. Alexander Litherland, Stites, Idaho.
Rev. James V. Loveless, Lake Arthur, N. M.
Rev. Albert W. McNeel, Elbert, Colo.
Rev. Robert G. McNiece, D.D., Brigham City, Utah.
Rev. Merchant S. Riddle, Redding, Cal.
Rev. William D. Roberts, Kendall, Mont.
Rev. Charles M. Ruland, Crosby, Minn.
Rev. Taylor Sands, Paden, Okla.
Rev. Lindsey O. Sutherland, Sorrento, Fla.
Rev. J. C. Van der Las, Phœnix, Ariz.

We also note with deep regret the death of Robert C. Ogden, a member of the Board for nearly sixteen years. His generous and devoted service, and his richly endowed nature, rare in its union of quickness and patience, will be sorely missed.

"Blessed are the dead which die in the Lord: That they may rest from their labors; and their works do follow them."

Your Committee has had before it a number of Overtures, appeals and suggestions relating to the reorganization of the Board. That such a reorganization seems desirable is recognized by the Board, in the report of a special committee containing specific recommendations, which appear in connection with the Board's Annual Report. Your Committee was of one mind in the opinion that the vastness of the work, the opportunities which are challenging us, demand an entirely new adjustment of forces, so as to secure not only the services of the most competent national leaders, but the coöperation of every Synod and Presbytery in this enterprise, which must have the consecrated support of every true American Presbyterian. In its earnest and prayerful consideration of this matter, so vital and wide-reaching in its interests, your Committee sought to carry out the following principles as to the organized activities of the Board.

1. Such administrations as would insure efficiency, secure the largest development of the work and inspire the confidence of the entire Church.

2. Such close Assembly, Synodical and Presbyterial supervision of the field as would obtain for each section the intelligent interest and generous coöperation of the whole Church.

3. Such a representation on the Board as would secure

the widest distribution of responsibility, coupled with the most effective prosecution of the work.

It was evident to your Committee that the plan proposed by the Board giving one representative, in a newly organized Board, to each self-supporting Synod and one to every four non-self-supporting Synods, though well meant, was not sufficiently democratic, equitable and workable. The plan proposed in a number of Overtures, to constitute the membership of the Board with one representative from every Synod of the Church, seems, on the face of it, to guard against over-centralization of authority, and at the same time to provide an advantageous distribution of responsibility, and at first strongly appealed to a number of your committeemen. Your Committee gave to this plan a prolonged and detailed consideration, and in the end came to the conviction that it was not feasible, for the following reasons among others:

1. Such a widely scattered Board could not without great expense attend more than one Board meeting a year. This would not make possible that intelligent and thorough grasp of the great task of the Board, in all of its complications and momentous possibilities, absolutely essential, if there is to be a wisely coördinated and courageously projected mission policy for the whole Church.

2. Even if such a Board could meet at long intervals and determine lines of action for the work, the executive responsibility would have to be delegated to some other body. If it be the paid officers of the Board, this would be to encourage the very centralization of authority from which the plan itself seeks deliverance. If this group of men be an executive committee, to serve as a Board *ad interim*, subject to the authority and control of the Board, such a delegated responsibility would not command the interest, enthusiasm, and devotion of any strong and self-respecting body of men; and as between a small number of available men willing to take their instructions from a Board which meets only once or only a few times each year and then scatters, and a well-chosen company of large men, who are given the whole responsibility because of their ability to meet regularly and to plan and labor consecutively for the home mission interests of the whole Church, your Committee felt that some plan which would secure this larger and continuous responsibility was preferable, if it could be combined with some form of adequate representation from the entire field.

This question of organization, so largely a matter of business administration, might well engage the attention of a special committee for another year. The earnest friends of home missions, however, have urged that the final settlement

be reached at this Assembly, so that there might be no uncertainty or hesitation in the plans and policies of the Board, when the fields are so white unto the harvest, and the Master is calling us not to spend our time debating theories of work, but to gather in the sheaves.

Consequently your Committee undertook to draft a policy suggesting only broad lines of service, confident that matters of detail will naturally find their place under the larger principles of action.

The suggested plan of reorganization is the following:

I. The Executive.

The work of the Board shall hereafter be entrusted to three or more coördinate Secretaries and a Treasurer, to each of whom shall be assigned a special department of the Board's work, for the efficient conduct of which he shall be made responsible. All other administrative representatives of the Board shall be associated with the Secretaries in such manner as the Board may direct, and the prosecution of the work shall be subject to the Board, in coöperation with the Synods and Presbyteries concerned.

II. Departments.

The work of the Board shall be divided into four or more general departments:

1. The Executive or Administrative Department, in close affiliation with the self-supporting Synods, and whose function it shall be to interest and enlist the churches in the whole Home Missions enterprise; to superintend the work in Cuba, Porto Rico and Alaska, and to serve as a clearing house for the other departments.

2. The Church Extension Department, with headquarters in the West, at some strategic centre to be determined by the enlarged Board for which provision is made. This department is to push the work of evangelization in the growing and needy regions of the Great West, and shall have committed to it the work among the Indians, the Mexicans and the Mormons.

3. The Department of Immigration and Social Service, which shall deal with the special problems centering in the country and city, and which shall magnify the relation of the Gospel to all the questions bearing upon social righteousness and moral and spiritual progress.

4. The Department of Finance, which shall deal with all matters relating to the Board's Treasury, and which shall be under the special guidance of a committee of the Board.

III. The Principle of Self-administration in Presbyteries and Synods.

1. Each Presbytery and Synod shall have the right of initiation, direction and control as to the Home Mission work within its bounds, as to the choice and location of appointees, and as to the compensation of such appointees, within the limits of the Board's appropriation.

2. Each Presbytery shall give to the Board a faithful accounting of the use of funds appropriated, and in case of any misunderstanding or complaint, the Board shall use its own discretion, subject to the review of the Assembly's Standing Committee on Home Missions.

IV. The Home Mission Council.

1. A Council shall be established, composed of a representative from each Synod, to meet once a year, preceding the meeting of the General Assembly, to consider the policies and problems of their respective Synods and of the Church at large. This Council shall be convened by the Secretaries and at the expense of the Board.

2. The findings of this Council, as in the case of the Board's Annual Report, shall be transmitted to the General Assembly's Standing Committee on Home Missions, for such consideration and report as in the judgment of the Committee may seem wise.

V. The Personnel of the Board.

1. So many members shall be appointed in or adjacent to New York as shall ensure the quorum required by law for the transaction of business, and also required for the efficient direction and *control* of the entire work.

2. In addition, men shall be chosen because of their interest in missions and recognized ability, at such distance from New York as will secure the widest representation consistent with effective administration, their traveling expenses to be met from the Board's funds when necessary.

The following Overtures came into the hands of the Committee, and are answered as follows:

The vote upon the adoption of the Report being unanimous, the Doxology was sung, and then upon the invitation of the Moderator, the Assembly was addressed by Rev. Charles L. Thompson, D.D., Secretary of the Board, and was led in prayer by Rev. John F. Carson, D.D.

The following telegram was received from the General Assembly of the United Free Church of Scotland, in session at Edinburgh:

To Rev. William H. Roberts, D.D., Stated Clerk, Presbyterian Assembly, Chicago:

The Assembly of the United Free Church of Scotland send greetings and express their gratitude to God for the great and good work recently done through Dr. Chapman's ministry in Scotland. They look forward with prayerful interest and expectation to the Missions to be undertaken next winter.

George Reith, *Moderator.*

The Moderator and Stated Clerk, by authority of the Assembly, sent the following reply:

To the General Assembly of the United Free Church, Edinburgh, Scotland:

The Presbyterian Assembly in session at Chicago acknowledges cordially your greetings and unites with you in gratitude to God for the success of Dr. Chapman's mission, and in the hope for the outpouring of God's spirit upon all nations. See Acts ii. 17–21.

William H. Roberts, *Stated Clerk.*

The Standing Committee on the Brotherhood, through its Chairman, Rev. W. L. Notestein, D.D., presented its Report, which was accepted, and, after addresses by Rev. W. F. Wier, D.D., Mr. Charles T. Thompson and Rev. D. M. Benham, was adopted, except the seventh resolution, which was referred to the Standing Committees on Mileage and Finance. It is as follows:

We wish to express our sincere and heartfelt thanks to Almighty God for His wonderful guidance throughout the

past year, and for the great blessings which have attended the work of our Permanent Committee and which are manifested on every side by men interested in the great work of the Church.

We are all keenly conscious of the fact that men are being mightily stirred on the subject of their religious obligations and privileges.

We believe that the success which has crowned the work of the past year is largely due to the attitude and action of the last General Assembly in adopting resolutions which placed the Presbyterian Brotherhood as one of the administrative agencies of the Church.

We wish to reaffirm the declaration of principles adopted at the last year's Assembly, which emphasize the organization, the unification and the oversight of all men's activities by the Presbyterian Brotherhood.

We desire to express our appreciation of the faithful and effective work which has been accomplished by the Permanent Committee and also by the Associate Secretaries of the National Council of the Presbyterian Brotherhood.

RECOMMENDATIONS.

1. That our magazine, *Men at Work*, be more greatly appreciated, and supported by subscription on the part of the Brotherhood men, so that its unique position for promoting men's activities may be better understood by the men of the Church.

2. That a larger use of the National Brotherhood office facilities and literature be made, so that no local organizations may suffer from lack of advice or proper instructions.

3. That Presbyteries and Synods attempt more definite conferences on men's work and seek to do practical federated service for local organizations.

4. That every man present at this Assembly go back to his respective field as a Brotherhood missionary, firmly resolved that the men's work needs immediate attention and that, by the grace of God, the future holds greater joys for faithful service and larger results for determined, earnest, spirit-filled men than ever before. We believe that the demand for men in the work of the Church is more imperative and pressing than ever before, and if the men do not respond willingly and enthusiastically to the call of the present day, the Church will fail in an opportunity that it will take generations to retrieve.

5. That the Strangers' Bureau is vitally important to Church life and work, in the cities, in that it seeks to meet the stranger who has been a member in his old home church

whence he came, and to conserve him in his new field of commercial or educational endeavor, for Christ and the Church. We heartily commend the joint advertisement which has just appeared in the various Church papers by the Permanent Committee and we ask the coöperation of all pastors and laymen. By this plan we hope to do much toward eliminating the large number of those placed on the suspended roll, which is a rebuke to our cause.

This Committee submits the following Resolution for adoption:

Resolved, That the following persons are recommended as members of the Council for the Class 1914–1917: For reëlection, Rev. George N. Luccock, D.D., and Charles S. Holt, Esq., and new members, Rev. John Timothy Stone, D.D., Hon. William S. Bennet, Mr. S. Earle Hoover.

Respectfully submitted for the Committee,

W. L. NOTESTEIN, *Chairman.*

WEDNESDAY, May 27, 2.30 o'clock P.M.

The Assembly met, and was opened with prayer.

The Judicial Committee presented the following Report, which was adopted:

Judicial Case No. 7, being the case of Pool *vs.* The Synod of Montana. The papers are in order, and it is recommended that the case be referred to the Permanent Judicial Commission.

The Standing Committee on Publication and Sabbath School Work, through its Chairman, Rev. George B. Stewart, D.D., presented its Report, which was accepted, and, after addresses by the Chairman, Rev. Alexander Henry, D.D., Secretary of the Board, Rev. John T. Faris, D.D., Editorial Superintendent, and Mr. Marion Lawrance, Secretary of the International Sunday School Association, was adopted. It is as follows:

The Standing Committee on Publication and Sabbath School Work respectfully reports as follows:

Your Committee has read with interest the Seventy-sixth Annual Report of this Board, submitted to the Assembly, and we desire, in this first sentence of our Report, to express our deep sense of the magnitude of the work done and its commanding value to the Church. We commend this Report of the Board to the thoughtful consideration of the whole Church. While the whole Report of the Board is worthy of detailed attention at this time, the limits of our Report allow us specifically to mention certain features only of the work:

1. EDITORIAL SUPERINTENDENT.—The Board faced a difficult task in its effort to find a successor for Dr. J. R. Miller, that man of rare gifts and rare spirit, as its Editorial

Superintendent. In the performance of this duty it has elected to this position the Rev. John T. Faris, D.D., who was Dr. Miller's assistant, and who after his death efficiently conducted the full work of the office. This was a deserved recognition of the fitness of a faithful servant of the Board for promotion to higher duties.

2. The Sabbath-school and Missionary Department. —During the year, 131 workers have been employed, of which number 11 are district and synodical superintendents; 10 are educational superintendents, and 110 are Presbyterial missionaries. Thirty colporteurs are employed among our immigrant population, distributing Bibles, Testaments and religious literature, as well as holding religious meetings and visiting from house to house. This makes a total of 161 field workers, representing our Church in the organization of Sunday-schools and in ministering to the out-of-the-way and destitute portions of the country. These men are in most instances pioneers with all of the sturdy and heroic qualities of those who blaze their way through trackless fields of service to their fellow-men. We desire to put on record the regard and esteem of the whole Church for these noble, self-sacrificing and useful Sunday-school missionaries.

3. Overtures.—*Overtures Nos. 204* to *242*, *657* and *658*, *243* to *258*, *659* to *662* and *689*, from Presbyteries, have been placed in the hands of your Committee, relative to the transfer of the Sabbath-school Missionary Work of this Board to the Board of Home Missions. Forty-one of these Overtures favor such transfer and 21 are against it. From information before the Committee it was evident that the forty-one Overtures asking for the transfer represented the full strength of the effort made by those favoring it, while the twenty-one Overtures against it were only a small portion of the Presbyteries which did not desire the change to be effected. We have reason to believe that 149 Presbyteries which were asked to concur in the Overture praying for the transfer refused to concur. It is clearly evident that not only does the Church not desire such a transfer, but that there is an overwhelming sentiment in the Church against it. The transfer is not needed, would be inexpedient, and would involve large and unnecessary expense, and would not conduce to larger efficiency. We therefore think that the Assembly's action on this subject should express the mind of the Church as thus indicated.

A word of information here may clear away false impressions from the minds of some in the Church. The Sabbath-school missionary in nowise duplicates the work of the Home Missionary employed by the Board of Home Missions.

The Sabbath-school missionary never enters a Presbytery except on its request; he works under the direction of a committee of Presbytery, to which committee he is required to make monthly reports, and under whose supervision and direction he is so long as he remains employed in the Presbytery. It thus appears that the Sabbath-school missionary is not to be found except where Presbyteries deem his presence and work necessary, and the Presbytery has entire control of his work and time.

4. The Intermediate Catechism.—The Committee had before it an Overture from the Presbytery of Hastings (*Overture No. 437*) relative to the printing of the Intermediate Catechism in all of our Sunday-school Helps. Your Committee would call attention to the fact that the Intermediate Catechism is now printed in the Intermediate Quarterly and that to publish it in connection with the helps for all the other departments would add to the cost of these helps, in view of their mechanical make-up, and would, in our judgment, be superfluous. The Intermediate Catechism is now published by the Board in separate form, and can be obtained by those desiring it at a low price.

5. Three *Overtures* (*Nos. 438* to *440*) relative to an up-to-date Single Volume Commentary and Key to the Scriptures, were referred to your Committee. In our judgment, no action by the Assembly is required, but we commend the matter to the careful consideration of the Board.

6. The matter of additional accommodations in the Witherspoon Building for certain Agencies, has been referred to in the Reports of the Board of Ministerial Relief and Sustentation and the Board of Publication and Sabbath School Work. Your Committee is of the opinion that in view of all the facts in the case, the matter should be referred to the Executive Commission, with power.

7. We are pleased to note that the Department of Religious Education has prepared a model constitution for the organization of Presbyterial Young People's Unions. We hope that it will be found useful in promoting work among our young people.

8. The Board of Publication desires to announce to the General Assembly and to the Church at large, its intention to issue a new series of Annuity Bonds to relieve the mortgage incumbrance on the recently acquired Presbyterian Building in Nashville.

Similar bonds on the Witherspoon Building in Philadelphia were so generously subscribed for, that a number of applicants were disappointed when the limited issue was exhausted.

This new issue will also be limited, to the extent of $60,000,

and it is confidently expected that the mere mention of the fact that they are on the market will result in their early sale.

9. In compliance with the direction of the General Assembly to revise the Graded Lessons, the Board of Publication has entered into negotiations with the publishing houses of the Reformed Churches holding the Presbyterian System (including the Presbyterian Church in Canada) to publish an entirely new series of lessons for the elementary grades. These lessons will be Biblical in construction, evangelical in character, departmental in form and periodical in issue; and, it is expected, will be ready for use January 1, 1915.

This action on the part of the Board necessitated their withdrawal from the Syndicate composed of the Methodist, Congregational and Presbyterian bodies, thus sacrificing a very valuable equity in that Syndicate.

As the proposed new system of lessons will be departmental in character, and, consequently, at variance with the closely Graded Series now in use, it will be necessary for the Board to have the consent of the General Assembly for the continued sale of the present Graded Lessons, which are eventually to be revised, to those schools that are thoroughly graded and which will not be able to accommodate themselves to departmental issues in place of the closely graded series.

The Committee therefore requests the General Assembly to grant this permission to the Board of Publication, in view of the heavy financial responsibility assumed by them in issuing this new series of lessons.

10. The attention of your Committee was called to the desirability of itemizing the report of the Treasurer so that there would appear therein the respective amounts spent for Missionary and Educational work in the various Synods and Presbyteries. It is the judgment of your Committee that if practicable such itemization is desirable. We suggest that it receive the consideration of the Board.

11. Attention is called to the fact that Mr. J. Milton Colton, one of the youngest members of the Board, both in service and in years, who was also a Commissioner to the last General Assembly, departed this life during the year. He showed his interest in the great work of this Board by remembering it in his will in an amount exceeding $50,000.

12. The churches show an increasing appreciation of the great value to them of the special days called Children's Day and Rally Day. The interest of the Board in these days is not purely a financial one. They are regarded by it as of high value for promoting the interest of the child, the home and the school.

13. The Revised Hymnal continues to receive the approval

of the churches. Two hundred and forty-six churches have been added during the past year to the list of those which have adopted it. Its superior qualities are so manifest to churches about to adopt a hymnal that it does not have serious competition from the other collections in the market. About 90,000 copies of it were sold during the year. The Hymnal Committee is now at work on a new book for the Sunday-school, which will be published before the next meeting of the General Assembly. In view of the varied needs of Sunday-schools, your Committee deems it would be wise for the Board to consider the advisability of issuing more than one hymnal designed to meet the needs of all types of schools.

14. The Department of Religious Education.—A year ago the Assembly completely transferred to this Board the work of the Assembly Committee on Religious Education, which work for two years had been jointly prosecuted by the Board and the Committee. During the past year, the Board has shown its sincere and hearty interest in this new feature of its work. In carrying forward the directions of the Assembly, the Board made the necessary changes in its internal organization and its by-laws. It was peculiarly fortunate in having as one of its members Dr. Cheesman A. Herrick, President of Girard College, a man of peculiar qualifications, by training and experience, for the chairmanship of the Board's Committee on Religious Education. Dr. Herrick, with broad vision and intelligent interest, has devoted a large amount of time to the work of this department, and it is largely due to him that the Board is now well organized for the promotion of this great arm of its service. Your Committee desire to follow up the recommendations of preceding Assemblies with reference to this work and to urge upon the Assembly and the Board the necessity of appointing a superintendent of Religious Education who will have entire charge of this department, in which should be assembled all the educational activities and agents of the Board. We do this with increased confidence, since it is in full harmony with the action of this Assembly already taken in connection with the report of the Committee of the Educational Policy of the Church, by which the Board was advised to prosecute its educational work with increased earnestness.

We offer for adoption the following recommendations:

1. The Assembly expresses its high appreciation of the Sunday-school missionary work of this Board; records its judgment that this work is properly an arm of the service for which the Board has been constituted; and commends it to the prayers and liberal support of our churches.

2. The matter of furnishing additional accommodations

in the Witherspoon Building, to the Boards and Agencies now tenants in the building, is hereby referred to the Executive Commission with power.

3. That the General Assembly authorizes the Board to continue furnishing the present Graded Lessons to those schools that request them.

4. That the Board is hereby instructed and authorized to prosecute with all diligence its department of Religious Education; to assemble in this department all of its educational activities and agents, and at the earliest practicable moment to secure a superintendent for the direction of this work.

5. We again call the attention of pastors and churches to the desirability of their loyally supporting this Board in the purchase of hymnals, Sunday-school lesson helps and other Church supplies; the superior excellence of the Board's publications, which places them in the front rank of their kind, justifying most fully this appeal to the loyalty of our people to support their own agency.

6. We recommend that the action of the Board in electing Mr. Roland M. Eavenson to fill the unexpired term of Mr. J. Milton Colton, of Rev. W. L. Wheeler to fill the unexpired term of Rev. J. M. Johnston, of Mr. George A. Russell to fill the unexpired term of Mr. L. M. Rice, and of Mr. C. T. Kirkpatrick to fill the unexpired term of Mr. W. T. Cartwright, be confirmed. We recommend that the following gentlemen whose terms of office will expire in June next be reëlected as their own successors:

Ministers—John Harvey Lee, Frank Lukens, John B. Laird, D.D., James Ramsay Swain, George H. Mack; *Ruling Elders*—Abraham R. Perkins, Roland M. Eavenson, Hon. Bernard Gilpin, C. T. Kirkpatrick.

Respectfully submitted,

GEO. B. STEWART, *Chairman.*

The text of the Resolution concerning space in the Witherspoon Building, separated from the other Resolutions in the Report of the Committee on Education, was referred to the consideration of the Executive Commission, along with the material offered by the Committee on Publication and Sabbath School Work.

The action adopted on the same subject, in the Report of the Committee on Ministerial Relief and Sustentation, was reconsidered and submitted in the same manner.

The Committee on Bills and Overtures presented the following Report, which was adopted:

The Committee on Bills and Overtures presents an

additional Report, as follows, on Overtures and other matters referred to it:

**Overture No. 282.* It is recommended that the Board of Home Missions should continue its policy as to the church at Frankfort-on-the-Main, Germany.

Overture No. 283. The following resolution is submitted for adoption:

Resolved, That *Overture No. 283* be referred to the Board of Home Missions, with instructions to confer with the officers of the Board of Foreign Missions, and, by joint action with that Board, or otherwise, afford such relief and assistance as may be possible in the circumstances, including in their consideration the States of New Mexico, Arizona and California, as they may be similarly affected by the present influx of refugees from Mexico.

Overture No. 609, on the Bible in the Public Schools. The adoption of the subjoined deliverance is recommended:

The General Assembly, appreciating the fundamental principle of the separation of the Church and State in the economy of government, and likewise the inestimable worth of the Bible in the education of our youth, for moral strength and obedience to law and order, does hereby state its conviction that the loss to true and noble citizenship, with the Bible divorced from our public school system, in some of the States of our Union, is incalculable; and, further, does hereby urge, on the part of the Church as a whole, the employment of all honorable means in petitioning legislatures to enact laws and to secure amendments to State constitutions for the purpose, to create public sentiment favorable to such a course, to the end that a favorable atmosphere and legislation may be obtained, permitting, as optional or otherwise, the reading of the Bible in the public schools, or the recognition of the Bible, for study or otherwise, in the curricula of our educational institutions.

Overtures Nos. 610, 611, 678 and *698.* On these Overtures, all relating to the five hundredth anniversary, in 1915, of the martyrdom of John Huss, the following recommendations are made:

1. That the year of our Lord 1915 be recognized by the Presbyterian Churches, U. S. A., as the John Huss memorial year.

2. That a suggestion be made to pastors that they preach on John Huss at some time during the year.

3. That the Moderator of the General Assembly shall appoint delegates to the celebration of the five hundredth anniversary of the death of Huss, in the city of Prague, Bohemia, July 6, 1915.

* See for text of Overtures, pp. 59 to 79.

4. That where the way is clear, churches be encouraged to contribute to a fund for work in the Bohemian Reformed Church, which Church offers a means of extending the Gospel to Bohemians and other Slavic peoples.

Overture No. 607, on Lay Evangelism. Your Committee finds that in 1893 a Constitutional Rule No. 1 was adopted, making it lawful for a Presbytery, after a proper examination as to piety, knowledge of the Scriptures and ability to teach, to license as a local evangelist any male member of the Church who, in the judgment of the Presbytery, is qualified to teach the Gospel. In view of the provision made by the Rule covering the case, we would recommend that further action is not necessary.

Overture No. 645, from the Presbyterian Historical Society, setting forth the objects of the Society and asking for the hearty coöperation of the Church in its work, was referred to your Committee.

We offer the following recommendations:

1. That the efforts of the Society to make permanent the heritage of history made by the Presbyterian and Reformed Churches of America be heartily commended.

2. That the Presbyteries be encouraged to appoint Historical Memorial Committees, which shall coöperate with the Presbyterian Historical Society at Philadelphia.

3. That we rejoice in the vigorous effort which the Society is making to secure an endowment fund, which shall furnish a more adequate income for the prosecution of its work, and we express the hope that this effort will be speedily successful. We therefore commend the Society to the generosity of those who may be interested in its work.

Paper No. 701, from the International Sunday-school Association. It is recommended that the request be granted, that Dr. A. F. Schauffler be designated as the representative of the Presbyterian Church in the U. S. A., on the International Lesson Committee.

That the Overtures hereinafter enumerated be referred as recommended, viz.:

To the Executive Commission, *Overtures Nos. 667* and *668*, on the name, etc., of the Board of Freedmen.

To the Board of Ministerial Relief and Sustentation, *Overtures Nos. 684* to *686*, on a Sanitarium.

To the Committee on Polity, *Overture No. 699*, on the Cortez Case.

To the Standing Committee on Church Erection, *Overture No. 702*, on Manses and Church Houses.

To the Committee on Home Missions, *Overtures Nos. 674* to *677* and *697*, and a Resolution on the Home Board, with

argument on same, previously referred to the Bills and Overtures Committee by Assembly.

To the Western Section of the World-Presbyterian Alliance, *Overture No. 612*, relating to the divisions of Protestantism in Italy.

On Resolutions referred from the General Assembly the following action is recommended:

On the body known as the Gideons.—The General Assembly expresses its hearty appreciation of the work of the Gideons.

On two papers on Tithing, no action is necessary, as other Assemblies have taken sufficient action.

On a Paper on the War with Mexico, action will be reported later.

On the subject of Peace and Arbitration, the following is recommended for adoption:

The General Assembly calls attention to the fact that there has already been established at The Hague a court of international arbitration, which has, in the few years of its existence, settled many disputes between nations. It trusts that the time is not far distant, when every international controversy shall be submitted to that tribunal for final decision, thereby bringing about that time for which our Church has so long been praying, when wars shall cease.

Respectfully submitted,

JOHN TIMOTHY STONE, *Chairman.*

The Reports in the Blue Book, from the Federal Council of the Churches in America, the World Presbyterian Alliance, and the Council of the Reformed Churches in America, were referred to the Committee on Bills and Overtures.

The Special Committee on Work on the Continent of Europe, through its Chairman, Rev. Sylvester W. Beach, D.D., presented its Report, which was accepted, and, after an address by the Chairman, was adopted. It is as follows:

This Committee hereby presents its Eleventh Annual Report to the General Assembly.

Two centres of endeavor have been maintained on the Continent during the year. A third station is now established, and Rev. T. S. Wynkoop, D.D., has been commissioned by your Committee to begin immediately preaching services in the city of Munich.

I. *Frankfurt-am-Main.*—This church was organized in 1907 with forty members. For seven years it has not only maintained an existence, but has made steady progress in the face of many difficulties. During the entire history of the church, Sabbath services have not been omitted on a solitary occasion. The Gospel has been faithfully and earnestly pro-

claimed by wise and devoted ministers of the Presbyterian Church. The salary has never been adequate to fully sustain a pastor, but that fact has not deterred the men whom God hath called to this work from undertaking the service and consecrating to it their best endeavors. During the past year Rev. J. Canfield Van Doren, formerly pastor of our church in Waterville, N. Y., has been in charge of the church. Under his devoted ministry the church has enjoyed the most profitable period in its history. At the expiration of his term of service, February 1, 1914, Rev. Charles D. Brokenshire, a graduate of Princeton University and Seminary, and a Fellow of the latter institution, who was pursuing his studies in Heidelberg, was asked by your Committee to take charge of the work. He is now on the field, and reports from the church are to the effect that the membership has cordially responded to the Committee's selection, and is giving him a cordial support. Your Committee begs leave to quote the following from a letter written by President Cheesman A. Herrick, of Girard College, Philadelphia, Pa.:

"I write to express my interest in the American Church, Frankfurt, and my hope that the work may be continued on as good a basis in the future as it has in the past.

"Some years ago I visited Frankfurt, and was so impressed with the city as an educational centre that recently when I selected a German city to which to send my children for residence abroad I chose Frankfurt, and during the summer I went with Mrs. Herrick and three children, ranging from ten to fourteen years, and settled them there for the year.

"While there I worshiped in the American Church for four Sundays, and I do not overstate the case in saying that the work of that church is the most helpful single influence which I found in the American colony in Frankfurt. The spirit of the organization seemed excellent and the services were helpful. Frankly, except for this church and its associations, I should have had some misgiving in leaving my family there.

"My boy, fourteen years of age, who is a communicant member of the Church, recently wrote his grandmother that he liked that Church better than any other he had ever been in, and this is in no sense a reflection on the churches which he has formerly known. It would seem that in the smaller membership he has found more personal interest and greater opportunities for usefulness.

"The work of the Rev. J. Canfield Van Doren has been successful, and he is pleasing the people and strengthening the church organization. The financial burden, which has been carried by a few families who have stood back of the

work, has been quite heavy for them, particularly as the government taxes in Frankfurt are excessive. Any additional aid which could be forwarded to the congregation from America is well merited.

"I would recommend that, if possible, you secure the continuance of Mr. Van Doren in the work for another year; if that is not possible, then the selection of an experienced and capable man would seem highly desirable. Particularly would it seem well to give more permanency to the work by having a man continue longer in service."

It is needless to say that our church at Frankfurt claims the interest of all Presbyterians. It is an experiment, the success of which means a great deal to the Church. The immediate need is twofold. First, a salary sufficient to maintain a permanent pastor upon the field, avoiding the loss of momentum resulting from an annual change; secondly, a church building with necessary accessories for institutional work, the need of which is becoming more evident and urgent every year.

II. *Paris.*—Our Latin Quarter work for American students has completed its twentieth year. The average attendance at the Sunday-evening meetings is reported as 500, and the possibilities of the work are only limited by the capacity of the building in which the services are held. Dr. and Mrs. Ernest W. Shurtleff have been on the field for more than eight years, and their eminent adaptability to the requirements of the mission becomes more and more evident as the years pass. Their apartment, all too small for the purpose, affords a rendezvous for our student population, and the counsel and warm sympathy of the pastor and his wife are extended to many who, without their ministry, would be as sheep without a shepherd. The cost of this work is necessarily large. A suitable atelier, centrally located, must be rented without regard to cost. Good music must be provided, and the other expenses aggregate perhaps $1,500, in what may be called overhead charges. A salary of $3,000 is paid the pastor and his wife, and when it is considered that demands are made upon them in a social way far beyond anything required of a pastor at home, it will be readily understood that the stipend is none too large. The deep appreciation of this work by the American colony in Paris is indicated in the fact that the members raise a sum not less than $2,000 to sustain the work. The Committee in America is responsible for a similar amount, which is raised mainly by subscription, but partly also by contributions from a few churches, which put the European work on their budget. Your Committee has never asked for collections.

In regard to the work in general in Europe, the following letter to the Chairman is illuminating:

"After six years' residence abroad, during which time it has been my privilege to travel in every European country except Norway and Portugal, I have the firm conviction that our Church is missing a great opportunity. I can lay before you the facts to prove that hundreds of thousands of dollars —I am not exaggerating—are being withheld from Presbyterian causes every year because we have no one to keep in touch with contributors who are living abroad. I could lay before you facts to prove that professing members of the Presbyterian Church are rapidly being lost to us by proselytizing or by growing indifference, because from one year's end to the other they never have brought before them even the name of the home Church. I could show you—but you yourself know this from experience far better than I do—how students have lost their faith and have become ruined through the neglect of the Church to look after them. The General Assembly's Committee on Work in Europe is as important a Committee as the Assembly has ever constituted. All who have broad vision must feel this, but how difficult it is to get the Church to see it."

In addition to the centres from which we now operate, many new ones should be immediately established, and over all should be placed a wise, experienced and gifted superintendent, such as the Episcopal and Methodist Churches provide. Aside from the good such a minister could do in visiting student and tourist centres, and looking up Americans whose names and addresses could be sent him by their home pastors, I believe he could save to the Church each year money and members enough to pay the expenses involved a hundredfold.

American Episcopalians and Methodists have for many years, in some such way, been looking after Americans living or studying in Europe. They have bishops who travel from place to place, and keep the home Church in touch with their members, resident and traveling abroad. It is high time our Church was showing like wisdom. The Presbyterian Church, with its one and a half million members, cannot afford any longer to neglect its thousands in Europe. For these thousands are of the type which the Church needs—men and women of wealth and broad vision, and students whose influence in the Church when they return home could be very great. Under present conditions, these thousands, of Presbyterian lineage and attachment, are suffered to drift away from the Presbyterian Church into other Churches, or, what is a thousand times worse, to drift away from Christ altogether.

Can our Church be recreant to duty in the presence of such responsibility?

Therefore your Committee would respectfully offer the following recommendations:

I. *Resolved*, That the Committee be and is hereby continued, constituted as follows: Rev. Sylvester W. Beach, Chairman; L. Y. Graham, D.D., J. Gray Bolton, D.D., W. H. Roberts, D.D., W. L. McEwan, D.D., W. H. Oxtoby, D.D., Joseph W. Cochran, D.D., Charles Wood, D.D., C. T. Edwards, D.D.; and John E. Parsons, Esq., Mr. Ralph W. Harbison, George W. Bailey, M.D., Charles S. Holt, Esq., and President Cheesman A. Herrick.

II. *Resolved*, That the General Assembly hereby reaffirms, and with increased emphasis, its previous endorsement of the work on the Continent of Europe; and authorizes and empowers the Committee to open up other centres on the Continent of Europe, so far as means may allow, and due correspondence with committees of other Churches, may justify.

III. *Resolved*, That the Assembly hereby commends this work to the cordial support of the whole Church, and expresses its judgment that not less than $10,000 should this year be contributed for the maintenance and extension of work on the Continent.

IV. *Resolved*, That the action of the last Assembly in directing the Board of Home Missions to extend aid to the church at Frankfurt-am-Main be and hereby is reaffirmed, and it is the judgment of this Assembly that the same policy should be maintained by the Board in respect to other stations on the Continent where the work justifies the hope of permanency.

All of which is respectfully submitted.

In behalf of the Committee,

SYLVESTER WOODBRIDGE BEACH, *Chairman.*

The Executive Commission presented the following Report, which was adopted:

It is recommended, That *Overtures 336* to *434*, and all other Overtures relating to the name and policy of the Freedmen's Board, be referred to the Executive Commission, to investigate during the year, and report to the next General Assembly.

It is recommended, That the General Assembly authorize and empower the Executive Commission, in conjunction with the Legal Committee, to settle the expenses in connection with the litigation in the Cumberland Presbyterian Church cases, and that the General Assembly be asked to apportion

to the Presbyteries for said expenses three-fourths of a cent per communicant.

The Assembly adjourned, and was closed with prayer.

WEDNESDAY, May 27, 8 o'clock P.M.

A Popular Meeting was held in behalf of Foreign Missions, and addresses were delivered by Rev. J. C. Garritt, D.D., Rev. Frederick G. Coan, D.D., Rev. W. C. Johnson, and Rev. A. L. Wiley.

THURSDAY, May 28, 9 o'clock A.M.

The Assembly met, and was opened with devotional services.

The Minutes of yesterday's sessions were read and approved.

The following, nominated by the Judicial Committee, were elected members of the Permanent Judicial Commission: *Ministers*—James T. Black, D.D., John G. Newman, D.D.; *Ruling Elders*—John A. Murray, Thomas E. D. Bradley, and William S. Bennet, Class of 1914–1917.

The Committee on Nominations for the Executive Commission presented the names of the following, who were duly elected: *Ministers*—William R. Taylor, D.D., to fill vacancy in the Class of 1912–1915. For the Class of 1914–1917: *Ministers*—Maitland Alexander, D.D., Samuel J. Niccolls, D.D., H. H. McQuilkin, D.D.; *Ruling Elders*—W. U. Follansbee, G. V. Massey.

The following Orders of the Day were adopted for Friday: Report of Committee on Sabbath Observance; Report of Committee on Legal Matters; Report of Committee on Theological Seminaries; Report of Committee on Executive Commissions; Report of Committee on Finance; Report of Mileage Committee; Report of Committee on Prison Reform; Report of Committees on Synodical Records.

The Moderator of the Presbytery of Yukon, and the Commissioner present from said Presbytery, presented the following request, which was granted by the Assembly,

that the Rev. James L. McBride, of the Presbytery of Chicago, be transferred directly by the Assembly to the Presbytery of Yukon. He is located within the bounds of Yukon Presbytery, and this action is necessary in order that there may be a quorum within meeting distance for a meeting this year. The Stated Clerk of the Assembly was directed to notify the Presbyteries in interest of this transfer.

The Standing Committee on Polity, through its Chairman, Rev. Edward P. Whallon, D.D., presented its Report, which was adopted, and is as follows:

The Standing Committee on Polity reports upon papers referred to it, viz.:

* *Overture No. 278*, from the Synod of North Dakota. This Overture makes inquiry as to the constitutionality of a plan of Synodical oversight of Home Mission work adopted by the Synod of North Dakota, and involves:

1. Suggestions to Presbyteries as to the organization, meetings, duties, etc., of their Home Mission Committees.

2. The membership, organization, meetings and duties of the Synod's Committee, and authorizes it to review the schedules of need from the Presbyteries, make recommendations to the Home Mission Board, express the judgment of the field in case of differences between Presbyteries and the Board, and indicate to Presbyteries the apportionments to be raised for Home Missions.

3. The recommending by the Committee of field men for appointment by the Board, assigning them to certain parts of the Synod in which they are to work, but making them available for any part of the Synod, they being under the general oversight of the Committee, but responsible to the Presbyteries in which they labor, and providing for proper reports.

In answer to the Overture, it is recommended that the General Assembly approve of the Synod's organizing for Home Mission Work, and doing so in conformity with the principles laid down in the new plan for Home Missions adopted by this General Assembly.

Overtures Nos. 259 to *274*, *663* and *690*. These Overtures ask certain questions as to Synodical and Presbyterial prerogatives in Home Mission Work, which seem to have been suggested by the plan of Synodical oversight of Home Missions referred to above, and, as it is directed in the reply given to the Overture from North Dakota Synod, as to Synodical oversight of Home Missions, that it be made to conform

*See for full text of Overtures, pp. 59 to 79.

to the new plan and rules adopted by this General Assembly, no further answer is necessary.

Overture No. 614, relating to titles printed with the names of ministers, petitioning the Assembly in the following terms:

"That there be a committee appointed, in each Presbytery, on Credentials of Ministers, whose duty it shall be to pass upon titles; and those titles only which have been granted by accredited institutions of learning shall be printed after the names of ministers, on the roll of Presbytery, Synod, and the General Assembly."

Answer: As Presbyteries already have the power to do this if they desire, no action is necessary.

Overture No. 615, relating to pastoral installations, asking for a specific deliverance in answer to the following question:

"Certain churches grouped in a pastoral charge have held one installation service for all the churches of the group, representatives being present from the other churches of the group and answering the constitutional questions for their churches. Is this one service held for a group of churches in harmony with Chapter XVI, Section 4, of the Form of Government, or does the Form of Government require that an installation service be held in each church of a group of churches forming a pastoral relation?"

Answer: It is necessary that the installation service be held in each church.

Overture No. 616, touching the holding of a congregational meeting with reference to the dissolution of the pastoral relation, suggesting a form of overture on this subject as one suitable to be sent to the Presbyteries for their action.

It is recommended that no action be taken.

Overture No. 617, relating to Presbyterial letters of dismissal to ministers, propounding certain interrogatives on this subject and asking Assembly deliverances in reply thereto.

1. A minister without charge, being in good and regular standing in Presbytery, requests a letter of dismissal to another Presbytery. Is it not such a minister's absolute right to enjoy speed and freedom in the translation he seeks, so far as his Presbytery can help his change of relationship by issuing letters of dismissal?

Answer: Yes· though limited always by the rules of the Church.

2. When Presbytery grants such minister a dismissal, is it not the self-evident intention of Presbytery to promote

and actually secure said minister's translation according to his request?

Answer: Yes, as far as the circumstances are known to the Presbytery at the time.

3. When a Presbytery votes to dismiss an applicant, may not Presbytery authorize its Stated Clerk to issue to the applicant when he asks it a letter of dismissal "to such Presbytery as the applicant may indicate"?

Answer: It may authorize the Stated Clerk to issue the letter in this way.

4. When a Stated Clerk, thus authorized, has issued *one* letter of dismissal to applicant, and the applicant returns the letter within one year, and for any reason requests the said Stated Clerk to issue a new letter, naming a *second* Presbytery to which the applicant desires to present it, has that Stated Clerk the power or right to defeat the evident intention of his Presbytery in ordering applicant's dismissal, or to block the applicant's translation by refusing a second letter?

Answer: The Clerk has no right to issue a second letter.

Overture No. 618, relating to ministers who may be parties to suits for divorce.

It is recommended that the following Overture be sent down to the Presbyteries for their action:

"Shall Section thirty-seven (37) of the Book of Discipline be amended by the addition of the following paragraph:

Overture No. 619, relating to the eligibility of women to the office of Ruling Elder and Deacon, asking that an amendment to the Constitution, pertaining to the subject, be sent down to the Presbyteries for their action.

Overture No. 621, relating to the instruction of baptized children, asking the Assembly to send down to the Presbyteries an Overture pertaining to this subject, proposing an amendment to the Directory for Worship. (See for text of Overture, p. 73.)

It is recommended that no action be taken, but that

pastors and parents be urged to give careful attention to provisions already existing.

Overtures Nos. 622 and *623*, relating to the recently effected union of the "Assembly Presbyterian Church" (U. S. A.) and the "First Presbyterian Church" (U. S.), of Harrodsburg, Ky., asking the Assembly's approval of the steps taken by the Presbytery of Transylvania and the Synod of Kentucky, in connection with the union of the two churches named.

It is recommended that the request be granted, and the approval given in the case of the church.

It is recommended that the request be granted, and the Presbytery asked for be and hereby is erected, to be known as Coos Bay Presbytery; that it meet at Marshfield, Oregon, on the second Tuesday of June, 1914, with Rev. J. E. Burkhart as Convener, and to preside until a Moderator is elected, and that Revs. F. S. Shimian, J. E. Burkhart, J. F. Vernon, H. C. Hartranft, J. W. Hoyt and A. Haberly constitute the Presbytery.

The churches included in the Presbytery are, Marshfield, North Bend, Coquille, Myrtle Point, Prosper, Bandon, Langlois, and Gold Beach.

Overtures Nos. 626 to *628*, from the Synod of South Dakota and the Presbyteries of Aberdeen and Reserve, relating to a readjustment of the Presbyterial lines of said Synod, the proposed readjustment involving the dissolution of the Presbytery of Reserve. The two Presbyteries named protest against the action asked for by the Synod, and assign reasons for this protest.

It is recommended that Synod's action be approved, and the protests of the Presbyteries be dismissed.

Overture No. 629, from the Synod of Wisconsin, relating to the transfer of one county of its territory from one Presbytery of the Synod to another in the following terms:

"That the county of Calumet be transferred from the Presbytery of Winnebago to the Presbytery of Milwaukee, and that the General Assembly be overtured to approve of the transfer."

It is recommended that the transfer be made, if agreeable to both bodies.

Overture No. 630, from the Avon Church, of Avon, S. D., asking to be transferred from the Presbytery of George, in the Synod of the West (German), to the Presbytery of Sioux Falls, in the Synod of South Dakota. Accompanying the Overture are communications from the Stated Clerks of the Synod of the West (German) and the Presbytery of George, certifying to the action of these bodies in the matter.

It is recommended that the request for transfer be granted.

Overture No. 631, from the Church of Elizabeth, Freeport Presbytery, in Illinois Synod, asking to be transferred to the Galena Presbytery, in the Synod of the West (German). Accompanying the Overture is a communication from the Stated Clerk of Freeport Presbytery, certifying to the action of that body in this matter.

It is recommended that the transfer be made, if agreeable to all the bodies involved.

It is recommended that the transfer be made, if agreeable to both bodies.

Overtures Nos. 633 to *636*, from the Executive Commission of the Synod of the West (German), and the Presbyteries of Galena, George, and Waukon, relating to the transfer of churches from one Presbytery and Synod to another Presbytery and Synod, asking the Assembly "to take such action or issue such statement as will give the receiving courts interested in a proposed transfer of a church, the same rights and privileges, in the matter of being officially consulted, as the dismissing courts interested."

It is recommended that in cases where the transfer of a church from one jurisdiction to another is sought, the transfer shall not be made without action approving the same by the receiving body.

Overtures Nos. 637 to *641*, from the Presbyteries of Grande Ronde, Pendleton, Portland, Southern Oregon, and Willamette, relating to a change in the time and place of the meeting of Oregon Synod, asking that the time for said meeting be changed "from the second Thursday in October, 1914, at 7.30 o'clock P.M., in the city of Albany, Oregon, to the second Thursday in July, 1914, at 7.30 o'clock P.M., in the city of Eugene, Oregon."

It is recommended that the requests be granted.

Papers Nos. 642 and *643*, from the Stated Clerks of the Synod of the West (German) and the Synod of Wisconsin, referring to the action of the last Assembly in recommending the transfer of the German Church of Platteville, Wis., from the Presbytery of Madison, Synod of Wisconsin, to the Presbytery of Galena, in the Synod of the West (German), on condition that said transfer should be concurred in by the Presbytery of Madison and the Synod of Wisconsin (*Minutes*, 1913, p. 163). These communications state that the Synod of Wisconsin declined to concur in this proposal for the transfer, because of a protest made by the Synod of the West (German).

Answer: Both bodies not being agreeable to this transfer, it becomes inoperative, and the Platteville Church remains attached to the Presbytery of Madison.

Overture No. 680, relating to Judicial Commissions, asking the Assembly to answer certain questions concerning the powers of Judicial Commissions appointed by the different courts.

Answer: 1. The finding of a Judicial Commission sitting between meetings of the Judicatory is the final judgment of the Judicatory itself, immediately on announcement of the decision (Sec. 122, *Book of Disc.*), and the announcement of the decision in such a case is forthwith, by transmitting a certified copy of the decision to each party in the case (Sec. 123, *Book of Disc.*).

2. The finding of a Judicial Commission is the final judgment of the judicatory upon the rendering of the report if the Judicatory be sitting, and if not it is final upon announcement of the decision. This necessarily precludes all discussion.

3. The reference to a Judicial Commission must be for "hearing and decision" (Sec. 118, *Book of Disc.*), and the decision, when reported or announced as the case may be, is final.

Overture No. 681, asking the Assembly to answer certain questions pertaining to the power of a Presbytery to review the findings of a Judicial Commission.

It is recommended that the following answer be given:

Upon the filing of the finding of a Judicial Commission the Presbytery has no power to review the same, and the one remedy against the decision is by appeal or complaint to a higher Judicatory.

Overture No. 682, asking the Assembly to declare whether a Presbytery may receive a minister on a forthcoming letter from another Presbytery.

It is recommended that the Overture be answered in the negative. The recommendation was laid on the table by the Assembly.

Overture No. 683, relating to a readjustment of Presbyterial lines, in the Synods of Idaho and Washington.

It is recommended that the changes asked for by the Synod of Idaho be permitted, on condition that the majority of the sessions of the churches of Northern Idaho, within the bounds of Spokane and Walla Walla Presbyteries concur, and that the Stated Clerks of Idaho and Washington Synods be instructed to submit the question to the sessions of these churches, and report to the General Assembly of 1915.

Overture No. 699, relating to the Cortez Case, referred by the last Assembly to the Board of Home Missions.

In view of promises, made to the interested parties, of the settlement of the issue by other measures, it is recommended that the Assembly take no action, and return the papers.

The Standing Committee on Foreign Missions, through its Chairman, Rev. Samuel J. Niccolls, D.D., presented its Report, which was accepted, and, after addresses by Rev. Arthur J. Brown, D.D., Secretary of the Board; the Chairman, Rev. John Timothy Stone, D.D., and Rev. Messrs. Allison, Higginbotham, Vanderbilt, Brown, McCune, and Doolittle, missionaries from various fields, and prayer by Dr. McClure, was adopted. It is as follows:

The Standing Committee on Foreign Missions would respectfully submit the following Report:

There has been placed in the hands of your Committee the Seventy-seventh Annual Report of the Board of Foreign Missions. This Report is so clear in its statements of the work done through the past year, so illuminating in reference to the whole field of missionary enterprise, and so optimistic in its spirit, that it deserves a general circulation in all our churches as a missionary document of the highest value. No one can carefully read it, and compare its record with that of similar reports made even twenty-five years ago, and fail to be impressed with the wonderful progress which has been made by our branch of the Church in the evangelization of the world. It furnishes abundant reasons for renewed efforts, and for thanksgiving to God for His faithfulness to His word of promise to the Church. It is one of the latest chapters of the Acts of the Holy Spirit, recording the onward movement of the Kingdom of our Lord. The Report calls our attention, first, to the vacancies which have been created in the Board by the death of three of its members

—Mr. Louis H. Severance, Mr. Warner Van Norden, Vice-President of the Board, and Rev. J. S. Dennis, D.D. Mr. Severance was known throughout the whole Church by his abounding liberality and the personal service which he gave to the cause of Missions both at home and abroad. Mr. Van Norden was singularly faithful in his trust as a member of the Board. Mr. Dennis was for a time a missionary in Syria, but circumstances compelled his return. No member of the Board was more efficient in counsel; but especially by his books, which are standard authority on Missions throughout the world, has he rendered a service of incalculable worth, and left for himself an enduring monument. During the past year, there have been removed by death from the ranks of the missionaries the following:

Dr. Francis Jenks Hall, North China.
Rev. F. H. Chalfant, D.D., Shantung, China.
Mrs. A. L. Wiley, Western India.
Mrs. Lyle J. Beebe, Laos.
Miss Margaret J. Morrow, North India.
Mrs. A. D. Hail, Japan.
Dr. Edna Orcutt, West Persia.

All these were in active service on the field, and their names are worthy of a place on the Church's roll of honor. Efficient in their labors, their presence will be greatly missed in carrying on the work.

The Board has sent out during the past year to the foreign field 118 new missionaries; 56 of these to different provinces and stations in China. The whole force now in the field is as follows:

Missionaries	1,226	Increase	69
Ordained men, natives	349	"	34
Other helpers	5,417	"	447
Organized churches	728	"	50
Communicants	133,718	"	11,704
S. S. Scholars	154,139	"	17,293
Hospitals	73		
Patients treated	512,065	"	55,407

Measured by these statistics, the work shows a most gratifying progress. It would be interesting, did the limits of this Report permit, to give the statistics of the advance that Protestant Mission enterprise throughout the world has made, and to see by comparison how large a part the Presbyterian Church has had in the work of evangelization. It is enough to say that it is second to none other, and that the results should move us to thank God and gird ourselves for great efforts.

Your Committee has carefully examined the minutes of the Board which have been submitted to us. We find them

kept with scrupulous care and prefaced with a complete index. We have no adverse criticism to make, but, on the contrary, feel that the Board is deserving of highest commendation for the excellency of this work. In reference to what is known as the *Home Department of the Board*, we are pleased to note reports of the most encouraging nature. This department concerns itself with various activities looking to the spread of missionary information, the cultivation of missionary sentiment, the increase of missionary interest, and the enlargement of missionary offerings in the churches at home. It endeavors to strengthen the home base for the work of missions throughout the world. Among the newer lines of activity in this department, special emphasis should be laid upon Presbyterial itineraries for furloughed missionaries. Not that this plan of having returned missionaries visit the churches is entirely new, but it has not been carried out systematically, with a view to reaching all churches, in the rural districts as well as in the towns and cities.

There is no questioning the quickening effect of an earnest message from the lips of one who has seen, with his own eyes, conditions in the heathen lands; and as an agency for arousing genuine missionary interest in the churches too much emphasis cannot be laid on this method.

Your Committee is glad to commend the work accomplished through the Literature Department of the Board, by the circulation of leaflets, bulletins and other kinds of literature.

Pastors and churches should avail themselves of the Foreign Mission Library of the Board, with its ten thousand volumes, all of which are freely loaned, without cost, except for transportation.

The work of the educational secretaries, in seeking to promote the organization of Mission Study classes, in churches, Women's Societies and the Young People's Societies, is to be heartily commended and encouraged.

The awakened interest in missionary education in the Sunday-schools is one of the hopeful signs of our times. Partly as a result of special efforts to increase this interest, and partly, we believe, as a result of the working of God's Spirit in the hearts of His people, a larger number of our Sunday-schools than ever before are regularly giving missionary instruction, at more or less frequent intervals. We believe that such instruction should become the unvarying rule in all our Sunday-schools. We also make two other suggestions in connection with Missions in the Sunday-school. One is that our Sunday-schools be asked to continue the plan of a missionary offering at Christmas and at Easter,

and that such offerings be sent to the Board. Another is, that the "Station Plan" of giving to Foreign Missions be encouraged in our Sunday-schools.

During the past year nearly four hundred Sunday-schools contributed regularly under this plan, but this number should be rapidly enlarged. The Board will be glad to furnish detailed information to Sunday-schools thinking of adopting this plan.

We cordially commend the Presbyterian United Movement, under the guidance of a Joint Executive Committee, composed of representatives of the Executive Commission and the Boards of the Church. It is too early yet to know the full results of the Every-member Campaign, but there seems to be no question that in many churches the plan is enlisting great numbers of people who have not heretofore been contributing, especially to the benevolences of the churches.

Another point to which the Committee calls attention, is the importance of special care in the selection of the chairmen for Presbyterial and Synodical Foreign Missions Committees, for upon the capability, enthusiasm and faithfulness of these leaders much depends.

The growth and efficiency of the Home Department have demanded an increase in the number of workers in it.

The report concerning that matter says: "We have brought into the office as Assistant Secretaries the Rev. Orville Reed, Ph.D., Rev. William P. Schell and Rev. George T. Scott. The additional expense of this increased force is reduced to a minimum, through the ability of some to serve without salary, others on a partial salary, and all of them give to the Board, in devoted service, that which could not be acquired save for the devotion of these men to the cause."

Your Committee, after careful examination, feel that this increase is fully justified.

The special China campaign, inaugurated the previous year, has been carried on during the present year with gratifying success; and still the voice of a great need from that vast empire calls upon the Church to continue and complete its work.

Another feature of the Report, of special significance and importance, is its record of growing coöperation among all the different branches of the Protestant Church in the common work. This is one of the most significant signs of the times, and points to the speedy fulfillment of the prayer of our Lord concerning the final triumph of His Kingdom. It is gratifying to know that the Board has taken a leading part in the promotion of Christian unity. So far as reports from the various fields occupied by the Board are concerned, all tell of encouraging progress, of widening opportunities and

of urgent demands for more laborers. There is, however, one exception, that of the neighboring Republic of Mexico, now in the throes of civil war. There, our missionaries, in the midst of a most encouraging work, have been compelled to leave their stations. But we believe it will be only for a brief time, and out of the present disturbance there will come, as through the Boxer Rebellion in China, a great advance for the cause of Missions. The reigning Christ has not forgotten Mexico. The Mission among the Philippines, the youngest of the twenty-seven missions under the care of the Board, has a special interest for us, inasmuch as it is located in territory which belongs to the United States. It has developed with great rapidity and vigor along all lines, educational, social and religious. There are, however, some conditions which have made the work there a most perplexing one. Especially is this the case with the growing desire of the Philippines for national independence. This has manifested itself in a request for a National Church, expressed in the following *Overture* sent to the Assembly:

"WHEREAS, There has for many years been a growing desire among the Filipino people for national independence, a cause they, as a people, have struggled and suffered for; and

"WHEREAS, The Government of the United States, since its occupation of these islands, has promised the people a realization of their national hope and has held to its aim of developing the people so that ultimately they might enjoy a Filipino National Government; and

"WHEREAS, The effect of this policy has been to foster this national spirit until independence has become more and more a household word and common desire among the people, so much so, that anything Filipino appeals very strongly to the hearts of the people and anything foreign is not well received; and

"WHEREAS, This spirit has, by some politicians and enemies of evangelical religion in the islands, been used in the hindering of the progress of the Kingdom of Christ and the welfare of the Presbyterian Church, because it is a foreign institution—its ultimate Court of Appeals being in America; and

"WHEREAS, The proposal of the Synod involves no revolutionary or novel suggestions, but is only following what the Presbyterian Church has done in such countries as India, China, Korea, Japan, Mexico, etc., and, besides, we believe a Filipino Church will be a distinct advantage to the cause of Christ and the establishment of His Kingdom here, and will bring joy and satisfaction to the Filipino Christians; therefore, be it

"*Resolved*, That we as a Mission most heartily recommend the action of the Synod of the Philippines in overturing the General Assembly to be set aside for the purpose of organizing itself into the Filipino Presbyterian Church, or, rather, the Presbyterian Church of the Philippine Islands."

The Report of the Treasurer of the Board has been carefully examined by your Committee, and it desires heartily to commend the clearness and completeness with which all the accounts are set forth. It is satisfactory to know that all the books of the Treasurer have been examined and audited by a competent firm of auditors.

This Report shows that the total receipts for the year ending March 1, 1914, from all sources, amount to $1,885,624.49—an increase of $304,004.34 over the preceding year. This is the largest sum ever received by the Board in a single year, and it marks the highest point yet reached by the rising tide of the benevolence of the Church in connection with Foreign Missions. Yet, notwithstanding this increase, there remains the singular fact that the deficit in the treasury for the current year amounts to $226,848.58. The preceding year closed with a deficit of $65,301.58, so that the accumulated deficit at the present time amounts to $292,150.16. The explanation of this condition is given at length and satisfactorily in the Report. It is sufficient now to say, that it arises from special gifts designated by the donors, which could not be used in the regular work by the Board. At the same time it must be remembered that these gifts represent an investment for the enlargement and increased efficiency of the Mission plant, and that the results from them will be manifest in future years. The deficit, which represents loss on one side, is balanced by gain on the other in the better equipment of the Mission stations, schools and hospitals. While contributions from the churches to the regular work of the Board decreased $20,000, special gifts from them increased $52,500. It is pleasing to note that the contributions from the Women's Board increased $143,884.26. There has been a decrease of $3,322 in gifts from the Sunday-schools and of $175 from the Young People's Societies. The total increase of gifts from all sources over the preceding year amounts to $1,304,004.34. There is much instruction, with reference to future efforts, to be gathered from the figures presented in the Treasurer's Report.

The grand total of appropriations and disbursements for the year, amounting to $2,398,108.66, shows the magnitude of the work; and the fact that all this has been administered at a cost of less than 6½ per cent. attests, in a striking way, the economy of its administration.

Your Committee would recommend the adoption of the following resolutions:

1. The Assembly records its sense of profound gratitude to God for the manifold tokens of His favor granted to the cause of Foreign Missions during the past year. The growing interest in missions, as manifested by the enlarged liberality of our people; the success attending the labors of the missionaries in the field, the ever-widening opportunities for the evangelization of the world and the growing desire of the nations for the Gospel of Christ, all cause us to rejoice before God and to expect with renewed assurance the coming of His Kingdom on earth.

2. The Assembly approves the conduct of the Board in the administration of its affairs during the past year. It is gratifying to know that its work has been done with such a high degree of efficiency, wisdom, success and economy of administration. The Assembly commends the fidelity and energy of the Board in the discharge of the great trust committed to it.

3. The Assembly regrets that, notwithstanding the fact that the contributions to this Board from all sources during the year are the largest in its history, there now exists an accumulated deficit amounting to $292,150. This deficit has not been brought about by any want of foresight or mismanagement on the part of the Board nor of any undue expansion of the work, but through other causes beyond the control of the Board. It is a deficit for which the whole Church is responsible, and which must be promptly met in order that the progress of the work should not be retarded. The Assembly, therefore, directs the Board to take such wise measures, and in conformity with the existing rules of the Assembly, as will in its judgment speedily secure the canceling of the deficit. To this end the Board is authorized to make special appeals to all the churches and the friends of missions, for assistance in meeting the present indebtedness.

4. The Assembly approves of the Overture of the Synod of the Philippines, asking permission to establish itself as an independent Filipino Synod. Accordingly, the Assembly recommends that at the approaching meeting of the Synod, October, 1914, in the city of Cebu, Rev. James B. Rodgers, D.D., or, in his absence, the next oldest missionary on the field, who may be present, shall preside as the convener of the new independent Synod, until its Moderator has been duly elected.

5. The Assembly directs the Board to continue the policies and methods which it has so successfully used during the past year in carrying on its work. Among the things requir-

ing its special attention, in the judgment of the Assembly, are the removal of the existing deficit, the completion of the China campaign, and securing and training in the Home field, from among our young men and women, recruits for the great army of missionaries on the field. It is also advised to carry on, as in the past, and with the coöperation of the Presbyteries, the itineraries among the churches for the purpose of enlisting their fuller coöperation in the work of missions.

6. The Assembly approves of churches, Sunday-schools and individuals pledging themselves to support particular missions. But it would ask of all who wish to specialize their gifts that they first consult with the officers of the Board having particular fields in charge, to the end that their gifts may be of the highest value to the common cause.

7. The Assembly recommends to the Synods and Presbyteries that in the appointment of their committees on Foreign Missions, the members thereof shall be appointed in classes, each to serve for a period of three years, in order to give greater efficiency and stability to the committee.

8. The Assembly, as in the past, gratefully recognizes the important and efficient work of the Women's Board of Foreign Missions. But for their ministrations, the great results of the present could not have been attained. Their zeal and unstinted devotion have been most important factors in awakening the whole Church to its obligations to evangelize the world, in obedience to the great command of our risen and reigning Lord.

9. The Assembly renews the action of former Assemblies, authorizing the Easter and Christmas offerings of the Sunday-schools for Foreign Missions.

10. To fill vacancies in the Board, your Committee recommends the reëlection of the following members to serve in the Class of 1914–1917: *Ministers*—George Alexander, D.D., John F. Patterson, D.D., J. Ross Stevenson, D.D.; *Ruling Elders*—D. W. McWilliams, John T. Underwood, James M. Speers. Also the election of Mr. John L. Severance, to fill the unexpired term (in Class of 1912–1915) of his father, Mr. Louis H. Severance, deceased; and the Rev. Charles C. Albertson, D.D., to take the place of Rev. W. P. Stevenson, D.D., resigned, in the Class of 1913–1916, and Mr. Henry W. Hodge, to take the place of Mr. Warner Van Norden, who was Vice-President of the Board and was in the Class of 1914–1917.

In behalf of the Committee,

SAMUEL J. NICCOLLS, *Chairman.*

The following was adopted by a unanimous and rising vote:

Resolved, In token of the earnest purpose of this General Assembly to take immediate steps to free the Board of Foreign Missions from the incubus of a deficit of $292,000, and the Board of Home Missions of a deficit of $138,000, that a Committee of five ministers and four elders, of which the Moderator shall be the Chairman, be appointed by the Moderator to take immediate steps to raise the deficits, and that the Stated Clerk be the Secretary of the Committee.

The following telegram was received:

San Francisco, Cal., May 27, 1914.

To the Presbyterian General Assembly, Chicago:

The Annual Conference of the Japanese Presbyterian Church on the Pacific Coast, which has just been in session in Los Angeles, directed me to send Christian Greetings and an expression of deep appreciation of all the Board of Foreign Missions has done for Japanese in this country.

Very gratefully,

K. Miyazaki, *Moderator.*

The Moderator and Stated Clerk were authorized to send a response, which was done as follows:

The General Assembly of the Presbyterian Church, in session at Chicago, Ill., reciprocates heartily the Christian Greetings of the Conference of the Japanese Presbyterian Church on the Pacific Coast, and invokes upon all its work the blessing of God.

Maitland Alexander, *Moderator.*
William H. Roberts, *Stated Clerk.*

The Special Committee on the White Slave Traffic, through its Chairman, Rev. Paul R. Hickok, presented its Report, which was amended, adopted and is as follows:

The Special Committee on the White Slave Traffic, appointed by the General Assembly of 1913, in session in Atlanta, Ga., respectfully reports as follows:

The Committee was appointed under the following resolution

"Believing that the time has come for the Church to speak out upon the White Slave Traffic, the General Assembly orders the appointment of a Special Committee of five, to be appointed by the Moderator, to consider the enormous violation of the Seventh Commandment involved in the traffic, and the Church's duty to the youth and family life of the

nation, in view of those foul interests that corrupt and threaten the nation's life, and also toward that large unfortunate class for whom the heart of Christ bleeds, and for whose souls His Church cannot evade responsibility."

The following-named persons were appointed by the Moderator on the Committee: *Ministers*—Rev. Paul R. Hickok, Chairman; John Balcom Shaw, D.D.; Rev. John Kennedy; *Ruling Elders*—Prof. Winfield Scott Hall, Ph.D.; Mr. Henry L. Smith. Later, upon the resignation of Mr. Smith, the Moderator appointed Ruling Elder J. M. T. Finney, M.D.

The Committee has held one meeting, in the Fourth Presbyterian Church, Chicago, Ill., on January 13, 1914. An earlier meeting, called for August 29, 1913, was canceled by reason of the illness of two members of the Committee. An interesting incident of the Chicago meeting is the fact that it was the first regular meeting held by any organization in the new building of the Fourth Presbyterian Church of Chicago, and was attended in part by the Moderator of the General Assembly, who is pastor of the church.

In the absence from the meeting, owing to temporary absence from the United States, of the Rev. Wm. H. Roberts, D.D., Stated Clerk of the General Assembly, and secretary *ex officio* of the Committee, the Rev. John Kennedy was elected secretary *pro tempore*. The sessions of the Committee were opened and closed with prayer.

In the outset it should be said, that your Committee is convinced that the matter committed to it for consideration is very much larger than is suggested by the phrase, "the White Slave Traffic." Indeed, the resolution of appointment itself is sufficient indication that the scope of the Committee's work was not limited to a great commercialized iniquity, but rather to the whole condition of social impurity, of which "the White Slave Traffic" is but one symptom, although a most serious one.

Your Committee is directed to consider "the enormous violation of the Seventh Commandment involved in the traffic." This is not a matter calling for statistics, with all the mental confusion that must result from long statements of appalling figures. But that the extent of the traffic in human bodies for purposes of lust and greed is "enormous," as described in the Assembly's resolution, is terribly evident upon only slight investigation. The Vice Commission of Chicago, Ill., appointed by the City Council in 1910, has made a most thorough survey of these conditions in that one city. In Chicago alone, the Commission reported "that there are not far from 5,000 women who devote their time wholly

to the business of prostitution." The conditions in that city are not believed to be worse than in most cities of the country. This figure did not include, of course, the much vaster army of persons leading impure lives, guilty of occasional immoral relations, being supported wholly or in part by their occasional earnings, or engaging in occasional immorality not for profit, but from desire. There is no possible way of estimating this larger number, but the word "enormous" seems scarcely adequate to describe the conditions known to be present.

If the ratio existing in Chicago may be taken as anything like an accurate index to that prevailing throughout this country, it seems entirely safe to assert that at least 100,000 persons are devoting their time wholly to this unthinkable iniquity in the United States, and it is most probable that the number is very much larger. Most students of the problem would place the figure two or three times as high. Then, when it is borne in mind that the average life of such women is lamentably brief—probably not more than from five to eight years—the annual toll of those who go down into graves of this unspeakable dishonor is seen to be fearful. Then, further, when it is remembered that the number of girls and young women whose health is destroyed, whose careers are broken, whose hearts are crushed, whose dreams of life are shattered, whose families are disgraced, whose souls are lost eternally, through the infamous wiles of the seducer, it becomes still more apparent how impossible it is to state the enormity of this evil in terms of figures. It is not a story to be told in statistics.

One truth that must be impressed emphatically, is the fact that prostitution is a commercialized business of vast proportions, with tremendous profits, controlled largely by men, not women. It has always been regarded as a terrible vice, offensive to good morals and fine sensibilities, and deserving the severe condemnation of decent people everywhere. It is all of that, of course, but it is very much more. It is a *business*, subject to rules obtaining in the commercial world, with immense sums of money involved. How vast the financial interests may be, is again a matter for conjecture solely, for definite figures cannot be given. They are not to be obtained. But when it is remembered that "gambling and prostitution were reported in the Rosenthal murder trial as paying graft to the amount of $2,400,000 a year in New York City for permission to do business," it is readily understood that the money interests involved in that city alone will reach prodigious figures. What they would be throughout the country cannot be made the subject of an intelligent guess, much less of definite statement.

In spite of these facts, it cannot properly be said that the "business" is "organized" in any systematic manner. The operations of all the men and women engaged in the traffic are so similar, however, and they use the same methods to such an extent, that it is quite safe to infer they are in some way working together.

It is fully demonstrated that in every city, and in many of the larger towns, a class of men exists whose business it is to procure young girls for this terrible traffic. Under some false pretense or misrepresentation—usually an offer of employment or a pretended marriage—or when the girl is intoxicated or drugged, and not in possession of her senses, she is conveyed to some place and started in her immoral life, after which a share in the profits becomes the man's pay. Unquestionably in this outrageous procedure is found an explanation of many of the "mysterious disappearances" recorded in our daily newspapers. Back of unnumbered broken and desolate homes there is an unknown and undiscoverable story of treacherous deceit which by a merciful Providence will never be revealed to the suffering ones who are left at home to mourn and wonder.

Realizing, then, in some small measure, "the enormous violation of the seventh commandment involved in the traffic," your Committee recognizes that the General Assembly's resolution calls also for some message concerning "the Church's duty to the youth and family life of the nation, in view of those foul interests that corrupt and threaten the nation's life." This, probably, is the most important feature of the task committed to our hands.

It may be said at once that not only the strongest message, but the most direct and specific word that may be given to the Church was long since recorded among our historic "Standards," and has its place in the Larger Catechism. Question Number 139 asks, "What are the sins forbidden in the seventh commandment?" With undisguised amazement we read those phrases prepared so long ago, and in the light of their direct applicability to these peculiar problems and perils of to-day, we realize how completely the entire issue is covered in the received documents of the Church. Let us hear again this instruction from the Catechism:

"The sins forbidden in the seventh commandment, besides the neglect of the duties required, are adultery, fornication, rape, incest, sodomy, and all unnatural lusts; all unclean imaginations, thoughts, purposes, and affections; all corrupt or filthy communications, or listening thereunto; wanton looks; impudent or light behaviour; immodest apparel; prohibiting of lawful, and dispensing with unlawful marriages;

allowing, tolerating, or keeping of stews, and resorting to them; entangling vows of single life; undue delay of marriage; having more wives or husbands than one at the same time; unjust divorce or desertion; idleness; gluttony; drunkenness; unchaste company; lascivious songs, books, pictures, dancings, stage-plays; and all other provocations to, or acts of uncleanness either in ourselves or others."

In view of these astoundingly specific words, that seem to touch every phase of the social evil and all its associated sins to-day, your Committee believes that "the Church's duty to the youth and family life of the nation" is primarily to emphasize some of the perils and sins indicated and forbidden in the "Standards" themselves. The Church has spoken. We have but to listen once more to her deliverances, in the new light that this present-day traffic creates.

It cannot be said too plainly or too emphatically that the law of God is one requiring a clean life—clean in all its outward relations, and clean in its purposes and imaginations. The most significant Beatitude is the one that shows how men may come face to face with God, and see Him—"Blessed are the pure in heart." This can never be, until men know that the very bodies in which they dwell are temples of the Holy Ghost, and they must glorify God, therefore, in their bodies. To set forth this fundamental truth unequivocally is the first duty of the Church, in connection with every phase of the problem presented by the social evil.

A very brief word should suffice at this point concerning the purely physical effects of immoral living. Your Committee does not feel it is necessary to go into any detail. In recent years, information has been more or less widely disseminated which reveals the fact that the so-called "social diseases," better called venereal diseases, are shockingly widespread so far as dissemination is concerned, and horrible so far as physical, mental, and moral impairment is concerned. The most distressing and tragical phase of this serious matter is that a large proportion of those who are suffering are innocent of social impurity, thousands of women annually being infected, either accidentally or equally innocently, through contamination by a lusting husband. As to the responsibility of the Church in this matter of disease, your Committee feels that the Church will have done its duty when the demonstrated and generally accepted facts are set forth frankly to parents particularly, and perhaps to the young men of the congregations.

This introduces the question of education in matters of sex. The subject is one upon which much is being said these days, and concerning which many experiments are being

tried. The methods of greatest wisdom and largest efficiency are still to be discovered. But it is the belief of your Committee that hitherto, a large majority of those persons responsible for the education, guidance, and nurture of youth, have followed an unfortunate course regarding the great sacred truths of life. This course has been one of silence and mysticism, as a rule. That there has been any conscious and concerted action in this matter is not for a moment to be supposed. There is, therefore, nothing that could be called a "conspiracy of silence," as sometimes is charged, though the attitude of silence and mysticism has been so general, in fact so almost universal, that the term is frequently used to express the condition. This attitude on the part of parents and teachers of youth has the psychological effect of stimulating curiosity, with the almost universal result that children acquire distorted viewpoints and morbid misconceptions of great truths, that rightly understood from the first, would engender feelings of reverence for life and respect for all life processes. There seems, therefore, but one rational course for earnest-minded Christian parents to follow. That course is to answer the natural questions of their children freely, frankly, fully, sincerely and sympathetically.

We believe that the pastor has a particular responsibility regarding this great social problem. We believe he should consider it his duty to call together his men, particularly heads of families, talk seriously with them, and attempt to lead them, first, to recognize their responsibility, and, second, actively to proceed in the discharge of paternal duties to their children. Next, we believe that the pastor should call together the mothers of his congregation and talk equally frankly, though perhaps in somewhat more general terms, regarding maternal responsibility, with a view to stimulating them properly to discharge those responsibilities.

If pastors will undertake this program of service to the fathers and mothers in their churches, it will prove one of invaluable benefit. Furthermore, it will give opportunity for careful warning concerning other facts and conditions that are jeopardizing good morals to-day. For we cannot be unaware of the many forces about us that make for the destruction of purity. Look again at that amazing catalogue of sins forbidden, found in the Larger Catechism—"idleness; gluttony; drunkenness; unchaste company; lascivious songs, books, pictures, dancings, stage-plays; and all other provocations to, or acts of uncleanness either in ourselves or others." Does that sound like a document prepared for another age than our own? If this General Assembly were preparing another Larger Catechism, the answer to such a

question would be framed in words and phrases almost identical with these we have here.

Some features of our modern life that contribute to the increase of the social evil are just now assuming alarming proportions. One of these appears in the vulgar tendency of modern fashion. Our "Standards," we remember, expressly forbid all "immodest apparel." To-day many of our women are going to such extremes of dress as to shock even the least prudish, and open American womanhood to the charge of a complete forfeiture of modesty. The unfortunate side of it all is, that the women of the Church, whose most conspicuous adornment is supposed to be meekness, are quite as guilty of this offense as are women who make no religious professions. Until our Christian women can be made to see what mischief is being done by such a reckless abandon to the foibles of fashion, there can be little hope of stemming this evil tide. We call the women of our Presbyterian Church to a practical separation of themselves from these tendencies of our times, and exhort them to be at this point examples to their sisters, lending their voice and influence alike, against all extremes of dress, and seeking to lead society in a more worthy and wholesome direction.

Another contributory factor is the increasing craze for excitable and unchaste amusements. The dance, never perhaps what could be wished, has become the subject of indescribably vulgar jokes, and is calling out the condemnation of many holding high places of ecclesiastical authority. The moving-picture shows, although under what is claimed to be strict censorship, are calculated to inflame the thoughts and emotions of the young. The theatre, with its outrageously flippant handling of sex problems and situations, as well as the notorious disregard of so many of its leaders for high standards of marital and even ordinary moral relations, is laying a net that must seduce and capture a considerable part of our rising generation.

The literature of the day presents another very serious factor in this great problem. Perhaps we are not mistaken when we speak of it as one of the most alarming symptoms of a general condition that seems bad indeed. Nearly every work of fiction that is printed to-day has woven somewhere in its plot the intricacies of a sex question. The book reviews are long series of descriptions of such stories. One would imagine there was no other problem in people's minds to-day. And the most grave feature of it seems to be that this is what they appear to want. "Problem stories," as well as "problem plays," are demanding the attention of everyone. The library table in every home will have upon it one or more

books frankly discussing irregular and immoral sex relations, which but a few years ago would not have been allowed space in any volume intended for discriminating readers. Some of the magazines which were accepted freely not many years since, and offered to all the family as safe and reliable, now cannot be read aloud in any home circle without bringing a blush to the cheek. Every barrier of reserve between the sexes is being broken down, and the literature of the day, read by every one, is largely responsible.

It may be that the flood of unclean literature, while much to be deplored, could not have been altogether unexpected, and is partly an evidence of an awakened conscience. If this element of hopefulness is discoverable, and is real, we will rejoice in it. For we are becoming aware of great perils and "an ancient evil," as Miss Addams has called it, and it may not be strange that literature should reflect the aroused consciousness of the people. Perhaps the problem stories, unending discussions of "the eternal triangle," manufactured accounts of "white slave" horrors written for revenue, exploitation of the life of the underworld, are, after all, merely indications of a great awakening of the social conscience. It may be we should have expected that unscrupulous and vicious men should seek to capitalize the interest that has been aroused by all the heroic prophets of a new era. But, be that as it may, it does not reduce the moral danger existing in the type of literature that has become so familiar. The very universality of it, much of it often written with an evident purpose to arouse evil imaginations, makes this one of the most alarming of all the factors associated more or less indirectly with the social evil.

Your Committee would speak to the Church also concerning a real danger that we believe inheres in the too general and indiscriminate publicity given to questions of sex, in the name of education. Some, at least, of the things that are being done, with ostensibly good motives, are open to grave suspicion. Your Committee fully recognizes the terrible ills that have resulted from ignorance and the need of proper information. But to dispel that ignorance, it is not necessary to uncover all of the naked truth concerning sex and the social evil, in every kind of company, and before mixed audiences without discrimination. There is much that is being said to-day with brazen insistence, in the name of instruction, and with the ostensible purpose of "letting in the light," which is far more suggestive of a wicked pleasure in dwelling on subjects hitherto forbidden, and the results gained cannot be described as tending either to greater safety or more pronounced purity of mind.

Some words spoken recently by ex-President Taft are very much to the point here. He deplored "the spread of lubricity in literature, on the stage, and indirectly in education," and vigorously condemned as specious the "plea that vice may be avoided by teaching its awful consequences." There is an incalculable loss suffered when the sex questions are everywhere discussed with such brutal frankness and openness that it becomes impossible for any group of persons to meet in ordinary social relations without such themes or thoughts being obtruded. His warning is timely concerning the virtual abandonment of the former restraints of modesty, and he said, "This change in the attitude of society has only a small modicum of good, if any, while much of it is bad in its tendency and effect. Wicked editors seize upon the fact to sell their literary wares by suggestive stories, treating of sex problems, and picturing conditions as general in society, which, thank God, are the exceptions, and all this under the pretense of carrying on a social reform. Moving pictures and plays are paraded before the public to teach a moral lesson, in which the pretended lesson is formulated in words, but in which the whole suggestion is prurient. The whole purpose of the promoters is to make money out of stimulating lascivious ideas in those who otherwise might not be encouraged in them." This is the import of his timely warning, and in a personal letter to the Chairman of your Committee he condemns the unwise, unnecessary and impure publicity as "an outrage." Much of it smacks of a sensuous delight in immoral imaginings.

The question of proper and helpful publicity of matters of sex and vice is one of great delicacy and tremendous importance. Your Committee earnestly desires to impress upon the Church at large the need for more perfect understanding of the enormity of the social iniquities associated with transgression of the Seventh Commandment. It is understood, too, that a subject of this nature cannot be touched without a sensation of unpleasantness, somewhat like defilement. It is a task that must be performed, however, in spite of natural repugnance. One cannot toil in a blacksmith shop without having soiled hands. But there are some who come to the shop, and muss around in the iron and steel, whose hands become grimy and black, and all that they have done is to meddle where they had no proper business to be. Pastors and churches will do well to inquire most carefully concerning the probable motives and intentions of those who would handle such delicate questions, and assure themselves, if possible, of the ends that will be served.

It is understood, of course, in all that is said above, that

there is only commendation and high praise for every movement that would give constructive education to children, youths and parents, to enlarge their ideals concerning self and sex, and to safeguard them from evil. No word of warning here given should be construed as inimical to high-minded movements of this nature, or unsympathetic with the noble purposes they seek to serve.

Your Committee now comes to a definite consideration of the Church's part in the tremendous labor of overthrowing the powerful traffic in human bodies and all its many associated evils. All manner of agencies and efforts are being initiated to correct the social evil as it now exists and forestall its wider ravages in the future. The State recently has interposed, by legislative and judicial process. The medical profession has grown creditably active, and is doing its share to expose the physical perils existing. The educational world has become sensible of its particular responsibility. Even society has become alarmed, and agitation has been organized by women's clubs and various sociological groups. In all such activity, the Church should be the leader. Instead of that, she has always been strangely silent and negative. Aside from the interest and enterprise of a few individuals, she has let the problem go practically untouched, if not actually unrecognized. Has the time not come when the Church also should acknowledge her obligation at this point, and undertake an aggressive campaign against all forms of social impurity? What is there that the Church can do? Several very definite things:

1. The pulpit can set itself to the task of giving wise and suitable instruction upon the whole subject, by methods both loving and discreet. Its appeal to Christian parents should be definite and positive. Its warning to children, serious and persistent. Its elevation of the highest social standards, clear and commanding. Its attack upon the "White Slave" traffic, and all forms and methods of business contributing to it, outspoken and effective. Its attitude toward divorce, and all forms of prenatal sin, so pitifully common in our day, fearless and consistent. The pulpit, if it will, may be the most potent factor in the work of social reform.

2. The Church should enter upon a systematic training of its youth along these lines, undertaking through discreet, well-informed and sane persons, to acquaint them with those principles and perils connected with the social evils, which it is imperative that boys and girls, upon reaching a certain age, should know. Never should the Church allow this sacred task to fall into other hands.

3. The Church ought to make such effective use of her

disciplinary powers as to purge herself of the social sins of the times, warn offenders within her membership, and keep the social conscience of her people from becoming decadent.

4. The Church may also organize counter attractions and diversions, calculated to offset the influence of the dance-hall and other places of questionable amusement, and thus help to keep not only her youth, but large bodies of men and women, out of the path of this evil.

5. The springs that most abundantly feed the stream of the social evil may be located within our American home life, and it is there that the Church needs to do her most fundamental and determinative work. In the average home there is a woeful lack of moral training, criminal silence upon matters of supreme moment, surrender to luxury and pleasure-seeking, general indulgence that sooner or later must sweep the children into the vortex of lust, winking at the social lapses of people of wealth and standing, false modesty, infidelity to the obligations of the marriage vow, and virtual prostitution of the holy privileges of parenthood.

Not only should the Church speak out in the most positive tones against this trend of American domestic life, but by means direct and indirect, enter into and seek to shape the life of its homes. When our homes are more thoroughly imbued with the spirit of chastity, the social evil will find it difficult, if not impossible, to survive.

The following recommendations are presented to the General Assembly for adoption:

Resolved, 1. That the General Assembly earnestly brings to the attention of pastors and superintendents of Sabbath-schools the need for zealously guarding the children and young people under their care against improper relations, salacious literature, suggestive entertainment, and every other influence which may bring them into harmful contact with the perils and problems of sex; at the same time, giving careful and faithful instruction in every way possible, so as more completely to ensure the social safety of those in their charge.

Resolved, 2. That the General Assembly commends heartily to pastors that it be part of each year's program to have thorough and frank conference with the fathers and with the mothers, meeting separately, concerning the terrible activity of all forms of social vice and the need of incessant watchfulness in every home.

It is the conviction of your committee, that in every home the great fundamental truths of life should be told children in a spirit of earnestness and love, and in all seriousness and sympathy, to the end that the child will know and feel that

in the plan of the Creator: (1) motherhood is a sacred relationship; (2) fatherhood is a sacred relationship; and (3) the person is sacred to the future manhood or womanhood. The Creator's plan should be put before the child and youth on the plane of the ideal and the beautiful. Let all the teaching be positive and constructive.

Resolved, 3. That the General Assembly looks with deep appreciation and profound thanksgiving upon those groups of chivalric Christians in several of the American cities, who, in the name and the spirit of Jesus Christ, are making it the mission of their lives, by day, and especially by night, to seek out and to save those who are going to physical death and spiritual destruction, through this traffic in bodies and souls.

Resolved, 4. That the General Assembly affectionately recommends that pastors and churches take a stand unmistakably in opposition to every tendency in modern life which, directly or indirectly, increases the power of the social evil and makes it more difficult for virtue to be safeguarded and the integrity of the home to be preserved.

Resolved, 5. That the General Assembly gratefully recognizes the increase in the numbers of Juvenile Courts in the cities and towns of the United States, and the careful skill with which they are dealing with offenses affecting the sexual nature of the young.

Resolved, 6. That the General Assembly calls upon pastors and officers to demand more earnestly in every community the conviction and punishment of the men, as well as the women, in any way responsible for the business of public prostitution.

It is a man, and not a woman problem which is faced to-day—a traffic commercialized by men, supported by men, the supply of fresh victims furnished by men—"men who have lost that fine instinct of chivalry, and that splendid honor for womanhood, where the destruction of a woman's soul is abhorrent, and where the defense of a woman's purity is truly the occasion for a valiant fight."

Resolved, 7. That the General Assembly emphatically approves such city, state, and federal legislation as contemplates the complete and absolute eradication of all prostitution.

One thing to be insisted upon everywhere is "no toleration, no regulation, no recognition." To say aught else is to controvert every government and public body that has honestly studied the effects of compromise with vice. In this respect, science and government alike are powerful advocates of the Scriptural commandment.

Resolved, 8. That the General Assembly orders the further commitment of this entire subject to the special Committee on Christian Life and Work.

This report is submitted by your Committee, with the earnest prayer that God's Spirit may bring the message to the heart of His Church, for the completer solution of one of the gravest social and spiritual problems present in the world to-day.

he may be spared yet many years to continue his useful ministry to the Church and his loyal and devoted service to his Lord and Master.

The Standing Committee on Church Erection, through its Chairman, Rev. John McDowell, presented its Report, which was accepted, and, after addresses by Rev. David G. Wylie, D.D., Secretary of the Board, and Rev. Ford C. Ottman, D.D., was adopted. Resolution No. 5 was adopted unanimously by a full vote of the Assembly. The Report is as follows:

The Standing Committee on Church Erection presents the following Report:

First: We wish to commend the Board for its prompt and hearty compliance with the instructions of the last General Assembly, namely: To put into operation as soon as possible a constructive and progressive policy; this the Board has done, and is now working under this policy.

Second: We congratulate the Church and the Board on securing the services of the Rev. David G. Wylie, D.D., as Secretary of the Board. Dr. Wylie brings to the Board the very highest type of statesmanship and executive ability—backed by a record of genuine success, as the pastor, for twenty-three years, of one of New York's strongest and most influential churches. His election has won the endorsement of the entire Church, and insures a vigorous and effective administration of the work of this important Board. Your Committee wish to bespeak for Dr. Wylie the heartiest support in all of his purposes and plans. Great as may be his ability, and large as may be the confidence of the Church in him, he cannot increase the usefulness of this Board unless he has the whole-hearted support of the Church. Let us not tie his hands by limited means for work; let us not narrow his vision by any lack of willingness to follow him in the new constructive and progressive policy under which the Board is now operating.

Third: We wish here to express our sincere appreciation of the splendid service rendered to this Board by the Rev. Ford C. Ottman, D.D., during the period of transition. As temporary Secretary of the Board, Dr. Ottman initiated the policy of reconstruction, and carried it to a successful issue, and for so doing the Church at large, as well as the Board, are deeply indebted to him. Dr. Ottman undertook this work at the earnest solicitation of his fellow-members of the Board. His many years of service as a member of the Board, his familiarity with its work, and his knowledge of the plan and actions of the General Assembly, gave him a special equip-

ment for the work. The Committee takes pleasure in expressing to Dr. Ottman the gratitude of the Church, and the genuine appreciation of the Board, for his valuable service.

Fourth: Your Committee wishes also to bear its testimony to the effective service rendered the Board by its Field Secretary, Rev. Jesse C. Bruce, D.D. Under his wise methods, Dr. Bruce is recovering for the Church many of the grants which were made, in years past, that have not been paid to the Board. This work promises large things in the future for the Church, and your Committee wishes to commend the work very heartily.

Fifth: The work of the Board during the year has been marked by splendid vision and distinctive progress. From the tabulated statement, for the reflection of the presbyteries, issued during the year, we gather the following facts: The statement covering the fiscal year April 1, 1912, to April 1, 1913, shows the total amount contributed by each Presbytery to the Board, the number of churches contributing, the number not contributing, and the amounts drawn from the Board by each Presbytery during the year.

A brief summary of this statement shows that of the 10,001 churches recorded in the *Minutes* of the General Assembly, 5,190 contributed $65,238, while 4,811 contributed nothing. Of the 5,190 contributing churches, 669 made contributions of $1 each; of the 285 Presbyteries reporting, 156 Presbyteries received nothing from the Board, while the remaining 129 Presbyteries received from the Board appropriations amounting to $251,401, and in return contributed $25,236 to the Board.

The Board in its Report to the Assembly says: "It must be evident from this very startling exhibit that if the Board of the Church Erection Fund is to survive, not to mention the construction of a new and progressive policy, there must be an awakening of the conscience in the churches and Presbyteries that drain the Board's resources." It is a serious situation when *4,811* churches fail to make a contribution to the Board, and we express the hope that the Presbyteries will use their influence to secure this year a contribution of some amount from these non-contributing churches, for while it is true that many of these churches are small, it is also true that in many small congregations there are church members who would be willing to contribute some amount to assist in building new churches and manses if their attention were called to this need and privilege.

Sixth: Your Committee wish to call attention to some important features of the Board's policy at this time:

1. We commend very heartily the effort of the Board to secure the return of grants made to churches when they were weak and in need of such help as the Board could give, but are now strong and in financial condition to return to the Board the amounts once granted. It may be of interest to the Assembly to know that two millions of dollars have been made in grants which have not as yet been repaid to the Board. Doubtless it will not be possible for some of these grants ever to be paid, but where it is possible, we believe the Board should be encouraged in trying to recover them.

2. Your Committee approves very heartily of the Board's efforts to encourage churches to ask for loans instead of grants, wherever possible. The Board contemplates effective measures along this line. It does not desire to burden any church, but it feels that through the loan policy, rather than through the grant policy, it will be possible for the Board to serve more churches, and to serve them more effectively. Your Committee would like to urge upon the churches that they coöperate with the Board and urge the churches seeking help to ask for loans instead of grants, wherever possible.

3. We note with pleasure the emphasis which the Board puts upon the importance of endeavoring to secure a manse for every church needing one, and we trust that in this endeavor the Board will have the fullest possible support from all churches.

4. We approve again the broad and generous interpretation which the Board puts upon its function, and we hail with special delight the attitude of the Board towards the will of the General Assembly in all matters pertaining to its work. We cannot express the attitude of this Board better than in the words of the Report to the Assembly, which are as follows:

"The Board is in entire accord with the will of the Assembly in all matters, and it is prepared to execute, to the best of its ability, the policy desired and formulated by the Church. We are anxious to have all the churches feel that we are in deepest and heartiest sympathy with them in their desire to secure a proper equipment for their congregational activities. The Board is able to do its best and most effective work when conscious that it is in intimate and loving fellowship with all churches seeking its coöperation. We invite the fullest and freest confidence, and no church need to appeal to us in vain if it complies with the rules governing the Board administration, and if there is money in the treasury sufficient to meet the need."

Your Committee would like to call the attention of the churches to the fact that the rules governing the work of the Board are made by the General Assembly, and not by the

Board. Some churches have evidently forgotten this, and have drawn conclusions which have not been justified.

5. We commend very heartily the effort of the Board to protect all its interests in churches and in manses, and we ask that Presbyteries will make a special effort to inform the Board when churches are dissolved, so that the Board may have ample opportunity to protect its interests in such churches.

Seventh: Your Committee desire to submit the following recommendations:

1. That the election of the Rev. David G. Wylie, D.D., as Secretary of the Board, be approved and confirmed.

2. That the Minutes of the Board be approved, and that the Secretary be commended for the carefulness and accuracy of the records.

3. That the following members whose terms expire in 1914 be nominated for reëlection: *Ministers*—F. Boyd Edwards, Paul R. Hickok, Ford C. Ottman, D.D., J. Frank Smith, D.D., Newell Woolsey Wells; *Laymen*—William L. Strong, George R. Valentine; and that the following men be nominated for election to serve for a term of three years: Walter K. Belknap, Roy M. Hart, Henry C. Durrand.

4. That the Board be authorized to create a fund for the purchase of sites in strategic places.

5. That the Board coöperate with the Board of Education in making provision for Presbyterian students in university centres.

6. That the resolution adopted by the General Assembly of 1911, relating to the income derived from the Kennedy bequest, be reaffirmed; that the Board of the Church Erection Fund be, and hereby is, authorized and empowered to appropriate or apportion, at its discretion, any income from such Kennedy bequest, to any, or all, of the funds now carried on the books of the Board, and that the distribution of such appropriation be subject to the rules governing the particular fund to which the said appropriation is, or may be, made, and that any former action of the General Assembly, or any rule of the Board, in conflict with this action, be, and hereby is, rescinded.

7. That churches contemplating getting help from the Board be urged to confer with the Board before plans for building are adopted.

8. That, in view of the increased demands on the Board under this new policy, we hereby call upon all the churches to increase their gifts to this Board and their interest in its work.

On Overtures referred to this Committee, the following action is recommended:

That *Overtures** *Nos. 442* and *443* and *646*, relating to loans by the Board, be answered in the affirmative.

That on *Overtures Nos. 444* and *702*, relating to loans by the Board, no action be taken.

That *Overture No. 613*, relating to a church building at Memphis, Tenn., be referred to the Board, with instructions to give it careful consideration.

Respectfully submitted,

JOHN MCDOWELL, *Chairman.*

A Resolution on the reception of a minister by a Presbytery was referred to the Committee on Polity.

The Standing Committee on Correspondence, through its Chairman, Rev. S. Alfred Fulton, presented its Report, which was accepted. Pending its adoption, the Assembly was addressed by the Delegates whose names are given in the Report, and the Moderator made fitting response to their salutations. The Report reads:

The Standing Committee on Correspondence reports as follows:

There are present at this Assembly certain representatives of corresponding Churches, and general organizations, which we as Presbyterians hold in high esteem and in whose progress we greatly rejoice. Their names and their delegates are as follows:

The World's Alliance of the Reformed Churches holding the Presbyterian System: Rev. George B. Stewart, D.D., LL.D.

this Church to the General Convention of the Disciples of Christ, at Toronto, Can., October, 1913; and desires hereby to commend their fidelity.

S. Alfred Fulton, *Chairman.*

The Special Committee on Christian Life and Work presented the following Report on matters in their Report, referred back to them. The Report was adopted.

The Committee on Christian Life and Work had referred back to it Item 14, and recommends:

(1) That the Assembly adopt Resolution No. 1, on p. 142 of the Blue Book; consent to eliminate all that follows on Resolution No. 2, so taking no action on State legislation, and that the subject under No. 2 be referred to the Special Committee, to report to the next General Assembly.

(2) That all Presbyteries are hereby directed and required, by deliverance and by the most effectual means, to bring home to all Christian families the sacred duty and privilege of family instruction in sacred things, restoring the family altar in every Christian home with the sacred school of the mother's knee.

The Report was adopted as a whole.

The Resolution on the Docket concerning a Federal Divorce Law was taken up and adopted, as follows:

Resolved, That the Assembly places itself on record as in favor of a Federal Divorce Law.

The Committee on Polity was relieved from the consideration of two *Overtures* referred to it concerning Home Mission affairs in Arizona and New Mexico, and they were referred to the Executive Commission, to report at this Assembly.

The Assembly adjourned, and was closed with prayer.

THURSDAY, May 28, 8 o'clock P.M.

A Popular Meeting was held in the interest of Temperance, and addresses were delivered on the Liquor Traffic and Foreign Missions by Miss Marie C. Brehm, Rev. D. J. Fleming, Rev. G. S. McCune, Rev. W. H. Lingle, and Rev. W. C. Johnston.

FRIDAY, May 29, 9 o'clock A.M.

The Assembly met, and was opened with devotional services.

The Minutes of yesterday's sessions were read and approved.

The Executive Commission completed its Report, which was adopted; and is as follows:

The Executive Commission respectfully submits to the General Assembly its Sixth Annual Report. The subjects are presented in the order named below:

I. Meetings.
II. Members.
III. Board of Publication and Sabbath School Work.
IV. Board of the Church Erection Fund.
V. Union of the Board of Education and the College Board.
VI. Board of Ministerial Relief and Sustentation.
VII. The Woman's Board of Home Missions.
VIII. Finances of the General Assembly.
IX. Legal Matters Connected with Reunion.
X. Laymen on Ecclesiastical Committees.
XI. Moderator's Expenses.

XIV. Permanent Committee on Vacancy and Supply.
XV. The Budget, Special Causes.
XVI. The Budget of the Boards.
XVII. The Joint Executive Committee.
XVIII. The Fiscal Year.
XIX. Official Conference of the Boards and the Executive Commission.

I. Meetings.

The Executive Commission met during the sessions of the General Assembly at Atlanta, Ga., May 16 to 23, 1913, and the first meeting of the Commission, with a new Chairman and members, was held at Atlanta, May 23, 1913. Subsequent meetings were held at Atlantic City, N. J., September 22 and 23, 1913, and at New York, N. Y., February 17 and 18, 1914. The Commission is also in session at Chicago, Ill., and awaits the pleasure of the General Assembly.

II. Members.

The class of members whose term of service closes with this General Assembly is composed of the Rev. William P. Fulton, D.D., Rev. Joseph L. Weaver, D.D., Mr. Giles Kellogg, and Mr. C. J. Deacon, there being also a vacancy occasioned by the resignation of the Rev. John F. Carson, D.D. Dr. Carson resigned at the meeting, February 17, 1914, because he had accepted membership in the Board of the Church Erection Fund. There is also a vacancy to fill in the class 1912–1915, occasioned by the acceptance by the Rev. David G. Wylie, D.D., of the position of Corresponding Secretary of the Board of the Church Erection Fund.

The election is reported of Mr. James Yereance as a member of the class whose term of service expires in 1916. Mr. Yereance takes the place of Mr. John L. Severance, and the Assembly is requested to confirm this election for the full term.

The Executive Commission, in connection with the matter of membership, adopted the following at its sessions, February 18, 1914, to wit:

"It was ordered that it is the sense of the Executive Commission, that when a member of the Commission accepts membership on a Board of the Church, or accepts an election as secretary or other paid agent of a Board, his membership in the Executive Commission ceases automatically."

III. Board of Publication and Sabbath School Work.

The General Assembly of 1913 referred to the Executive Commission the following Resolution, being Resolution No. 3

of the Report of the Committee on Religious Education. It reads:

"3. That the Board of Publication and Sabbath School Work be the Assembly's Agency for the supervision of religious education within the particular church, with the following instructions:

(1) That the Board of Publication and Sabbath School Work organize a Department of Religious Education, with such officers and necessary clerical force, and with authority to employ such expert counsel and assistance, as it may from time to time deem necessary for the aggressive prosecution of this work.

(2) That the Board include under this department the educational work now under the Sunday-school, Young People's and Editorial Departments.

(3) That the Board be authorized to emphasize its educational function, and vigorously to promote the educational work of the churches after the most approved standards.

(4) That the Board be authorized and directed to make all readjustments, reorganization and renaming of its existing departments, necessary to the fullest and most vigorous carrying forward of this work."

The Secretary of the Board of Publication and Sabbath School Work, the Rev. Alexander Henry, D.D., appeared before the Commission, on May 22, 1913, at Atlanta, Ga., the Assembly being still in session, and the Commission took the following action upon the Resolution, namely:

"It was voted in connection with Resolution No. 3 of the Report of the Committee on Religious Education, referred to the Commission, that the Board of Publication and Sabbath School Work be allowed to continue to perform the work it is now doing, under the title of Department of Religious Education."

IV. The Board of the Church Erection Fund.

The Commission has had its attention drawn to the fact that the Board of the Church Erection Fund is not at present in a position to purchase lands in new fields where church edifices may be needed, and also to the fact that the purchase of lands in new communities or in the suburbs of growing cities, might be advantageous to the general interests of the Church. In many growing cities and towns it is certain that the securing of proper sites for churches would be a wise and economical provision for the future. The following Resolution is submitted, therefore, to the General Assembly for consideration and adoption:

Resolved, That the Board of the Church Erection Fund be, and is hereby, authorized to establish a Land Purchasing Department, and refers this matter jointly to the Board and to the Executive Commission, with power to proceed therein, report to be made to the next General Assembly.

V. Union of the Board of Education and the College Board.

The Commission desires to make clear the fact that it has had no relation, during the year, to the matter of the Union of the Board of Education and the College Board, but that the subject was referred to a Special Committee, by the General Assembly of 1913, as per action recorded on pages 190, 191. In order to make this matter clear, the Commission adopted, at its meeting in New York City, the following Resolution:

Resolved, That the Report of the Chairman to the Assembly should show that the whole matter of Christian Education was referred to a Special Committee, by the Assembly of 1913, and that, therefore, the Commission has taken no action as to the union of the Board of Education and the College Board, which was referred first to the Executive Commission, in 1911, by the Assembly.

VI. The Board of Ministerial Relief and Sustentation.

The General Assembly of 1913 adopted the following Resolution:

"*Resolved*, 10. That the Assembly directs the Executive Commission to coöperate with the Board, in securing from the Church such authentic information as will enable the Board accurately to state the average salary of ministers in our Church, and, further, directs the Executive Commission to coöperate with the Board in selecting a Committee of ten influential laymen in the Church, who will consent to serve upon an Advisory Council, to assist the Board in formulating and carrying out plans for raising the $10,000,000 endowment fund projected by the General Assembly." (*Minutes*, General Assembly, 1913, p. 81.)

The first part of the direction of the General Assembly, connected in the above Resolution, was taken up by the Executive Commission at its meeting, September 23, 1913, Rev. William Hiram Foulkes, D.D., Secretary of the Board of Relief and Sustentation, being present. The Commission requested and authorized the Stated Clerk of the General Assembly to aid the Board in securing the authentic information desired as to the average salary of ministers in the

Church. This work was undertaken by the Stated Clerk, and the cost of the same, for special clerical service and postage, amounting to $105, was paid by the Board of Relief. That Board will report in full to the Assembly upon the subject of Ministers' Salaries.

With reference to the matter of selecting ten influential laymen to coöperate with the Board in formulating and carrying out plans for raising the $10,000,000 endowment fund projected by the General Assembly, the Commission named three of its members to represent it in the matter. Upon this subject the Board of Relief will present its own report.

VII. Woman's Board of Home Missions.

The matter of the incorporation of the Woman's Board of Home Missions has been several times under consideration by the Commission, and it is recommended that the General Assembly authorize the incorporation of the Woman's Board, under the title of "The Woman's Home Mission Board of the Presbyterian Church in the United States of America." The order of the words in the title is important; the first word arresting attention and preventing confusion with the more general Board of Home Missions, while the second word will at once prevent confusion with any of the Women's Foreign Mission Boards. It is suggested that the incorporation take place under the laws of New Jersey. The following Resolution is submitted for adoption:

Resolved, That the General Assembly refer the matter of incorporating the Woman's Board of Home Missions to the Executive Commission, to confer with Board of Home Missions and the Woman's Board; and that after the conference, if the way be clear, the Executive Commission be empowered to proceed with the incorporation.

VIII. The Finances of the General Assembly.

The Executive Commission herewith submits the Budget for the expenses of the General Assembly for 1914–15, as prepared by the Stated Clerk, and approved by the Finance Committee. Attention is called to the following explanations:

1. The salaries of the Stated Clerk, Permanent Clerk and Assistant Clerk have been fixed by the Assembly.

2. The amount recommended for the Executive Commission covers the expenses of the regular meetings of the Commission, also the expenses of its sub-committees, and is within the last year's appropriation. Its amount is $3,950.86. The Commission emphasizes this fact in view of misunderstandings in certain quarters.

3. The mileage expenses of Commissioners for the meeting of the General Assembly of 1914 are estimated at $43,000, but this year the action of some of the Railroad Passenger Associations may increase the traveling expenses to a considerable extent. The estimate submitted for the cost of entertainment, $18,000, is based upon the rate of $2.00 per day, which for several years has been the allowance to Commissioners.

4. The Budget provides $3,500 for the expenses of the special committees, which it is believed will be sufficient.

5. The special appropriations approved are the same as those for previous years. The Assembly having officially entered into coöperative relations with the Churches of the Presbyterian family, both in the United States and throughout the world, and with the Evangelical Churches in the United States, has provided annually its proportionate share of the expenses of the maintenance of the organizations connected with these relations, viz.: the General Council of the World Presbyterian Alliance, the Council of the Reformed Churches in America, and the Federal Council of the Churches of Christ in America.

6. The provision for legal expenses, $2,000, may be too small, in view of certain claims as yet unsettled, and dealt with in another part of this Report.

7. The expenses of the Permanent Committee on Vacancy and Supply appear in this Budget for the first time. A full statement as to the finances of this Committee appears under the head of Vacancy and Supply.

8. The Finance Committee has performed its duties as stated in the Financial Plan of the General Assembly, and the accounts have been duly audited.

(2) Change paragraph (4) by inserting a new section, to read as follows: "(*c*) To approve by resolution the representatives designated by the Stated Clerk and by the chairman of the Finance Committee to sign vouchers, should the need arise, and to authorize and empower said representatives to perform such other duties as may be deemed advisable."

IX. Legal Matters Connected with Reunion.

The Executive Commission received reports at both its meetings during the year from the Committee on Legal Matters connected with the Reunion of 1906, and approved of the following items of business submitted to it by the Committee:

1. The provision made for the employment of John M. Gaut, Esq., as General Counsel, for the period ending December 1, 1913, and if necessary for a further period. The Legal Committee, however, having received discretion in this matter, and finding that there was no need for the continuance of Mr. Gaut's services beyond December 1, 1913, and having received his full consent, terminated his relationship as General Counsel, with the understanding that he could still be retained by the Committee for such special professional services as may be necessary. The accounts of Mr. Gaut have been settled in full.

2. The suits initiated during the year are reported upon by the Legal Committee, and such action as is recommended

therein, under arrangements heretofore made by the Assembly, will be subject as to final settlement to the joint action of the Legal Committee and the Executive Commission.

At the meeting of the Commission in February, 1914, the Committee on Legal Matters reported upon the expenses of the litigation in the Federal Court at Kansas City, Mo., affecting the title to certain church properties in Missouri, and showing that a claim had been made by Frank Hagerman, Esq., counsel in the case of Barkley *vs.* Hayes, in a large sum for fees and expenses. A previous bill in this case was paid, by authority of the Commission, of $1,514.19, including a retainer of $1,000, paid to Mr. Hagerman by a representative of the Missouri brethren. While the Executive Commission consented to this latter payment, it distinctly stated in its action that "in making the appropriation the Commission retains its discretion to act upon future claims, in connection with the suit, as they may be presented." The bill as it is submitted to the Legal Committee, names three cases, in which Mr. Hagerman served as counsel, namely, (*a*) Boyles *vs.* Roberts, known as the Warrensburg case; (*b*) Barkley *vs.* Hayes; (*c*) Synod of Kansas *vs.* Missouri Valley College. The only one of these cases for which Mr. Hagerman was directly engaged, with the approval of the Executive Commission, was that of Barkley *vs.* Hayes; and in this case it was understood from the beginning that there was no financial obligation upon either the Executive Commission or the Legal Committee. The Legal Committee having asked the opinion of the Commission in the matter, and the Commission learning that the decision in the Federal Court at Kansas City, given in November, 1913, is subject to appeal, with a time limit of six months, recommends that developments be awaited, and that the matter be entrusted for consideration and settlement jointly to the Executive Commission and the Committee on Legal Matters connected with Reunion, report to be made in due time to the General Assembly.

The Executive Commission joins with the Legal Committee in recommending to the General Assembly, that all authority to employ counsel in any legal matters pertaining to the Cumberland reunion, for the expense of which the General Assembly shall be held accountable, shall be left exclusively to the Legal Committee, and all authority previously and otherwise given is hereby revoked.

X. Laymen on Ecclesiastical Committees.

The General Assembly of 1913 referred to the Executive Commission for consideration and report to the next General

Assembly the following request which had been submitted to the Committee on Christian Life and Work by members of different ecclesiastical organizations, viz.:

"Does communicant membership in the Presbyterian Church in the U. S. A. constitute eligibility for service upon committees appointed by ecclesiastical bodies, or must such committees be composed exclusively of ministers and ruling elders?" (*Minutes*, 1913, p. 298.)

This question has been answered very definitely concerning the ordained officer of the church, whether or not in active service, by the General Assembly of 1896, when in answer to Overture No. 58 from the Presbytery of Cincinnati, it was decided that:

"A Presbytery may not place unordained men on its standing or permanent committees." (*Minutes*, General Assembly, 1896, p. 145.)

The principle here announced is unmistakable and final as to our superior ecclesiastical bodies. The limitation mentioned in the question might seem to imply that such appointment of unordained men might be proper in the case of special committees. It is undoubtedly true that the Church loses much valuable service, in special instances, that might be rendered by unordained men. It is in the power of an ecclesiastical body to *request* such individual service on an extraordinary occasion. But such service if encouraged might very readily lead to confusion and harmful laxity of administration. The constituent elements of these higher ecclesiastical bodies are ordained men. The relation is distinct, the authority necessary and recognized, and the work is official administration. While the ecclesiastical organization in the Presbyterian Church, therefore, may on occasion request service from it cannot appoint the unordained man to the work of constitutional administration.

The question submitted to the Commission, however, has practical relations to the Sessions of the churches, as well as to the higher judicatories. Comprehensively in answer to the question submitted, the conclusions reached as to all the judicatories of the Church and as to the agencies of the Assembly are:

1. That the Church Session may appoint communicant members upon committees of the congregation.
2. That Presbyteries, Synods and the General Assembly can appoint only ordained men on Committees.
3. That on the Boards of the General Assembly, when permitted by law, unordained men who are communicants may be appointed.

XI. Moderator's Expenses.

This subject has been under repeated consideration by the Executive Commission, and was referred to a special committee which communicated with all the living Moderators on the subject. Report was made by it to the Commission in February, 1914, and as a result the Commission is of the opinion that a moderate provision should be made for the necessary expenses of the Moderator from year to year. While it is entirely proper that the visits of the Moderator to communities, institutions and churches should be provided for by the persons and bodies inviting him or requesting his services, yet it is also true that the Assembly owes it to the Church at large to place the Moderator in a position where he will be free from needless embarrassment as to expenses. In the interests of equity, therefore, the following recommendations are presented to the General Assembly:

(1) That the maximum contribution of the General Assembly to the Moderator's itinerary should be $500 per annum.

(2) That the expense of his visits in the interest of any Board, institution, church or community, should be met by those inviting him.

XII. The Committee on Supplies.

The General Assembly of 1913 authorized the appointment of a Committee on Supplies, its action in the matter reading as follows:

"(1) That a Committee on Supplies be appointed, consisting of three persons:

(*a*) A representative from the Executive Commission.

(*b*) A representative from the Boards and Agencies of the Church.

(*c*) A business man from the membership of the Church."

"The Committee shall be appointed by the Executive Commission at its first meeting following the meeting of the General Assembly, and shall be subject to the control of the Executive Commission. It shall have the responsibility of determining the prices and purchases of all office supplies for all the Boards and Agencies of the Church, and for the office of the Stated Clerk of the Assembly. This Committee shall be authorized to employ a purchasing agent at an annual salary of not more than $3,000, to be paid by the respective Boards and Agencies in a proportion determined by this Committee." (*Minutes*, General Assembly, 1913, p. 195.)

On this Committee the representative for the Executive

Commission was the Rev. D. G. Wylie, D.D.; for the Boards and Agencies of the Church, Mr. Henry F. Scheetz; and for the Church at large, Mr. James Yereance.

The Committee has had several extended conferences with the Treasurers and other officers of the Boards, and made a personal investigation of the practice and methods followed by the various Boards in the purchase of supplies. It reports first of all that it is a misapprehension to suppose that hitherto there has been waste and loss in the purchase of supplies by the different Boards and Agencies, or that loose methods have been followed in handling this important work. On the other hand, it is found that each of the Boards and Agencies has followed out the plan of securing competitive bids on both printing and supplies, and that the prices paid for work and materials have been low and reasonable.

It is a pleasure to state that the officers of the Assembly and the Boards entered heartily into the conferences held, and equally with your Committee realized that economy, efficiency and promptness could be better secured by standardizing the purchases than if a purchasing agent were appointed.

As a result of the conferences, the following arrangements have been made:

(1) The combined purchase of the same grade of paper for the printing of the *Minutes* and the annual Reports of the Boards; secured by contract with the manufacturer and representing a saving to the Boards of the Church of from five to ten per cent.

(2) In the purchase of the various items under the head of stationery, a contract has been made with a large supply house to furnish each of the Boards such material as they may need at special wholesale prices, representing a saving of fully twenty-five per cent.

(3) A similar arrangement has been made with one of the leading typewriter companies to sell to the Boards, under the coupon system, carbon paper and ribbons at a special rate, representing, in some cases, a saving of over fifty per cent.

(4) A special contract has also been made with one of the foremost typewriting manufacturing concerns for the purchasing of typewriters at a special discount, besides insuring to the Assembly and its Boards the care of machines without additional cost.

(5) Estimates are now secured by the Assembly and its Boards from different printers for various items of work, and contracts are awarded to the best-known and most reliable concerns at the lowest prices.

(6) In the purchase of letter paper, envelopes, and other

like material, plans are being formulated for a combination and standardization that will be not only more economical, but an improvement in the character of the materials used.

In view of all these considerations, as before stated, the Committee deems it unwise to go to the expense of employing a purchasing agent. If the plans suggested are carefully carried out, his services will not be necessary.

The Executive Commission recommends that the Committee on Supplies be continued, under the supervision of the Executive Commission, that the report submitted be approved, and that the thanks of the Assembly be tendered to the members of the Committee, in particular to Mr. Henry F. Scheetz.

The Executive Commission recommends that the sum of $500 be paid Mr. Henry F. Scheetz, as an honorarium, in consideration of service already rendered and service that he shall continue to render during the current year 1914–15; that this amount be provided by apportioning the same equitably among the nine Boards and Stated Clerk's office, apportionment to be made by the Stated Clerk.

XIII. General Treasurer.

The Executive Commission has given consideration during the year to the subject of a General Treasurer for all the Boards, through a Committee. It has not been feasible, however, thus far, to formulate a plan of operations, of a satisfactory character, and the Commission requests that the subject be again referred to it, report to be made to the next General Assembly.

XIV. Vacancy and Supply.

The plan of organization of the Permanent Committee on Vacancy and Supply, established in 1912, and adopted by the General Assembly, meeting in May of that year, contains certain features which, in the opinion of the Commission, need to be restated:

1. "Nominations for membership in this Committee for the present year (1912) shall be made by the Committee on Bills and Overtures, and after the present year shall be referred to the Standing Committee of the General Assembly on Christian Life and Work. No more than three members shall be from any one Synod."

2. "The Corresponding Secretary shall be chosen outside the membership of the Committee, and shall be the only salaried officer. His appointment must have the confirmation of the Executive Commission."

3. "The expenses of organizing the work of the Permanent

Committee shall be met by the General Assembly, and shall not exceed $1000. The expenses of management by the Permanent Committee, when the work has been organized, shall be determined by the Executive Commission, both as to amount and as to the method of securing moneys." (*Minutes*, 1912, pp. 189, 190.)

The election of the Rev. Walter H. Houston, Columbus, Ohio, as Corresponding Secretary, was reported to the General Assembly of 1913. As also the matter of the action taken by the Executive Commission with a view to providing for the expenses of the Permanent Committee for the fiscal year ending March 31, 1913. It is with the matter of the expenses of the Permanent Committee on Vacancy and Supply for 1913–14, that the Executive Commission has taken action during the past year.

The financial situation as to this Committee is as follows:

The Presbyteries were requested to contribute for the fiscal year ending March 31, 1913, the sum of one-quarter cent per communicant, and for the fiscal year ending March 31, 1914, the Assembly asked that they contribute one-half cent per communicant. The results thus far of these requests have been as follows :

For the ecclesiastical year 1912–13, ending March 31, the receipts were, from an Assembly appropriation, $1,000; from contributions of Presbyteries, $600.58, making a total of $1,600.58. The payments during the same fiscal year were $1,268.62, leaving a balance of $331.96 for the Committee.

During the present ecclesiastical year, ending March 31, 1914, the account is as follows: Balance from the previous year, $331.96; moneys paid by the Presbyteries, $1,685.91, making a total of $2,017.87. The payments, up to March 31, 1914, amounted to $4,063.73, leaving a deficit of $2,045.86.

At its meeting in Atlantic City in September the Executive Commission voted to pay from the funds of the Assembly $200 per month towards the expenses of the Committee on Vacancy and Supply, the same to be repaid from the amounts to be received from the Presbyteries. At the meeting of the Commission in New York City, February, 1914, an additional $250 per month was voted from December 1, 1913, to the close of the fiscal year, March 31, 1914, with the same conditions as the earlier vote. In view of the financial situation as stated above, and in view also of the fact that a considerable number of Presbyteries had informed the Stated Clerk of the Assembly that they would decline to pay the apportionment of one-half cent per communicant towards the expenses of the Committee, a letter was sent out in the name of the Executive Commission kindly urging their coöperation.

At present writing, the Commission is not informed as to the actual number of Presbyteries declining to contribute towards the expenses of the Committee, but is assured that a majority have contributed. The Commission has placed in the Budget of the General Assembly for the year ending March 31, 1914, the sum of $6,000, as an appropriation for this Committee. It estimates that the receipts will be at least $5,000.

The Commission draws the special attention of the Assembly to the fact that the Committee on Vacancy and Supply is a Permanent and not a Special Committee of the General Assembly. The Assembly does not, as a rule, make any appropriations for the expenses of the Boards or of other Permanent Agencies of the Church. While, however, the Committee on Vacancy and Supply is a Permanent Agency, the Commission has felt that it had to do with a matter of administration closely related to the organization and powers of the Presbyteries; and that instead of leaving the support of this Permanent Committee to voluntary offerings, through church collections and by individual gifts, that it was entirely reasonable to request the Presbyteries to provide annually for the same. The Commission feels that it is the best method of providing for the expenses, and submits a recommendation to that effect. In this connection, further, it is to be noted that while certain of the larger Presbyteries may not need, to any considerable extent, the services of the Permanent Committee, that, nevertheless, the work entrusted to it is a work affecting the Church in its entirety, and that the outcome, if success should crown the present effort, would be to the advantage of the whole denomination. It is to be hoped that the welfare of the Church as a whole will lead all the Presbyteries, during the present year, to contribute to the expenses of this Committee. The following recommendations are submitted:

Resolved, 1. That the Assembly approves the action of the Executive Commission in the methods which it has followed in endeavoring to secure the expenses of the Permanent Committee on Vacancy and Supply, and continues the Executive Commission in its supervision of the matter.

Resolved, 2. That the General Assembly earnestly requests the Presbyteries which have not contributed towards the expenses of the Permanent Committee on Vacancy and Supply, so to do, thus uniting with the majority of the Presbyteries in a common effort to solve the long-time problem of Vacancy and Supply.

Resolved, 3. That the Mileage Committee be and is hereby directed to add one-half cent per communicant to the appor-

tionments to be voted by this Assembly for the Budget of the Assembly for the year ending March 31, 1915.

XV. The Budget, Special Causes.

The Commission received, at both its meetings, requests for the inclusion in the Budget of the Boards, of the American Bible Society. While appreciating greatly the work which the American Bible Society has accomplished and is accomplishing for the Church, and while congratulating the Society upon the approach of the one hundredth anniversary of its establishment, which is to be celebrated in 1916, the Commission feels that it cannot do more than has been already done, namely, to recommend that the Assembly again call the attention of the Sessions of the churches to the provision made by the joint action of the Boards and the Executive Commission, that in adopting a definite budget scheme for sustaining the work of said Boards that "other causes than those indicated in the Budget Scheme can be dealt with by the Session at its discretion." The Commission also received a request for a place on the Budget from the Presbyterian Brotherhood, and that the Brotherhood be recommended to the churches in a manner similar to the foregoing action, with reference to the American Bible Society. It is also understood, that similar action, taken last year for the Committee on Evangelistic Work is renewed for the present year for the Permanent Committee on Evangelism.

XVI. The Budget of the Boards.

The Executive Commission gave careful attention to the matter of the Budget of the Missionary and Benevolent Boards for the year ending March 31, 1915. The subject was taken up by the Budget Committee, considered separately as to each Board, and a general conference was held between the Budget Committee and representatives of the Boards in New York City, in January, 1914. The matter was also under consideration at the meeting of the Commission in New York, in February, 1914. As a result of the correspondence and consultations had, the Commission adopted a tentative Budget, which is herewith submitted to the Assembly for consideration and approval. Further, in view of the fact that it was decided not to attempt the allocation of the Budget to the Presbyteries, respectively, the Commission directed that a letter containing the Budget should be sent to the Presbyteries with certain explanations. This letter, the Budget included, is herewith submitted in full.

TENTATIVE BUDGET FOR THE BOARDS FOR THE YEAR ENDING MARCH 31, 1915.

PHILADELPHIA, PA., February 28, 1914.

To the Stated Clerk of Presbytery:

DEAR BROTHER:—The Executive Commission, at its meeting, February 18, 1914, in New York City, adopted a tentative Budget for the Boards of the Church for the fiscal year 1914-15, to be recommended to the General Assembly for approval.

The Budget to be recommended is as follows:

Home Missions	Board	$425,000	
	Woman's Board	500,000	
	Synodical and Presbyterial	615,000	
			$1,540,000
Foreign Missions	Board	$1,150,000	
	Women's Board	600,000	
			1,750,000
Freedmen's Missions	Board	$105,000	
	Woman's Board	90,000	
			195,000
Education			125,000
Colleges			170,000
Church Erection			110,000
Publication and Sabbath School Work			190,000
Ministerial Relief and Sustentation			150,000
Temperance			45,000
Total Budget			$4,275,000

Furthermore, the Executive Commission decided to recommend that the plan, heretofore followed, of apportioning the Budget among the several Presbyteries be discontinued. This conclusion was reached after careful consideration of the advantages and disadvantages of the Budget-Apportionment Plan, and its discontinuance is unanimously approved by the Joint Conference of the Executive Commission and the Boards of the Church.

In view of the foregoing action, the following are offered merely as suggestions:

(1) Make known to the Churches of your Presbytery the total Budget, the amount asked for each Board, and request *each church to do its best, its full share* toward raising the entire Budget.

(2) Urge and keep on urging the "Every-Member Canvass," so as to enlist the entire membership of the Church to contribute weekly for the support of the whole missionary and benevolent work of the Church.

(3) Emphasize information. Educate. Cause the people to know what their gifts are accomplishing in the field and what yet remains to be accomplished.

(4) Approach the ideal "as much for benevolence as for current expenses." Set forth the possibility of each Church attaining thereunto.

(5) Counsel and advise all the Churches that they "Go forward" and "Abound" in the grace of liberality, bringing all the tithes into the storehouse, that the windows of heaven may be opened and a blessing poured out that there shall not be room enough to receive it.

As Stated Clerk you are requested to submit this communication at the next meeting of your Presbytery, and to hand the extra copies enclosed at once to the Commission or the Committee in charge of the Budget.

Yours in the Master's service,

Signed by order of the Executive Commission

JOHN TIMOTHY STONE,
Moderator.
WILLIAM H. ROBERTS,
Stated Clerk.
WILLIAM P. FULTON,
Chairman Budget Committee.

The Executive Commission recommends the adoption of the Budget as submitted, and that it be transmitted to the Boards and the Joint Executive Committee by the Stated Clerk.

An Overture from the Presbytery of Mankato, relating to the allocation of the Budget, was referred to the Commission.

The conclusion of the Executive Commission not to allocate the Budget was reached after careful consideration of the advantages and disadvantages of the Budget apportionment plan, and its discontinuance was unanimously approved by the joint conference of the Executive Commission and Boards of the Church. The Executive Commission suggests that the Presbyteries make known to the churches, in a total Budget, the amount asked for each Board, and request each church to do its full share towards raising the entire Budget.

We recommend the above as an answer to the Overture.

Percentages of Contributions.

In reference to percentages, the Executive Commission recommends, first, that the General Assembly approve the action of the joint conferences of the Executive Commission and Boards, which is as follows:

Resolved, 1. It is the opinion of the joint conference of the Executive Commission and Boards of the Church that no percentage basis be named for the distribution of offerings to the several Boards and permanent agencies. This action is taken with a view to stimulate individual and congregational initiative and intelligence in giving; and, furthermore, the Boards, the joint Executive Committee and others are instructed to urge Synodical and Presbyterial committees, pastors and Sessions, congregations and individuals to specify the causes to which they wish their gifts and offerings applied.

Resolved, 2. In the matter of undivided gifts that are sent to the treasurers of the different Boards, that the treasurers be instructed to apportion the said undivided gifts according to a percentage to be agreed upon by the conference of the Executive Commission with the representatives of the Boards, and that the General Assembly be requested to authorize the said conference to determine the percentage of undivided offerings to go to each Board.

XVII. The Joint Executive Committee.

(*1*) *Appointment, etc.*

This Committee was established by the General Assembly of 1911. Attention is drawn in this Report to certain of the

acts concerning the Committee, adopted by that and other Assemblies, as follows:

1. *Nature.*—The Joint Executive Committee is the agent of the official Conference of the representatives of the Boards and of the Executive Commission, which meets at least once a year.

2. *Membership.*—The Committee is composed of six members, the Chairman being the Moderator of the Assembly, and with him two members representing the Budget Committee of the Executive Commission, and three members representing the Boards; one from the Foreign Board, one from the Home Board, and one from the other Boards.

3. *Purposes.*—The purposes to be kept in view are: first, the efficient prosecution of efforts to commend the adoption of an every-member-weekly-pledge system of securing benevolent offerings from the churches, and to extend such aid as may be desired and practicable to pastors and church officers who wish to have the system inaugurated; second, to promote the realization of the appropriations annually made by the General Assembly and apportioned to the Presbyteries, by such methods as have heretofore been effective and by such other methods as, in the judgment of the Executive Committee, may give promise of effectiveness; and, third, to promote, as far as may be possible, a spirit of the broadest missionary interest, and of such consecrated and courageous giving as shall enable the Church to meet its full missionary duty at home and abroad. (*Manual of the Assembly*, pp. 40 and 41.)

4. *Reports.*—"The Assembly authorizes and directs said Joint Executive Committee to make a full and complete report of all its proceedings and work to the Joint Conference of the Boards and the Executive Commission, at a meeting to be held before each General Assembly, and that the Joint Conference submit a full report of its proceedings and work, including that of the Joint Executive Committee, to the Executive Commission, and that the Executive Commission include this in its Report to the General Assembly for its approval." (*Manual of the Assembly*, p. 42.)

5. *Terms of Service.*—"The representatives of the Boards assume their duties on the 1st of April each year, and the representatives of the Executive Commission on the second Friday of the Assembly's sessions." (*Manual of the Assembly*, p. 42*b*.)

6. *Executive Force.*—The General Assembly of 1913 authorized the Joint Executive Committee "to employ an Executive Secretary, and such clerical assistance as may be necessary during the fiscal year 1913–14."

This matter of an effective executive force was brought up at the official Conference of the Boards and the Executive Commission, on September 23, 1913, and the following action was taken by the Conference:

"In view of the need of an effective executive force, and in an effort to secure the general introduction to the new plan of systematic and proportionate giving, within the next three years, the Committee be authorized to use three secretaries, to be nominated, one by the Board of Home Missions, one by the Board of Foreign Missions, and one by the other Boards, subject to the approval of the Joint Executive Committee and on the understanding that there shall be no expense to the Church."

The Reports of the Joint Executive Committee, as made to the Executive Commission, in February and in May, 1914, are herewith submitted. The two have been coördinated as ordered by the Assembly.

(2) *Report of the Joint Executive Committee.*

The Joint Executive Committee respectfully presents its Third Annual Report to the General Assembly under the heads indicated below:

I. MEETINGS.—The Committee has met twice a month during most of the year, three of the meetings being in New York, two in Chicago, four in Philadelphia, one in Atlantic City, one in Princeton and one in Pittsburgh. At each a large amount of business was speedily and thoroughly handled under the skillful guidance of Moderator Stone, who came regularly from his home in Chicago to all the meetings, except the first. The Minutes of four of these meetings were kept and engrossed by the Rev. George R. Brauer, whose services for the purpose were kindly provided by the College Board. After each meeting copies of the Minutes were furnished to each member and representative of the Committee, and to each of the nine Boards.

II. PERSONNEL.—The Executive Commission is represented on the Joint Executive Committee by three of its members—Rev. Dr. John Timothy Stone, Moderator, and Rev. Drs. John F. Carson and William P. Fulton, of the Budget Committee.

The Boards are represented by Rev. Drs. Joseph W. Cochran and A. Woodruff Halsey, with Mr. Joseph E. McAfee.

The Committee is represented in its work by Dr. Moses Breeze, Dr. John B. Hill, Mr. David McConaughy, Rev. A. F. McGarrah, and by the manager of its Auburn office, Mr. James W. Burroughs.

A representative of the College Board, Rev. George R. Brauer, has been appointed to act as Recording Secretary, and a representative of the Board of Foreign Missions, Rev. Dr. A. W. Halsey, to act as Treasurer. The Foreign Board has kindly also allowed the Committee to use its purchasing agent in securing any needed supplies at most favorable rates. In addition, the correspondence office has had the services of three stenographers; and the Auburn office of three assistants, and other help as needed.

The Committee has been further represented, often most efficiently by what have been called the Presbyterian United Movement Correspondents, selected, at the Chicago Conference and later, to visit Presbyteries and Synods, and to assist in correspondence and in Conferences.

III. Offices and Equipment.—The Committee maintains two offices:

(1) *The Auburn office*, or supply office, is a well-equipped printing plant, given to the Committee by Mrs. William H. Hubbard in accordance with the wishes of her husband, who died one year ago. Mrs. Hubbard also furnishes rent free the large building in which the office is located. The Committee is to be congratulated upon the manager of its Auburn office, Mr. Burroughs, who is not only a competent printer, but also diligent, tactful and enthusiastic in all work committed to him. He is specially successful in handling the double-pocket envelope press, whose profits, if it could be kept running at other seasons than near the end of the Church year, would soon pay much more than the expenses of the Auburn office, including the issuance of the Combined Report of the Contributions of all the churches to all the Boards.

(2) A *correspondence office* was opened in October, 1913, in Rooms 910½, 911 and 915, Presbyterian Building, 156 Fifth Avenue, New York, N. Y., and placed in charge of Representatives David McConaughy and John B. Hill.

This office has been gradually furnished with all necessary equipment for general correspondence, filing, cataloguing and indexing, and for the distribution of such orders for literature as are not sent to the supply office in Auburn.

IV. Work Done.—The central factor in all the operations of the Committee is, of course, the Correspondence Office. This office has had a large and varied work, including:

(1) *Correspondence* concerning everything done by the Committee. The volume of correspondence done has been sufficient to have engaged the full time of all parties connected with the Office.

(2) *Editorial Work.*—When the Correspondence Office was opened in October, the Committee was in the midst of a

campaign necessarily requiring a great variety and volume of literature, all of which had still to be prepared and issued. Most of the work of preparation had to be done by Representatives David McConaughy and Alfred F. McGarrah, each crowded with other work; and more or less edited, and then put through the press by Representative John B. Hill.

The same three representatives gave what time they could to the preparation and insertion of the series of ten advertisements of the Presbyterian United Movement now running in Presbyterian weeklies.

Members of the Joint Executive Committee secured a series of valuable contributions from prominent men in our own and other denominations, bearing upon all phases of the work of the Presbyterian United Movement. These were likewise edited by the Correspondence Office and distributed to the religious papers for publication.

The January issue of the *Assembly Herald* was a special number devoted to the Presbyterian United Movement, and 30,000 extra copies were sold at five cents each.

(3) *Gathering and Classification of Information.*—Several sets of form letters have been prepared and sent out to Stated Clerks of Presbyteries, chairmen of United Committees, pastors, Presbyterian United Movement Correspondents, and others, which have brought to the Correspondence Office, and somewhat also to the Supply Office, a vast amount of information which has been filed, and will be otherwise used and prepared for further use.

If the work grows as expected, additional assistance will be needed in this department, particularly if the information is to be made available by the use of the addressograph, and otherwise, for all the Boards, and if the multiplication of questionaires is to be prevented.

The experience of your Representatives proves that the whole Church (with insignificant exceptions) is becoming interested in the Presbyterian United Movement and is willing to coöperate with the Joint Executive Committee; provided, it can be shown the Church machinery is not increased, but is rather decreased by the existence and work of the Committee.

Nobody likes to answer questionaires, but nearly all seem willing to answer questionaires that come from a central agency that makes a few definite and reasonable inquiries, and thereafter makes a real use of them itself or furnishes the other Agencies the information thus obtained.

(4) *Field Work.*—The duties of the four representatives of the Committee are not defined except in the following Minute (October 1, 1913):

"It was agreed that Mr. McConaughy should work in the East; that Mr. McGarrah attend to the Middle West and Southwest; that Dr. Breeze take the Northwest, and that Dr. Hill be at headquarters and share in the field work in the East."

The first two mentioned above have been continually in the field. Mr. McGarrah has covered a wide territory, part of the time in the East. Dr. Breeze has been most of the time in the Dakotas and in Colorado, partly in connection with the filling of assignments previously made by the Home Mission Council. Mr. McConaughy has completed the United Missionary Campaign, previously arranged in New Jersey and New York, and has held conferences in portions of Pennsylvania and New York in the interests of the Presbyterian United Movement. Dr. Hill has been almost exclusively occupied in the office, with the exception of three visits in New York and New Jersey.

This distribution of territory among the Representatives, as noted above, is elastic enough to allow the Representatives to cover almost the whole country, if they were physically able to do so; but it naturally suggests that there are large portions of our country for which no adequate field work has so far been planned by the Joint Executive Committee.

Many of the Presbyterian United Movement Correspondents, appointed at the Chicago Conference, did good work in visiting Presbyteries and Synods in the fall. A few of them have since been helpful in field and correspondence work, notably the Rev. U. L. Mackey in New York and the Rev. Charles L. Zorbaugh, D.D., in Ohio.

There has been a call from many other parts of the Church for the services of field men, who could not be provided. It is not the policy of the Committee to multiply its representatives beyond what is absolutely necessary to afford the cooperation required by the several Synods, in order to make the Every-member Plan thoroughly effective in each church within these bounds. It is hoped and expected that several of the stronger Synods at least will provide their own agency for carrying on the Plan in some such way as is being done so ably in Illinois with an employed Superintendent of Benevolences, or in New York through the Home Missions Superintendent.

(5) *Publications and Supplies.*—The necessity of providing ammunition for the Campaign was met at the very outset. A series of four Manuals was first prepared: (1) For Presbyterial and Synodical Committees and Workers; (2) For Pastors and Church Officers; (3) For Church United Committees, and (4) For Use of Canvassers Carrying Out the

Every-member Plan. Supplies, such as Subscription Forms, Envelopes, Quarterly Statements, Greeting to New Members, Treasurer's Record Sheets, etc., were revised and issued. Inspirational pamphlets—"The World Task of the Presbyterian Church," "Unity, Strength, Efficiency," "Your Own or Another's?" and "It Works"—were published. The Auburn office has issued thousands of copies of the following:

Four Manuals,
Six Leaflets,
Price Lists,
Double-pocket Envelopes,
Self-addressed Envelopes,
Order Sheets,
Pledge Cards,
Reminder Cards,
Quarterly Statements,
Literature Envelopes,
Record Sheets,
Remittance Forms,
Mailing Slips,
Letterheads,
Return-card Envelopes,
Scratch Pads.

Since September, the envelope machine and presses at Auburn have run at high pressure. During part of the time it has been necessary to work day and night, with relays. In five months, the output of weekly offering envelopes amounted to no less than 135,000 cartons (sets of 52 each), aggregating more than seven million envelopes, as compared with 2,608,000 during the whole twelve months of the preceding year. Of our churches, 1,300 have ordered envelopes from our own Supply Office. Many others have yet to discover that they can be gotten cheaper there than elsewhere. At the same time, a half million subscription blanks were called for, and more than a half million copies of the Manuals and other publications.

For the purpose of awakening and directing the mind of the Church generally, in preparation for the Every-member Canvass, a series of ten full-page or half-page advertisements appeared in ten Presbyterian newspapers, commencing in January and continuing into March. These were reinforced by scores of contributed articles and editorials. The pages of *The Assembly Herald* have also been employed to keep the Every-member Plan before the attention of the Church at large.

(6) *Coöperation in the Church at Large.*—At the call of the Joint Executive Committee, members of Synodical and Presbyterial Committees and Secretaries and Field Agents of the several Boards met in Chicago in September, 1913, to consider how best to promote the Every-member Plan throughout the Church. "Correspondents" were appointed to present the message at the meetings of Synods and Presbyteries and to secure the appointment of a United Committee or its equivalent in each, as called for by the General Assembly.

The response of the Church was prompt and hearty. Soon such provision had been made in nearly all of the Presbyteries. Aside from the non-English-speaking or otherwise exceptional Presbyteries, all but nine of the 295 Presbyteries have reported such united action. Some of the Presbyteries, which at the outset constituted a United Committee by assigning the Chairmen of the Standing Committees, have in the light of experience since reorganized the Committee with fewer members and more regard to efficiency, detailing to this important duty those who have the Plan at heart and who have succeeded in carrying it out in their own churches.

In not a few instances the campaign has been conducted with efficiency and remarkable results have followed.

(7) *Outcome of the Canvass.*—With not more than five months to prepare, with little experience to fall back upon or ammunition of any sort ready to begin with when the Campaign commenced, in the nature of the case it is manifestly impossible within one month after the time set for the completion of this first simultaneous canvass throughout the Church to present any report that could be at all complete. Nevertheless, by the first week of May returns had already been received from 2,439 churches in 168 Presbyteries, in 40 Synods. These may be taken as fairly typical of the Church as a whole.

In analyzing such returns, it should be borne in mind that of the 10,080 churches reported in the General Assembly *Minutes*, only 3,806 have as many as 100 members, and only 3,628 expend as much as $100 a month for local support. More than 2,200 have less than 25 members, and 3,750 expend less than $25 a month for their own maintenance. With these facts in mind, any analysis made will distinguish between churches which are self-supporting and those which are not. The following figures are, therefore, full of encouragement:

Of 1,381 churches of 100 members and over, reporting, 1,116 (or 80.9 per cent.) have adopted the Every-member Plan, and of these 922 (or 66.7 per cent.) have made the Canvass.

Of 1,048 churches of less than 100 members, which have reported, 448 (42.7 per cent.) have adopted the Every-member Plan, and of these 426 (40.6 per cent.) have made the Canvass.

(8) *Points of Emphasis.*—As the Campaign has progressed the conviction has strengthened, that through the Every-member Plan the Church is being led of God toward new and enlarged realizations of spiritual power. Not alone in greatly increased financial receipts, but also in the enlisting

of personal service on the part of many more of the Church's members, the outcome of the Every-member Plan is registering itself. Experience shows clearly that a stage has now been reached where the more mechanical features of "the budget," and the apportionment thereof to the Presbyteries and churches, which were particularly stressed in the initial stage of the Campaign, should henceforth be subordinated to the more vital processes of education and inspiration, whereby intelligent interest is quickened and larger generosity developed. Hence the Joint Executive Committee, as now constituted, has deemed wise to bend every energy toward magnifying the Scriptural Rule of Giving (I Cor. xvi : 2), with main emphasis on these features:

(1) An offering from every one according to ability.
(2) For every church interest according to need.
(3) Presented in public worship every week.
(4) Secured by a personal canvass every year.

VI. The Future.—As already planned, there is a large work ahead in promoting and following up the Every-member Canvass in March, and in the handling of the vast amount of valuable information secured through correspondence. The Auburn Office is also to publish and distribute the Combined Report as soon as possible after April 1.

The work of the Joint Executive Committee is to be explained, and we believe greatly promoted, by the pre-Assembly Conference and by the exhibits at the Assembly, for which plans are well in hand.

What the work of the Committee will be henceforth, and whether its usefulness shall be greatly extended along various lines, depends largely upon the conclusions reached and the instructions given to the Committee by this Conference.

The present members and representatives of the Committee believe that, properly constituted and handled, the Committee can soon become one of the most useful Agencies in the denomination.

Recommendations.—The following recommendations, approved by the Executive Commission, are submitted for action by the General Assembly:

1. That the General Assembly, rejoicing in the loyal response of the Church, evidenced in the encouraging progress already made, urges the adoption of the Every-member Plan by every church, enlisting every member to give on every Lord's Day, intelligently, prayerfully and according to ability, for the support of the Church and of its entire missionary and benevolent work.

2. That, to this end, the Joint Executive Committee seek to secure the active coöperation of each Synod and Presbytery in promoting the Plan.

* Cash, bills receivable, and stock at Auburn more than equal this item.

3. That in promoting the Plan, first place be given to the education of all in the one great task undertaken by the Church and in the spiritual motives and Scriptural principles of stewardship.

4. That individual and congregational initiative and intelligence in giving be emphasized to the utmost, subscribers being encouraged to designate how they desire their gifts distributed among the several agencies of the Church in the light of present relative needs.

5. That the Every-member Canvass be repeated in March, 1915, and regularly each year, after thorough preparation.

6. That every encouragement be given to make the Canvass lead to personal enlistment in the varied activities of the task to which each church is committed in its community and in the world.

XVIII. The Fiscal Year.

The subject of a change of the date of the close of the fiscal year for the Boards has been repeatedly under consideration by the Commission. It was the subject of large attention last year, but at the request of certain of the Boards was postponed for consideration by the Commission during the present year.

The General Assembly of 1913 referred to the Commission *Overture No. 238*, from the Presbytery of Genesee, which requested "That the fiscal year of the Boards of the Church be changed to correspond hereafter with the calendar year." (*Minutes*, General Assembly, 1913, p. 50.)

This subject was discussed, by the Budget Committee of the Commission, with the Treasurers of the Boards, and was also considered by the Finance Committee. It was taken up at the Official Conference of the Boards and the Executive Commission, at Atlantic City, N. J., September 23, 1913, and the opinion of the conference was adverse to the proposed change. The following action was then taken by the Commission, and is recommended for approval by the Assembly.

"Whereas, The Conference of the Executive Commission and the Boards of the Church expressed the unanimous opinion that it is inadvisable to make any change in the fiscal year; and

Whereas, This action harmonizes with the opinion of the Church as expressed by a majority of the Presbyteries, in answer to a request on the subject submitted by the General Assembly two years ago; therefore,

Resolved, That the Executive Commission report to the General Assembly of 1914 that it is inexpedient, in the opinion of the Commission, to make any change in the fiscal year."

XIX. The Official Conference of the Executive Commission and the Boards.

This official conference, as established by the General Assembly of 1911 (see *Minutes*, page 178), has been directed to meet at least once a year, and is composed of representatives, selected by each of the Boards, who constitute one party, and the Budget Committee of the Executive Commission or such other Commissioners as the Executive Commission may select who constitute the other party. The number of representatives each shall elect is left indefinite for the present. The Executive Commission has chosen to be present as a body, and the Boards have selected from year to year such representatives as to each of them seemed proper.

During the fiscal year ending March 31, 1914, two conferences were held, one at Atlantic City, September 23, 1913, the other in New York City, February 18, 1914. The matters approved at the Conference are stated under the following heads:

1. The Auburn Office.—The conference approved the recommendation of the Joint Executive Committee that the Auburn office should be continued.

2. Budget of the Joint Executive Committee.—It was *Resolved*, That the Budget for the Joint Executive Committee for the year 1914–15 should not exceed the sum of $12,000, exclusive of the salaries of the representatives.

3. Statistical Report of the Contributions to the Boards.—This Report, known also as Part 2 of the Reports of the Boards, contains the report, for each congregation, of the actual cash contributions to the Treasurers of the Boards. It was ordered that the introductory pages be prepared by Mr. H. C. Olin, Treasurer of the Home Board, and that the explanatory foreword, and any changes necessary in the Report, be left to Mr. H. C. Olin and Mr. James W. Burroughs, with power.

4. List of Session Clerks.—It was ordered that the preparation and printing of the list of Clerks of Sessions be no longer done by the Joint Executive Committee, through its Auburn office, but that it be referred to the Stated Clerk of the Assembly for such disposition as may be deemed wise.

5. Pre-Assembly Conference.—Arrangements for a Pre-assembly Conference, on the afternoon and evening of Wednesday, May 20, 1914, the day immediately preceding the meeting of the General Assembly, were approved. Further, the coöperation of the Moderator and the Stated Clerk of the Assembly, and the Local Committee of Arrangements

at Chicago, was requested for this special conference. Other directions were given in connection with the details of the program.

6. VISITATION OF THE SYNODS.—A plan for Synodical Visitation, to embody certain improved features, was referred to the Joint Executive Committee. Among the features, the three following are specified:

(*a*) A large degree of initiative by the Synods in the selection of Board representatives and causes to be presented.

(*b*) The reduction from the present average in the number of Board representatives delegated to a given Synod.

(*c*) Greater emphasis upon each cause than the present system permits, and, secondly, a flexible schedule, by which the present attempt to emphasize each cause, which will enter each Synod, will be avoided.

7. THE WOMEN'S BOARDS AND THE BUDGET.—The subject of the relation of the Women's Boards to the Budget was fully discussed, and, pending consideration of the action proposed, Miss Henrietta Hubbard, representing the Women's Board of Foreign Missions, and Mrs. F. S. Bennett, representing the Woman's Board of Home Missions, were present, by invitation of the conference, and took part in the discussion. The action of the Commission was then made the action of the conference, and is as follows:

(I) That the Women's Boards of Home and Foreign Missions shall be included and specified in the General Budget prepared for the General Assembly, it being understood that the Executive Commission shall confer with these Boards each year as to the amount of their Budget.

(II) That the Women of the Church shall take their part in the Every-member Canvass and the Weekly Subscription Plan of supporting the benevolences of the Church.

(III) That the offerings of the Women for the Women's Boards of Home and Foreign Missions be not included in the Budget of the local church, but that the local auxiliaries of the Women's Boards continue to make their contributions to these Boards, and to conduct their missionary and educational work through their own separate activities as heretofore.

8. THE ASSEMBLY HERALD.—After careful consideration, it was decided:

(1) That the conference approves of issuing special numbers of the *Assembly Herald*, as was done in January of the present year.

(2) That the Joint Executive Committee engage in a systematic effort, through the organized Agencies of the Church, to increase the circulation of the *Assembly Herald*.

The Executive Commission will be in session at Chicago,

Ill., at the same time with the Assembly, and subject to the pleasure of the venerable body.

In behalf of the Commission,
JOHN TIMOTHY STONE, *Chairman.*

The following resolution, as to the work of the Joint Executive Committee, was adopted:

Resolved, That the Joint Executive Committee be instructed to display sample copies of its various publications in the book centres of the Presbyterian Church, in order that ministers and elders may be made familiar with the equipment it provides.

The following resolution, relative to Navy Chaplains, was adopted:

That we approve in full the action of the Federal Council of the Churches of Christ in America as recorded in the Report of the Federal Council's Executive Committee to the General Assembly of the Presbyterian Church in the U. S. A., relative to the increase of Chaplains in the Navy and the creation of the grade of Acting Chaplains.

That a report of this action be conveyed to the President of the United States, the Secretary of the Navy, the Naval Committees and the members of Congress, through the Rev. Henry K. Carroll, Associate Secretary of the Federal Council of the Churches of Christ in America, at Washington, D. C.

The Committee on Bills and Overtures presented the following additional Report, which was adopted:

1. On the Mexican situation the following resolutions are submitted:

Resolved, That this Assembly heartily approves the persistent efforts of the National Government to avert war with Mexico, and to find the path of peace with honor. Particularly do we approve the acceptance of the offered mediation of Argentina, Brazil and Chile, and pray that through their good offices war between the United States and Mexico may be avoided, and the way to peace and stable government may be made clear to the contending factions in the unhappy Republic of Mexico.

Resolved, 2. That the General Assembly of the Presbyterian Church in the United States of America assures the President of the United States of its fervent prayers, and its moral and spiritual support, in his noble efforts to preserve the peace of the world.

Resolved, 3. That the General Assembly of the Presbyterian Church in the U. S. A. expresses its earnest desire that the time may speedily come when all matters of serious inter-

national dispute shall be adjudicated in an established international court of justice.

*2. On *Overture No. 700*, relating to the reaffirmation of the principles of the Reformation, the following is recommended:

WHEREAS, Eternal vigilance is the price of liberty; and

WHEREAS, There are abundant indications of the need of directing the attention of the American people anew to the essential principles of the Protestant Reformation, which underlie the civil and religious liberty of our modern life, ensuring progress of thought and increasing righteousness; therefore,

Resolved, 1. That the General Assembly of the Presbyterian Church in the United States of America calls upon its ministers to review with their people the history of the great Reformation period, to the end that the essential principles of Protestantism may be reaffirmed and reëmphasized, in the face of conditions that demand such reaffirmation and reëmphasis.

Resolved, 2. That the Executive Commission of the General Assembly transmit this action to every Presbytery and adopt such measures as may be found necessary to carry out its provisions during the year 1915, which the Assembly has already set apart for the special commemoration of the life labor and martyrdom of John Huss, one of the great pioneers of the Reformation movement.

3. The subject of aid to candidates for Foreign Mission service has been considered by the Committee, and the following action is recommended:

WHEREAS, The Presbyterian Church in the U. S. A. has at present no Training School for Missions directly under its care; and

WHEREAS, The Edinburgh Missionary Conference of 1911 has expressed the wish that candidates for missionary service receive special training in some approved school of missions; therefore,

Resolved, That students who have received their preliminary education in colleges and seminaries approved by our Church, and have been accepted by the Board of Foreign Missions as candidates for foreign service, be granted aid by the Board of Education when such students desire to pursue a course of special missionary training in institutions endorsed by the Board of Education.

4. On *Overture No. 607*, as to Lay Evangelism. No action is necessary.

* For text of Overtures see pages 59 to 79.

5. The following action is submitted in the matter of systematic beneficence:

Resolved, That the Executive Commission, in accordance with its recommendations adopted by the Assembly, be urged to use such means as it may deem wise in further emphasizing the duty and privilege of giving to God's cause systematically, proportionately and regularly.

Resolved, That it is the sense of this Assembly that Scriptural methods, including the setting aside of some fixed part or proportion of our incomes and accumulations, be urged upon our members, and that more definite instruction be given from the pulpit and in the Sabbath-schools regarding this sacred duty and privilege.

In behalf of the Committee,

JOHN TIMOTHY STONE, *Chairman*.

The Report of the Committee on Sabbath Observance was taken up, and adopted. It is as follows:

To the General Assembly of the Presbyterian Church in the U. S. A.:

BRETHREN:—

"Count on me as full of a lifelong interest in all that concerns the Sabbath. God bless you in your regard for, and in your official relation to, the Lord's Day Alliance. Defend the old bulwarks, and exhaust the possibilities of building better ones. God's Day and God's Son and God's Kingdom are a *triad of unspeakable value* in the effort to make this soiled world a garden of the Lord. 'On either side one, and Jesus in the midst,' in a new and blessed sense."—HERRICK JOHNSON.

"We live in an age of hurry and pressure, far more outwearing than our fathers knew. It is a simple, physiological fact, that if modern business men fling away the Day of Rest or misuse it, the deterioration which is, at the present time, supposed to be going on among us, must go faster and faster, and the nerve power of our race be so much more speedily exhausted. If ever a weekly break in the secular routine of work was a necessity to healthy life, it must be so under the strain and tension of modern city life."—DR. DYKES.

For several years prior to 1891, the General Assembly each year appointed a Special Committee on Sabbath Observance to present a report during its sessions. Such report necessarily was general, for no one was in a position to speak intelligently on the Sabbath situation throughout the country; but in the year mentioned the General Assembly appointed this Special Committee on Sabbath Observance, to serve without expense to the Assembly. For twenty-three years this Committee has so served. Its chairman during all these years has been one of the executive officers of the national Sabbath organization—the Lord's Day Alliance of the United States—of which the Chairman has been for years,

and now is, the President. Scarcely a day passes but he is consulted on questions continually arising in regard to the Sabbath, the enforcement of existing laws, the prevention of their repeal and the formation of State and District Sabbath Associations, auxiliary to, affiliated with and coöperating therewith.

During these twenty-three years, notwithstanding the inroads upon the Sabbath, largely through the immigration of foreigners and the growth of commercialism among our own people, there have been marked advances.

Then, comparatively few of the States had Sabbath laws; to-day, forty-seven out of the forty-eight States in our Union have Sabbath laws on their statute books. The only exception is the fair State of California. Never has the attention of the Christian people been more faithfully directed to the need of the proper observance of the Lord's Day. Never have the legislators, State and National, been so open to the protests of the friends of the Sabbath against all weakening of the Sabbath laws; and never have the officers of the law been so ready to act on the requests of the Sabbath organizations to enforce the Sabbath laws. Never were the captains of industry and employers of labor so willing to listen to the needs of labor, as urged by the Sabbath organizations, to accord to their employees the divine right of one day in seven for rest and worship.

These Sabbath organizations to-day include the various Protestant denominations, Roman Catholic and labor organizations, all working together in hearty coöperation to secure the blessings of the Sabbath for all our people.

From a world vision of the Sabbath cause we record with gratitude to God the following

Victories during the Year.

New York and *Massachusetts* passed "One Day's Rest in Seven" laws that went into effect on 1st of October last. From the reports of the State officials charged with the administration of these laws, we find that they have worked well. In the State of New York just before the close of the recent session of its Legislature, three bills were passed, calculated to weaken the Rest Day Bill in that State by exempting a number of industries, such as dairies, creameries, etc., and giving the Commissioner of Labor discretion, or power, to permit employers to work their employees seven days a week in any industrial or manufacturing process which is necessarily continuous, and in which no employee is permitted to work more than eight hours on any calendar day. Protests have poured into the Governor that he shall not sign any of

these bills, but give the law, as it stands, at least a year, to see how it will work out.

Sunday Closing of Post-offices.—Under the operation of this beneficent law, all Free Delivery Post-offices have been closed on Sunday. While it was feared that a deficit would occur from Sunday closing, we are glad to note that instead of a deficit there was a surplus.

The beneficent results of Sunday closing are borne out by many testimonies. Hear this one from a letter-carrier of Columbus, Ohio:

"When I had to work Sundays I had nothing but bitterness in my heart, as I felt that Church people were in a large measure responsible; my associates felt much as I did, and as a result, we were a cantankerous set; but all has changed. All the men in our station excepting one have been converted, and each Monday at one o'clock we hold a prayer meeting, our superintendent joining us."

During this past year the new Postmaster-General received a monster petition for the reëstablishment of Sunday delivery of mail. The Department was quickly advised as to the history of the movement that resulted in the Sunday closing, and we were assured that we need not fear that the present administration would change the present conditions. The present Postmaster-General has, however, in his Report, recommended to Congress a modification of the present law, known as the Mann Law, whereby Postmasters should have the discretion to require Sunday work whenever deemed necessary by them, on the condition that such Sunday work should be compensated by a rest day during the next thirty days. Any such modification is being protested against; and it would be well if every Commissioner to this General Assembly would promptly address a courteous but firm protest to his representative in the House of Representatives and the United States Senate, against any modification of the existing law. The Postal employees are deeply interested and active in coöperation to prevent such modification. Further, effort is being made to extend the Sunday closing to the Third and Fourth Class Post-offices, in order that the beneficent results already obtained may be secured for all other Postal employees throughout the country.

United States Steel Corporation, which was among the first of the industrial concerns of the country to do away with seven days a week work, has followed it by a yearly expenditure of $5,450,000 for safety, relief and betterment work. They report that such outlay was bringing better returns than any like amount invested in their business.

American Telegraph and Telephone Company, with its

250,000 employees, eliminated the seven-day week for its workmen, and have assured us that the results, as seen in the increased efficiency of the employees, has far exceeded expectations; and the action of the Company in voluntarily setting aside a $10,000,000 Pension Fund, is but a fitting expression of their appreciation of their employees' response.

Sunday Slaughtering in New York District.—The benefits derived by the Government and other employees, in securing their Sabbath rest, has led to appeals for relief in regard to the workmen employed by other and various industries. The slaughtering establishments in and about New York City, employ some 225 inspectors and about 6,000 other laborers. Their appeal has been presented to the United States officials by the Lord's Day Alliance of the United States, and we have hope that the requests will be granted.

Engineers of Federal Buildings.—At the request of the engineers and other employees of the Federal buildings in and about New York City, for a Sunday rest day, the matter was taken up with the officials of the Treasury Department, who at first hesitated about yielding to the request. They were induced to make a trial of the plan, and the officials report that such trial has proved to be so satisfactory that the Supervising Chief Engineer at New York has recommended that the plan be made permanent. Such relief, we trust, will be extended to like employees in the United States public buildings elsewhere throughout the country.

Prison Keepers' Sunday.—At the request and in behalf of the prison keepers of New York City and vicinity, to secure one day's rest in seven, a fair daily schedule of hours was presented to the Committee and aldermanic body in that city, and was passed, and the ordinance was adopted by unanimous vote. The then Mayor vetoed the bill on the ground that it would make additional expense to the city. We are looking to the reform administration in the city of New York to see that the ordinance shall be reënacted and enforced.

Sabbath Law for the State of Washington.—On Sunday, 6th of July last, automobile races were held at Tacoma in connection with the Carnival. The Sabbath Observance League there attempted to prevent this desecration, and tried to raise $12,500, which the managers of the races demanded to insure them against loss by change of date for races, from Sunday to Friday. Upwards of half of this sum was obtained, two men giving $500 each, but the full amount could not be obtained and the races were held, greatly to the moral injury of Tacoma. The result has been that the Lord's Day Alliance of the State of Washington has been organized as auxiliary to the Lord's Day Alliance of the

United States, to prevent a recurrence of such or any other desecration of the Lord's Day.

Seattle.—A letter from a clergyman from Boston, Mass., gives clear light on the changed conditions in the city of Seattle, Wash. He says: "I am visiting near Seattle, Wash. Eight years ago all the gambling hells, brothels and saloons were wide open seven days a week. To-day Seattle keeps the Sabbath better than Boston, I think. Its vice is far more kept out of sight than in Boston. This change has been brought about largely by the First Presbyterian Church and its pastor, Rev. Dr. M. A. Matthews.

Go to Church Sunday has been observed throughout many communities the past year, with the result that the congregations that day were largely increased and in some instances doubled. Why not every Sabbath a "go to Church Sunday," and will not pastors and officers plan to that end?

Crying of Sunday Newspapers.—One of the great daily newspapers in the city of New York commenced, a year ago, the publication of a Sunday afternoon edition. While in consultation with the District Attorney of the city of New York we found, under the existing law, that the publication of the edition could not be suppressed, we have been able to suppress the crying of the newspapers on the streets of that city on Sabbath afternoons. The attention of the Mayor and Chief of Police was directed to the matter, and they promptly secured the suppression of the noise.

Sunday Dance.—Recently the management of one of our fashionable and leading hotels in New York City arranged to give a modern society dance on a Sabbath afternoon. The attention of the management was directed to the fact that such would be a clear infraction of the law, and, much to the disappointment of the society folk, the management of the hotel refused the use of the hotel ball room for such purpose.

Secular Publications.—It is interesting to note that the *Literary Digest,* in its issue of November 1, spends a good half-page in an effort to mend the broken Sabbath, and quotes at length from a leading religious paper, a number of fine points on the Sabbath made by its editor. *The American Hebrew,* of March 28, states that the Chairman of the Sabbath Committee of that body suggested that a Sabbath be selected on which every rabbi should deliver a sermon on Sabbath Observance. *New York Catholic News,* of October 24, sets forth what the members of the Holy Name Society profess, and among the eight articles is this: "Never to work or carry on business unnecessarily on Sunday."

The American Federation of Catholic Societies, at the 12th

National Convention, held at Milwaukee, Wis., a few months ago, adopted the following resolution:

"We deprecate all tendency towards the desecration of the Lord's Day. In the interest, spiritually and physically, of the working man, we protest against their employment on all seven days of the week. We appeal to our citizens to further the movement towards the abolition of unnecessary work on Sunday, and to make certain that laborers, when work is necessary on that day, shall have ample opportunity to fulfill their religious duties."

Sunday Steamers.—In the city of Boston, Mass., for several years, many of the steamship lines have been accustomed to loading and unloading vessels on Sunday. The New England Sabbath League took up the matter with the various lines. As a result, a large amount of the Sunday work has been stopped. Further, lines that have been sending in their steamers to Boston on such a schedule as to make it almost imperative that many of them at least should dock on Sunday, have been interviewed in Boston and Liverpool, with the result that a promise was given that in the schedule this year efforts would be made to have the vessels arrive on Monday, instead of on the Sabbath.

Not Open Sunday.—A member of one of the Boston churches tells the following on himself, and we consider it a well-deserved rebuke, which may apply to other Church members both within and without Boston. He was detained somewhere Saturday afternoon and was not able to get his wash from the Chinaman. Sunday morning he went around to John's laundry. Posted conspicuously on the door were these words: "This place not open on Sunday; I are a Christian."

Royal Examples of Sabbath Observance.—It is encouraging to note that the present King of England has an established rule never to travel on Sunday unless it is absolutely necessary. Would that in our own country the high officials of our Government, some of them professing Christians, would adopt the same rule and set an example for our American people. Alas, it is not so at the present time.

London.—160,000 milkmen united in a petition to ask the women to arrange to have the milk on Sunday delivered on the morning round.

Switzerland.—The Universal League, with headquarters in Geneva, Switzerland, is circling the world with a glorious message of the Lord of the Sabbath.

China and *Japan* are seeking a weekly rest day.

South Africa.—"The abolition of all Sunday labor" in the gold mines of the Rand, with "only necessary work to be carried on," formed a prominent and significant item in the

programme of the demands made by the workmen in South Africa during the recent strikes.

Hamburg.—A new law has been enacted confining Sunday labor to three hours, 7 A.M. to 10 A.M.

Other Conditions.

Panama-Pacific Exposition.—Efforts to secure the Sunday closing of the gates of this exposition in San Francisco in 1915, have not been successful, and present indications are that the management of the fair will remain deaf to all petitions to that end. Thus far the management has not asked for an appropriation by the United States Government, feeling that the Government in such case could make the condition of the grant, that the gates should be closed on Sunday.

The United States Congress has now before it a recommendation from the President, that an appropriation be made for a United States Building and Exhibit, and Congress has been petitioned to incorporate the Sunday-closing clause, closing the Government building on Sunday, in the appropriation for that object.

Lord's Day Congress.—In connection with the Panama-Pacific Exposition, to be participated in by the Sabbath organizations of this country, Canada and foreign countries, it is proposed to hold a ten days' Lord's Day Congress. There was hesitancy on the part of some of these organizations to participate in the Congress to be held in connection with an Exposition, having its gates open on Sunday; but in view of the fact that California is the only State without a Sabbath law, and with the hope that such a Congress would be educational and assist in securing, ultimately, the passage of a Sabbath law for that State, the Lord's Day Alliance of the United States will participate in the proposed Congress under the following conditions, among others:

1. That the Executive Committee, arranging for the Congress, shall respectfully protest against open gates of the Exposition on the Lord's Day.

2. That no session of the Congress be held on the Lord's Day, but that the delegates be assigned to the various pulpits in San Francisco, and California, and preach on the theme of the Lord's Day and its observance.

3. That special effort be made to awaken the people to the need and benefit of the enactment and enforcement of a Lord's Day law, or for "one day's rest in seven," by the State of California, for the moral and spiritual uplift of the people.

4. That the only reason why, in the face of the declared intention to open the gates of the exposition on Sunday, the Alliance enters into the proposed Lord's Day Congress, is the earnest appeal of pastors and Christian people of the State of California, who deeply feel the necessity of proper observance of the Lord's Day in that State, and prayerfully hope and expect that such Congress will help to that end.

Lord's Day Week.—For some years the week beginning with the second Sabbath of April and concluding on the following Sabbath has been observed as Lord's Day Week. In view of the fact that Easter is a movable feast, and sometimes, as this year, it occurs on the second Sabbath of April, it has been deemed wise to change the Lord's Day Week to the Sabbath following Easter and continuing through the second Sabbath after Easter. We earnestly request all Presbyterian Churches to observe in some way Lord's Day Week, and, together with the other denominations in this and other lands, call special attention, at the beginning of the outdoor season, to the value of the weekly rest and worship day.

As an aid to Sabbath Schools and Young People's Associations in their observance of Lord's Day Week, the General Secretary of the Lord's Day Alliance of the United States, has prepared a service as an aid to the observance, and copies of this service will be furnished to any church or Sabbath-school applying therefor, on the simple condition that an offering be taken for that organization.

The Lord's Day Alliance of the United States has broadened its work and increased its efficiency. The Rev. G. W. Grannis, D.D., who has spoken from the platform of the General Assembly, and who has served the Alliance for several years as its efficient General Secretary, became its General Field Secretary in June last, and located at Long Beach, Calif. On one of his itineraries he was severely injured in a triple railway accident, near Seattle, in September last. He has slowly been recovering his health, and expects shortly to be able vigorously to prosecute the field work.

Rev. H. L. Bowlby, for nine years pastor of the Presbyterian Church at Altoona, Pa., was elected the General Secretary of the Alliance, and entered upon his duties on the 1st of September. While in his pastorate he became deeply interested in the cause of the Sabbath, and did such excellent work in his own city and State, in the Sabbath cause, that the attention of the President and Directors of the Alliance was directed to him. We are pleased to bear testimony to the intelligent, faithful and efficient work of Mr. Bowlby since that time, and which he is now rendering the Alliance and the cause it represents.

During the year your Committee has lost, by death, one of its staunch and faithful members. *Gen. James A. Beaver*, a former Vice-Moderator of the General Assembly, has entered into rest. Your Committee will follow this Report in presenting, for your consideration and adoption, a minute in regard to this good man and his passing from us.

In conclusion the Committee recommends the adoption of the following resolutions:

Resolved, 1. That the General Assembly reiterates its strong and emphatic disapproval of all secular uses of the Sabbath Day, all games and sports, in civic life, as also in Army and Navy, all unnecessary traveling and all excursions, and urges upon all employers of labor and captains of industry to recognize the need of the laboring man for his weekly rest day, and thereby insure his greater efficiency and happiness, and the greater prosperity of both capital and labor.

Resolved, 2. That we most respectfully call the attention of all public officials to the potent influence of their position, pro or con, on all moral questions, and the necessity of greater care on their part, proportioned to the exalted nature of the offices which they occupy, that they may strengthen rather than weaken, by their influence, public and private observance of the Lord's Day; and this Assembly respectfully, but emphatically, urges all public officials faithfully to enforce all laws to protect the Sabbath from desecration.

Resolved, 3. That the General Assembly urges on all families not to buy anything on the Sabbath, to plan for their servants on the Sabbath and to help them fulfill their religious duties, and to pay laborers so that they may have Saturday afternoon to make provision for the Sabbath.

Resolved, 4. That this Assembly heartily endorses the plan of the Saturday half-holiday, and recognizes it as tending to the better observance of the Sabbath.

Resolved, 5. That the General Assembly hereby reiterates its emphatic condemnation of the Sunday newspaper, and urges the members of the Presbyterian Church in the United States of America to refuse to subscribe for it or read it or advertise in it.

Resolved, 6. That the General Assembly respectfully requests the faculties of colleges and seminaries, if the way be clear, to omit recitations on Monday mornings, so as to leave the Sabbath free from the felt necessity of some of the students to prepare their lessons on that day.

Resolved, 7. That the General Assembly recommends that a Sabbath Observance Committee be organized in each Presbytery, to coöperate with similar committees of other denominations within its bounds in aiding the work of local

Sabbath associations; and where such organizations do not exist, to promote the formation of such associations in connection with the State or national organizations, the Lord's Day Alliance of the United States and the Woman's National Sabbath Alliance.

Resolved, 8. That the General Assembly recommends that a Sabbath Observance Committee be organized in each Synod, of which the Chairman of each Presbytery's Committee on Sabbath Observance shall be at least a corresponding member, and that the Synod's Committee shall cooperate with the State Sabbath Associations.

Resolved, 9. That this Assembly learns with pleasure ago, purpose to hold an International Lord's Day Congress *et al.*, San Francisco, in July, 1915, at the time of the Panama-Pacific Exposition in that city; and that it commends this Congress to all the people of our churches, with the hope that it may be the means of strengthening the hold of the Lord's Day upon the Christian conscience and of awakening the public mind generally to a fuller appreciation of the industrial and economic value of a weekly rest day, as well as of the proper religious observance of the holy day of rest and worship.

Resolved, 10. That we most heartily commend and warmly endorse the work of the Lord's Day Alliance of the United States and the Woman's National Sabbath Alliance, national organizations, in their efforts to preserve, in its purity, the Christian Sabbath.

Resolved, 11. That we earnestly recommend that the week commencing the first Sabbath after Easter and embracing the second Sabbath after Easter, be observed as a Week of Prayer for the preservation of the Lord's Day, in its quiet, rest and worship; that the lesson in all our Sabbath-schools, on the first Sabbath after Easter, be on the observance of the Sabbath; and that each pastor of our communion preach a sermon on that day, or at some more convenient time, on the subject of the Sabbath, and that at that time an offering be made for the work of the Lord's Day Alliance of the United States (which is the association organized by the coöperation of the General Assembly in 1888, and which represents the Presbyterian Church in the United States of America in this department of Christian work), or, in lieu of an offering, we recommend that the Alliance be included in the Budget of benevolences of the churches, contributions to be sent to Rev. H. L. Bowlby, Assistant Treasurer, 203 Broadway, New York City, and that the Committee on Sabbath Observance be continued, without any expense, as usual, to the Assembly; and that Rev. H. L. Bowlby, the General Secre-

tary of the Lord's Day Alliance of the United States, be added to the Committee, in place of General Beaver, deceased.

Respectfully submitted,

The following minute on the death of Gen. James A. Beaver was adopted:

The General Assembly records with a deep sense of loss to the Church, the death of Gen. James A. Beaver, of Bellefonte, Pa., on the 31st of January, 1914.

He was a most genial and sterling Christian gentleman. Loyal to the Word of God and the doctrines and polity of the Presbyterian Church, which he so much loved and diligently served, he has passed from the Church on earth to the glorified company of the Church in heaven.

We extend to his afflicted family our heartfelt sympathy, and rejoice with them in the heritage that is theirs, in the memory of the eminent Christian, patriot, statesman and jurist.

The Special Committee on Legal Matters connected with Reunion presented its Report, which was adopted, and is as follows:

The Special Committee on Legal Matters connected with the Reunion of 1906 presents its Report to the General Assembly as follows:

By action of the last Assembly, this Committee was continued, with the same general powers that it has had in the preceding years of its existence. (See *Minutes*, 1907, p. 140; 1908, p. 28; 1909, p. 240; 1910, p. 71; 1911, p. 246; 1912, p. 208; 1913, p. 230.)

During the past year, there have been no changes in the Committee's membership, organization or methods. Judge John M. Gaut was retained as General Counsel, from June 1 to December 1, 1913, it having been the usage of the Committee to employ counsel, on stated salary, for a no longer period in advance than six months.

Progress and Present Status of Litigation.

Missouri Cases.

In the Committee's Report to the last Assembly, it was stated that in the case of the Odell Avenue Church, Marshall, Mo., argument had been made before the Missouri Supreme Court, in January, 1913, and that hope was entertained that the Court would deliver an opinion in reversal of its decision in the Warrensburg case. Though a period of fourteen months has now elapsed since this case was argued, no opinion has yet been handed down.

In the Committee's Report to the Assembly, a year ago, it was stated that in the case of Barkley *et al. vs.* Hayes *et al.*, in the United States District Court, at Kansas City, Mo., a decision had been rendered, sustaining the Court's jurisdiction, but that the case had not come to trial on its merits. The trial of the case, in June, 1913, resulted in the Court's handing down an opinion sustaining the validity of the union, and a decree was entered in conformity therewith. This case has not appealed, up to date, but the time within which appeal may be taken has not yet expired. One of the attorneys in this case writes concerning it as follows: "The case of Barkley *vs.* Hayes has proved, and will in the future prove, to be one of the most interesting and far-reaching decisions ever handed down respecting ecclesiastical organizations and their rights over property." In order that the full effect of this litigation may be understood, the syllabus, as reported in 208 Federal Reporter, 319, is herewith submitted, and is as follows:

Barkley *et al. vs.* Hayes *et al.*

Nos. 3,540 and 3,546.

"1. *Religious Societies—Church Property—Right of Control.*

A member of the Presbyterian Church in the United States of America or of the Cumberland Presbyterian Church, under their form of organization, has no individual ownership in any property of the church, which has been purchased or conveyed for the general use of a congregation or for general use for religious purposes, nor has the congregation which uses it, but the same is vested in the general Church, which through its General Assembly has the ultimate power of control, although the conveyance may have been to the Trustees of the particular congregation.

"2. *Religious Societies—Necessary Parties—Persons suing as Representatives of a Class—Officers of Church Organizations.*

Officers of the General Assembly of the Presbyterian Church in the United States of America, which is the elective governing body of such church, as representatives of the general membership, may sustain a suit in equity to determine property rights of the church.

"3. *Religious Societies—Power of Churches to Effect Union.*

A Christian Church, in the absence of anything in its constitution to the contrary, has inherent power to unite with another Church, involving the surrender of the name and organization of one of them, where there is sufficient identity of faith to warrant their union.

"4. *Religious Societies—Suits Respecting Property Rights.*

Where controversies in the civil courts concerning property rights of religious societies of the associated class, having representative bodies, vested with ecclesiastical control over the subordinate bodies, are dependent on questions of doctrine, discipline, ecclesiastical law, or church government, as a general rule the decision of such highest tribunal of the organization will be accepted by the courts as conclusive.

"5. *Religious Societies—Union of Churches—Legality—Property Rights.*

Both the Presbyterian Church in the United States of America, and the Cumberland Presbyterian Church which separated from the former in 1813, were of the associated or representative class, each having a central representative General Assembly, which was the final arbiter on all questions of doctrine, faith, and discipline, and with the concurrence of the several Presbyteries determined all questions of Church government. The division was caused by the dissent of the Cumberland Presbyterians from the Westminster Confession of Faith, but the doctrinal standards of the older Church were altered from time to time, and, after several years of conference, a plan of 'reunion and union' was submitted by the General Assembly of each Church to its Presbyteries, and having been adopted by the requisite votes, the union was effected at the next meeting of the General Assemblies; the united Church taking the name of the 'Presbyterian Church in the United States of America.'

Held, That the union was within the powers of the bodies which effected it, and, on the evidence, that such powers

were regularly and lawfully exercised; that there was no such variance of doctrine between the two Churches as to prevent their union; and that its effect was to invest in the united Church all property rights of the constituent Churches.

"6. *Courts—Federal Courts—Authority of Decisions of State Courts.*

A single decision of the Supreme Court of a State upon a question of property rights arising out of such union cannot be held conclusive on a federal court even as to property in such State, in a subsequent suit between different parties and involving different property; the question being one of general law, and involving property in all the States."

Nashville Publishing House.

On July 25, 1913, the United States District Court delivered an opinion in the Nashville (Tenn.) Publishing House case, sustaining the validity of the union; and, as no appeal was taken, the Philadelphia Board of Publication came into possession of the property. On September 11, 1913, the Board of Publication of the Cumberland Presbyterian Church effected a dissolution as a corporation, in accordance with the plan of union of 1906 and a resolution of the Assembly of 1909, and turned over all its effects to the Board of Publication and Sabbath School Work.

Board of Publication.

In October, 1913, the Committee's Counsel brought a suit, in the name of S. Spencer Chapman, Esq., as a Commission of the General Assembly, in the United States Court at Nashville, Tenn., against certain persons, in the interest of the Board of Publication. The Committee then appointed two of its members to take up the matter of this suit with the Trustees of the Board of Publication and Sabbath School Work, with a view of having said Trustees assume responsibility for the further conduct of the suit. The suit was taken over by the Board of Publication.

Grace Church, Nashville.

On May 9, 1913, the United States District Court handed down an opinion in the case of Grace Church, Nashville, Tenn., sustaining the validity of the union; and, as no appeal was taken, the Church at once came into possession of the property which had been in litigation.

The Educational Society.

In October, 1913, the Committee's Counsel instituted a suit, in the name of S. Spencer Chapman, Esq., as a Commission of the General Assembly, against certain of the Trustees of the Educational Society of the Cumberland Presbyterian Church, which suit was in the nature of a Bill in Equity to determine the right of said Trustees to act in that capacity. As the matter directly concerned the Board of Education, it was reported to said Board, which passed a resolution approving and ratifying the action taken in instituting this suit, and assuming responsibility for its further prosecution. Subsequently a compromise agreement was entered into, and a decree was made in accordance therewith.

In connection with this settlement, the representatives of the body now claiming to be the General Assembly of the Cumberland Presbyterian Church have requested that, inasmuch as the General Assembly of the Presbyterian Church in the U. S. A. has no further use for the charter and franchises of the Educational Society, the said Cumberland Church shall be allowed to have the use, benefits, franchises and charter of said Educational Society after June 15, 1914; it being the intention, if such permission is granted, that the members of the Presbyterian Church now constituting the Educational Society shall resign therefrom, and that representatives of the body now claiming to be the Cumberland Presbyterian Church shall be elected in their place and stead, and thereafter have the use and control of said charter, franchises and rights.

The Board of Education and S. Spencer Chapman, Esq., the Commission, in whose name the litigation has been carried on, hold that they have no power to consent to the abandonment or surrender of the charter of said Educational Society, as requested, it being, in their opinion, wholly within the province and jurisdiction of the General Assembly of the Presbyterian Church in the U. S. A., to whom the whole matter is respectfully submitted with the recommendation that the requested permission be not granted, inasmuch as it would raise uncalled for issues in connection with the terms of the Reunion of 1906.

Lebanon Theological Seminary.

The last Assembly, by the adoption of a supplemental Report submitted by this Committee, ratified the action which had been taken in bringing a certain suit, in the United States District Court, against the Lebanon Theological Seminary *et al.*, and authorized the prosecution of said suit.

On October 2, 1913, the Committee, having received petitions from the Nashville Presbytery and certain interested persons for the discontinuance of this suit, took action as follows:

"The Committee, as at present advised, in view of all the circumstances, especially in relation to the welfare of the whole Church, feels that it cannot do more than prepare a statement of the case before it, for submission to the General Assembly."

The facts are briefly as follows:

On or about April 13, 1913, John M. Gaut, solicitor for this Committee, instituted suit in the District Court of the United States, in the name of William J. Darby and S. Spencer Chapman, against the Cumberland Presbyterian Theological Seminary and others, praying that a certain fund, held by the Trustees of Cumberland University for the benefit of the Theological Department in connection therewith, should be decreed to belong to the Presbyterian Church in the U. S. A. The Assembly of 1913 ratified the institution of said suit by complainants therein, the said S. Spencer Chapman acting as the Commission appointed by and representing the Church.

On September 25, 1913, the Rev. Dr. S. A. Coile, of Lebanon, Tenn., representing the Presbytery of Nashville and a number of other interests, appeared before this Committee and made request that the litigation above referred to be terminated of record, on the basis of an agreement which had been entered into between representatives of Cumberland University and the representatives of the alleged Cumberland Presbyterian Church, whereby the fund held for the Theological Department, and which was the subject of the litigation, was to be divided between the Cumberland University and the representatives of the alleged Cumberland Presbyterian Church; his reason for making this request was set forth in the statement that the interests of the Presbyterian Church in the U. S. A. were being jeopardized by the continuance of said litigation, and that the future success, peace and harmony of the Church would be greatly enhanced by the termination thereof.

The Committee, as an agent of the Church, did not consider that it had power to consent to the waiver of any of the rights of the Church, and therefore refers the whole matter to the General Assembly, with the statement that by the suggested compromise all rights to the fund above named, on the part of the General Assembly, will be surrendered, and that, if the compromise as agreed upon be approved, S. Spencer Chapman, Esq., the Commission, in whose name the litigation has been carried on, should be authorized and empowered by

the General Assembly to take proper steps to have the same settled and ended of record; report to be made by him of his action in the premises to the Legal Committee.

Bethel Church, Tennessee.

In March, 1914, in response to a communication received from the minister in charge of Bethel Church, near Clarksville, Tenn., giving information as to litigation involving the property of said Church, the Committee adopted a paper authorizing and empowering S. Spencer Chapman, Esq., as a Commission of the General Assembly, to allow the use of his name as a party complainant in a suit, in the United States District Court, in the interest of said Bethel Church; said suit to be conducted in behalf of the whole Church, provided that neither the Commission, the Legal Committee, nor the General Assembly, shall be liable to or chargeable for any expense, costs, or fees, in connection with the said litigation, the same having been expressly assumed by the local church.

Discontinuance of General Counsel.

In the Committee's Report to the last Assembly, it was said: "Judge Gaut, as General Counsel, encourages the Committee in the hope that the end of this litigation is not far distant." On November 21, 1913, the Committee then having before it a statement from Judge Gaut, showing the status of litigation, reached the conclusion that it was unnecessary longer to retain counsel for any stated period, on a stipulated salary, and therefore action was taken to discontinue Judge Gaut's services in the capacity of General Counsel after December 1, 1913. Judge Gaut, however, is still retained by the Committee for such special professional services as may be necessary. The Committee placed upon its records a resolution expressive of its appreciation of Judge Gaut's services, said resolution being as follows:

"Whereas, The successful termination of the bulk of the litigation heretofore in progress, arising out of the union and reunion of the Cumberland Presbyterian and the Presbyterian Churches, which was effected in 1906, renders it unnecessary hereafter to retain counsel for any stated period; and"

"Whereas, The retention of Judge John M. Gaut will terminate on December 1, 1913; therefore,"

"*Resolved*, That this Committee desires to place on record its appreciation of the faithful, continuous, and successful labors of Judge Gaut as General Counsel for the Legal Committee, during the past six and one-half years. By his careful preparation and thorough knowledge of the law in

connection with the questions involved, he has been able to obtain, in conjunction with those associated with him, opinions favorable to the union in the Courts of highest resort in the States of Georgia, Kentucky, Texas, California, Indiana, Illinois, Arkansas, Alabama, Mississippi and Oklahoma; and in the remaining cases now open, namely, in Tennessee and Missouri, he has brought the matters before the Federal Courts in such a shape as, in all probablity, will result in a reversal of the adverse opinions of the Supreme Courts of those States. Judge Gaut entered into the litigation realizing the importance of the interests involved, and has made a thorough study of this branch of ecclesiastical law, and his briefs in a number of cases have been used as the basis for favorable decisions. This Committee, as well as the Church at large, owe to Judge Gaut a debt which cannot be estimated in mere figures."

As indicating the scope and extent of the work done by Judge Gaut, as General Counsel for the Committee, and for convenient reference, we here make citation of the cases in which opinions have been handed down by the Courts of last resort, in the several States, following the order in which the decisions were rendered:

GEORGIA: *Mack vs. Kime*, 129 Ga., 1. Aug. 9, 1907.
KENTUCKY: *Wallace vs. Hughes*, 131 Ky., 445. Jan. 21, 1909.
TEXAS: *Brown vs. Clark*, 102 Tex., 323. March 3, 1909.
TENNESSEE: *Landrith vs. Hudgins*, 121 Tenn., 556. April 3, 1909.
MISSOURI: *Boyles vs. Roberts*, 222 Mo., 613. June 8, 1909.
CALIFORNIA: *Permanent Committee on Missions, Pacific Synod of Cumberland Presbyterian Church vs. Pacific Synod Presbyterian Church. U. S. A.*, 157 Cal., 105. Dec. 24, 1909.
INDIANA: *Ramsey vs. Hicks*, 174 Ind., 428. March 31, 1910.
ILLINOIS: *First Presbyterian Church, Lincoln, vs. First Cumberland Presbyterian Church, Lincoln*, 245 Ill., 74. April 21, 1910.
ARKANSAS: *Sanders vs. Baggerly*, 96 Ark., 117. July 11, 1910.
ALABAMA: *Harris vs. Cosby*, 173 Ala., 81. Feb. 2, 1911.
MISSISSIPPI: *Caruthers vs. Moseley*, 99 Miss., 671. June 12, 1911.
OKLAHOMA: *First Presbyterian Church, U. S. A., Wagoner, vs. Cumberland Presbyterian Church, Wagoner*, 34 Okla., 503. June 15, 1912.

In all the cases above cited, only two of the opinions rendered were adverse to the union, viz., those in Missouri and Tennessee.

Trustees of the Cumberland Presbyterian General Assembly.

There is a Kentucky corporation known as the Trustees of the Cumberland Presbyterian General Assembly. Under the legal decisions in Kentucky, this corporation now reports to and is under the direction of this Assembly. Some of the members of this corporation desire that it should be dissolved and that they may be relieved, but it is the opinion of your Committee that, for legal reasons, this corporation should be kept intact for the present, whatever changes may be made in its personnel. This Board holds a trust fund, the income of which, by the terms of the gift, had to be paid to the theological seminary at Lebanon, Tenn., or, in the event of the discontinuance of that seminary, to such seminary as the Assembly might direct. Since the discontinuance of the Lebanon Seminary, the income on this fund has been paid to the Treasurer of the Presbyterian Theological Seminary of the South, which the Assembly recognized as the *de facto* successor of Lebanon, and which is now coöperating with Lane Seminary under the arrangement known as the Lane-Lebanon Alliance. Your Committee recommends:

1. That the Board of Trustees of the Cumberland Presbyterian General Assembly be advised not to take steps for dissolution, but that such changes in the personnel as may be necessary may be made by resignation to and election by the Board, subject to the confirmation of the next Assembly.

2. That the action of the Board in paying the income of the Doherty Fund to the Presbyterian Theological Seminary of the South be approved and that the Board be instructed to continue to pay the income to the Presbyterian Theological Seminary of the South until otherwise directed by the General Assembly.

Finances.

The expenditures during the year ending March 31, 1914, were as follows: John M. Gaut, Esq., $2,737.88, and for expenses connected with Missouri cases, $1,839.43. The total previous payments on account of litigation conducted by the Committee were from Assembly funds in 1910–11, $7,953.54, of which $1,514.19 was for the case in the Federal Court in Missouri; in 1911–12, $2,709.79; in 1912–13, $3,509.79. There was also paid out from funds received by the Chairman from individuals and from Boards, prior to 1912, $4,777.34, the account being duly audited, and there was paid by the Tennessee sub-committee of this Committee, the sum of $2,624.55. The total thus far expended and audited is therefore $26,152.32.

RECOMMENDATIONS.

The following recommendations are submitted:

Resolved, 1. That the Committee on Legal Matters and the Executive Commission of the General Assembly are hereby authorized, at their discretion, to make provision, in behalf of the General Assembly, to assist in meeting the expenses of law suits where general questions are involved, but this Resolution shall not be construed as authorizing provision for the expenses of litigation which involves only the ownership of local church property.

Resolved, 2. That the Committee on Legal Matters and the Executive Commission be authorized, when deemed advisable, to appoint a commission, consisting of one or more ministers or lay members of the Church, with authority, after consultation with, and approval by, the Committee on Legal Matters, to institute as well as to defend suits for the above purposes, to wit, to protect the contract of Union, to prevent the misinterpretation of our doctrinal standards, to preserve our ecclesiastical authority and to defend our property rights, provided the Committee on Legal Matters shall have power to determine the amount of expenses to be incurred.

Resolved, 3. That the Committee be continued, with power as to all general litigation now in progress, in connection with the Reunion of 1906, but that no new suits be approved by the Committee, except after the consent of the Executive Commission of the General Assembly.

Resolved, 4. That no appropriations for expenses in connection with any law suits shall be regarded as final, and as involving obligations on the Church at large, except as first approved by the Committee on Legal Matters and the Executive Commission.

Resolved, 5. Whereas, upon final hearing of matters of difference in the suit of S. Spencer Chapman, Commission, *vs.* W. H. McCleskey, Frank Slemons *et al.*, pending in the District Court of the United States for the Nashville Division of the Middle District of Tennessee, and the cases of the Educational Society of the Cumberland Presbyterian Church *vs.* Halbert *et al.*, and the State of Tennessee *ex rel. vs.* Halbert, both pending in the Chancery Court of Davidson County, Tennessee, having been settled and adjusted by decree entered in the first entitled case as the result of an agreement entered into between the plaintiff and defendants, the said agreement is hereby ratified and approved.

Further, *Resolved*, That a request having been made for the defendants for the surrender of the charter of the Educa-

tional Society to the General Assembly of the alleged Cumberland Presbyterian Church, said charter having been decreed to be the property of this Assembly, the request is for obvious reasons denied.

Resolved, 6. That S. Spencer Chapman, as the Commission, complainant in the case of Darby and Chapman *vs.* The Cumberland Presbyterian Theological Seminary, Goodpasture *et al.*, and the trustees of Cumberland University, pending in the United States District Court for the Middle District of Tennessee, be authorized and empowered, if the way be clear, to settle, end and dismiss the above case.

Resolved, 7. That the Chairman, Dr. W. H. Roberts, and S. Spencer Chapman be empowered to retain counsel in case any appeals be made in pending litigation, and hereafter said sub-committee is the exclusive representative of the Committee in the matter of retaining counsel, all previous authorizations for such purposes being hereby revoked.

Resolved, 8. The Legal Committee joins with the Executive Commission in requesting the General Assembly to apportion three-quarters of a cent among the Presbyteries to meet the expenses in connection with litigation in the Cumberland Presbyterian Church cases.

In behalf of the Committee,

WM. H. ROBERTS, *Chairman.*

The presentation of the Report of the Committee on the Duties and Powers of Executive Commissions was completed, and the Report was adopted. It is as follows:

The Special Committee appointed by the General Assembly of 1913 to consider and prepare such amendments to the Form of Government as shall clearly define the duties and powers of the Executive Commissions of the General Assembly, of Synods, and of Presbyteries, respectfully reports to the General Assembly of 1914 as follows:

The action of the Assembly of 1913 in appointing the Committee reads:

That WHEREAS, The Constitution of our Church provides for the appointment of Executive Commissions by the General Assembly, Synods and Presbyteries; and

WHEREAS, There is no adequate constitutional or other provision regulating and specifying the power of, or duties to be performed by them, or what authority may be conferred upon them, except a few deliverances of the General Assembly (See *Minutes*, General Assembly, 1911, p. 220, and 1912, p. 169); and

WHEREAS, The importance of some standard established by the General Assembly has been made manifest by a special

case before your Committee on Polity, and in every recent meeting of the General Assembly; and

WHEREAS, In view of the uncertainty that exists as to the authority that may be delegated to these Commissions by the several Church judicatories, and as to the matters that may be submitted or entrusted to them, and as to the power and effect that may be given their acts; therefore, be it

Resolved, That the General Assembly hereby appoints a Committee of seven, consisting of four ministers and three ruling elders, of which the Stated Clerk of the Assembly, Dr. Roberts, shall be a member, to take into consideration this whole matter, and formulate such amendments to the Form of Government as shall clearly define the duties and powers of these several Commissions; to report to the next General Assembly for its approval and for submission to the Presbyteries. (*Minutes*, General Assembly, 1913, p. 166.)

The Moderator of the Assembly appointed the following persons as members of the Committee:

Rev. Maitland Alexander, D.D., Rev. William R. Taylor, D.D., Rev. Daniel E. Jenkins, D.D., Rev. William H. Roberts, D.D., John E. Parsons, Esq., Calvin N. Payne, Esq., and Mr. Elisha H. Perkins.

The Committee has held two meetings, both in New York City, the first on December 9, 1913, and the second on March 24, 1914.

The Committee gave to the subject careful and full consideration and reached the conclusion that the only way in which the duties and powers of the Executive Commissions of the respective higher judicatories of the Church could be clearly defined, was to prepare a new chapter to be inserted in the Form of Government.

The Committee desires to emphasize the fact that it kept clearly in view the fundamental classification of the powers of the judicatories of the Presbyterian Church, into legislative, executive and judicial. This classification is the basis of the provisions in the Constitution of the Church for Judicial Commissions, by virtue of which each Presbytery and Synod has the power to appoint such Commissions and the General Assembly elects its Permanent Judicial Commission. Care was taken when the provisions for Judicial Commissions were included in the Constitution, to see to it that no legislative power was conferred upon them. Having these important facts in mind, the Committee has provided that Executive Commissions also shall have no legislative power, as will be seen by the general tenor of the new chapter, and in particular as expressed in Section 3 of the same.

The Committee, further, had before them the question as to whether a provision, limiting eligibility to reëlection of members of Executive Commissions who have served a full term, should be inserted in the chapter. The judgment of the Committee is, that this should be left to the discretion of the respective judicatories. Certain Presbyteries and Synods may prefer to continue the service of members beyond the full term of three years. The General Assembly has already decided that no member of its Executive Commission shall be eligible for reëlection, until after the expiration of three years from the close of his full term of service.

The Committee therefore submits to the Assembly, Chapter XXVI, entitled, "Of Executive Commissions," with the recommendation that when adopted by the General Assembly it be sent down by the Stated Clerk, as an Overture to the Presbyteries, in conformity with the provisions of Chapter XXIV of the Form of Government, as follows:

Shall a new Chapter, to be numbered XXVI, and to be entitled, "Of Executive Commissions," be added to the Form of Government, to wit:

FORM OF GOVERNMENT.

CHAPTER XXVI. OF EXECUTIVE COMMISSIONS.

1. A Presbytery, a Synod, and the General Assembly may elect from the ministers and ruling elders composing them, an Executive Commission, which shall consist of not less than three members for a Presbytery, not less than seven members for a Synod, and not less than fifteen for the General Assembly. The membership shall be divided in each case, as equally as practicable, between ministers and ruling elders. No member, salaried officer or employee, of a missionary or benevolent Board or organization, under the direction of the judicatory concerned shall be a member. Vacancies may be filled by the Moderator of the judicatory until the next regular meeting. The term of service shall be three years, and the members shall be divided into three classes, one of which shall be elected annually. A quorum shall be a majority of the members, and less than a quorum may adjourn to a fixed time.

2. A Presbytery or a Synod shall elect the Chairman of its Executive Commission, and the Stated Clerk of the electing judicatory shall be the Secretary of the Commission. The Moderator of the General Assembly shall be the Chairman of the Executive Commission of the General Assembly, and the Stated Clerk of the General Assembly shall be the Secretary of the Commission. The clerks of judicatories

when Secretaries of Executive Commissions shall not be members of the Commissions.

3. Executive Commissions shall handle and consider only such administrative business as may be referred to them by the electing judicatories, as indicated in the succeeding sections, and shall have no power of initiating action except as hereinafter provided. No judicial business shall be referred to an Executive Commission.

4. The proceedings of an Executive Commission shall be conducted in accordance with the provisions of the Constitution and Rules of the Church. The Commission may sit in private whenever deemed advisable, and all business transacted shall be held as private unless definitely voted otherwise.

5. The Executive Commission of a Presbytery may have the following general powers when voted by the electing Presbytery: To prepare the docket of business for the meeting of the Presbytery, with the assistance of the Stated Clerk; to consider and report upon all proposals and appeals for moneys; to correspond with the Executive Commissions of Synod and General Assembly, and to present to the churches the budget of the missionary and benevolent causes and agencies as adopted by the General Assembly.

It may have also the following specific powers, when voted by the Presbytery: to receive and dismiss ministers, in good standing, who are without pastoral charge, in the intervals between regular meetings; to receive under care of Presbytery licentiates or candidates for the ministry from other Presbyteries; to install ministers, to organize or to dissolve churches, and to adjust difficulties in particular churches, after appropriate action by Presbytery. The Executive Commission shall report at each regular meeting of Presbytery every item of business transacted by it. Its decisions shall be operative, wherever power has been conferred, but may be reviewed and reversed by Presbytery.

6. The Executive Commission of a Synod may have the following powers when specifically voted by the electing Synod: to prepare the docket of business for the meeting of the Synod with the assistance of the Stated Clerk; to correspond with the Executive Commissions of Presbyteries and of the General Assembly; to carry out the directions of Synod with respect to the Presbyteries, Sessions and people under the care of Synod; to inquire into conditions existing in any Presbytery, but it shall not receive power to erect, unite or divide Presbyteries; and in consultation with the Presbyteries or the Executive Commissions of the Presbyteries under the Synod, to have charge of the Budget of the

benevolent and missionary causes and agencies within the Synod. The Executive Commission shall report at each regular meeting of Synod every item of business transacted by it. Its decisions shall be operative wherever power has been conferred, but may be reviewed and reversed by Synod.

7. The Executive Commission of the General Assembly may have the following general powers when voted by the Assembly: to correspond with the Executive Commissions of Presbytery and Synod; to confer with and advise the permanent benevolent and missionary agencies of the Church; to prepare and submit annually to the General Assembly the Budget for such benevolent and missionary agencies; and to consider, between annual meetings of the General Assembly, cases of serious embarrassment or emergency concerning the benevolent and missionary work of the Church, when requested by a Board, and to provide direct methods of relief.

It shall also have the following specific powers, when voted by a sitting Assembly: to take steps to coördinate and unify the benevolent and missionary work of the Church, and to discharge such other executive duties as the General Assembly may from time to time require and authorize. The Executive Commission shall report at each regular meeting of the Assembly all business transacted by it. Its decisions shall be operative wherever power has been conferred, but may be reviewed and reversed by the Assembly.

8. Executive Commissions shall meet on their own appointment and adjournment, and at the call of the electing judicatory, but shall not meet during the regular meetings of the electing judicatory, unless specifically authorized so to do by the judicatory. The minutes shall be submitted annually to the electing judicatory for review, and shall be referred for the purpose to the Committee on Bills and Overtures or similar Committee. The expenses of the Executive Commissions shall be provided for by the electing judicatories.

9. Nothing in this chapter shall be so construed as to prevent either a Presbytery, a Synod or the General Assembly, from electing, at its own discretion, special commissions for specific administrative or executive purposes, which shall be subject to the limitations and regulations as to powers contained in this chapter, so far as they apply, and also to the Constitution of the Church. Such special commissions shall report whenever the electing judicatories shall require.

The Committee also submits amendments to the Chapters and Sections of the Form of Government dealing with Executive Commissions, and necessary to be made therein, should the new Chapter XXVI be adopted by the Presbyteries. They are as follows:

1. *The Presbytery.*—Shall Section VII, Chapter X, of the Form of Government, closing sentence, which reads:

"The Presbytery may appoint an Executive Commission, of which the chairmanship, the number of members, powers, duties, and term of service shall be determined by the Presbytery; provided, that judicial cases shall be referred only to Judicial Commissions," be changed so as to read:

The Presbytery may appoint an Executive Commission, in accordance with the provisions of Chapter XXVI of the Form of Government; provided that judicial cases shall be referred only to Judicial Commissions?

2. *The Synod.*—Shall Section IV, Chapter XI, of the Form of Government, closing sentence, which reads:

"The synod may appoint an Executive Commission, of which the chairmanship, the number of members, powers, duties, and term of service shall be determined by the synod; provided, that judicial cases shall be referred only to Judicial Commissions," be changed so as to read:

The Synod may appoint an Executive Commission, in accordance with the provisions of Chapter XXVI of the Form of Government; provided that judicial cases shall be referred only to Judicial Commissions?

3. *The General Assembly.*—Shall Section IV, Chapter XII, of the Form of Government, last two sentences, which read:

"The General Assembly may appoint an Executive Commission, of which the Moderator shall be chairman. The number of members, powers and duties, and term of service of the Commission shall be determined by the General Assembly; provided, that judicial cases shall be referred only to Judicial Commissions," be changed so as to read:

The General Assembly may appoint an Executive Commission, in accordance with the provisions of Chapter XXVI of the Form of Government; provided that judicial cases shall be referred only to Judicial Commissions.

The Committee recommends that the General Assembly adopt the following resolutions:

Resolved, 1. That the General Assembly by virtue of its powers under Chapter XXIV, Section I, of the Form of Government, proposes to the Presbyteries, amendments to the Form of Government as submitted and contained in the report of its Special Committee on Executive Commissions, to wit, a new chapter in the Form of Government, to be numbered Chapter XXVI, and entitled, "Of Executive Commissions," and also related amendments of the Form of Government, Chapter X, Section VII, Chapter XI, Section IV, and Chapter XII, Section IV.

Resolved, 2. That the Stated Clerk be directed and author-

ized to send the above-named Overtures to the Presbyteries, and that the answers of the Presbyteries be returned to him by May 1, 1915, for report to the General Assembly.

In behalf of the Committee,

MAITLAND ALEXANDER, *Chairman.*

The Standing Committee on Home Missions presented a supplementary Report on Overtures referred to it, which was adopted, and is as follows:

The Standing Committee on Home Missions presents a supplementary Report on Overtures referred to it, as follows:

Though the Overtures from the Presbyteries of Rio Grande and Pecos Valley, referred to this Committee by the Assembly, should properly be acted upon by the Committee on Polity, the relationship between the Home Board and the Synods of New Mexico and Arizona in the future depends largely upon the settlement of these two cases; therefore

Resolved, 1. In the case of the Synodical Missionary of the Synod of New Mexico, it is recommended, in view of the Assembly's action taken on Wednesday, deciding the principle involved, that the Board of Home Missions be instructed to enter into a salary agreement with the Rev. John R. Gass, D.D., for the term from March 1 to May 31, 1914.

Resolved, 2. In the case of the Synodical Missionary of the Synod of Arizona, it is recommended that inasmuch as the Assembly's action on Wednesday fully covers the case, therefore no further action be taken.

The following, presented by Rev. John F. Carson, D.D., was adopted:

As this General Assembly marks the fifteenth anniversary of the valued services of its Permanent Clerk, the Rev. W. B. Noble, D.D., be it, therefore,

Resolved, That we express to Dr. Noble our sincere appreciation of his long, faithful and efficient services, and we trust that he will be spared for many years to give to the Assembly the efficient service that has been so important a factor in the expedition of the Assembly's business.

The Standing Committee on Theological Seminaries, through its Chairman, Rev. John F. Carson, D.D., presented its Report, which was adopted, and is as follows:

The Standing Committee on Theological Seminaries has received and examined reports from the following Seminaries that are under the control of the General Assembly: Princeton, Auburn, Western, Lane, Kentucky, McCormick, San Francisco, Dubuque, Bloomfield, Lincoln, Biddle and Omaha.

The details of the reports, which will be printed in full in the Appendix to the *Minutes* of the General Assembly of 1914, show:

First: That 766 students were enrolled in the Seminaries during the past year—an increase of 27 over the previous year.

Second: That a number of changes have been made in the directorates and faculties of the several Seminaries.

Third: That some of the Seminaries have received additional or increased endowments, notably McCormick Seminary, which received $100,000 for the endowment of the President's chair, the generous gift of Mrs. Nettie F. McCormick, Mr. and Mrs. Cyrus H. McCormick and Mr. Harold F. McCormick; the Western Seminary, which received $136,000 for the erection of a new administration building; and Auburn Seminary, which received $100,000 from Mrs. John S. Kennedy, on the condition that $400,000 additional be secured for the endowment of the Seminary.

The Church is to be congratulated on the earnest and successful efforts that the Seminaries are making to provide a thoroughly trained, equipped and efficient ministry. High standards of scholarship are maintained. In many of the Seminaries courses of study and special lectures are provided in order to acquaint the students with the social problems and needs of our day. A reading of the reports shows that underlying all the intellectual discipline and the social purpose and effort is the spiritual emphasis. This is of first importance. The insistent and imperious demand is that the minister shall be a man of deep spiritual experience, a man who has heard the voice of the Holy Spirit in his own soul and who has obeyed it, a man who has become "like God in his love of truth, of righteousness, and of men." The necessity of the student's "attaining truth" in the way of comprehension does not minimize his necessity of attaining it in the way of incarnation. He must be what he would have the people believe. While attaching great importance to the intellectual discipline and the all-round equipment of the minister, yet the Seminary must ever emphasize the fact that the moral and spiritual element is the primary and controlling one in a true minister of Jesus Christ. Special attention should be given by the faculty of the Seminary to the spiritual culture of the students.

Your Committee is confident that the students in Presbyterian Seminaries go forth as men of God, loyal to the Divine Word and to evangelical Christianity, inflamed with a love of souls and moved by a holy passion to lead men to Jesus Christ.

Your Committee recommends:

1. That the General Assembly hereby approves the election of all Directors and Trustees, and the election and transfer of all Professors in our Theological Seminaries, as recorded in the accompanying reports.

2. Whereas, the Synod of California at its annual meeting held in Santa Rosa, in October, 1913, voted unanimously to place the San Francisco Seminary, which has heretofore been under the care of the Synod of California, under the sole control of the General Assembly, as are all the other Seminaries of the Church, therefore be it resolved that the transfer be approved, and the San Francisco Seminary be received under the care of the General Assembly.

3. That the General Assembly suggests to the Directors and Faculties of our Theological Seminaries that it might be desirable to have one member of the faculty of each Seminary designated as the students' pastor.

4. That the General Assembly expresses its appreciation of the larger place that is being given in the curriculum by some of our Seminaries to the study of the Bible in English, and recommends to all the Seminaries that an increasing emphasis be placed upon this important feature of the students' preparation for the ministry.

5. That the General Assembly suggests to the faculties of all our Seminaries the desirability of holding at least once in three years an evangelistic mission in cities or communities where the Seminaries are located, such mission to be conducted by the faculty and the students of the Senior classes.

6. That the General Assembly heartily commends the work being done in Bloomfield and Dubuque Seminaries in training a ministry for the foreign-speaking people. In view of the special needs of Dubuque Seminary, we reaffirm the action of the General Assembly of 1913 in the matter of the endowment, and instruct the Executive Commission to take this into earnest consideration, and if, after conferences with the Trustees of Dubuque Seminary, it seems wise to do so, appoint a committee of five to coöperate with the Trustees in an effort to secure $500,000 for endowment and the expansion of the work.

7. That the General Assembly expresses its deep appreciation of the gifts made during the past year to our Theological Seminaries, and hereby expresses its hearty thanks to the donors. We call the attention of the Church to the fact that there is no need more pressing than that of securing an adequate endowment and equipment of our Seminaries, and we believe that money could not be invested in a nobler or better cause than by giving it to the institutions that prepare

men to become the spiritual teachers and leaders of our people. We appeal to Presbyterians for the support of Presbyterian institutions.

All of which is respectfully submitted,

J. F. CARSON, *Chairman.*

The Stated Clerk reported to the Assembly the certified records of the Permanent Judicial Commission in the cases hereinafter indicated, and delivered said records to the Chairman of the Commission to read.

The Moderator read the appropriate rule, and charged the Assembly to remember that it was sitting in a judicial capacity as a court of Jesus Christ.

The certified findings and judgments in the judicial cases were read by the Rev. Thomas A. McCurdy, D.D., Chairman of the Commission, as follows:

Judicial Case No. 1.—Rev. A. G. Eagleson *vs.* Presbytery of Steubenville.—The Permanent Judicial Commission of the General Assembly of the Presbyterian Church in the U. S. A. presents the Report of its findings in Judicial cases submitted for their adjudication, as follows, viz.: Judicial Case No. 1.

This case consists in charges made in a complaint filed before the Presbytery of Steubenville by Rev. A. G. Eagleson, wherein he charges that the Presbytery of Steubenville, O., at its session held April 21, 1914, passed a resolution as follows:

"That this Presbytery put itself on record as indorsing Woman Suffrage."

The case was regularly issued, and coming on to be heard upon the notice to Presbytery and the specifications of the grounds of complaint set out therein, and the parties thereto having been heard before the Commission in argument, and an opportunity having been given to members of said Presbytery (C. R. Culbertson, O. S. Fowler, A. S. McComb) to be heard, and they having been heard, and the complainant having placed on file his written waiver to be present, requested the Commission to take up and decide the case in his absence.

The Commission now finds that said resolution was passed by the said Presbytery, which fact was admitted in writing now on file, signed by the members of the Presbytery, whose names are hereinbefore stated. The said members of the Presbytery requested the Commission to take up and decide the case upon their admission of the action of Presbytery, although the record was not before the Commission, as the Stated Clerk had failed or refused to send up the record

containing the action of Presbytery in adopting the said resolution. The Commission finds that the Presbytery in adopting said resolution erred, as being contrary to the organic law contained in Chapter XXXI, Section IV, Confession of Faith, which provides, to wit:

"Synods and councils are to handle or conclude nothing, but that which is ecclesiastical: and are not to intermeddle with civil affairs which concern the commonwealth, unless by way of humble petition in cases extraordinary; or by way of advice for satisfaction of conscience, if they be thereunto required by the civil magistrate."

It is the judgment of the Commission that the organic law above quoted has for its purpose the maintenance of the separation of Church and State, and as conducive to that end to prevent the Church from becoming entangled, through any of its agencies, with political or other organizations of a non-ecclesiastical character, and such is the interpretation repeatedly given it by the General Assembly.

On the record presented in this case, it is the finding and judgment of the Permanent Judicial Commission that the complaint of Rev. A. G. Eagleson as to the action of the Presbytery of Steubenville is well taken, and, therefore, must be and is hereby sustained.

The Permanent Judicial Commission would further report that from evidence before it in the trial of the above case, the Stated Clerk of the Presbytery of Steubenville failed or refused to send up to the General Assembly the record containing the resolution complained of, even after having been urged by the complainant to comply with the law in such cases (see Chapter IX, Section 85, B. D.), and he is, in the judgment of the Commission, censurable and should be appropriately dealt with by the Presbytery to which he is subject.

THOS. A. MCCURDY, *Moderator.*
SOL. C. DICKEY, *Clerk*

The following was adopted:

Resolved, That the preliminary judgment in Judicial Case No. 1 be and is hereby affirmed as the final judgment of this Assembly.

Judicial Case No. 2.—Rev. Adolph Haberly *vs.* Presbytery of Southern Oregon, and Presbytery of Southern Oregon *vs.* Rev. Adolph Haberly.

In the matter of the complaint of Rev. Adolph Haberly, a member of the Presbytery of Southern Oregon, it appears that charge of conduct unbecoming a minister had been preferred by Rev. Adolph Haberly against Rev. N. D. Shields,

and that thereupon Presbytery adjudged Rev. N. D. Shields not guilty. The Presbytery then preferred charges of slander against Rev. Adolph Haberly and suspended him from the ministry.

Both cases came on for hearing and by consent were consolidated and heard together, both complainant and respondent appearing, and each represented by counsel, without pecuniary consideration or other emolument.

Before your Commission entered upon the consideration of these cases, a suggestion was made and concurred in by all parties in interest, that a conference be held looking to the adjustment of all matters in controversy. Upon suggestion of counsel, before the conference began, prayer was had to guide the parties in reaching an adjustment. Subsequently, counsel reported that a complete settlement of every matter of difference had been reached by and between the parties to the controversy.

Thereupon, your Judicial Commission made the following decision:

First: The settlement reported be and the same is approved.

Second: The charges brought by Presbytery against Rev. Adolph Haberly and the charges brought by Rev. Adolph Haberly against Rev. N. D. Shields are ordered expunged from the records of the Minutes of Presbytery held April 15, 16 and 17, 1913, and all references to both sets of charges and all action of the Presbytery of Southern Oregon thereon are hereby ordered expunged from all Minutes of such Presbytery, and all undistributed printed copies of all of such Minutes are hereby ordered destroyed.

Third: The action of the Presbytery of Southern Oregon in suspending Rev. Adolph Haberly is reversed, and the charge pending against him is dismissed. Presbytery is directed to change its record so as to conform to this judgment.

THOS. A. MCCURDY, *Moderator.*
SOL. C. DICKEY, *Clerk.*

The following was adopted:

Resolved, That the action of the Permanent Judicial Commission in Judicial Case No. 2 be and is hereby affirmed as the final judgment of this Assembly.

Judicial Case No. 3.—Rev. Percival H. Barker *vs.* Presbytery of Neosho.—In the matter of the appeal of the Rev. Percival H. Barker, of Newark, N. J., against the action of Presbytery of Neosho in suspending him from the exercise of the functions of the Gospel ministry on January 14, 1913,

and a year later deposing him from the office of the Gospel ministry, the Permanent Judicial Commission would report as follows:

Charges were preferred by the Neosho Presbytery against appellant, the Rev. Percival H. Barker, and after trial, judgment was rendered against him on the charge of lying, and he was suspended from the exercise of his ministerial functions for the term of one year from January 14, 1913. At a meeting of the said Presbytery held in Iola, Kansas, January 20, 1914, the action taken was as follows, viz.:

"*Resolved*, That we, the Presbytery of Neosho, express our disapproval of the conduct of the Rev. Percival H. Barker in his treatment of the sentence of suspension imposed upon him by us, said suspension to run one year from January 14, 1913, and that we do now depose, without excommunication, the said Rev. Percival H. Barker from the ministry of the Presbyterian Church in the U. S. A., in accordance with the powers of the Book of Discipline, Chapter VI, Section 6, Paragraph 1, which is as follows:

"'A minister suspended from office may, at the expiration of one year, unless he gives satisfactory evidence of repentance, be deposed without further trial.'

"And that the Stated Clerk is hereby instructed to grant Mr. Barker a letter to any local church which he may designate."

Mr. Barker appealed to the General Assembly against the aforesaid action of the Presbytery of Neosho on the following grounds, viz.:

That the said judgment was based on illegal and improper evidence; that the evidence before said Presbytery was not sufficient to justify the judgment appealed from; that the said judgment was unjust; that the members of said Presbytery who participated in the meeting of January 20, 1914, were prejudiced against the appellant and influenced other members against him.

After the reading of the records in the case and the hearing of the parties concerned, both sides being represented by counsel, without pecuniary consideration or other emolument, the Permanent Judicial Commission finds:

First: That the appellant was suspended upon insufficient and improper evidence.

Second: That the appellant did not violate the provision of the Book of Discipline, Chapter VI, Section 41, on the basis of which he was deposed from the ministry of the Presbyterian Church, U. S. A.

Therefore, the judgment of the Permanent Judicial Commission is that the appeal of the Rev. Percival H. Barker

against the Presbytery of Neosho is sustained, and the action of the Presbytery of Neosho on January 14, 1913, suspending the said appellant from the exercise of the functions of the Gospel ministry, for the term of one year, and the action of the Presbytery in deposing him from the office of the Gospel ministry on January 20, 1914, are hereby reversed; and the Presbytery is hereby directed to restore the name of the appellant, the Rev. Percival H. Barker, to the Roll of Presbytery, and to grant a regular certificate of dismissal when so requested by him.

THOS. A. MCCURDY, *Moderator.*
SOL. C. DICKEY, *Clerk.*

The Assembly, on the consideration of the Report, did not adopt the finding of the Commission, but remanded the case to the Presbytery of Neosho for retrial.

The Assembly rose as a Court and resumed current business.

The Committee on Bills and Overtures reported upon documents referred to it, as follows:

I. The Report of "The Federal Council of the Churches of Christ in America." Inasmuch as action has been taken already on the Council, in the Report of the Committee on Church Coöperation and Union, it is recommended that the Report be approved, and that it be printed in the Appendix to the *Minutes*.

II. The Report of "The Alliance of the Reformed Churches throughout the World holding the Presbyterian System." This Report contains Resolutions, which it is recommended should receive the approval of the Assembly, being modified in phraseology where necessary. They are:

1. On the subject of *Foreign Missions:*

Resolved, 1. That the Assembly believes that a new day of opportunity, if not of crisis, is dawning upon the work of Christian Missions, evidenced by the signs of the times, discernible in every part of the mission field and in the marvelous marshaling of the forces of Christianity into what we are constrained to believe is a divinely wrought unity of effort and of aim.

Resolved, 2. That we urge the commendation of the principles and aims of the "Every-member" movement to all our Churches.

Resolved, 3. That we call upon Christian ministers to seek, and Christian parents to give, the very flower of our Christian youth to the help of the Lord in what may be the last assault upon the strongholds of darkness.

Resolved, 4. That we urge, through the properly constituted authorities of our Churches, every member of these Churches, for our missionaries and for the conversion of the world to our Lord Jesus Christ, a new concert of intercessory prayer, from which the voice of not a single heart shall be lacking.

2. On the Quinquecentennial of the death of *John Huss:*

Resolved, 1. That in view of the approaching Quinquecentennial of the death of John Huss, in 1915, and in order that the full significance of this anniversary may be utilized for the benefit and inspiration of our churches, especially in respect to the nature of the true Church and religious toleration, for both of which things he stands out with great prominence in the history of the Church, that the Committees appointed by the Alliance and the Assembly be generously sustained in their efforts to secure a proper observance of this anniversary, and that a general collection in our congregations during that year be gathered to erect as a memorial to John Huss, the Huss House at Prague as a centre of Protestant activity and influence in the land of Huss.

3. *On Evangelism.* The Tenth Council of the Alliance, during its sessions at Aberdeen, Scotland, June, 1913, adopted the following Resolutions on Evangelism, and requested the Supreme Judicatories of the Churches represented in it, to unite with it in the approval of them. Their approval is recommended.

"1. That pastors of churches be urged to present more earnestly and more constantly, both in their preaching and in personal conversation with members of their congregations, the vital necessity of repentance for sin and faith in Jesus Christ as the conditions of pardon and eternal life.

"2. That the Tenth General Council hereby commends to all the Churches represented in it the world-wide movement for evangelization, as it has relation to evangelistic effort within their own bounds, and the cultivation in their ministry and membership, of the evangelistic spirit. We believe that this spirit is fundamental to the success of the work of Christ, not only abroad, but also at home.

"3. That this Council sends out to the Churches a solemn call for a year of intercession, beginning October 1, 1914, for the outpouring of the Holy Spirit throughout the world in both home and foreign fields.

"4. That while this Council cordially approves of and commends all wise methods of evangelism, it would earnestly remind the Churches within its purview that all true followers of Christ are called to evangelistic service as fishers of men; and that the responsibility for such service cannot be disallowed or laid upon others; for which cause parents and

religious teachers, particularly in the Sabbath-school, are urged to emphasize more and more deeply the importance of an immediate acceptance of Christ as the only hope of salvation from the penalty and power of sin."

III. The Report of "The Council of the Reformed Churches in America holding the Presbyterian System." This Council at its recent meeting in Philadelphia took important action on matters of large interest to the seven Churches which constitute its membership. The approval of certain of the Resolutions is asked for on the part of the Supreme Judicatories of the constituent Churches. They are as follows:

1. On Comity in *Home Missions:*

Resolved, 1. That the Synods are hereby directed each to appoint three representatives to act with representatives of other Presbyterian and Reformed bodies in constituting a joint advisory Committee of Comity, for the purpose of effecting a fair exchange of churches, to discourage overlapping of home mission forces, to settle cases of friction, and promote other phases of coöperation in Home Mission work, the joint advisory Committee to report to each of the appointing Synods.

Resolved, 2. That in any city of less than 100,000, where any Presbyterian or Reformed Church is at work among foreign people, no other Presbyterian or Reformed church shall open a work for the same people in that city, until other cities and towns, where such work is needed, have been occupied.

Resolved, 3. That in case of any denomination contemplating opening work for foreigners in such cities already occupied by one of the constituent Churches of this Council, this matter shall be referred to the Committees of Comity, provided for in Resolution No. 1 of this Report.

2. On work among *Colored People:*

1. That the attitude assumed by the Permanent Committee on Colored Work regarding institutional, industrial, Sunday-school and general evangelistic work in cities having a large colored population be strongly commended, and that the Executive Committee of the Council be requested to give emphasis to this feature of the work in its report to the Supreme Judicatories, requesting that so far as funds may allow, and without in anywise doing injury to the established educational and other regular organized forms of work now going on among the colored people, these proposed coöperative methods in the cities be prosecuted as vigorously as possible.

2. In the interests of more effective work and of brotherly coöperation among the colored people themselves, we recommend that the adoption of plans of federation among themselves be encouraged.

3. On Christian as against *Secular Education:*

Resolved, 1. That this Assembly renews with increased urgency its recommendation to Presbyteries for the careful investigation of the whole subject of secular education, with a view of devising some methods of averting the sad results of present inefficiency in the teaching of morals and religion.

Resolved, 2. That the Presbyteries be urged to use their utmost efforts to aid pastors in discharging their teaching responsibility, in the name of Him who commissioned them each and every one to "Feed my lambs."

Resolved, 3. That we ask the Presbyteries to use their utmost influence to impress upon Christian parents their vital relation to the religious and moral future of their children, a relation in which no substitute, however willing and consecrated, can adequately enter.

Resolved, 4. That the Assembly hereby appoints a Committee of three to coöperate with the Council, both in securing facts and formulating plans.

4. On the *Permanent Committees* and Joint Conferences:

Resolved, 1. That the Permanent Committees and Joint Conferences on the coöperative work of the constituent Churches, established on the recommendation of the Council, are Committees of the Council, and are hereby directed to report to the Council, as well as severally to the Boards and Agencies represented.

Resolved, 2. That the Permanent Committees be and are hereby authorized and directed to confer with the regular Committees of the Council, which latter shall represent the Council at the joint meetings.

5. On the *Schaff Christian Unity Fund:*

Resolved, That the Assembly approves of the action of the Council of the Reformed Churches holding the Presbyterian System in creating "the Philip Schaff Christian Unity Fund for the purpose of promoting closer coöperation between the Presbyterian and Reformed Churches in the United States, this Philip Schaff Christian Unity Fund to be invested in the Schaff Memorial Building, the income to be used for the purpose mentioned, and when the organic union of at least five of the Presbyterian and Reformed bodies has been effected, the principal to be placed in trust in the hands of the Publication and Sunday-school Board of the United Church, the income to be used for the purposes of the Board under the direction of the General Assembly of the United Church."

6. With reference to the *Coöperative Work* of the constituent Churches of the Council:

Resolved, 1. That this General Assembly authorizes and directs the Council:

a. To give careful and full attention to the whole subject of closer relations and more effective administrative co-operation between the several Presbyterian and Reformed Churches represented in the Council, with particular reference to the formulation of an effective federation of their plans, work and executive or administrative agencies, both in the home and foreign fields.

b. That the Council shall report its conclusions to the Supreme Judicatories at their meetings in May and June, 1916.

Resolved, 2. That when as many as four of the Supreme Judicatories shall approve the above Overture, the Executive Committee of the Council shall appoint a Committee of members of the Council, not exceeding eleven in number, which Committee shall undertake the duties provided for in the Overture, shall confer with the Boards and Agencies interested in coöperative work, and shall report to the Council at its next meeting, either special or regular.

7. On *Membership.* The reëlection of the members of the Council from this Church is recommended, the Moderator to fill all vacancies.

IV. The appropriations requested by the above general organizations were referred to the Finance Committee for action.

In behalf of the Committee,
JOHN TIMOTHY STONE, *Chairman.*

The Assembly took recess, and was closed with prayer.

FRIDAY, May 29, 2 o'clock P.M.

The Assembly met, was opened with prayer, and resumed its session as a Court.

The Permanent Judicial Commission continued its Report, as follows:

Judicial Case No. 4.—Presbytery of Birmingham *vs.* Synod of Alabama.—In the case of the Presbytery of Birmingham *vs.* the Synod of Alabama, known as Judicial Case No. 4, the Permanent Judicial Commission would respectfully report as follows:

In this case, the appellant, the Rev. H. L. Walker, was adjudged guilty of certain charges, and suspended from the exercise of the functions of the Gospel ministry by the Presbytery of Birmingham. From this judgment and sentence Rev. H. L. Walker appealed to the Synod of Alabama, which

Synod sustained the appeal and reversed the action of the Presbytery of Birmingham.

The Permanent Judicial Commission, having read the records and heard the parties in the case, finds that no question affecting the doctrine or Constitution of the Church is involved, which is the requirement as found in the Form of Government, Chapter XI, Section IV, which reads:

"The Synod has power to receive and issue all appeals, complaints and references that are regularly brought before it from Presbyteries, and to decide finally in such cases all questions that do not affect the doctrine or Constitution of the Church."

The Permanent Judicial Commission finds that the records in this case do not present an appealable case, and that therefore the Permanent Judicial Commission does not possess jurisdiction to try it.

The Permanent Judicial Commission therefore dismisses the appeal for want of jurisdiction.

THOS. A. MCCURDY, *Moderator.*
SOL. C. DICKEY, *Clerk.*

The Report of the Judicial Commission was adopted and the Assembly rose as a Court.

The Permanent Judicial Commission further reported Rules of Procedure in Judicial Cases, which were adopted, and are as follows:

RULES GOVERNING THE TAKING AND HEARING OF APPEALS AND COMPLAINTS.

At the meeting of the General Assembly of 1913, the Permanent Judicial Commission was directed:

"To prepare and present to the General Assembly the form of Complaints and Appeals; together with the proper procedure for bringing cases before the General Assembly."

The Commission, in pursuance of said order, prepared and submitted to the General Assembly, which were adopted, Forms of Appeal and Complaint, Notice, etc., as set out in its *Minutes* (Assembly of 1913, at pages 134 and 135), but did not prepare and submit any form of procedure. Now, therefore, the Commission, in further compliance with said order, submits the following:

Rule 1: It shall be the duty of the Stated Clerk (of Presbytery or Synod) upon the Complaint or Appeal being filed with him, to indorse thereon the date of filing; also to indorse upon the notice the date of its filing. He shall make a complete transcript of all the proceedings upon which the judgment appealed from was founded, which shall include

the original or a copy of the Appeal or Complaint, the original notice or a copy of the Appeal or Complaint, and a copy of all the evidence introduced in the Cause, either documentary or oral. He shall attach together in their proper order all of the documents, papers, etc., above specified as transcripts, and which are made up in civil cases, and he shall attach to such transcript or record his certificate, which shall be in the following form, viz.:

"I, ( ), Stated Clerk of the ( ) Synod or Presbytery, do hereby certify that the foregoing transcript contains the original (Complaint or Appeal) which was filed with me as Stated Clerk on the ( ) day of ( ); the notice or a copy thereof which was filed with me in such (Complaint or Appeal) with the date of the filing thereof; also a copy of the original evidence, which was introduced in the trial of this Cause, both oral or otherwise, and of all other proceedings had in the trial of said Cause, together with a copy of the final judgment entered therein; also the Notice of Appeal and the date indorsed thereon when the same was filed with me."

Rule 2: It shall be the duty of such Stated Clerk to prepare and transmit the transcript to the Stated Clerk of the General Assembly within thirty days after service upon him and filing with him of Notice of Appeal or Complaint.*

Rule 3: It shall be the duty of the Stated Clerk of the General Assembly in transmitting to the Judicial Committee the transcript in any Appeal or Complaint, to also transmit a certified copy of the docket made by him.

Rule 4: It shall be the duty of the Judicial Committee to examine the record and all the papers and documents in all appeals and complaints and determine whether it contains all steps taken by the Synod or Presbytery where the action sought to be reviewed was had. If the Judicial Committee finds that all such precedent action had is properly embraced therein, it shall then certify such case to the General Assembly, which certificate shall be in the following form:

"The Judicial Committee of the General Assembly of 19— hereby certifies that it has duly examined all the papers, documents and records filed with it by the Stated Clerk of the Assembly in the within Case and finds that all steps have been taken which are required by the laws of the Church, in order to properly present to the Permanent Judicial Commission the questions arising therein, and herewith transmits to said General Assembly all such papers, documents and records."

* Note.—See Book of Discipline, Sections 85 and 96.

Rule 5: It shall be the duty of the Stated Clerk of the Commission to docket the records of each of said Causes in the order indorsed thereon by the Stated Clerk of the General Assembly.

The Stated Clerk of the General Assembly is authorized to cause to be printed and distributed to the Stated Clerks of all Presbyteries and Synods, the forms of Complaint, Appeal and Notice, as prescribed by the General Assembly of 1913; also instructions and forms prescribed by this Assembly, under such terms as he may deem proper.

THOS. A. MCCURDY, *Moderator.*

The Standing Committee on the Narrative of Christian Life and Work, through its Chairman, Rev. William A. Kinter, presented its Report, which was adopted, and ordered printed in the Appendix. The members of this Committee, Class of 1914–17, were reëlected.

The Standing Committee on the Narrative of Christian Life and Work also presented its Report on Vacancy and Supply, which was adopted as follows:

The Standing Committee on Narrative begs leave to report on the Report of the Permanent Committee on Vacancy and Supply, as follows:

We have examined with gratification the Second Annual Report of the Permanent Committee on Vacancy and Supply. The Committee has set itself strenuously to the accomplishment of the difficult task assigned it. It has stimulated many Presbyteries to a closer supervision of their vacant pulpits, and has been able itself to assist in locating some 200 ministers.

Four hundred different ministers came to the Committee during the year for needed assistance in locating. "This fact," as the Committee's Report goes on to say, "and the added consideration that the number of men thus coming is steadily increasing, is in itself a commentary on prevailing conditions, and an unanswerable argument for the existence of this agency."

We have also examined "the proposed plan" recommended by this Committee for the adoption of Presbyteries. We take great pleasure in asking the Assembly to adopt the recommendations offered by the Committee, and which are as follows:

RECOMMENDATIONS.

(1) That the General Assembly call the attention of the Presbyteries to the changed economic conditions in this country whereby in recent years the cost of living has materially increased, and urge that the Presbyteries take definite

steps to impress the churches with the duty of furnishing adequate support, to the end that ministers and their families may really be "free from worldly cares and avocations."

(2) That the General Assembly approve the prompt efforts of the Permanent Committee on Vacancy and Supply in seeking to formulate and secure the operation in every Presbytery of a definite plan for dealing with the vacant-church situation.

(3) That the General Assembly approve the principles of the plan recommended by its Permanent Committee on Vacancy and Supply to the Presbyteries, as being adapted to the correction of abuses that have become all too prevalent within the bounds of our Church, and commends this plan as worthy of consideration and adoption by each Presbytery.

(5) That the following members of the Committee whose two-year term expires with this Assembly be elected for the full term of three years, namely, Rev. Drs. John Timothy Stone and William L. McEwan, with Ruling Elders Robert S. Sinclair and Benjamin F. Edwards.

In behalf of the Committee,

WILLIAM A. KINTER, *Chairman.*

The Necrological List was read by the Stated Clerk, and the Assembly was led in prayer by Rev. William O. Campbell, D.D.

Your Committee also recommends the adoption of the following:

Resolved, That the Trustees of the General Assembly be directed to transfer to the Trustees of the Presbytery of Ewing, Synod of Illinois, the proceeds from the sale of forty acres of land devised to the General Assembly by will of Edwin Hedrick, the money so received to be expended in home mission work in said Presbytery.

We recommend the election of four trustees to fill the vacancies now existing in the Board of Trustees, and present the names of Rev. William Hiram Foulkes, D.D., Mr. William Austin Obdyke, Mr. Walter F. Hagar and Mr. John C. McKinney.

In behalf of the Committee,

For Entertainment	*17,000	00
Entertainment and Mileage Funds, balances	6,634	93
Contingent Fund	41,602	61
Total	$103,046	37

There has also been received for Vacancy and Supply the sum of $5,725.46.

The balances of these funds are in the hands of the Treasurer of the Assembly, The Land Title and Trust Co. of Philadelphia.

We make the following recommendations:

1. That the Assembly again urge upon all Presbyteries, including those heretofore exempt, the absolute necessity of their contributing in full to the Mileage, Contingent and Entertainment Funds, and the importance of forwarding these contributions to the Stated Clerk of the Assembly at least ten days prior to its next meeting.

2. That the apportionments for next year be $9\frac{1}{4}$ cents for each communicant, apportioned as follows: To the Mileage Fund, 3 cents; to the Entertainment Fund, 2 cents; to the Contingent Fund, 3 cents; to the Vacancy and Supply Fund, $\frac{1}{2}$ cent; to the Legal Expense Fund, $\frac{3}{4}$ cent.

Reduction in the apportionments is not practicable, owing to the expenses to be incurred in connection with litigation, the addition to the Entertainment Fund, and the provision for the Committee on Vacancy and Supply, ordered by this Assembly.

3. That the Stated Clerk and the Treasurer of the Assembly be empowered, jointly at their discretion, to pay Commissioners such other and further sums as they may consider justly due to them, by reason of their having underestimated railroad charges and other expenses incurred in returning home.

4. That the Stated Clerk and the Treasurer be authorized to have the accounts for Mileage and Entertainment of this Assembly duly audited, after the adjournment of the Assembly.

* A small balance on this payment will be shown after audit.

5. That the thanks of the General Assembly be extended to such railroads and other transportation companies as have carried Commissioners at reduced rates.

6. That the allowance for the entertainment of Commissioners to the General Assembly be fixed at three dollars per day, during the sessions of the Assembly.

In behalf of the Committee,

DAVID J. COLLINGWOOD, *Chairman;*
JOHN G. READING, *Vice-Chairman.*

The Report of the Special Committee on Prison Reform was taken up, and the following was adopted: That the Report be recommitted, and the Committee be enlarged so as to consist of four ministers and three elders, and that the Committee report to the next Assembly.

The Permanent Clerk, by unanimous vote of the Assembly, cast the ballot for the following as Trustees of the Church Erection Fund, and they were declared duly elected: *Ministers*—F. Boyd Edwards, Paul R. Hickok, Ford C. Ottman, D.D., J. Frank Smith, D.D., Newell Woolsey Wells; *Elders*—William L. Strong, George R. Valentine.

For three years: Walter K. Belknap, Roy M. Hart and Henry C. Durand.

The Permanent Clerk, by unanimous vote of the Assembly, cast the ballot for the following as Trustees of the General Assembly, and they were declared duly elected: Rev. William Hiram Foulkes, D.D., William Austin Obdyke, Walter F. Hagar, John C. McKinney.

The Report of the Stated Clerk was presented and adopted, as follows:

The Stated Clerk respectfully reports to the General Assembly:

1. In the matter of the binding and distributing of the Reports of the Boards, that the same has been attended to, in accordance with the directions of the Assembly of 1913, and that the accounts for the same have been duly audited. These accounts will be found printed in the Appendix to the *Minutes*.

It is recommended that the following resolutions be adopted:

Resolved, (*a*) That the Assembly authorize the binding and distribution of 7,500 copies of the Reports of the Boards and Permanent Committees for the ecclesiastical year 1913–14, the expenses of the same to be borne by the Boards.

Resolved, (*b*) That the Boards be requested to deliver the printed sheets of the Reports to the Stated Clerk on or before June 25, 1914.

2. The Assembly is respectfully requested to approve of the continuance of the publication of the Presbyterian Handbook under the editorship of the Stated Clerk.

3. The Stated Clerk would report for the Moderator and for himself the appointments made by the Assembly, for them jointly, were kept in the following manner:

(*a*) That, at the request of the Moderator, the Stated Clerk represented the General Assembly at the one hundred and fiftieth anniversary of the First Presbyterian Church of Baltimore, Maryland. The occasion was an historic one, and the greetings of the Assembly were received with much pleasure.

(*b*) The Moderator sent out a letter to ministers, as directed by the Assembly, and the Stated Clerk was privileged to have a part therein. The letter dealt with the subjects of the Need of Candidates for the Ministry and the Need for Revivals. The letter was printed, and sent to every minister, and is also printed in the Blue Book of this year, as a supplement to the Report on Christian Life and Work (pp. 150–152).

Respectfully submitted,

WILLIAM H. ROBERTS, *Stated Clerk.*

The following Resolutions were adopted:

Resolved, That the Stated Clerk be directed, as usual, to publish the *Minutes* of the General Assembly.

Resolved, That the General Assembly is responsible only for the expenses of its Commissioners and officers in connection with its annual meetings.

Resolved, That the Stated Clerk be authorized to furnish the *Minutes* to such Presbyteries only as have paid in their full quotas to the Contingent Fund.

Resolved, That the Stated Clerk forward a copy of the *Minutes* and the *Reports* to the Ruling Elders who are Commissioners to this Assembly; provided, that the Ruling Elders forward to the Clerk their post-office addresses, and that the Presbyteries which they represent have paid their full quotas to the Mileage and Contingent Funds; also, that he be authorized to furnish the *Minutes* to the lay members of the Boards.

Resolved, That the Moderator be authorized to fill by appointment any vacancies which may occur, by resignation or otherwise, in any of the Special Committees.

Resolved, That the Stated Clerk and the Treasurer be authorized to pay the usual bills and salaries, subject to the

provisions of the Financial Plan of 1912, as amended in 1913.

Resolved, That, as customary, all matters connected with railroad rates and arrangements for the next meeting of the Assembly be committed solely to the Stated Clerk.

Resolved, That the Stated Clerk and the Treasurer be authorized to pay the actual traveling and entertainment expenses of the members of Special Committees, appointed or continued by this General Assembly, and of the Executive and Judicial Commissions, said expenses to be kept within as low a limit as possible; all subject to the Financial Plan of 1913, and other regulations of the Assembly.

Resolved, That the Stated Clerk be authorized to contract for the usual printing of the *Minutes* and the *Manual* of the Assembly, List of Commissioners, List of Overtures, Committee Reports, and all blanks and papers connected with the current annual work of the General Assembly, payment for the same to be made under the regulations of the Financial Plan of 1913.

The Records of the following Synods were approved without exceptions: Alabama, Arizona, Arkansas, Atlantic, Baltimore, Canadian, Catawba, Colorado, East Tennessee, Idaho, Illinois, Iowa, Kansas, Kentucky, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, New England, New Jersey, New Mexico, New York, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, Texas, Washington, West, German, West Virginia, Wisconsin.

The Committee on the Records of the Synod of California reported, recommending their approval, with the exception that the book in which they are printed is not of the required size.

The Committee on the Records of the Synod of Indiana reported, recommending their approval, with the following suggestions:

On page 39, there is record of the approval of the minutes of a Presbytery in "proof-sheet" form, with instruction to the Moderator of Synod, to give them official approval when the book was fully printed. Attention is called to the fact that such approval can hardly be safe, and that the Presbytery might wisely have been directed under the circumstances to present the completed copy of the Minutes at the next meeting of Synod.

The Committee on the Records of the Synod of the Philippines reported, recommending their approval, with the

exception that the record is incomplete with reference to the appointment of Permanent Committees.

The Committee on the Records of the Synod of South Dakota reported, recommending their approval, with the exception that no mention is made of action taken upon the Report of the Committee on the College Board.

The Committee on the Records of the Synod of Tennessee reported, recommending their approval, with the suggestion that an alphabetical list of the ministers of the Synod, with addresses, be printed in the Minutes.

The above Reports were all adopted.

The Report on the Records of the Synod of Utah was referred to the Stated and Permanent Clerks, to determine whether the abbreviations made in said Records were such as to be matters of exception by the Assembly.

The Clerks report that the Records omit the reports of several Committees, which reports, however, are entered as adopted. The Form of Government, Chapter XI, Section 6, makes it the duty of Synods to keep full and fair records of their proceedings, and the Assembly has repeatedly ruled that not only the recommendations, but the full reports of Committees should be recorded. (See Supplement to *Digest*, p. 979.)

The following statement of the action of the Synod of Missouri, meeting of 1913, in the case of William K. Reeme *vs.* J. M. Patterson, is inserted in these *Minutes*, by order of the Assembly. The case was referred by the General Assembly of 1913 back to the Synod for further action, in the light of the deliverances of the General Assembly. (See *Minutes* of General Assembly for 1913, p. 82.) The Minutes of the Synod of Missouri show that the Synod of Missouri again carefully considered the whole subject, and approved the following recommendation of its Judicial Committee, viz.: "Your Committee reports to the Synod that in its present action in dismissing this appeal and in affirming its former action in the case of Reeme *vs.* Patterson, the Synod is acting fully in accordance with the directions of the General Assembly at its session at Atlanta, Ga., May 19, 1913."

The following, moved from the floor, was adopted:

That this General Assembly expresses its appreciation of the efficient and faithful services of the Assistant Clerk, Rev. James M. Hubbert, D.D.

The following communication from Cumberland University was received, and the elections noted were confirmed:

LEBANON, TENN., May 19, 1914.

To the General Assembly, Presbyterian Church, U. S. A., in session at Chicago, Ill.:

The Board of Trustees of Cumberland University respectfully represent to your reverend body that, for causes which could not be avoided, and connected with certain litigation in the Courts, now happily ended, it has been unable to report, for ratification by your body, appointments made to the Board during the last five years.

The Board now reports the following members, all of whom have been elected during the said period of five years, and whose term of office is indicated opposite each name respectively, and asks your reverend body to ratify and confirm the same, to wit: W. M. Cosby, elected May 21, 1910, expires May 15, 1915; W. E. Settle and A. W. Hooker, elected May 12, 1911, expires May 15, 1916; S. R. Williams and J. L. Weir, elected May 22, 1912, expires May 15, 1917; A. B. Martin and R. P. McClain, elected May 27, 1913, expires May 15, 1918; E. E. Beard, elected May 16, 1914, expires May 15, 1919.

There is one vacancy remaining on the Board which will be filled and reported later.

Respectfully submitted,

ANDREW B. MARTIN,
Presbyterian Board Trustees,
Cumberland University.

A. W. HOOKER, *Secretary.*

The following was adopted:

Resolved, 1. That the Moderator appoint a Committee of five ministers and two elders in connection with the commemorative exercises of the Huss Semi-millennial Anniversary, the Committee to name a person or persons to take part in the exercises, if necessary, and also to secure and forward funds to aid the Reformed Church of Bohemia.

Resolved, 2. That the Board of Publication and Sabbath School Work be authorized and directed to prepare a programme for use by the churches in connection with these commemorative exercises.

The Moderator appointed the following Committee: *Ministers*—William L. McEwan, D.D., John Timothy Stone, D.D., J. Ross Stevenson, D.D., W. H. Roberts, D.D., George Wales King; *Elders*—A. C. Robinson, Charles T. Thompson.

The Roll of the Standing Committees was called, and they, having reported their work completed, and papers

returned, were discharged, as follows: Bills and Overtures, Judicial Committee, Church Polity, Foreign Missions, Home Missions, Education, Publication and Sabbath-school Work, Church Erection, Theological Seminaries, Ministerial Relief, Freedmen, Colleges, Correspondence, Narrative, Temperance, Leave of Absence, Presbyterian Brotherhood, Mileage and Finance.

The Minutes of to-day's sessions were read and approved.

The Committee on Resolutions of Thanks, through its Chairman, Rev. DeWitt M. Benham, presented the following Report, which was unanimously adopted:

It is with a deep sense of gratitude to Almighty God that the 126th General Assembly of the Presbyterian Church in the U. S. A. records its conviction of the unfailing presence of the Holy Spirit throughout its deliberations. Sweet have been the evidences of Divine direction which have attended the sessions of this Assembly. In the transaction of business and in social intercourse, the Commissioners have experienced the loving influence of their gracious Lord.

We record our appreciation of the Christian courtesy and brotherly feeling which have characterized our conferences, and which has seemed an evident answer to the desire expressed in the sermon with which the Assembly opened, and the sacramental service in which the members pledged their love to Christ and to each other. From the beginning of the Assembly to its close but one thought has moved us, and that is the glory of God in the service of His Church.

1. We record our appreciation of the genius, fairness, good judgment and decision of our Moderator, Rev. Maitland Alexander, D.D. His skill as a presiding officer has rendered possible the transaction of a large amount of business within a brief limit of time; his patience and good humor have never failed him, and he has dropped into the position of Moderator like one "born to the purple."

2. We express our thanks for the services rendered by the Vice-Moderator, Dr. George W. Bailey. It affords the Assembly pleasure to place this honor upon a ruling elder, and to acknowledge the graciousness with which the duties of the office have been discharged.

3. We congratulate the General Assembly in having as its Stated Clerk one who has so long, so faithfully and so intelligently served the Presbyterian Church. We stand always ready to acknowledge the gifts and graces of the Rev. William Henry Roberts, D.D., LL.D., who has been called of God for this work to which he has seemed divinely fitted. He

has been termed the "Encyclopædia of Ecclesiastical Law"; but if so, we recognize in him a "living epistle" bearing the seal of the Master's hand.

4. We also congratulate the Assembly in having as its Permanent Clerk one who for fifteen years has efficiently discharged the duties of his office, and who in clear English style has so recorded the minutes that they utter "no uncertain sound." For the painstaking service which he has rendered during these many years we offer to the Rev. William B. Noble, D.D., in the name of the Presbyterian Church, our heartfelt thanks.

5. We are grateful to the Assistant Clerk, Rev. James M. Hubbert, D.D., whose powerful voice has carried its message to the utmost corner of this building; to the Temporary Clerks, Rev. James Frothingham, Rev. William T. Jaquess, D.D., Rev. Roland E. Crist, Ruling Elder Penrose R. Perkins; and to the representative of the Treasurer of the Assembly, Mr. L. A. Davis, of Philadelphia. The skill and faithfulness of these men has greatly aided the Assembly in performing its work with accuracy and expedition.

6. We acknowledge with enthusiasm our appreciation of the genial disposition and generous hospitality of our pastor-host, of the Fourth Presbyterian Church of Chicago, in whose beautiful new buildings the General Assembly has held its sessions. To the attractive personality of the Rev. John Timothy Stone, D.D., the members of the Assembly are in no small measure indebted for the comfort and happiness which has attended their sojourn in Chicago. We congratulate our Ex-Moderator on the completeness of the equipment of this church for the great work, which, under his capable leadership, the congregation has undertaken; and we assure him that we have found these buildings most commodious and adaptable to the uses of the Assembly. Our prayers ascend for the divine blessing upon him and upon his congregation.

7. We record our grateful appreciation of the thoughtfulness and kindliness of the members of the General Committee of Arrangements, who, under the Chairmanship of Mr. E. H. Smith, have made our stay in Chicago not only comfortable, but delightful. We express our thanks to the Treasurer, Mr. John Broeksmit; to the Committee on Reception, Mr. James B. Forgan, Chairman, which not only arranged to meet the Commissioners upon their arrival, but planned a charming reception at the Hotel La Salle; to the Committee on Hospitality, Mr. C. H. Sudler, Chairman, and Mr. A. R. Craig, Assistant; to the Sight-seeing Committee, Rev. Edgar P. Hill, D.D., Chairman, for a most enjoyable and interesting automobile ride, which gave us a rapid review not

only of the beauties of the city, but of its philanthropic and religious enterprises. We acknowledge our indebtedness to the Pulpit Supply Committee, Rev. J. G. K. McClure, D.D., Chairman; to the Finance Committee, Mr. Thomas D. Jones, Chairman; to the Information Bureau, in care of Messrs. Lloyd Ruland, H. L. Smith, and E. F. McKee; to the Press Committee, Mr. Oliver R. Williamson, Chairman; and to the Public Meetings Committee, Rev. Norman B. Barr, Chairman. The popular meetings were an inspiration to the Assembly, and we are united in testifying to their helpfulness.

8. We would thank the organist of the Fourth Presbyterian Church, Mr. Eric Delamarter, and those who assisted him in musical service. Nor would we forget the steward and the caretakers of this church, nor the pages, who have rendered unfailing attention and thoughtful courtesy.

9. We thank the Newspaper Press of Chicago for the space allowed in their crowded columns, to affairs of vital interest to us and to the Christian Church.

10. We appreciate the attention of the U. S. Postmaster of Chicago in providing the Assembly with special mail facilities.

11. We are grateful for the hospitality of the Christian people of Chicago, for their interest in the sessions of the Assembly, and for the fraternal feeling which they have shown during our stay in the city.

And now, as we part, we invoke God's blessing upon the great Church which we have represented in our deliberations, and which is engaged in a world-wide work for the extension of Christ's Kingdom. We have dealt with profound policies which extend to the utmost corners of the globe, and we beseech the Lord who has commissioned us to disciple all nations, to aid us in the full use of that power for witness-bearing which He has so freely placed at our disposal. May we rejoice to say not merely that "God is with us," but rather that "WE ARE WITH GOD"; and may the business of this Assembly redound richly to the honor of His name.

DEWITT M. BENHAM, *Chairman.*

ADDENDA.

Permanent Judicial Commission.

The Judicial Committee, see page 140, reported to the Assembly the case of Pool *vs.* the Synod of Montana, and the recommendation of the Committee that it be referred to the Permanent Judicial Commission was adopted. The action of the Judicial Commission, as reported after the adjournment of the Assembly, by the Secretary of the Commission, was as follows:

"After reading of records, and general discussion, Judge Williamson made motion as follows, which was carried: 'It appearing in this case that the notice required in Section 96 of the Book of Discipline was not given, therefore this Commission has no jurisdiction to consider the case. It is therefore ordered that this case is hereby dismissed.' It was moved and carried that the Secretary of the Commission send the papers of Rev. Francis W. Pool back to the Stated Clerk of the General Assembly, which was seconded and unanimously carried."

I. Narrative, Necrology, Correspondence, etc.

I. REPORT OF THE STANDING COMMITTEE ON THE NARRATIVE OF CHRISTIAN LIFE AND WORK.

This has been in the main an unusually prosperous year within all the borders of our great Church, the best year in all our history. As you read the reports the song and shout in you are frequently aroused. But facts make it necessary for us to say also that often the tear is started and the head is bowed. We will try to suppress neither the note of gladness nor sadness that you may understand the true state of religion within the Church.

MEMBERSHIP.—The membership of the Church at the close of the ecclesiastical year, March 31, 1914, was 1,464,490.* The whole membership of the year previous was 1,415,872. This is an increase of 48,618 members to our roll, as against an increase of 28,005 for the year 1913. During the past year there have been added to the Church on Confession of Faith 92,479 souls. The committee calls your attention to these splendid figures with singular gratification and delight. This is the high-water mark in our Church's evangelistic history. There is no intelligence that will go out from this Assembly through the Church, North, South, East and West, that will be received more joyfully than this of the great success which has attended the preaching of the Gospel among the non-believers during the year that has just closed. And yet, brethren, it might have been better. Do you know that in our Church there were, in the year 1913, 3,434 churches that reported no additions on Confession of Faith and 2,561 churches that reported only five additions each? And the large majority of these churches had pastors and all had elders. Could not these pastors and elders, if there had been in their breasts a spark of interest in evangelism, have at least induced one child, raised in a Christian home, to have stepped forward from the borders of the Sabbath-school and openly committed itself to Jesus as Saviour and Lord, thus saving each church the disgrace of being reported with a "zero" in its "Added on Examination" column? Fully half the churches on the Assembly roll are evidently quite apathetic on this subject of evangelism. Surely, there remains very much land for our Evangelistic Committees of Assembly, Synod and Presbytery yet to possess. And when they possess it it will be quite easy for our Church to report in a year 100,000 accessions on confession of faith. It is to be noted also that young men are called into the ministry and young women are led to consecrate themselves to missionary service in seasons of revival, both of which considerations increase the imperative demand that the Church throughout its borders be fully awake to its evangelistic responsibility.

Your Committee feels justified in calling special attention to the activity of the Pittsburgh Presbytery in the field of evangelism during the year just closed. Never in the history of our beloved Church has a Presbytery received so many accessions to its churches on confession of faith as Pittsburgh Presbytery received in 1913–14. And we may be pardoned for felicitating ourselves on the reflection that our present Moderator was one of the most active agents in bringing about these high results.

* These figures are tentative, not final.

There is another item in this part of our report to which we would like to call special attention. Our Church reports on its roll of 1913, 9,252 ministers and 9,891 churches, but 1,572 of our ministers, not including professors or teachers or evangelists or stated supplies or honorably retired, are without churches; and 1,931 of our churches are without pastors. Surely, the Committee on Vacancy and Supply has come to the kingdom for such time as this. The Church should withhold no encouragement that she can give, from this agency of her recent creation, that she may be successful in formulating and carrying out plans by which these unused resources of the Church can be made available for the Kingdom.

It is heartening to note that the morning services are well attended, and it is hoped that some means, through our Brotherhood or otherwise, may be devised whereby the evening services may be brought up to the same standard. We fail to find a single Synodical report which shows an increase in prayer meeting attendance.

Advance information from the Stated Clerk gives us considerable ground for encouragement in regard to that black-faced monster, the "Suspended Roll." A great deal of scorn and sarcasm have been hurled against it in the last two years and, we are glad to say this morning, not without results.

In 1911, 54,143 were put on the suspended roll. In 1912, 51,266; in 1913, 50,927; this year, 49,088. Better still, there were restored to full communion in 1913, 7,206. But in the year just closed these figures were more than doubled; 15,361 will be reported in the "Restored" column in the Minutes of 1914. Those who have been laboring night and day, like good Nehemiahs, to restore this breach in the wall of Zion have every reason to be encouraged.

Sabbath-schools and other Organizations.—Among our societies and organizations the most flourishing are the Sabbath-school and the women's societies. The Brotherhoods are not generally organized, but where organized are seemingly rendering helpful service. The reports are not universally encouraging about the young people's societies. It is interesting to note the frequency with which sentences like these occur in the reports: "35 per cent. of the Additions on Examination come from the Sabbath-school," "Our Sabbath-schools furnish at least one-half of the increase by Confession of Faith," "A large percentage of accessions come from the schools," "The increase in church membership comes largely from the Sabbath-school." It seems as if a church will have no trouble in growing if it cultivates the Sabbath-school. The *Minutes* of 1914 will show a Sabbath-school enrollment of 1,309,975, as against 1,265,439 for the year 1913, a gain of 44,536 scholars.

Benevolences.—On the matter of Benevolence the Synodical reports are very encouraging, 22 per cent. of the 32 Synods responding report gains. In some cases the gains are slight, but in general they are considerable. "Marked Advance" is not infrequently the language of the reports. "Best year yet" is the ringing news from Oregon; "33 per cent. increase" is Tennessee's challenge to the other Synods of the Church.

Considering the financial stringencies of the past year, this showing is encouraging. Is it not to be attributed to the fact that (as the reports testify) everywhere the Church's finances (benevolent as well as local) are being put on a basis of business efficiency as never before? But all goals here have not been reached. The time for the folding of hands has not yet come. There is still much work for the "Every-member Canvass" campaigners and the friends of more business and Scriptural-like methods in giving. But something has already been attained in methodical finance or we would not have been able to make the advance which the Committee has just reported on our part in this year of financial stress.

There are three clouds, however, on the otherwise rather fair and pleasing landscape of our benevolences, and it must be admitted they are pretty large ones, for they are cast by the great Synods of Illinois, Pennsylvania and Ohio. Illinois reports a decrease in contributions to the Boards. Pennsylvania reports an increase to some of the Boards and a decrease to others. It is not specific either in names of Boards or amounts. Ohio advanced in the benevolent contributions by $5,674 to the Boards of Sabbath School Work, Church Erection and Freedmen; but for all the other Boards there is a decrease of $33,360. We do not have the amounts of the decrease in Illinois and Pennsyl-

vania, but they must be considerable. The deficiency reported by some of the Boards would not have been nearly so large as it is if these great States and Synods could have, like their sister Synods, gone forward instead of backward in the matter of their benevolence. Our Church has contributed during the past year for all purposes, at home and abroad, the splendid sum (and here again we are outstepping any years of our past) of $27,122,365.

Family Religion.—The reports on the subject of Family Religion make it evident that the religious life of the family is far short of what it ought to be, and maybe was in earlier days. Parents, according to the reports, are faithful in presenting their children for Baptism, but seem to think that this is all that is expected of them. They let roll off them too easily the sacred duties laid upon them at the baptismal font, "to pray with and for their children and to train them up in the nurture and in the admonition of the Lord."

The Church, realizing the backwardness of the home to-day in the work of building up the child and youth into the mind and spirit of Christ, is lending itself with new energy to the maintaining in highest efficiency its Sabbath-schools and young people's societies. And this is good. But the home also has its work to do. If it fails to do it the child of to-day will come into his maturity lacking a certain delicate but definite touch of spirituality he otherwise would have had.

The churches and the home, in their work with the child, do not duplicate each other. They supplement each other. You have noticed how there is a duality, that is seemingly divine, running through all nature. Night and day, morning and evening, man and wife. Here is another of them: the church and the home. "What therefore God hath joined together, let not man put asunder."

Brethren, let us go to our homes resolved to give such testimony in favor of the restoration of the family altar as we have never given before. We are told, too, of the neglect to ask God's blessing at the family meal. It is but a little thing to do, to give thanks where thanks are due, and to implore a blessing from Him from whom all things come. But, besides, it is a simple way of bearing testimony to our guests around our table that we are on the Lord's side, and helps to fill the home with the atmosphere of prayer. May we ministers resolve to present these interests and duties more frequently and earnestly in our pulpit ministrations. And, brethren, let us do this in the interests of a more spiritual Presbyterianism.

"I love Thy kingdom, Lord!
The house of Thine abode;
The Church our blest Redeemer saved
With His own precious blood."

For the Committee,
WM. A. KINTER, *Chairman.*

II. REPORT OF THE SPECIAL COMMITTEE ON CHRISTIAN LIFE AND WORK.

The Committee on Christian Life and Work respectfully submits to the General Assembly its Eighth Annual Report. The subjects presented in the Report are as follows:

XIX. Comity.
XX. Resolutions.

I. Purposes.—In order to make clear the purposes of the Committee, the action of the General Assembly of 1906, constituting the Committee, and indicating its sphere of work, is here quoted in full:

"It is recommended that the following resolution be adopted:

"That a Special Committee on Christian Life and Work is hereby appointed, to consist of eleven members, of whom two shall be the Moderator for the time being and the Stated Clerk; the other nine members to be appointed by the Moderator. Of the nine members to be appointed, one-third shall be changed each year. The duties of the Committee shall be to consider and report upon the Narratives of Christian Life and Work from the Presbyteries, annually prepared for the Assembly, and also to report from their own knowledge upon any related matters connected with the general spiritual condition of the Church. The Committee shall not report upon any matters within the jurisdiction of other Committees, or of the Boards and Agencies of the Church. The Stated Clerk of the Assembly shall be the Secretary." (*Minutes*, 1906, p. 222.)

In the performance of its duties, the Committee, each year, has acted through sub-committees, and their reports on special subjects are made parts of this Report.

II. Meetings.—The Committee held during the year four meetings, each at Philadelphia, Pa., the dates being November 25 and December 16, 1913, February 23 and April 3, 1914. For the careful consideration of all subjects entrusted to the Committee, an Executive Committee was constituted, as in previous years, composed of members residing in and near Philadelphia and New York.

III. Membership.—The membership of the Committee is composed of three classes serving each for three years. The class whose term expires this year is composed of John F. Carson, D.D., Alfred H. Barr, D.D., and Mr. Andrew Stevenson. The Committee refers the matter of the election of members to the Assembly. Mr. J. Fithian Tatem, of the class of 1915, resigned his place and the Moderator appointed in his stead Mr. Thomas J. Arnold. It is recommended that Mr. Arnold be elected to the class of 1912–1915.

IV. Synodical Narratives.—Attention is drawn again to the fact that the Synods hold a highly responsible place in the administration of Church affairs, as is shown by the provision found in Chapter XI, Section 4, of the Form of Government, where it is said that the Synod has power "finally to propose to the General Assembly, for its adoption, such measures as may be of common advantage to the whole Church."

With a view to utilizing in part this constitutional power, the General Assembly, now for two years in succession, has made the Stated Clerks of Synods advisory members of the Committee on Christian Life and Work; has requested each of the Synods to appoint a Standing Committee on Narrative, and to place the report of this Committee on the docket at a morning session, to be accompanied with exercises of praise and prayer. It is felt that each of the Synods should in some manner provide for this Report, and regret is expressed that some of them have not as yet complied with the recommendation of the Assembly. Further, we note that the following Synods have made no report upon the Narrative of Christian Life and Work in their Synodical Minutes: California, Canadian, East Tennessee, Idaho, Mississippi, Philippines, Texas, Utah and West, Ger. The reports, either in printed or manuscript form, received by the Assembly's Committee, are presented below in concise form, and, in so far as practicable, under the main heads given in the Annual Congregational Narrative of Christian Life and Work. These are as follows:

1. Membership and Services,
2. Sabbath-schools,
3. Societies,
4. Spiritual Conditions,
5. Family Religion,
6. Benevolence,
7. Miscellaneous.

I. Alabama.—Increasing activity and progress in Sunday-school lines. Young People's Societies developing greater efficiency.

II. Arizona.—There have been 296 additions on examination during the year. Of this number, 86 have been reported by Indian and Mexican churches, and 210 by American churches; ten churches report no accessions on profession of faith.

III. Arkansas.—Seven or eight hundred additions by examination during the past year, about half of this number having come in through special tent meetings, which have quickened the religious fervor of the people. A notable work has been done in the erection of churches and manses.

IV. Atlantic.—(1) *Membership and Services:* Increase in membership has been steady and constant. Regular preaching services are conducted in nearly every church, at least twice a month in the rural districts, and as often as twice a Sabbath in larger towns and cities. Mid-week prayer service is by no means popular with our best members.

(2) *Sabbath-schools:* There is a Sunday-school in connection with every church. A large number of schools are at some distance from the mother schools. The Westminster Lesson Helps, the Westminister Shorter, and the Catechism for young children are universally taught.

(3) *Societies:* Nearly every church has a Woman's Home and Foreign Missionary Society. The Brotherhood has not made much headway. The Y. P. S. C. E. is organized in some form in nearly every church.

(4) *Spiritual Conditions:* Nearly all of the churches have held evangelistic services during the year, and quite a number of adult accessions have been made.

(5) *Family Religion:* The number of infants baptized and the large attendance in Sabbath-schools indicate a growing tendency toward the establishment of the family altar.

(6) *Benevolence:* An increase of contributions for all of the Boards, but very little progress reported on the Budget plan.

V. Baltimore.—(1) *Membership and Services:* Received on examination, 1,399, a gain of 193 over the preceding year. A great majority of churches have two Sunday services.

(2) *Sabbath-schools:* From the Sabbath-schools have come a large proportion of those entering the churches.

(3) *Societies:* While there has been an encouraging enlistment of men in Brotherhoods and similar organizations, there is a great disparity between the number of men and the number of women connected with the local societies of the churches. It seems that only a few ministers and elders are giving serious attention to the problem of securing the interest of the boys in church work.

(5) *Family Religion:* Parents are generally faithful in presenting their children for baptism, but the family altar is obsolete or obsolescent.

(6) *Benevolence:* Almost all the churches have contributed to each of the Boards, and there has been an advance in these contributions.

VI. California.—(No Report.)

VII. Canadian.—(No Report.)

VIII. Catawba.—(1) *Membership and Services:* Number of communicants, 11,547, a gain of 764. The majority of churches have two preaching services on the Sabbath; the morning service is a real and spiritual vital force, while the evening service is rather of a formal and perfunctory nature, with a small attendance. The weekly prayer meeting in most of the churches is numerically weak, the attendance being less than 10 per cent. of the church membership, and is wanting in spiritual interest.

(2) *Sabbath-schools:* The membership is 10,999, an increase of 628. The Catechism is taught in many of the schools, but not effectually. The increase in church membership comes largely from the Sabbath-schools. Organized Bible classes are proving helpful in bringing people to the Sabbath-school.

(3) *Societies:* Men's Societies are not general, and interest is waning in those that do exist. Effective work is being done by Ladies' Home and Foreign Missionary Societies, which are a potent influence in the growth of the Kingdom. The number of Young People's Societies now active in the Synod is small.

(4) *Spiritual Conditions:* There has been a general gathering of souls into the Kingdom, also a special season of refreshing.

(7) *Miscellaneous:* The desecration of the Sabbath is a growing evil. The cause of temperance is receiving much attention.

IX. Colorado.—(1) *Membership and Services:* Net gain in membership, 1,140. Added on examination, 1,422.

(2) *Sabbath-schools:* The schools have done excellent work. The Shorter Catechism is taught in but few schools. The Westminster Helps are generally used. Enrollment in teacher training classes, 292. Total membership, 23,738. Scholars received into churches on examination, 530.

(3) *Societies:* A very small percentage of churches report societies for men, but the women are busy and alert with their organizations, and there is activity also with the young people.

(4) *Spiritual Conditions:* There is a growing disposition to give instruction to the young people, preparatory to Communion.

(5) *Family Religion:* Parents generally are faithful in presenting their children for baptism, and the family altar has been erected in many homes.

(6) *Benevolence:* The plans for benevolences are many, but there seems to be indifference to the General Assembly's instructions.

(7) *Miscellaneous:* The Every-Member Canvass is being pushed in a promising way. The financial obligations of congregations are generally met with promptness.

X. East Tennessee.—(No Report.)

XI. Idaho.—(No Report.)

XII. Illinois.—(1) *Membership and Services:* Total membership, 100,566. Coming in by the three front doors of confession, letter, and restoration, 10,647; going out by the three back doors of dismissal, suspension and death, 10,025, the net gain being 622. On an average, each church gains one member a year. In only a few churches are the services attended by a noticeable number of youths and children. Non-church members make about 5 per cent. of the audiences. Not more than three-fourths of the churches attempt to maintain a weekly prayer meeting, which is usually attended by about a tenth of the church members. As to the attendance at preaching services, 30 per cent. of the membership in the morning and 20 per cent. in the evening is the average proportion.

(2) *Sabbath-schools:* Two-thirds of the churches have schools, with an aggregate enrollment of 92,139.

(3) *Societies:* Most of the churches have Women's Societies of various descriptions. Half the churches have Young People's Societies; a much smaller number have Brotherhoods, and some have other organizations for men.

(4) *Spiritual Conditions:* A Pentecostal visitation, with a mighty enduement of the Holy Spirit, is sorely needed.

(5) *Family Religion:* There has been a complete downfall of the family altar, and the consequent damage to church and home life is beyond human estimate.

(6) *Benevolence:* Gifts to the Boards have considerably decreased, while miscellaneous benevolences have almost doubled.

(7) *Miscellaneous:* Very few churches fail to meet their local financial obligations promptly. But financial methods, local and for benevolences, have been brought to a basis of business efficiency in but very few of the churches.

It is impossible to frame an illuminating Synodical Narrative, owing to the vague, inaccurate, and fragmentary Narratives received by the Presbyteries from the churches. "Hazy generalities, swollen estimates, and the omission of all answers to inconvenient questions, constitute a very unworthy method of reporting on the business of the King."

XIII. Indiana.—(1) *Membership and Services:* Total membership, 50,345, showing a net gain of 181. Only 40 per cent. of the churches have weekly prayer meetings, and only about 10 per cent. of church members habitually attend.

(2) *Sabbath-schools:* A slight decrease in total membership. No evidence that the Shorter Catechism is growing in favor. Teachers' meetings rare. Libraries scarce. A marked improvement in adult Bible classes.

(3) *Societies:* Not much stability in the organized work for men and the young people, but women's work is encouraging.
(5) *Family Religion:* Ministers urge upon their people the duty of maintaining the family altar, but not with encouraging results.
(6) *Benevolence:* A slight increase in offerings made for benevolent objects.
(7) *Miscellaneous:* The budget system, the duplex envelope, and the Every-Member Canvass have brought in a marked advance in the financial affairs of many of the churches of the Synod.

XIV. Iowa.—(1) *Membership and Services:* The year has been marked by many additions to the churches. Services have been generally maintained.
(2) *Sabbath-schools:* A religious education campaign has been inaugurated in which each Presbytery plans to give the Sunday-school teachers and workers an opportunity to learn new methods and secure training in Bible study and pedagogy. Men's Bible classes are making progress, one church having a class of over 300 members.
(4) *Spiritual Conditions:* The general condition is good.
(7) *Miscellaneous:* An Inter-Church Federation, to promote the spirit of Christian Unity, has been formed, with seven denominations participating. It has done much to promote comity, coöperation, and fellowship in worship and service among the different churches.

XV. Kansas.—(1) *Membership and Services:* Communicants, 39,494, a gain of 824. Received on examination, 2,627. Sabbath attendance and prayer meeting interest might be better. Interest growing for the Church.
(2) *Sabbath-schools:* Number in organized Bible classes, 2,694. Nearly three-fourths of all schools use Westminster Helps. A slight gain for Catechism.
(3) *Societies:* Greatest need among men is for "training classes for elders, deacons, teachers, personal workers, and leaders." Women's work well sustained. "Much to encourage in Young People's Work."
(4) *Spiritual Conditions:* Deep and earnest; pulpits well supplied.
(6) *Benevolence:* Aggregate gain $3,991. Budget plan increasing in favor.

XVI. Kentucky.—(1) *Membership and Services:* A net gain of 375 in membership and 303 were added on examination. In many country churches there are preaching services but once or twice a month. Where services are held weekly, usually there is preaching twice on the Sabbath, with the larger attendance at the morning hour. In the country churches there is a better attendance of children at the preaching services than in the cities and towns. The absence of non-church members is lamentable everywhere. Prayer meetings are poorly attended.
(2) *Sabbath-schools:* The total membership is about the same as it was last year. The Shorter Catechism is taught in a majority of the schools of some of the Presbyteries. The Westminster Helps seem to be generally used.
(3) *Societies:* Presbyterial reports do not mention men's organizations, but a good work is being done by Women's Aid and Missionary Societies and by Mission Societies and Bands for young people.
(4) *Spiritual Conditions:* Congregations generally report their spiritual conditions as fair; and Presbyterial institutes and revival meetings have been productive of much good.
(6) *Benevolence:* Presbyterial reports indicate that there has been an increase in offerings for the Boards.
(7) *Miscellaneous:* The support of the churches is by voluntary contributions, and the financial obligations of the congregations are promptly met, as a general thing.

XVII. Michigan.—(3) *Societies:* The Brotherhood Movement is not generally prosperous, although in several of the Detroit churches, in the Warren Avenue Church of Saginaw, in the Battle Creek Church at Wyandotte and in some other churches it seems to be flourishing. But as a rule this is not true.
(4) *Spiritual Conditions:* Our Synod, at its meeting last October, secured as Synodical Evangelist, Rev. Walter Russell, of Chicago, who has held very helpful meetings at Hillsdale, South Lyon, Croswell, Monroe, Blissfield and in three Detroit churches. Additions on confession of faith this year are certainly greater than for some time. Home Missions in Michigan is not in an encourag-

ing condition, but there is greater interest than ever in Foreign Missions, and particularly in China.

(6) *Benevolence:* Every-Member Canvass was not taken hold of as promptly as it should have been, but has been adopted very generally for year beginning April 1, especially in Detroit Presbytery.

(7) *Miscellaneous:* A notable victory for Temperance was gained this spring when Ingham County, where Lansing, our State Capital, is located, went "dry." There is decided temperance progress in Michigan.

XVIII. Minnesota.—(1) *Membership and Services:* Presbyterial reports concerning the prayer meeting are very saddening.

(2) *Sabbath-schools:* The status is not made very clear by reports sent in, but advance seems to have been made, and a large percentage of accessions to the churches has come from the schools.

(3) *Societies:* Much need for work among men, but little effort in that direction. Excellent work accomplished by Women's Societies. Good progress made by the Young People's Societies, there being now 214 of these in the Synod, with a total membership of 6,169, this being a net gain of 1,112 for the year.

(4) *Spiritual Conditions:* Nothing worthy of mention in the way of revivals in any of the Presbyteries.

(5) *Family Religion:* As to the family altar, "the light is but dimly burning, and unless the Lord soon breathe upon it and stir it into a flame, it will speedily go out." Of those received into the membership of the Church, the number baptized in infancy seems to be fairly good.

(6) *Benevolence:* Advance has been made in the department of finances and benevolences.

(7) *Miscellaneous:* Special days seem to be fairly well observed throughout the Synod.

XIX. Mississippi.—(No Report.)

XX. Missouri.—(4) *Spiritual Conditions:* The opinion is that this year Missouri churches have received more members on profession of faith than during the previous year. Of our 498 churches, 165 were reported vacant at the time of the meeting of the Synod, October, 1913, and the probability is that they are still vacant. We have neither the men nor the means to supply them. The churches of the cities increase, but it is an exception where any material increase is reported from a church in a small town or a country community.

(6) *Benevolence:* So far as known, contributions to the Boards will prove to be in excess of what they were last year. Definite information from many points shows that "The Every-Member Canvass" was successful, causing deep interest to be taken in all parts of the State.

XXI. Montana.—(1) *Membership and Services:* Total membership, 6,657, a gain of 224. Added on examination, 378. The great majority of churches have two preaching services on Sabbath. The number of children in attendance at church services is very small. By means of special sermons, sermonettes, personal invitations, and rewards offered by Sunday-school Superintendents, efforts have been made to increase church attendance on the part of children; but such efforts do not seem to have been general, nor have they been very successful. The attendance of non-church members averages 50 per cent. The midweek prayer meeting is generally held, but the attendance is comparatively small.

(2) *Sabbath-schools:* The Catechism is practically neglected in all the Presbyteries, churches and Sunday-schools. The Westminster Helps are generally used. The total membership is 6,657, a decrease of 510.

(3) *Societies:* There are a few Brotherhoods and some other less known organizations for men, and these are doing helpful service. There are strong and useful societies for women, such as Missionary and Ladies' Aid Societies. There are many flourishing Young People's Societies, such as Christian Endeavor and Boy Scouts, etc.

(4) *Spiritual Conditions:* These are variously reported from the several Presbyteries, but encouraging words may be used concerning the condition of the Synod as a whole.

(5) *Family Religion:* Family worship practically neglected.
(6) *Benevolence:* Contributions to the benevolent agencies of the Church, $8,825, against $8,815 for the previous year, a gain of only $10, but there is encouragement in this showing, considering financial stringencies.
(7) *Miscellaneous:* Referring to the Church's political and social environments, the Presbyterial Reports stress the public evils of horse-race gambling, prize-fight laws, the social evil, divorce, the saloon, etc.; nevertheless, it is believed that the moral and spiritual tone of the State is improving.

XXII. NEBRASKA.—(1) *Membership and Services:* Total membership, 20,105, a gain of 246. Received on examination, 1,460. In the eastern portion of the State, a large majority of churches maintain two preaching services on Sabbath, while in the western portion some have but one service and some have services on alternate Sabbaths. As a rule, churches have four Communion services each year. In most of the churches the evening attendance is small; the attendance of children varies very greatly in different congregations, as is the case also with non-church members. But few people attend the weekly prayer meeting.
(2) *Sabbath-schools:* Nearly all the churches maintain Sabbath-schools. The Catechism is fast becoming an unknown book. The Westminster Helps are used. About one-fourth of the schools hold teachers' meetings. A goodly number of churches have Home Departments. Only a few churches have Mission Training Classes. Much of the increase in church membership has been from Bible classes in the Sabbath-schools.
(3) *Societies:* Societies of men are found only in some of the stronger churches, but Women's Societies are numerous and prosperous.
(4) *Spiritual Conditions,* though not ideal, are encouraging. The usual means of grace have been blessed, and special evangelistic meetings and personal work campaigns have yielded good harvests.
(5) *Family Religion:* The congregational narratives say little on this subject, but it seems that, as a general thing, parents present their children for baptism. Little that is favorable or hopeful can be said as to the family altar.
(6) *Benevolence:* There has been a marked advance in the Synod along some lines of benevolence, though not all the churches have come into line and kept abreast of the wide movement toward a more adequate support and extension of the great missionary enterprises.

XXIII. NEW ENGLAND.—(1) *Membership and Services:* Total enrollment, 11,471. Added on Confession, 794. All churches have regular services and pulpits filled by men who preach and teach the Gospel of Salvation through Jesus Christ. It is quite possible that the emphasis is laid on the doctrine of the Deity of Christ, because we are surrounded by so many churches which present an emasculated Gospel.
(2) *Sabbath-schools:* The Sabbath-schools of our Synod do not equal in membership our churches, but they are furnishing at least one-half of the increase by confession of faith. Many of them are up to the high standard of excellence.
(3) *Societies:* Most of our churches have strong and efficient societies of young people and women.
(4) *Spiritual Conditions:* The atmosphere in which we live is more difficult than in some other sections. Judging by church attendance and that of prayer meeting, we think conditions are fair and encouraging.
(5) *Family Religion:* The healthy and happy family life of a few generations ago is sadly missing. Industrial conditions have made this change. One consequence has been the forsaking of the family altar.
(6) *Benevolence:* There seems to be an increase in the gifts of the churches for benevolences. The effort made for some years to introduce the weekly envelope system, either with single or double budget, have shown an increase in all gifts. We do not anticipate any rapid strides in the Benevolences until our Boards recognize New England as a field deserving of their attention and assistance.
(7) *Miscellaneous:* Our churches are studying the changed character of immigration in New England and are trying to meet their responsibility.

XXIV. NEW JERSEY.—(1) *Membership and Services:* Average net gain in membership, about 3 per cent. Only four of the ten Presbyterial Narratives

contain a report on the attendance of children at the preaching services, but these say it is fair; mention is made of sermonettes and special sermons for children as the special means employed for securing the attendance of this class. Only four Presbyteries report on the attendance of non-church members, saying it is from 10 to 25 per cent. of the total attendance. Three Presbyteries report on prayer meeting attendance, giving it as about 12 per cent.

(2) *Sabbath-schools:* There are but few schools in which the Catechism is taught. There has been a gain in the number and activity of Bible classes. But few teacher-training classes. The rate of increase in membership is about twice that of the increase in church membership.

(3) *Societies:* Full and encouraging reports in most of the Presbyterial Narratives, which show a great number and variety of organizations.

(4) *Spiritual Conditions:* The spiritual condition of the congregations, including the Sabbath-schools, is usually good.

(5) *Family Religion:* Some Presbyterial Narratives do not even mention this topic, and there seems to be a general neglect of the family altar.

(6) *Benevolence:* Meager information given on this topic, but there seems to have been an increase in contributions.

(7) *Miscellaneous:* Most of the congregations secure their income by voluntary offerings. Some churches report good results from their having taken up the budget plan. Special days seem to be generally observed.

XXV. New Mexico.—(1) *Membership and Services:* Total number of communicants, 3,280. Accessions by examination, 175.

(2) *Sabbath-schools:* These are growing in interest and numbers. Very limited use of the Catechism. Westminster Helps generally used. A few churches have training classes for teachers, and a few have Home Departments.

(3) *Societies:* Few organizations for men are reported. Ladies' Societies for Missions and local help are general. Christian Endeavor Societies are doing good work.

(4) *Spiritual Conditions:* "Reports on spiritual conditions are not glowing."

(5) *Family Religion:* This is at a low ebb, as is indicated by the fact that there is so little of family worship.

(6) *Benevolence:* Contributions to the Boards have neither increased nor decreased during the year past.

(7) *Miscellaneous:* Local finances are improving.

XXVI. New York.—(1) *Membership and Services:* Total membership, 207,589. There is a steady and constant growth in membership in most of the Presbyteries.

(3) *Societies:* The Presbyterian Brotherhood has been planted in many of the churches, and much good has resulted in arousing the activity of the men of the Church.

(4) *Spiritual Conditions:* There have been quiet revivals in many of the churches, and their spiritual condition is encouraging. An increase in the desecration of the Lord's Day is apparent. Unnecessary labor and worldly amusement have made it a holiday rather than a holy day.

(5) *Family Religion:* A decline of the family altar.

(6) *Benevolence:* Special attention has been given to all the Boards of the Church, and there has been an increase in giving for their support. The Every-Member Canvass has been made in a great many of the churches, and generally with encouraging results.

XXVII. North Dakota.—Only four of the seven Presbyteries of the Synod have sent in Narratives on Christian Life and Work; these indicate that the general outlook is encouraging as to an increase in church membership, buildings erected, Sabbath-school interest and progress, and gain in benevolences. There has been considerable evangelistic awakening; there is slight interest in family worship; the financial side of church work has been hampered by a succession of crop failures.

XXVIII. Ohio.—(1) *Membership and Services:* Total number of communicants, 127,927, showing a net gain of 4,918. Added on examination, 9,490. Little interest in midweek services, and small attendance upon them.

(2) *Sabbath-schools:* Total enrollment, 98,521, a loss of 666; and 29,000 of

those in the schools are church members. The Catechism is neglected. Almost all the schools use Westminster Helps.

(4) *Spiritual Conditions:* No general revivals reported, and spiritual conditions have altered but little during the year.

(6) *Benevolence:* A dark shadow falls upon the record made in benevolent offerings, since there has been a decrease of $33,360 in the total amount given to the Boards. While Sabbath School Work, Church Erection, and Freedmen gain $5,674, there is a decrease for all the other Boards, to the amount of $39,034.

XXIX. OKLAHOMA.—(1) *Membership and Services:* A net increase of 3 per cent. of the children in attendance upon church services. None of the Presbyteries speak of their prayer meetings as being satisfactory; many churches have given it up entirely.

(2) *Sabbath-schools:* An increased enrollment; Westminster Helps are used; graded lessons are being extensively adopted; several Presbyteries make encouraging reports as to the number of church members received from the Sabbath-schools.

(3) *Societies:* Ladies' Aid and Missionary Societies in most of the churches, and these are doing excellent work. Young People's Societies also making good progress.

(4) *Spiritual Conditions:* Three Presbyteries mention revivals, resulting in a goodly number of accessions.

XXX. OREGON.—(1) *Membership and Services:* Aggregate membership, 14,642, showing a net gain of 639. Added by examination, 1,213.

(4) *Spiritual Conditions:* No unusual religious awakenings, yet a healthy and substantial growth, and conditions more encouraging than a year ago.

(6) *Benevolence:* "More money for missions and other church activities than in any year previous."

XXXI. PENNSYLVANIA.—(1) *Membership and Services:* Total membership, 283,586, a gain of 7,143. Additions on examination, 16,989. Most of the churches, except some in the rural districts, have two services on Sabbath. The number of Communion services varies from one to six during the year, but most of the churches have four. Children are well represented at the preaching services; from only one or two Presbyteries comes a pessimistic tone about the lack of children in the worshiping congregation. In many churches special efforts are taken to reach the children, the means employed being such as sermonettes, illustrated sermons, Bibles offered for attendance, etc. There is little interest in the weekly prayer meeting, the attendance being but about 10 per cent. of the membership.

(2) *Sabbath-schools:* Almost without exception, the churches have Sabbath-schools. The Catechism is not popular. Westminster Helps are generally used. There are many teachers' meetings. Libraries are apparently going out of use. The organized Bible class movement is known in all the Presbyteries. There are many teacher training classes. The Home Department is almost universal. There are but few mission training classes. From the Sabbath-schools have come a large number of additions to the churches on examination.

(3) *Societies:* There are numerous men's organizations, such as "Brotherhoods," "Clubs," "Associations," "Leagues," etc., but there is a dearth of information as to the objects which engage their attention and energies. Women's Societies are found in almost all the churches. For the most part, they exist as Home and Foreign Missionary Societies and Aid Societies, and they contribute to the work of the Boards and for the well-being of the local church. The young people are doing a most commendable work through their different organizations, such as "Christian Endeavor," "Mission Bands," "King's Daughters," Girl and Boy "Scouts," "Boys' Brigade," "Church Cadets." These young people are most loyal supporters of all the church services and activities.

(4) *Spiritual Conditions:* About half the churches in two Presbyteries and a few churches in other Presbyteries have classes for young people, preparatory for Communion. The requirements of the Directory for Worship with reference to baptized children seem to be carried out generally in the churches. While revivals have been reported in only one Presbytery, the spiritual condition of

the churches is encouraging, and not a single Presbyterial Narrative gives a note of pessimism.

(5) *Family Religion:* Presbyterial Narratives show that, almost universally, parents are faithful in presenting their children for baptism. The family altar seems to have vanished.

(6) *Benevolence:* While there has been an increase in contributions to some of the Boards, there has been a decrease in the offerings made to others.

(7) *Miscellaneous:* Most of the churches report an increase in gifts for local purposes. The financial affairs are in the hands of trustees, by whom the work is done promptly and well. "Pew rent is becoming only a dream in most of our churches; a very few old conservative churches are still using this ancient method, while the duplex envelopes are being used more and more." There is no general observance of special days appointed by the Assembly. Only about 50 per cent. of the Sessions send notices to other Sessions as to the removal of church members.

XXXII. Synod of the Philippines.—(No Report.)

XXXIII. South Dakota.—"The past year's record gives us all great incentives to thanksgiving for the advances made, for the work maintained, as well as for the opportunities that lie before us in the coming year. There has been a decrease in contributions for beneficence, and there has been no material improvement in family religion, church prayer meetings, and evangelism."

XXXIV. Tennessee.—(1) *Membership and Services:* During the past year there has been an increase of 4½ per cent. in the number of communicants. Many church members never attend the prayer meeting.

(2) *Sabbath-schools:* The total membership is nearly 1,200 in excess of the church membership of the Synod.

(4) *Spiritual Conditions:* More evangelistic services and tent meetings have been held, and with more encouraging results than for several years in the past.

(5) *Family Religion:* In many homes no family altar is found, and there is no giving of thanks at meals.

(6) *Benevolence:* Contributions to the Boards have shown an increase of 33⅓ per cent.

(7) *Miscellaneous:* In the work of the Synod as a whole there has been a healthy improvement, and the outlook is cheering.

XXXV. Texas.—(No Report.)

XXXVI. Utah.—(No Report.)

XXXVII. Washington.—(1) *Membership and Services:* Total membership of churches, 26,716, which is a net gain of 2,799—slightly more than 11 per cent. Additions on examination, 2,259. At the preaching services, about one-fourth of the congregations are children; about 35 per cent. are non-church members. Only one-half of the churches have prayer meetings, with an average attendance of fifteen persons at each service; the largest prayer meeting in the Synod is attended by only 6 per cent. of the church's membership.

(2) *Sabbath-schools:* Of the Synod's 260 churches, 245 have Sabbath-schools. In only twenty-five churches is the Shorter Catechism taught. All schools but six use the Westminster Helps. Ninety-six schools have teachers' meetings, with more or less regularity. There are 290 adult Bible classes. Forty per cent. of the schools have no adults, except a few who are teachers. Sixty-eight schools have teacher training classes and seventy-five have Home Departments. Total membership, 29,069. There were 813 received into the churches from the Sabbath-schools; 35 per cent. of the additions on examination come from the Sabbath-schools.

(3) *Societies:* Membership of organized Brotherhoods, 1,348. "It is rather hard to say just what these organizations are doing. Most of them seem to be doing nothing." With but few exceptions, the churches have Ladies' Aid Societies, and their work is varied; one-half of the churches have Women's Missionary Societies; special attention is being given to boys' organizations in many places, and Endeavor Societies are making good progress.

(4) *Spiritual Conditions:* Only eleven young people's classes, preparatory to Communion, are reported. Forty-one churches have had special evangelistic

meetings. The majority of congregations report that spiritual conditions are good and improving.

(5) *Family Religion:* In many instances, the family altar is being revived.

(6) *Benevolence:* Ninety-eight churches have made contributions to every Board, and there has been an increase of 9 per cent. in the offerings made for benevolence. In sixty-six churches the budget scheme is in effect.

(7) *Miscellaneous:* The financial obligations of the churches of the Synod are promptly met.

XXXVIII. SYNOD OF THE WEST, GERMAN.—(No Report.)

XXXIX. WEST VIRGINIA.—(1) *Membership and Services:* For the first time, the Synod's total membership has reached more than ten thousand, the exact figures being 10,214, a net gain of 504 during the past year. Added on examination, 1,250.

(2) *Sabbath-schools:* Total membership, 10,047. No part of the Church's work in the Synod is receiving more attention than its Sabbath-schools. The advanced methods which have been introduced have produced most gratifying results.

(3) *Societies:* There are many organizations for men, and these are doing good work. There are numerous women's organizations; and the missionary work done by the Women's Societies is worthy of special mention. The Christian Endeavor Societies bring many well-equipped workers into our churches; and a goodly number of other organizations are rendering most effective service in exercising a constant and wise care over the young people. Work in men's Bible classes has received quite an impetus, and one class, that of the Vance Memorial Church, Wheeling, has an enrollment of two hundred, with an average attendance nearly equal to that.

(4) *Spiritual Conditions:* All things considered, this has perhaps been the very best year the Synod has ever had. There have been large in-gatherings, excellent meetings of Presbyteries, a richer prayer life, and a diligent use of the means of grace, and these have made the year surpassingly fruitful in spiritual things.

Synod is gradually opening up work among foreign-speaking peoples, as is evidenced by the work for Italians at Follansbee, and work along the West Fork of the Monongahela River. Further plans await the approval of Presbyteries and finding suitable workers.

(6) *Benevolence:* The churches of the Synod have been greatly blessed in their increasing gifts and more business-like methods of giving.

(7) *Miscellaneous:* A very pretty piece of interdenominational courtesy is the invitation extended by the Presbyterian Church in the U. S., at Elkins, W. Va., to this Synod to meet as their guests in 1914. The Davis and Elkins College has come under joint control of this Synod and some Presbyteries in the sister Church, and this invitation is extended to promote good feeling and interest in this institution.

XL. WISCONSIN.—(1) *Membership and Services:* The reports from Presbyteries indicate a considerable gain in the number of accessions to the churches. The result of the endeavor to put a supply in every church has been felt, and another year will show larger results. The old conditions prevail as to the prayer meeting.

(2) *Sabbath-schools:* Increased enrollment and increasing efficiency.

(3) *Societies:* Women's Societies flourishing; good work done by Young People's Societies, especially for boys.

(4) *Spiritual Conditions:* The outlook is bright in spots. Never before have the churches been so busy as now in doing and furthering Christ-like things.

(6) *Benevolence:* The movement to put our churches on a sound business basis has made rapid progress. The Every-Member Weekly Pledge, and the Duplex System have been introduced in a large number of them.

(7) *Miscellaneous:* The movement toward denominational unity in church work is spreading, and friction is well-nigh abated.

V. THE DEACON.—The General Assembly has repeatedly emphasized the importance of this office in connection with the charitable work of various kinds. As repeatedly stated, it was originally intended, as shown in the Book of Acts, to provide for the conduct of Church work, along the line of what is

known in these days, in a distinctive manner, as Social Service. The office for various reasons at present is not in use in many sections of the Church, as evidenced by the following statement:

DEACONS.

Churches with	3,818
" without	6,073
Total churches	9,891
Total Deacons	14,587

The detailed table shows that even in such a Synod as Pennsylvania, 70 per cent. of the congregations are without deacons, and in the whole Church 63 per cent. of the congregations lack this office. It is believed that among the reasons for the failure of the churches to appoint Deacons, is the fact that the provisions in the Form of Government, for the work of the Board of Deacons, are inadequate, and do not give to the office its proper Scriptural importance. It is also, without question, that in view of the present trend towards Social Service, the diaconate could and should be made one of most conspicuous and blessed agencies of the Church. In view of these facts, the General Assembly of 1913 adopted the following Resolution:

"*Resolved*, That the subject of the Deacon, his office and work, be and is hereby referred to the Committee on Christian Life and Work, with directions to report upon the same to the next General Assembly, and to include in the report provisions, in the way of proposals for amendments to the Form of Government, in connection with the work of the Deacon, and the relations of the Board of Deacons to the judicatories of the church."

The Committee gave to the subject of the proposed amendments to the Form of Government most careful attention, and respectfully submits the following Overture, to be sent down to the Presbyteries, namely: Shall the Form of Government be amended and altered by the addition of a Chapter, to be numbered XXV, to be entitled, "Of the Board of Deacons," and which shall read:

FORM OF GOVERNMENT, CHAPTER XXV.*

OF THE BOARD OF DEACONS.

"SECTION 1. The Board of Deacons consists of the pastor, or pastors, and deacons of a particular congregation.

"SECTION 2. Of this Board, two deacons, if there be as many in the congregation, with the pastor, shall be necessary to constitute a quorum.

"SECTION 3. The Moderator of the Board of Deacons shall be the pastor, or in his absence a deacon appointed by him. The Board shall elect from its membership its own Secretary and Treasurer.

"SECTION 4. The Board of Deacons shall have charge of the poor of the congregation, and may perform such other administrative, charitable and community duties, the disbursement of charitable funds included, as may be determined upon, after consultation with and action by the Session. The Board of Deacons shall report to the Session all disbursements.

"SECTION 5. The Board of Deacons shall report annually to the Session upon all business transacted, and its Minutes shall be reviewed at least annually by the Session, subject to the supervisory authority of the Presbytery.

"SECTION 6. The deacons may be entrusted in addition with the care and management of the temporalities of the Church, and when so entrusted they shall report at least annually upon the same to the Session, being subject also to the supervisory authority of the Presbytery."

VI. THE DEACONESS.—The office of deaconess appears to have been an office of the Apostolic Church. In Romans xvi : 1 there is reference to Phœbe, a deaconess. Calvin and Luther recognized the propriety of the office, and as a result it was used in the Churches of the Reformation. More recently the Church of Scotland completed a scheme for the training and education of deaconesses, and other Churches have acted in a similar manner.

* See p. 49.

There is a practical demand for the office, a demand which has increased of recent years. The only question is whether the Church at large will give its official recognition to the work of those women, who having suitable gifts, are ready to give themselves to the work. There are training schools for women workers in various parts of the country, and there are institutions, known as Deaconess Houses, in Baltimore, Philadelphia and Chicago.

In 1890 the following Overture was submitted to the Presbyteries of the Church for their approval:

"Shall the following sections be added to the Form of Government, viz., (1) in Chapter VI, a section to be numbered Section II, as follows:

"II. Women also served the Apostolical Church as deaconesses, whose office and duties were similar to those of deacons.

"And (2) in Chapter XIII, a section to be numbered Section IX, as follows:

"IX. Deaconesses may be elected to office in a manner similar to that appointed for deacons, and set apart by prayer."

The vote upon these Overtures was of a peculiar character. Both Overtures received 53 affirmative votes and the negative on both amounted to 84. The Presbyteries voted, however, on both Overtures separately, 59 voting negative on the first and affirmative on the second, and two voting affirmative on the first and negative on the second. The Assembly decided that inasmuch as the Overture was one Overture and that as the first part of the Overture had been clearly defeated, it must be taken for granted that the entire Overture had failed. In its report on the subject the statement, however, appears: "The vote seems clearly to indicate a desire for the second amendment, or rather, if we are to attach any importance to the opinions which accompany the votes in many instances, seems to make it manifest that women clothed with office are desired as helpers in religious work, and yet it is entirely possible that if all the Presbyteries had acted upon the Overture, either upon the whole, or upon its amendments separately, this inference would not have been obtainable." The entire affirmative vote for the second amendment was 118 to 86 in the negative.

In view of the changes which have taken place since 1891, the year of the report, the Committee feel that it would be well to submit to the Church the following Overture: Add to Chapter XIII, Form of Government, a Section, to be numbered 9, as follows:

"9. Deaconesses may be elected to office in a manner similar to that appointed for deacons and set apart by prayer. They shall be under the supervision of the session, and their duties shall be indicated by that body."

VII. Immigrant Church Members.—In view of the large increase in immigration from Scotland to North America during the past ten years, rising from 6,000 in 1903 to 21,000 in 1913, the Presbyterian Church in Canada has established an Overseas Welcome Department, and maintains offices and a Secretary, the Rev. T. Hunter Boyd, at Glasgow. The Church of Scotland and the United Free Church of Scotland also jointly share in the expense of preparing and distributing the necessary literature for the work. The Presbyterian Church in Canada is prepared through its new Strangers' Welcome Department to receive addresses forwarded from the Glasgow office, or from workers at ports of entry, to follow up the newcomer in his new home in the Dominion, and to definitely aid him in establishing immediate church relationships. No similar arrangement is made for reception of the smaller but important proportion of these Scotch Presbyterian immigrants settling in the United States, or for those from Wales or England which the Overseas Department also seeks to include.

From the effort to assist the Presbyterian newcomer from across the seas has arisen a comprehensive attempt to follow up not only immigrants, but all migrants within the Dominion, whether from county to county or from province to province. The Department of the Stranger, Home Mission Board of the General Assembly of the Presbyterian Church in Canada, constitutes a clearing house for all information concerning removals. By the coöperation of the Woman's Home Mission Society, a strangers' secretary is appointed in each parish. A very simple system has been devised by which, through the coöperation of pastors, strangers' secretaries and the Department of the Stranger, many members or adherents of the Presbyterian Church are promptly located in their new homes, whether in the city or county. Coöperation with

the Y. M. C. A. and the Y. W. C. A. and philanthropic organizations is being carefully worked out. Already the definite effect upon the "lapsing" which removal encourages is seen. The gratitude shown by many is also a testimony to the usefulness of the work.

In view of the requests made by the Overseas Welcome Department for coöperation, which will render the work now done by them more effective so far as the Presbyterian Church, U. S. A., is concerned, and in view of the generous spirit in which that work has been conducted, your Committee recommends the adoption of the following:

1. The General Assembly recognizes the value of the work done by the Overseas Welcome Department of the Presbyterian Church in Canada for members and adherents of the Scotch churches coming to the United States as well as those coming to Canada, and approves the extending of every facility to the Secretary, the Rev. T. Hunter Boyd, by our Department of Immigration, or any other of our agencies which may be helpful to him, and recommends that our Home Board inquire into the question as to whether there is not some proportion of the expense of this work which we should fairly bear, and include the same in its budget.

2. The General Assembly also directs that steps be taken for a careful inquiry as to how to meet our pressing need for some Department or Agency corresponding to the "Department of the Stranger" of the Presbyterian Church of Canada, and that this investigation be taken up by the Committee on Christian Life and Work in conference with the Board of Home Missions, to report at the next meeting of the General Assembly.

VIII. The Children of the Covenant.—A truth precious in God's eyes is His Covenant with parents, and the resulting Christian standing and Church standing of the children of believers. This Covenant was placed by the Lord at the foundation of the family, in the Church of the patriarchs. In the theophany to Abraham, God said, "I will establish my covenant between me and thee and thy seed after thee, in their generations, for an everlasting covenant to be a God unto thee and to thy seed after thee" (Gen. xvii : 7); and this was confirmed at Pentecost in the words, "The promise is unto you and to your children" (Acts ii : 39).

Millions of faithful fathers and mothers during the ages have realized the blessing of the Covenant in the Holy Spirit's blessing upon their children, and the Church has replied to the taunt of the worldling that some children of believers seemingly have not received the gift of the Spirit, by attributing the failure to the ignorance, indifferemce and practical unbelief of the parents. "Let God be true, but every man a liar."

The reinstatement of the Covenant in the life of the Church of to-day will bring encouragement to all Christian parents to rest their souls upon the divine promise, and to do their utmost for their children by prayer, life, and home training. The ignoring of the Covenant is part of the reason why many Christian parents turn over the responsibility of the Christian education of their children upon the Sabbath-school, a burden which that school is not able to bear.

We cannot constantly look to the Sabbath-school as the sole or main instrument for the quickening of faith in "the everlasting Covenant." Neither can we look to the interdenominational Sabbath-school associations.

The great benefits which the Church has received from these associations are gratefully recognized. Any incidental disadvantages are not the fault of these associations. The important Biblical truth of the covenant relations of the Christian family have not been emphasized in the institutes, conventions and meetings of the interdenominational type. In them religious instruction of a general kind, and principles and methods of organization and education are chiefly discussed. The blessings of the Covenant are regarded as within the province of the Church.

How can this blessed Covenant be revivified, made once more the foundation of the nurture of every Christian home, and be given its rightful place in the Church's Bible school?

The answer is simple: by faithfully educating our own Church members in this supreme reality. The preaching should glow with its glorious promises. Pastoral visits should carry into all homes its divine warmth and love. The

baptism of children should be used to enrich entire services with the precious truths of the Covenant; thus touching deeply the hearts of all parents, and of all lovers of children, recalling holy vows and "turning the hearts of the fathers to the children and of children to their fathers." This is a home duty as well as a church obligation, and as a fireside privilege, parents should impress the children of their love, that they are children of the Covenant, baptized members of Christ and of his Church, and that it will be their high privilege to ratify on their own behalf this everlasting Covenant between God and His people.

IX. The Baptism of Infants.—"The parents brought in the child Jesus, to do for Him after the custom of the law." So runs the simple record. Yet what a story it tells! They were in the line of untold generations of Jewish men and women in the observance of this practice. Their faith in its value was evidenced by their fidelity. What an example all Christian parents have in this naïve narration of the solemn dedication of this Child to God in the house of God, and under the Covenant of God! They were obeying God's command. They recognized their responsibility as parents and members of the Old Testament Church, and they firmly believed that blessing to them and the child would follow. The example is needed by many Christian parents to-day. Numbers of our people are exceedingly slack in presenting their children for baptism. Many ministers are derelict in passing over the importance of this rite in their preaching and pastoral visitations. Consequently, children are growing up without the great benefit of the knowledge that they are under Covenant relations with God, and parents are avoiding responsibility and failing to get the joy of this assurance. Part of this indifference is due, no doubt, to the passing of the family altar and its prayers, but more of it is due to disbelief in the value of baptism to the child. One has often heard the remark: "What good does sprinkling a baby with water do? It stands for nothing in the child's experience."

This is pragmatism with a vengeance. So might have reasoned the Israelite when the eight-day-old child was to be circumcised. What did such a tender infant know of "the righteousness of faith" of which the rite was the "seal"? Yet every Jewish parent was anxious to have his children embraced in the Covenant of which the sealing ordinance was the "outward and visible sign." His children were bound up with him "in the bundle of life with the Lord." Hence he joyfully marked his child with the token of its inclusion in the national promises.

Shall Christian parents be less alert and diligent in claiming for their children inclusion in the "better Covenant which was established upon better promises?" Shall the child be robbed of the blessing of knowing that God included him in the promise made to his parents?

"The promise is unto you and to your children."

Of course, the question is at once raised, Does a Sacrament connote anything; is there any reality behind it? When doubt here invades the mind, the symbol is sure to be neglected. What is needed is a revival of faith in the reality of God's Covenant with believing parents, and then diligence in the employment of the symbol will follow. To many superstitious people baptism has been as a charm or amulet to ward off fancied danger. The minds of intelligent people have reacted against such superstition. But abuse never justifies disuse.

There is need in our day of reaffirmation of the distinct character of the people of God. The Church is a separated or called-out body or society with which God has entered into peculiar relations. To emphasize these relations the Sacraments were instituted of Christ, and it is only to individuals as members of this society that they belong.

Hence it is most fitting that the observance of these Sacraments be in public assemblies of believers, for the whole body is party to the obligations entered into. Therefore the baptism of infants should take place in the church rather than in the home, save under exceptional circumstances.

An accretion is made to the Christian society when the child of believing parents receives the sacred symbol. The act is of public rather than private significance. And what more impressive sight than the presentation of children in the house of God, when parents claim the promises and assume the obligations of a Covenant-making and a Covenant-keeping God!

And if this is of moment to the child, of how much more moment is it to the

parents? Something in our day is needed to recall parents to the duty of bringing up their children in "the nurture and admonition of the Lord." Public baptism emphasizes this duty. Our forefathers in framing "The Directory for Worship" evidently realized this, for it directs that baptism "Is usually to be administered in the church, in the presence of the congregation."

Let our ministry again lay stress on the importance of this significant Sacrament, and let parents again arise to the conception of the Covenant-keeping character of our God, and blessing is sure to follow that will issue in the greatly increased number of children found in the courts of the Lord. Such seems to be the implication of the ancient promise, "Those that be planted in the house of the Lord shall flourish in the courts of our God."

It is gratifying to observe that the reports of recent years as presented to the General Assembly show an increase in the number of children presented for baptism. We fear, however, that there continues to be neglect of this high privilege and duty. More and more we need to emphasize the joy of the Covenant relation, and to press upon parents the rights of their children to receive the sealing ordinance of baptism. If, under the law, the children of the Hebrews were admitted to the Covenant of God and parents were permitted and commanded to present them for the ordinance which signalized this admittance, much more under the grace of the Gospel must we welcome the admission of our children to the Covenant of Grace and claim for them the ordinance which signalizes their admittance.

We learn that there is frequent administration of this Sacrament in homes, rather than in the church. While we do not count this practice subversive of the meaning of the Sacrament, yet we urge upon our people that there is much added value in the testimony which such a service bears when it is administered in the presence of the congregation, both as a testimony to the world on the part of believing parents, who thereby show their faith in the God of the Covenant and record anew their solemn purpose to live the Christian life, and also as a testimony to other Christian parents to be faithful in the same duty.

X. Devotion in Giving.—Paul in his letter to the Corinthians commending them for the riches of their liberality ascribes their generosity to the fact that "first they gave their own selves to the Lord." Living as we do in this commercial age, we are apt to think that all that is needed to bring the entire world to Christ is money. God does not need the money of an unregenerate man, nor in fact the money of a nominal church member. Possibly during the past few years, we have been putting the emphasis too much on money rather than on the condition of the heart that prompts the giving. Generally speaking, the more a man is consecrated to the Lord, the more liberal will he be in his benefactions.

Rev. Dr. Joseph Parker at one time before the taking of an offering said, "We are about to worship God by our offerings. Let only those give who feel they must give." If there were more devotion in giving, greater blessing would come to the givers, and more good would be accomplished in the use of the gifts. When a Christian is approached for money, and is appealed to on the ground that he has given himself to the Lord, and that in doing so he surrendered all to Christ, when he responds, God will have respect unto him and his offering. The Every-Member Canvass must take into account not only the giving of money, but the giving of money based on the relation which the member sustains to Jesus Christ. It seems premature to go to a church member for money for the cause of Christ, when this same member seldom ever comes to Church, and is known more for worldly than spiritual mindedness. Let us make appeals for money more subjective than objective, and say to the prospective givers, "For ye know the grace of our Lord Jesus Christ, that, though he was rich, yet for your sakes he became poor, that ye through his poverty might be rich."

The appeals for benevolence nowadays are based more upon the necessities or uses for money than upon the obligation of the Christian to give as he sings and prays. We plead for more devotion in giving. Let us elevate giving in the Church to the plane of prayer and praise.

XI. The Word of God—in Public and in Private Use.—*The Word of God in Public Use.*—The place of the Word of God in public use is determined in "The Directory for Worship": "The reading of the Holy Scriptures is a part of the public worship of God."

It is a significant fact that notwithstanding all the controversies of the ages, and especially the controversies of the last one hundred years, not only the Presbyterian Church, but the entire Christian Church, with one mind and one heart, maintain the reading of the Old and New Testaments as the Word of God and as a part of public worship.

Criticisms are heard in some places concerning the manner in which this part of public worship is conducted. As a rule, however, ministers prepare for the ordinance of reading the Scriptures as for the other portions of pulpit duty. In many churches the divine oracles are read with evident sincere appreciation of their meaning, with an appropriate voice and emphasis, and in a manner worthy of the divine Word and house. Such reading becomes an interpretation. Of one of our pastors an intelligent lady remarked, "It was well worth all my effort to attend from a long distance this service, simply to hear the minister read the Scriptures."

The possibilities of the appropriate reading of the Word in Church services, lead your Committee earnestly to express the opinion that there is need for more careful training for this duty on the part of all our Theological Seminaries, and also of weekly preparation for this service by all in the pastorate, that all preachers may be able so to read the Book as to give the sense clearly, and cause the people to understand what is read in an appreciative way.

Your Committee also notes that the growing practice of responsive reading of the Scriptures is found by many worshipers to be profitable, and expresses the hope that congregational singing, both of Psalms and hymns, may be restored generally in the American churches. The Committee still more earnestly gives voice to the deep concern that our ministers should be preachers of the Word, deriving their pulpit messages from the inspired Scriptures. The New Testament idea of a Christian sermon may be described as a discourse so inwrought with the facts and truths of the Scriptures, as to substance and material, that it may produce the effect now which it did in the early days of Christianity, when Paul wrote to the Thessalonians, "For this cause also thank we God without ceasing, because when ye received the Word of God which ye heard of us, ye received it not as the word of men, but as it is in truth the Word of God, which effectually worketh also in you that believe."

For all the high purposes of the pastor and the evangelist there is no instrument like the Word itself.

All Church history and Christian experience corroborate the fact that the whole process of salvation from conviction to preparation for every good work is dependent upon the Word of God, not man's word about that Word, but the Word of God itself, used by the Spirit of God Himself. Hence Paul's charge, "Preach the Word." "Be filled with the Spirit." All truly successful pastors so do.

A distinguished minister who has preached through our evangelical denominations gave as his most profound impression: "It is amazing how hungry the people are for simple Bible preaching. How eagerly they attend upon the service which provides it. Ministers should heed this most evident call for the revival of the fervent preaching and teaching of the Word of God."

The Word of God in the Sabbath-school.—In this country there are 180,000 Sabbath-schools. Their only text-book is the Bible. So emphatically is this true that many changed the name from Sunday-schools to Bible-schools. In these 180,000 schools the Word of God is taught by 1,500,000 of the most consecrated and intelligent women and men, with devotion of time, study, prayer, energy, and in many thousands of cases with fine pedagogical skill. These are giving their very lives to the teaching of the Bible to 14,500,000 pupils, mostly youth, whose character is being formed.

One of the marvels of Christian history is the enthusiasm of these Bible teachers. Another marvel is their untiring perseverance. With singular earnestness these workers either carry or send Bible schools beyond the bounds of the Church into darkest corners of the land, north, south, east and west. These schools have stimulated the publication, the reading and study of many millions of copies of the Bible. Reliable reports state that each year, there are issued by all publishing houses and sold, between 25,000,000 and 30,000,000 of Bibles and parts of Bibles. More than any other period of Christian history, this is the age of Bible reading. Sunday-schools have made it such.

These schools are the most victorious champions and defenders of the Bible as the Word of God. To the millions who are steadfastly beholding, as in the

mirror of the Divine Word, the glory of the Lord, there is no fear of destructive criticism or false doctrine.

Millions of Sabbath-school pupils hide portions of the Holy Scriptures in their hearts, committing them to memory.

Greater marvel than all these, the Holy Ghost accompanies these efforts with such power that four-fifths of those who are brought to Christ and into His Church are made wise unto salvation by the Word in these schools. In these they continue after conversion and reception into the Church, and are by the Word reproved, corrected and instructed, in righteousness. When the baptism of the Spirit shall come upon these millions, we may rejoice to see these youth hastening the Lord's coming,

"Strong in the strength of youth,
Strong in the strength of truth,
Armed as with Moses' rod,
Armed with the Word of God."

The Word of God in Private.—Probably most Presbyterians are "searching the Scriptures" in private. Notably 136,000 are in a degree obligated to this private study, not merely by their conscience, but by their duties as officers and teachers of Bible schools. There are 283,000 church members who are yet scholars in these schools, and another 100,000 are enrolled in organized Bible classes. Tens of thousands of our Church members, not included in these schools, are members of those admirable organizations, The World's Morning Watch, The Pocket Testament League, the International Bible Readers' Association, as regular followers of the admirable prayer cycles of the Women's Home and Foreign Missionary Society, and of Temperance Unions, and others interest themselves in Young Men's Christian Association and Young Women's Christian Association work. Probably all these together number one-half of the 1,400,000 communicants of our beloved Church.

What of the other half of the professed followers of Christ in our communion? We are deeply affected at the possibility that many Presbyterian communicant members are in no sense readers of the Word of God in private, but are neglecters of His Word, starving their own souls, barren of fruit, and grieving the Holy Spirit.

Your Committee earnestly recommends the adoption of the following deliverance:

The General Assembly calls the whole Church represented by it; all Synods, Presbyteries, Sessions and pastors; all Sabbath-school officers, teachers, and Christian pupils; and all diligent readers of the Scriptures in private, to enter upon a united and prayerful effort to bring to the regular reading of God's Word all communicant members and all other persons within the influence of the Church.

The Church courts, the ministers, elders, deacons and devoted Christian women and men are urged, under the leadership of the Holy Spirit, to devise effective means, and persistently to use them, so as to make universal the faithful reading of the Holy Scriptures; that all professed followers of Christ, and those associated with them, may grow in the knowledge of the Divine Oracles, and by grace and knowledge be fitted for Christian profession and service, to the honor of God, the salvation of souls and the sanctification and preparation of Christ's Church for its world-wide mission.

XII. Statistical Blanks.—The General Assembly referred to the Committee a number of Overtures from the Presbyteries, with reference to statistical blanks, namely: The Annual Report of the Church to Presbytery, and the Narrative of Christian Life and Work in the Congregation. The Committee respectfully requests from the Assembly authority to take up the entire subject of the statistical blanks, report to be made to the next Assembly. Meantime the Committee further requests that it be empowered to act upon the Narrative of Christian Life and Work, both for the congregation and the Presbytery, in its own discretion, in order that these Narratives may be sent in an amended form to the churches, at the beginning of the year 1915.

XIII. The Suspended Roll.—There is a slight improvement in the situation as to absentee members of the congregations. Last year comparative statistics were published for each of the Synods, showing the number of members placed on the Suspended Roll for the years 1908 to 1912. This year the Committee in this particular simply submits the totals of the comparative statistics

for the six years 1908–1913, placing over against the totals of suspensions the totals of restorations for the same years, and the difference between the totals of each column for the six years is 263,411.

	Suspended.	Restored.
1908	47,737	5,995
1909	47,875	5,679
1910	48,956	5,903
1911	54,143	6,280
1912	51,266	6,430
1913	50,927	7,206
Totals	300,904	37,493

It is certainly lamentable that there should be such a steady net loss to the Church through suspension of members for absenteeism, an average of over 43,000 net for six years. Examination of the statistics for the Suspended Roll further show that 6,474 churches made no return of members placed upon the Suspended Roll, and that the total of 50,927, given for 1913, came from 3,417 churches. This makes the situation yet more the cause for serious thought. Again, examination in this matter shows that 29 per cent. of the members placed on the Suspended Roll were so placed by the sessions of 154 churches, each suspending 50 members and over during the year. The matter is so important and it is so related to the interests of Evangelism, that this Committee feels that consultation should be had between it and the Permanent Committee on Evangelism on the subject. It therefore requests authority from the Assembly for such conference.

For information, the table of Churches by Synods suspending 50 members and over is given below, and also the totals of churches and suspensions.

XIV. Marriage and Divorce.—The Committee would again call the attention of the General Assembly to the alarming situation in the matter of marriage and divorce. The sanctity of marriage is being rapidly undermined. Marriages are entered into with levity and haste, and the whole structure of the home is shaken. The number of divorces granted annually in the last thirty-five years has grown enormously, and is on the increase. It has grown much faster than the population, much faster than the number of marriages. It has grown from 28 divorces in every 100,000 population in 1867 to nearly 88 in the same number in 1910. One out of eleven marriages ends in divorce. The highest divorce rate in any country is in Japan, and the next highest in the United States. Such a situation is a disgrace to America. Certainly, no earnest man can be quiet and satisfied under such conditions. No doubt, some will say that we must call a conference, pass resolutions and organize a new society. Such proposals only add a new aggravation. Full publicity has been given. Resolutions have been passed. Congresses and conferences composed of the highest abilities have been called and have issued their findings and advice. Notably the National Congress on Uniform Divorce Laws met at Washington in February, 1906, and at Philadelphia, November 13, 1906, composed of commissioners from each State in the Union appointed by the respective Governors. This Congress, after most thorough deliberations, passed a complete code to be recommended to all the States for adoption. This was followed by the sitting of the Pennsylvania Commission on Divorce, composed of men of highest ability. The latter Commission heartily commended the findings of the National Congress. Surely, nothing more is needed in the way of theory. And yet more is needed in the way of action and results. The two legal bodies provided for no executive agency to carry their plans into effect.

Now we should act. The Presbyterian Church is in a position to take steps for an advance. It has in its Confession of Faith a chapter on Marriage and Divorce. The Synods and Presbyteries are closely related in all the States to legislatures that should now be approached with definite proposals for reform. Our ministers and elders might easily invite the coöperation of their brethren in other denominations, and together might hope to secure the passage of improved laws on this behalf. If such definite steps for new and improved codes could be backed up by a nation-wide campaign of education in behalf of the family and the home, the cause of true religion would be greatly advanced.

The Committee would hereby recommend to the General Assembly to take action as follows:

(1) That the Committee on Christian Life and Work be authorized and directed to organize a campaign of education in our churches and communities as to the sacredness of marriage and the evils of divorce; to correspond with the Presbyteries and Synods and State inter-Church federations where such exist, with a view to their taking definite steps to secure improved legislation.

(2) That this General Assembly would hereby approve of the following particulars as desirable for incorporation in an improved State code or new law on Marriage and Divorce, to wit:

(*a*) The requirement of a residence of at least two years in the State where the application for divorce is to be entered.

(*b*) The requirement of a period of at least one year after the granting of decree, before the same shall take effect.

(*c*) The following proviso concerning evasion of law as to marriage and divorce, to wit:

"That if any person or persons being resident of this State shall go into another State or country with intent to evade or violate any of the laws of this State pertaining to marriage or divorce, and there contract a marriage or obtain a divorce, prohibited by the said laws of this State, and then return to this State, such marriage or such divorce shall be null and void for all purposes in this State, with the same effect as though such prohibited marriage or divorce had been entered into in this State."*

It is to be noted that none of our suggestions has anything to do with uniformity as to causes for divorce, and also that all our suggestions have already been recommended by the two legal bodies above referred to, viz.: the National Congress on Uniform Divorce Laws and the Pennsylvania Commission on Divorce.

ADDITIONS BY CONFESSION, 1913.

XV. Evangelistic Work.—The situation in the Church as to Evangelism is more encouraging than it has been for some time. The details of the advances made along important lines is given in the Report of the Permanent Committee on Evangelism. This Committee on Christian Life and Work, however, emphasizes, as in previous years, the undue number of churches reporting no additions on confession of faith. That there is some improvement is true, for the number of churches in the continental United States reporting no additions on confession, in 1912, was 3,640, while for 1913 the number has fallen to 3,434—a gain of 206 congregations. It is to be hoped, however, that there will be yet greater progress in the coming year, and with that in view the General Assembly is earnestly requested to renew the appointment for a Year of Prayer, and to impress the Church with its deep need in this and in every land for an outpouring of the Holy Spirit in revivals of religion. In this connection it is worthy of note that the Rev. Dr. John T. Stone, as the Moderator of the General Assembly, in his Letter to Ministers, issued by the authority of the Assembly, dealt with two great topics, the first being the need of candidates for the ministry, and the second the need for revivals. This letter of the Moderator, the Committee on Christian Life and Work has made an appendix to its Report. The table of additions by confession given above shows by Synods the churches adding no members, and then the churches adding a given number or less. It is noticeable that 40 churches added between 75 and 100 members, and that 40 churches added over 100 members each. The Synods a majority of whose churches added no persons on confession are Alabama, Arizona, Canadian, Mississippi, Missouri, Montana, and Utah.

XVI. Statistics Ministers and Churches.—The summaries given below have to do with matters which are of importance, in connection with ministerial employment, the ministrations of the Gospel in all fields of work, and general conditions having to do with church growth. Last year the situation as to ministers and churches, as shown by the tables, did not change materially for the better from that existing during the ecclesiastical year 1911. There is a slight improvement in 1913 as compared with 1912. The number of pastors in 1912 was 4,138, and in 1913, 4,239. The stated supplies in 1912 were 1,562, and in 1913, 1,594. The ministers without charge in 1912 were 1,507, and in 1913, 1,572. The vacant churches in 1912 were 2,017, and in 1913, 1,931. There are, therefore, in 1913 as compared with 1912, 101 more pastors, 32 more stated supplies and 86 less vacant churches. The number of ministers without charge, however, has increased by 65.

Further, in connection with the churches it is to be noted that 4,225 are reported as self-supporting, and that 2,261 are grouped for purposes of support and efficient service.

The statistics of the size of congregations is suggestive, 5,908 having 50 members and upwards, out of 9,891 churches. There are, therefore, 3,983 churches with 50 members and less. The large number of these small churches should be a stimulus to the Church as a whole, to give particular attention to their needs. They are the nuclei for a possible great growth not only in membership, but in general spiritual usefulness for the denomination and large spiritual profit to the nation.

The matter of congregational expenses is one that needs to be emphasized, 6,151 congregations contributed during 1913 towards self-support, sums of $1,200 and under, and the remainder, 3,740 churches, contributed for the same purposes $1,200 and upwards. The number of churches contributing over $3,000 is 1,638. This situation seems to make clear the duty of Presbyteries, Synods, and the General Assembly, so to coördinate their work and conserve the financial resources of the Church at large, as to provide far more in the present for the work of Home Missions than has been done at any time in the past. The one great field along which the development of the power of the Church should be cultivated, earnestly and persistently, is that connected with the preaching of the Gospel in feeble congregations. A majority of the congregations are in that class, as shown by the summaries which follow:

XVII. Sabbath-schools.—The Committee again draws attention to the fact that a large number of Presbyteries report churches that have no Sabbath-schools. The great importance of the Sabbath-schools for the instruction of the rising generation, and also for the future of the Church, is such that we feel that the General Assembly ought to lay it upon the consciences and hearts of the ministry to give attention to this matter. When we consider the multitude of agencies at work in connection with the religious education of children, it is evident that there is somewhere neglect or inefficiency, when 1,748 Presbyterian churches out of 9,891 report no agency for the care of the children and youth of the communities in which they are located. The table given on following page speaks for itself, and the Committee offers a resolution in the closing part of the Report on the subject.

XVIII. FAMILY RELIGION.—The covenant of grace is a fundamental conception of our theology. We claim the promise as for ourselves and for our children. Entering into the covenant ourselves, we claim it also for them. This doctrine brings us great comfort. We should never forget that it brings us also responsibility. Only God's Holy Spirit can save, but His blessed influences operate in the atmosphere which we are ourselves enabled to develop and maintain. We have dedicated ourselves and our households to God. It is our peculiar privilege and duty, therefore, to maintain in those households the spirit of true religion. This spirit manifests itself in many ways and is not dependent upon any forms or customs, yet it expresses itself for our homes quite certainly in the existence of the family altar where day by day the family offer up the sacrifice of praise and prayer. We are not unhopeful that more of our people

are awake to this privilege than is sometimes thought. It is said that the family altar is passing out of use. We question if there has been sufficient examination of the facts to warrant the conclusion. If we go back to our youth we may recall the family altar in our own homes, but we are not able to recall many churches where it was universal, nor many of any size where it was fairly prevalent. One pastor recently discovered that all his elders held family worship in some way, while nearly half of them had come from homes where it was not the custom. Another pastor, in a general canvass of his church, found the same condition prevailing. In a large city in the central west an inquiry in several representative groups of church men revealed that at least one-third habitually held family prayers morning or evening or both, and others observed the practice with less regularity. The demand for books of recent publication which contain suggestions for family prayers, hymns and suitable Scriptures is another encouraging sign. Possibly we have over-magnified the early prevalence of the family altar; possibly we minimize the prevalence of it to-day, but we cannot over-magnify its value nor minimize the injury of its neglect. We feel that many pastors do not make adequate inquiry regarding the practice in their own churches, nor give the people adequate instructions regarding the means by which the family altar may be erected and maintained. One experienced pastor seeks an early opportunity to be in each newly established home to conduct family worship and to counsel with the newly married pair regarding its continuance. So many of our people have been reared in ignorance of its method and meaning that they have entirely mistaken notions of the joy and privilege of it.

It will be suitable to urge upon our people the maintaining of the family altar and the daily worship in the home for such reasons as the following:

For the assuring of our own spiritual lives, the steadying of our religious purposes. Many experienced believers will testify that the practice of family worship is a saving of time in the increased efficiency which it gives for dealing with the straining experiences of duty.

For the sweetening of all relationships within the family circle. Here we present ourselves "in holy array" before the Lord, and each of us holds a different relation to the others because we have all been together before God.

For its impression on the plastic minds of the young. Few of us can claim to have welcomed the family worship in our own youth, but none of us finds it in his heart to regret an hour of it after the years have passed. We do not recall what was said and done, but the practice itself left an impression on our minds which time does not efface.

For the claiming of our children for God and His service. It is not enough that our children know that we have given them to God; they have the right to hear our voices in dedication. Many ministers testify that their hearts were first turned to their life work by the sense of dedication which came upon them as they heard their parents setting them apart to the service of God in whatever work He might call them to undertake.

For the dignifying of our homes with the influences of religion. In what are the homes of believers different from the homes of unbelievers, if not in the prevalence of the spirit of religion, in the recognition of the right and place of God there? It is this that notably marks Christian homes.

For the memories of all who shall come under our roof. The stranger or the guest in our homes has the right to be sent on his way with such a touch on his soul as can be given by nothing so well as by uniting with the family in supreme devotion to God.

For the acceptance of the task of intercession in behalf of the Gospel throughout the whole world. We commend most strongly the use in family worship of the prayer lists published by both the Board of Foreign Missions and the Board of Home Missions, in which appear the names and the fields of the workers, and whose roll-call inspires to intercession. There is no task more demanding, none more joyous, we fear none more neglected, than this task of intercession.

XIX. Comity.—The Committee sent out a list of questions with reference to Comity to the Stated Clerks of Presbytery, and the answers indicate a very indefinite situation as to the application of the principles of comity as between denominations in the Mission fields. There are here and there evidences of a decided increase in the manifestation of a true fellowship between the various

denominations in our country, and in some Synods Inter-Church Federations have been organized. The general situation, however, needs a more careful study, in particular in view of the fact that from certain Presbyteries the reports received indicate interdenominational conditions other than fraternal. The Committee hopes to report more fully next year upon this important subject.

XX. Resolutions.—The following Resolutions are submitted to the Assembly for adoption:

Resolved, 1. That the attention of all the Presbyteries and Synods be again called to the imperative need of better arrangements for the reporting of the Narrative, and to that end the Assembly would suggest to each of them that there be a Standing Committee of at least three rotating members, together with the Moderator and Stated Clerk, *ex officio*, making five, to prepare the Narrative, and that a period of at least one hour be allotted to the Report at the close of a morning session of the judicatory, to be accompanied with exercises of praise and prayer.

Resolved, 2. That the Stated Clerks of Synods be and are hereby appointed as advisory members of the General Assembly's Special Committee on the Narrative of Christian Life and Work, and that the Synods be requested to direct the said Clerks to coöperate with the Committee in the preparation of the Narrative for the Assembly.

Resolved, 3. That the Narrative of the Special Committee, when approved by the Assembly, be printed in full in the Appendix to the Minutes.

Resolved, 4. That the churches are again advised, wherever the way is clear, to unite with the churches of other denominations in the communities in which they are located, for the purpose of carrying on coöperative Christian work, and Presbyteries and Synods are requested to stimulate this work within their bounds.

Resolved, 5. That the Board of Publication and Sabbath School Work be authorized to issue literature prepared by this Committee in connection with the work entrusted to it by the Assembly.

Resolved, 6. That church Sessions are most earnestly requested to give most particular attention to the absentee members of their congregations, to comply with the requirements of the Book of Discipline, in relation to such matters, and to endeavor by correspondence to recommend such members to unite with the churches in the communities in which they have located.

Resolved, 7. That the Presbyteries be and hereby are instructed to give particular attention to the Sabbath-schools connected with the churches under their jurisdiction, and especially to make provision for the establishment of one or more Sabbath-schools in connection with every congregation.

Resolved, 8. That the Presbyteries are earnestly directed to inquire of Sessions of any congregations subject to their authority, as to the prevalence of the evangelistic spirit in their midst, and to encourage all Sessions to stimulate a true evangelism among all the members, in order that in every church their may be obedience to the command of Christ to preach the Gospel to every creature. Thus laboring in the spirit of our Divine Saviour will it be possible in every congregation to add unto the number of them that are the saved.

Resolved, 9. That the Committee on Christian Life and Work be and is hereby charged with the duty of sending out to the Church a solemn call for a year of intercession, beginning October 1, 1914, for the outpouring of the Holy Spirit throughout the world in both home and foreign fields. The call, when prepared, shall be signed by the Moderator and Stated Clerk on behalf of the General Assembly, and shall be communicated to the proper authorities of other Christian denominations.

In behalf of the Committee,

JOHN TIMOTHY STONE, *Chairman*,
WILLIAM HENRY ROBERTS, *Secretary*.

WM. HENRY ROBERTS, *Stated Clerk.*

CORRESPONDENCE.

I. REPORT OF THE EXECUTIVE COMMISSION OF THE ALLIANCE OF THE REFORMED CHURCHES THROUGHOUT THE WORLD HOLDING THE PRESBYTERIAN SYSTEM, FOR THE YEAR ENDING MARCH 31, 1914.

To the General Assembly of the Presbyterian Church in the U. S. A.:

DEAR BRETHREN:—The Western Section of the Executive Commission of the Alliance of the Reformed Churches throughout the World holding the Presbyterian System respectfully presents its Annual Report for the year 1913–14, under the following heads:

1. MEETINGS.—At the Tenth Council of the Alliance, Aberdeen, Scotland, June, 1913, a new Western Section was appointed, which met and organized during the sessions of the Council. The regular meeting of the Western Section was held at Lafayette College, Easton, Pa., February 10 and 11, 1914. A cordial welcome was given to the members by President E. D. Warfield of the College, by the Faculty and by many others. The business sessions were held in Brainerd Hall of the College, a popular meeting was held at Pardee Hall on the evening of February 10, and the closing meeting was held at the First Reformed Church, Easton. The Section recognized cordially the hospitality generously tendered.

2. OFFICERS.—The officers chosen at Aberdeen, Scotland, were: Rev. R. H. Fleming, D.D., *Chairman;* Rev. Philip Vollmer, D.D., and E. W. C. Humphrey, Esq., *Vice-Chairmen,* and Rev. J. C. Scouller, D.D., *Recording Secretary.* These brethren served from June 25, 1913, to February 11, 1914. At Easton, Pa., the officers chosen were: Rev. William McKibbin, D.D., *Chairman;* Rev. Clarence MacKinnon, D.D., and Rev. John G. Fagg, D.D., *Vice-Chairmen;* Rev. J. C. Scouller, D.D., *Recording Secretary,* and Gen. R. E. Prime, Chairman of the Executive Committee. The American Secretary, Rev. W. H. Roberts, D.D., and Mr. Philip E. Howard, American Treasurer, are permanent officers of the Alliance and of the Section.

3. NECROLOGY.—*The General Secretary.* We record the death of the Rev. GEORGE DUNCAN MATHEWS, D.D., LL.D., for twenty-five years General Secretary of the Alliance. Dr. Mathews was born in Kilkenny, Ireland, April 23, 1828, and died in Brondesbury, London, July 5, 1913, aged eighty-five years. He studied at the United Presbyterian Divinity Hall in Edinburgh, Scotland, and was ordained to the ministry by the Presbytery of Glasgow, August 31, 1854. He was pastor in Stranraer, Scotland, in New York City, and in Quebec, Canada, where he also became Professor of Theology and afterwards of Moral Philosophy in Morrin College. His connection with the Alliance began in 1873, and until 1888 he was American Secretary. In 1888 he was chosen General Secretary.

Taking up his residence at London, England, he continued in active work for twenty-five years, and despite the increasing infirmities of age, as the years advanced was increasingly a positive and influential factor in the growth and development of the Alliance. He traveled frequently and far in Europe, South Africa, America and other portions of the world. Unwearying in his labors, seeking ever according to his best judgment the interest of the Churches of Christ in the Alliance, and above all devoted to the cause of the world kingdom of our Lord and Saviour Jesus Christ, he has earned the reward, "well done, good and faithful servant."

The members of the Western Section who departed this life during the year were:

MR. LOUIS H. SEVERANCE, a member for many years, and a representative of the Presbyterian Church in the U. S. A., who died at Cleveland, Ohio, June 25, 1913. While devoted to the interests of the Church of which he was an

elder, and serving as a member of its Board of Foreign Missions, his heart went out to all parts of the work of the Church of Christ, and he gave generously of his time and means to all good causes.

THE REV. A. G. WALLACE, D.D., LL.D., passed to his rest on August 19, 1913. He had lived more than fourscore years, and was active and prominent in the service of the United Presbyterian Church, and in the interests of the Kingdom of God, until weakness disabled him a few months before his death. Dr. Wallace became a member of the Western Section shortly after its organization, and through all the years was valuable in all service.

THE REV. THOMAS GILMORE BOYCE, D.D., was born February 3, 1862, ministered to the congregation of Hickory Spring and Shady Grove, Ark., from 1888–93, and to the Salem, Tenn., congregation from 1893 until his death. Actively engaged in the work of the ministry, he was suddenly called to rest from his labors on May 31, 1913. The Associate Reformed Presbyterian Synod, of which he was a leading minister, has lost a devout servant of Jesus Christ.

4. THE NEW GENERAL SECRETARY.—The successor of the Rev. Dr. George Duncan Mathews is the Rev. Dr. Robert Dykes Shaw, a minister of the United Free Church of Scotland, who was unanimously chosen by both the Eastern and Western Sections. The first General Secretary was chosen from the Western Section, and the second was therefore chosen from the Eastern Section. Dr. Shaw is in the prime of life, an accomplished scholar, acquainted with both French and German, and was a successful pastor. The Western Section asks the constituent Churches to give him cordial support in his work.

5. MEMBERSHIP.—The Western Section at its meeting at Aberdeen, Scotland, June 25, 1913, acted upon the subject of the number of its members, and took final action at Easton, Pa., February 10, 1914, by the adoption of the following resolution:

Resolved, That the Western Section shall consist of 115 members; that the constituency of each member shall be 25,000 communicants in his denomination, except that the Churches of less than 25,000 communicants shall be represented by two members (one a minister and one an elder); and that the following is the allotment of membership:

	Members.

6. THE ABERDEEN COUNCIL.—The Tenth Council of the Alliance met in Aberdeen, Scotland, as appointed, June 18 to June 26, 1913. The city of Aberdeen is a strong religious centre, and, like all other cities in Scotland, the dominant Church is the Presbyterian. The welcome to the Council by the city was given at the University of Aberdeen, on the afternoon of June 18, and in the evening at the Art Gallery, by the Lord Provost, the Magistrates and Town Council of Aberdeen. There were also other social appointments emphasizing the cordiality of the welcome.

The opening service was held in the Cathedral of St. Machar in old Aberdeen. The edifice stands on the site of a chapel erected by Machar, an Irish Saint of the seventh century and a disciple of St. Columba. The sermon was delivered by the Rev. George Adam Smith, D.D., LL.D., Principal of Aberdeen University, and the opening address by the Rev. D. J. Burrell, D.D., LL.D., of New York City, President of the Alliance.

There were present about 250 members, including representatives of Foreign Mission stations throughout the world, in particular of the Persian Evangelical Church and the Presbyterian Church of Syria. The total constituency, repre-

sented by the Council members, consists of 106 denominational and national Churches, located on all the six continents, and having about thirty-five millions of members and adherents.

The subjects treated were: Authority in Matters of Faith, The Notes of the Church, The Deity, The Cross and the Abiding Presence of Christ in the Church, The Use of Catechisms, The Ministry, Present-day Problems, Social Problems, and Evangelism.

In addition to the business sessions, evening popular meetings were held devoted to the interests of Young People, to Foreign Missions, to the Church, and to Social Problems. The closing meeting in Music Hall was given to addresses upon the Church and Revivals.

The entire effect of the Council, with its 250 members, will be conducive to the welfare, it is believed, not only of the Presbyterian churches throughout the world, but also to all other Christian churches.

7. Volume of Proceedings.—The Proceedings of the Aberdeen Council have been published in an admirably edited volume by the Rev. Dr. Shaw. The price is two dollars, and it can be had from the American Secretary, at his office in Philadelphia, Pa. A copy has been forwarded for the use of your venerable body.

8. Foreign Missions.—There are two great outstanding facts in the Foreign Mission field to-day, the first of which is, the door almost everywhere open for the entrance of the Gospel. Christian prayer has been largely answered, and barriers, long time insuperable, have melted or crumbled. Except perhaps in the Nejd and Thibet or the inaccessible stretches of Central South America, there are no obstacles of an official character. The second of these facts is one which appears on the field, in the unification of effort, intelligent and widespread, following on that unity of the spirit which has prompted in so many Churches, the missionary endeavor. Coöperation, not competition, is the significant spirit of present-day progressive missionary endeavor and aid. Further, this unity in effort finds constant expression in the work of the Continuation Committee of the World Missionary Conference, held at Edinburgh, Scotland. That Committee of forty men, with its earth-wide sweep of vision, planning, and endeavor, represents a united constituency as never before, and is entrusted with the task of inspiring foreign missionary activity of the Protestant world.

In view of these facts the Churches must accomplish a three-fold task:

1. Reserve forces must be brought into action. The whole Church must be persuaded into the common line of advance against heathenism.

2. Our sons and daughters should be consecrated to the work.

3. Every member of the Church must be aroused to an understanding of his privilege and duty in connection with the dissemination of the Gospel to all parts of the world.

The following resolutions are submitted for your adoption:

1. *Resolved*, That the Western Section of the Executive Commission of the Alliance of Reformed Churches holding the Presbyterian System believes that a new day of opportunity, if not of crisis, is dawning upon the work of Christian Missions, evidenced by the signs of the times, discernible in every part of the mission field and in the marvelous marshaling of the forces of Christianity into what we are constrained to believe is a divinely wrought unity of effort and of aim.

2. *Resolved*, That we urge the commendation of the principles and aims of the "Every-member" movement to all our Churches.

3. *Resolved*, That we call upon Christian ministers to seek, and Christian parents to give, the very flower of our Christian youth to the help of the Lord in what may be the last assault upon the strongholds of darkness.

4. *Resolved*, That we urge, through the properly constituted authorities of our Churches, every member of these Churches, for our missionaries and for the conversion of the world to our Lord Jesus Christ, a new concert of intercessory prayer, from which the voice of not a single heart shall be lacking.

9. Work in Foreign Seaports.—The Tenth Council, in relation to the mission work done for American and European residents in foreign seaports took action which reads:

Resolved, That this Council expresses its hearty approval of the work carried

on in Foreign Seaports by the Annual Conference of North American Mission Boards, commends the work to the favorable attention of all the Churches, and refers the matter to the two Sections for further consideration of the Report.

This work, so far as the Western Section is concerned, was reported upon at the last meeting of the Section as follows:

The Committee of the Annual Conference of Mission Boards having this work in charge has had an unusually encouraging year. The pastors whom it has aided the churches in Mexico City, Colombo, Ceylon, and Kobe, Japan, to secure, have continued uninterruptedly at their work. The Mexico City and Colombo churches are entirely self-supporting.

The church at Yokohama has been efficiently served during the past year by Dr. Blackburn, who stopped for that purpose on his journey around the world. Rev. G. Chapman Jones, of Hornell, N. Y., has consented to take the pastorate of the church for the ensuing year.

The Committee has also arranged to supply the pastorates of union churches in Rio Janeiro, Brazil, and Peking, China.

The church at Tien Tsin, China, has applied to the Committee for help in securing a pastor.

A Tourist Directory of Christian Work in Asia has been published during the year, and copies have been sent to all the tourist agencies. The preparation of it was an arduous labor of love on the part of the Chairman of the Committee, Dr. Speer, and the Western Section has expressed to him its appreciation of his devoted and efficient services in this important work.

10. WORK IN EUROPE.—*Germany.*—Three things worthy of note are indicated. The opposition to an establishment of religion is asserting itself in a peculiar manner. During the year 1912, and the first three months of 1913, 140,000 persons left the State Church. The Reformed Alliance met last September at Wesel, one of the great centres of the Reformation. The Alliance is making steady progress in its effort to gather together the scattered Reformed Churches. Its membership now consists of five Synods, 114 congregations, with a constituency of 300,000 adherents. Rev. Prof. A. Lang, of the University of Halle, is at present visiting this country as its representative. The Synod of Posen united with the Alliance last year.

France.—The exodus from religion to indifferentism or infidelity is still in progress. Free-thinking associations, which aim to supersede the Christian churches, have been organized, and are particularly strong in the industrial class. The adherents of the Christian Churches are to be found principally among the upper and middle classes. The great mass of the people have no distinct Christian or anti-Christian principles, but conform to the traditions of the Church in such acts as baptism, marriage, confirmation, and funeral ceremonies. The attitude of the government towards the manifestations of the Christian faith has been that of extreme reserve. Despite these unfavorable indications, there are signs that France is finding out the emptiness of mere materialism, and is inclining toward more spiritual things.

Italy.—This year this most ancient Church of the Alliance is represented in America by the Rev. Mr. Bosio. A noteworthy incident in its history is the services regularly held in the new Waldensian Church in Rome, erected through the generosity of Mrs. John Stewart Kennedy, at a cost of $250,000.

Hungary.—The visit to this country by the deputation of the Eastern Section in the summer of 1912 has been productive of excellent results. At the Aberdeen Council about a dozen Hungarian ministers and laymen were present, and from the association with the practical British and American churches has come a new vitality in the Church. Schools are being improved, home evangelization strengthened, and a movement to begin foreign-mission work in Roumania is being contemplated.

Bohemia.—Preparation for the Quinquecentennial of the martyrdom of John Huss, in 1915, are being completed. It is hoped that this anniversary, of such especial interest to the Churches of our faith, will be the means of great uplift and inspiration, and that the action suggested later will be adopted.

English-speaking Churches and Summer Services.—At Frankfort-on-the-Main, the Presbyterian Church in the U. S. A. has a church with forty members, who raise $1,500 a year. It is now without a pastor, and in great need of a church building. At Paris, the same denomination is sustaining a work for 3,000 students. Its importance may be judged from the fact that the Americans

there raise $2,000 for its support. The English summer services at The Hague were continued by the Dutch Reformed Church, with Rev. Henry J. Veldman, of Holland, Mich., in charge. The audiences were the largest in the history of the work, averaging over 100, and with a total of more than 1,100. The services at Zurich, Switzerland, were continued by Rev. James I. Good, D.D. Owing to the renovation of the old cathedral, services were held in other places, and consequently the audiences were not quite so large as the previous summer.

The influence of the great World's Sunday-school Convention at Zurich will doubtless affect our Churches in Europe. During the fifty years that Sunday-schools have existed there, they have been largely limited in their membership to little children. At this convention the work among young people or adults was emphasized, and it is confidently expected that the movement for adult Bible classes will now spread all over Europe and exert a blessed influence on the churches.

The following recommendations are presented to the Supreme Judicatories for adoption:

1. That the Rev. Mr. Bosio, of Rome, of the Waldensian Church, be cordially commended to the Churches.

2. That in view of the approaching Quinquecentennial, in 1915, of the death of John Huss, and in order that the full significance of this anniversary may be utilized for the benefit and inspiration of our churches, especially in respect to the nature of the true Church and religious toleration, for both of which things he stands out with great prominence in the history of the Church, that the Committee appointed by the Section be generously sustained in its efforts to secure a proper observance of this Anniversary, and that a general collection in our congregations during that year be gathered to erect as a memorial to John Huss, the Huss House at Prague as a centre of Protestant activity and influence in the land of Huss.

11. Education in Canada.—An interesting Paper, prepared by Principal John Scrimger, of Montreal, on Education in Canada, was submitted to the Western Section, at Easton. Briefly stated, the situation is as follows:

The population of the country is, roughly speaking, two-thirds Protestant and one-third Roman Catholic. Ever since the conquest by the British in 1769, the Roman Catholics, who were the first settlers of the country, have been watchful to secure every possible privilege. In the Province of Quebec, where they have a clear majority, they have established a system of education as thoroughly ecclesiastical as it is possible to have it and still be recognized by the State. They have schools under control of their bishops, and in which the teachers, to a large extent, belong to ecclesiastical orders. No certificate of qualification for teachers is required beyond that of the bishop. In the list of studies the first and foremost place is given to the Catechism.

In the other provinces Roman Catholics are in a minority, and the Protestant ideal of education is the dominating one, yet Catholics have secured the right to organize separate schools, and in Ontario they have 500 such schools actually in operation. Where the Roman Catholics have not been able to maintain separate schools, they have demanded that religious instruction shall be excluded from the public schools, and that the Bible shall not even be read. In many cases this point has been yielded. In Nova Scotia, New Brunswick, Saskatchewan and Alberta, Catholic schools and Catholic teachers including the religious orders, are recognized. The public schools are mainly controlled by the Public School Boards.

In another important direction the Roman Catholic influence is felt injuriously—in the refusal to consent to compulsory education. Quebec and Manitoba are the two provinces which have no compulsory education law, and in both cases it is due directly to their power. It is needless to add that the Roman Catholic Church in Canada is avowedly in politics.

12. Arbitration.—The Tenth Council directed that the following Resolution commending arbitration in the settlement of international disputes be submitted for approval:

Resolved, "That while the condition of modern nations does not warrant the confident hope that War can be altogether avoided as a means of settling international disputes, this Council deplores the horrors and bloodshed that are ever connected with it, and the spirit that evokes it, as contrary to the

principles of Christianity, and inconsistent with the ideals at which the Christian Church is bound to aim.

"The Council is of the opinion that most of the disputes which lead to War might be settled by properly constituted Courts of Arbitration, which would command the confidence of the various nations, and prepare the way for the diminution of the Armaments which now lay such a heavy burden on the governments and peoples of the various countries of the world.

"The Council therefore rejoices in the proposals for treaties in favour of Arbitration between different nations, providing for the submission of disputed questions to such Courts before appealing to the arbitrament of the sword, and would encourage the Statesmen of the world to seek to secure the acceptance of such treaties wherever possible."

13. WORLD CONFERENCE ON FAITH AND ORDER.—In the matter of the proposed World Conference, the following action was taken by Council:

"WHEREAS, There has been submitted to this Council a proposal by the Joint Commission of the Protestant Episcopal Church in the United States for a World Conference on Faith and Order of all Christian Churches which confess our Lord Jesus Christ as God and Saviour, for the purpose of study and discussion, without power to pass resolutions; and

"WHEREAS, A Conference of said Commission with the Coöperating Commissions and Committees of other American Churches has submitted the same proposal through General R. E. Prime, of New York, a duly appointed delegate; and

"WHEREAS, The Western Section of the Executive Commission has commended this proposal, and it has been approved by a number of its constituent Churches, therefore,

"*Resolved*, (1), That this Council places on record its sympathy with all wise measures which have for their object the restoration of the unity of Christendom, and the fulfillment of our Lord's prayer for His Church.

"*Resolved*, (2), That the invitation to join in the proposed Conference concerning Faith and Order be transmitted to the constituent Churches composing the Alliance, with such information as shall secure an intelligent consideration of the whole matter.

"*Resolved*, (3), That the necessary information, so far as this Council is concerned, be furnished through the Eastern and Western Sections of the Executive Commission."

14. SABBATH-SCHOOL AND YOUNG PEOPLE'S WORK.—A survey of the situation in the Sabbath-schools and Young People's Societies in the Western Section reveals advances in efficiency and a hopeful outlook. Attention is called specially to the matters following:

1. *Educational Advances.*—There is a decided endeavor in the churches to enlarge the vision and awaken the interest of our children and young people in the direction of a more accurate knowledge of fundamental Christian doctrines, the great facts of Church history and government, the situation as to missions at home and abroad, and practical training in the work of the local church. The Sabbath-school Boards of our Churches are coöperating in the production of a literature on these lines suitable for the young.

2. *Teacher Training.*—The denominational Boards and Committees give permanent place to the requirement of a teacher training class in each school. The Boards furnish requisite literature and material for the prosecution of this work. There is an increasing realization of the truth that teachers in our Sabbath-schools and leaders in our Young People's Societies must be adequately guided and directed in preparation for and in the conduct of their serious work.

3. *Graded Lessons.*—Plans for a new series of Graded Lessons have been agreed upon and are now being worked out by the Publishing Agencies of our Churches. These lessons are to be biblical and evangelical, based upon departments rather than years, and published periodically. They will maintain the supreme authority of the Bible, emphasizing the supernatural in the sphere of Providence, and making clear the need for regeneration and the grace of Christ in the upbuilding of character.

4. *Men's Organized Classes.*—Adult Bible classes, composed of men or women, or both, are a feature of many Sabbath-schools at present. There is great enthusiasm among the men who have entered these classes, and the value of

the study of God's Word by them cannot be overestimated. It is encouraging to note that the modern Sabbath-school has a large element of adult members.

5. *Evangelism.*—The Evangelistic effort in Sabbath-schools is of the first importance. The value of this kind of work is emphasized by the fact that the first direct contact of the Church with the ever-increasing immigrant population is almost invariably through the Sabbath-school. In most schools to-day two lines of work are followed: first, the encouraging of the children of believers to recognize personally their covenant relationship to the Church, and, second, the need of decision for Christ on the part of all scholars. Statisticians state that only 40 per cent. of the Sabbath-school scholars are brought to Christ. This is probably true and affords reason for a great searching of heart. But, on the other hand, the question can be asked: Are 40 per cent. of the unconverted adults, who are in touch with the churches and hear the offer of salvation, brought to Christ? The answer will be, No, and it makes clear the duty of yet more consistent and sustained effort for the bringing of the children and young people to the Saviour.

15. Home Missions.—The greatest mission field in the world is North America. This is true as to the magnitude of the unoccupied territory and the unreached and increasing populations. Canada and the United States together have an immense territory of fertile and uncultivated land, and have also passed the one hundred million mark in population. The nature of Home Missions is also being changed. There is no longer a frontier which appeals for the Gospel, but instead of it we have the congested city, the disintegrating country church, the immigrant population, the mining camps, the lumber mills, the multitudinous factories, and both the degraded negro and the degraded white man. All these features emphasize the fact that the task of Home Missions is expanding, and, as one has said: "If the Church loses the fight in America, the evangelization of the world in this generation will be but the dream of a dreamer who dreams that he dreams." A full report was made by the Committee on Home Missions of the Western Section, at Easton, upon the whole field of North American Missions. All the Churches are actively at work. In the United States the Home Missions Council is seeking to unify the forces of Christian America, and by means of the Home Mission Week to impress the whole Church and country as never before in its history. There is as yet, however, no widespread coöperation in Home Mission work. In Canada, however, the Canadian Church has unified its entire Home Mission work under one well-articulated central agency, and is nearing the goal of amalgamating the evangelical forces of British America into one great Protestant organization. A like work of amalgamation and unification is preëminently the need of the churches in the United States.

The following statistical table, prepared by the Rev. Dr. S. L. Morris, of the Presbyterian Church in the U. S., gives a specifically accurate survey of Home Mission conditions in the United States and Canada.

16. EVANGELISM.—The Tenth Council considered the subject of Evangelism with some fullness. The closing popular meeting was devoted to the subject, addresses being delivered by the Rev. Wm. H. Roberts, D.D., the Rev. Henry Montgomery, D.D., and the Rev. Charles W. Gordon, D.D. During the sessions a Permanent Committee on Evangelistic Work was appointed, with branches for both the Eastern and Western Sections, and the following resolutions were adopted:

"1. That pastors of Churches represented in the Alliance be urged to present more earnestly and more constantly, both in their preaching and in personal conversation with members of their congregations, the vital necessity of repentance for sin and faith in Jesus Christ as the conditions of pardon and eternal life.

"2. That the Tenth General Council hereby commends to all the Churches represented in it the world-wide movement for evangelization, as it has relation to evangelistic effort within their own bounds, and the cultivation in their ministry and membership, of the evangelistic spirit. We believe that this spirit is fundamental to the success of the work of Christ, not only abroad, but also at home.

"3. That this Council sends out to the Churches a solemn call for a year of intercession, beginning October 1, 1914, for the outpouring of the Holy Spirit throughout the world in both home and foreign fields.

"4. That while this Council cordially approves of and commends all wise methods of evangelism, it would earnestly remind the Churches within its purview that all true followers of Christ are called to evangelistic service as fishers of men; and that the responsibility for such service cannot be disallowed or laid upon others: for which cause parents and religious teachers, particularly in the Sabbath-school, are urged to emphasize more and more deeply the importance of an immediate acceptance of Christ as the only hope of salvation from the penalty and power of sin."

It is respectfully requested that these resolutions be passed also by you, and an especial emphasis be placed upon the call for a year of intercession, beginning October 1, 1914.

17. THE QUARTERLY REGISTER.—*The Quarterly Register*, the organ of the Alliance, is now under the editorial care of the new General Secretary, the Rev. Dr. R. Dykes Shaw. The Executive Commission has under consideration plans for the enlargement and improvement of the publication. The support of the Churches is earnestly requested for the magazine.

18. FINANCES.—The receipts from the Churches on their apportionments during the year ending February 1, 1914, amounted to $3,720.00, and there was received as interest the sum of $82.78, making a total of $3,802.78. The disbursements were as follows: Alliance Expenses, general office, $2,163.81; annual meeting, Western Section, Montreal, $1,304.87; printing and miscellaneous, $293.91; total, $3,762.59.

It is respectfully requested that the contribution from your Church be forwarded not later than October, 1914, to the American Treasurer, Mr. Philip E. Howard, 1031 Walnut Street, Philadelphia, Pa. The financial provisions of the Alliance include the salary and expenses of the General Secretary, Rev. R. Dykes Shaw, D.D., of Edinburgh, Scotland, and the expenses of the Western Section. The American Secretary continues to serve without salary.

19. FRATERNAL DELEGATES.—The Western Section has appointed the following delegates from the Alliance to the supreme judicatories of the Churches:

Presbyterian Church in Canada	Rev. John Somerville, D.D.
Presbyterian Church in the U. S. A	Rev. George B. Stewart, D.D.

The rate of apportionment is $20 per representative per annum.

21. The Eleventh Council Meeting Place.—The invitation of the Presbyterian Churches of Pittsburgh, Pa., submitted by the Western Section, for the meeting of the Eleventh General Council in that city was submitted to and unanimously accepted by the Tenth Council. The time was fixed for the month of September, 1917, the opening day to be as near the fifteenth of that month as may be convenient. The Committee to have charge of the local arrangements was duly appointed, with the Rev. John McNaugher, D.D., as Chairman.

22. Next Meeting of the Western Section.—The Western Section will meet in 1915, at Cincinnati, O., having accepted the kind invitation of Walnut Hills Presbyterian Church and Lane Theological Seminary in that city. The time has been left to the Executive Committee.

23. General Outlook.—The Churches of the Alliance on all the six continents are, as a rule, prospering spiritually. Their resources of men and means are on the increase, and their spirit is optimistic. Before them all lies an open door for the salvation of souls and the redemption of humanity. The general interest in religion on the part of the masses of human beings, both in home and foreign fields is noticeable. It is easy to talk about Christ to-day in Asia and Africa as well as in Europe and America. May the Churches of the Alliance so coöperate in work and unite in prayer that ere long the prophecy of our divine Lord may be completely fulfilled: "And I, if I be lifted up will draw all men unto me."

Respectfully submitted in behalf of the Alliance,

WM. McKIBBIN, *Chairman;*
WM. H. ROBERTS, *American Secretary.*

II. REPORT OF THE COUNCIL OF THE REFORMED CHURCHES IN AMERICA HOLDING THE PRESBYTERIAN SYSTEM.

To the General Assembly of the Presbyterian Church in the U. S. A.:

Dear Brethren:—The Council of the Reformed Churches in America respectfully reports to its constituent Churches, for the year ending April 30, 1914.

The constituent Churches in the Council are the same as heretofore reported, and their names appear later in this Report.

1. Meeting.—The Council held its regular biennial session in the Second United Presbyterian Church, Philadelphia, Pa., on March 17 and 18, 1914.

There were present representatives from all the Churches, in number 42, and, in addition, 34 representatives of 21 Boards and Executive Committees; a total of 76 persons.

2. COURTESIES.—The hosts of the Council were the United Presbyterian Churches of Philadelphia, and the Ministers' and Elders' Association of these Churches gave a dinner to the Council on the evening of March 17 at the Hotel Walton. Admirable provisions for the business sessions were made by the pastor and session of the Second United Presbyterian Church. For all these courtesies appropriate acknowledgment was made.

3. NECROLOGY.—During the past ecclesiastical year the following members departed this life: The Rev. Walter A. Brooks, D.D., of the Presbyterian Church in the U. S. A., who was the Permanent Clerk of the Council; the Rev. T. G. Boyce, D.D., of the Associate Reformed Presbyterian Synod; the Rev. A. G. Wallace, D.D., of the United Presbyterian Church, and the Hon. R. T. Simpson, of the Presbyterian Church in the U. S.

4. OFFICERS.—The President of the Council during the past two years was the Rev. John H. Prugh, D.D., who opened the meeting with an address on the subject of Church Unity. With him was associated, as Vice-President, the Hon. Elisha A. Fraser. The officers elected for the present term of two years were: President, Rev. George Alexander, D.D.; Vice-President, Hon. T. H. Somerville, LL.D.; Stated Clerk, Rev. Wm. H. Roberts, D.D.; Permanent Clerk, Rev. Rufus W. Miller, D.D., and Treasurer, Rev. D. F. McGill, D.D.

5. CONFERENCES.—The Conferences of the Council with representatives of the Boards and Agencies were held on the afternoon of Tuesday, March 17, and the morning of Wednesday, March 18. The several Committees of Council met with the representatives of the Agencies directly related to the work of each, and the results are stated under the following heads:

6. FOREIGN MISSIONS.—The chief problem under discussion was the need of a closer coöperation in the Home Administration of the Agencies for Foreign Missions represented in the Council. The following Resolutions were approved by Council:

Resolved, 1. That the Committee on Foreign Missions be authorized through a sub-committee, which it may appoint, to collate the essential facts regarding the foreign missionary work of the Presbyterian and Reformed Churches represented in the Council, and to inquire of the Agencies whether, in their judgment, there are any ways in which they can wisely coöperate in a closer way, and to report such recommendations as the Committee may deem proper at the next meeting of the Council.

Resolved, 2. That the Chairman of the Committee be authorized to appoint a Committee of seven, one from each of the denominations, to gather this information.

The Chairman of this Committee is the Rev. Arthur J. Brown, D.D., Secretary of the Board of Foreign Missions of the Presbyterian Church in the U. S. A.

7. HOME MISSIONS.—The Home Mission Committee reported the statistics, for the year 1912–13, of the Churches composing the Council: Expenditures, $3,866,837; Home Mission stations, 5,370; churches aided, 5,195; members added, 131,665. The subject of comity in work was carefully considered, and, in order to make effective the principles of comity adopted at previous meetings, the following resolutions were ordered transmitted to the Supreme Judicatories of the constituent Churches for action:

Resolved, 1. That the Supreme Judicatories direct their Synods each to appoint three representatives to act with representatives of other Presbyterian and Reformed bodies in constituting a joint advisory Committee of Comity, for the purpose of effecting a fair exchange of churches, to discourage overlapping of home mission forces, to settle cases of friction, and promote other phases of coöperation in Home Mission work, the joint advisory Committee to report to each of the appointing Synods.

Resolved, 2. That in any city of less than 100,000, where any Presbyterian or Reformed Church is at work among foreign people, no other Presbyterian or Reformed church shall open a work for the same people in that city, until other cities and towns, where such work is needed, have been occupied.

Resolved, 3. That in case of any denomination contemplating opening work for foreigners in such cities already occupied by one of the constituent Churches of this Council, this matter shall be referred to the Committee of Comity, provided for in Resolution No. 1 of this Report.

8. Colored Work.—The proceedings of the Permanent Committee on Work among the Colored People, established at the recommendation of the Council, and with the consent of the Supreme Judicatories of the respective Churches, was duly organized at Pittsburgh, Pa., April 25, 1912. The officers elected were Dr. J. G. Snedecor, of Tuscaloosa, Ala., Chairman; Dr. J. Preston Searle, of New Brunswick, N. J., Vice-Chairman; Dr. W. J. Darby, of Evansville, Ind., Secretary-Treasurer. These officers, with Drs. Cowan, Schaeffer and McGranahan, were constituted an Executive Committee. Effective work has been done by this Committee, upon the basis of the platform adopted by it and printed in the *Minutes* of 1912. A statement of the work done among the colored people by the Churches since 1864 has been published in a pamphlet of twenty-two pages, and the field of operations has been visited, and special attention given to the educational interests of the Cumberland Presbyterian Church, Colored. The following recommendations are offered for approval by the Supreme Judicatories.

1. That the Executive Officers of the Council be instructed to call the particular attention of the Supreme Judicatories to each of the Resolutions adopted as a platform of coöperative work by the Permanent Committee, that relate to coöperation by education, publication, Sunday-school and other agencies of the respective Churches, and request that specific direction be given to these agencies as to the manner and extent of their expected coöperation with the particular agencies that have in charge the Home Mission and Freedmen operations of the Churches.

2. That the attitude assumed by the Permanent Committee regarding institutional, industrial, Sunday-school and general evangelistic work in cities having a large colored population be strongly commended, and that the Executive Committee be requested to give emphasis to this feature of the work in its report to the Supreme Judicatories, requesting that so far as funds may allow, and without in anywise doing injury to the established educational and other regular organized forms of work now going on among the colored people, these proposed coöperative methods in the cities be prosecuted as vigorously as possible.

3. In the interests of more effective work and of brotherly coöperation among the colored people themselves, we recommend that the adoption of plans of federation among themselves be encouraged.

9. Christian Education and Literature.—The Council at its meeting in 1912 recommended a joint conference of Publishing Agencies, which was held April 22, 1913, in the Witherspoon Building, Philadelphia, Pa. There were present the representatives of six Agencies, including the "Publications" of the Canadian Presbyterian Church. The matter of the preparation and publication of Graded Lessons was considered, and a Committee was appointed of a member from each of the Agencies, to confer as to the best methods of carrying on the work. The Committee consists of Dr. Alexander Henry, Chairman; with Drs. R. D. Fraser, R. W. Miller, R. J. Miller, I. W. Gowen and A. L. Phillips. In Philadelphia, Pa., April 22–24, 1914, a second Conference was held to consider the whole subject. Action was also taken on Collaboration of Lesson Material, but nothing final has been done. The Supreme Judicatories are referred to the Minutes of the Council for 1914 for further particulars.

The Conference of Educational Agencies.—The Council of 1912 passed a resolution with reference to the religious education of the children and youth of our land and the distressing situation at which such resolution was directed has been intensified, making necessary, in the opinion of the Council, a complete and more pointed restatement of the matters therein contained.

The following resolutions are submitted for action by the Supreme Judicatories:

Whereas, It is the teaching of the Word of God that the training of the young in the truths and practice of religion is committed to the Christian Church and to the Christian parent; and,

WHEREAS, All history teaches that this training is never accomplished successfully through any other agency; and,

WHEREAS, Notwithstanding the high character of the body of teachers in our public schools and their faithful use of every one of their limited opportunities to impress high ethical standards upon the minds entrusted to their care and even to impart knowledge of those fundamental religious truths which are needed to make ethical standards living and practical forces in life, it is becoming increasingly clear that the primary scriptural agencies of religious and moral training must be awakened to new activity or roused from its positive neglect of a sacred responsibility, unless the vicious forces seeking to destroy character in the child and the helplessness of the child unprotected by faithful religious instruction imperil the future, and at no distant day, of both Church and State, therefore

Resolved, 1. That this Council renew formally and with increased urgency its request to the Supreme Judicatories for the careful investigation of this whole subject, with a view of devising some methods of averting the sad results of present inefficiency in the teaching of morals and religion.

Resolved, 2. That we also ask the Judicatories to use their utmost efforts to aid pastors in discharging their teaching responsibility, in the name of Him who commissioned them each and every one to "Feed my lambs."

Resolved, 3. That we ask these Judicatories to seek and initiate effective measures for the restoration of the family altar, in itself an educative agency of measureless value.

Resolved, 4. That we ask the Judicatories to use their utmost influence to impress upon Christian parents their vital relation to the religious and moral future of their children, a relation in which no substitute, however willing and consecrated, can adequately enter.

Resolved, 5. That this Council appoint a Committee to consider, formulate and report to the Council, plans for the introduction of moral and religious training in our public schools, plans, which, without violating any phase of the great and cherished principle of government by which Church and State are separated in our land, may yet be systematic and competent.

Resolved, 6. That the Council request each of the Judicatories to appoint a Committee to coöperate with the Committee of the Council, both in securing facts and formulating plans.

As to the Bible in the Public Schools, the following is recommended:

WHEREAS, The Word of God is the charter of the spiritual and civil rights of man, as abundantly illustrated in the history and institutions of this country; and

WHEREAS, Persistent efforts are being made to exclude the Bible from use in the public schools; therefore be it

Resolved, That the Council overture the Supreme Judicatories to use every proper means in maintaining the Word of God as an essential element in the education and training of the youth of the land.

10. PERMANENT COMMITTEES AND JOINT CONFERENCES.—The constituent Churches authorized, two years ago, the appointment of a Permanent Committee on Work among Colored People, and a Joint Conference of the Publishing Agencies. Other Permanent Committees and Joint Conferences will naturally need to be appointed, as the coöperative work entrusted to the Council develops along additional lines. The question of the relationship of these bodies to the Council needs to be clearly defined and the Supreme Judicatories are requested to approve the following Resolutions:

Resolved, 1. That the Permanent Committees and Joint Conferences on the coöperative work of the constituent Churches, established on the recommendation of the Council, are Committees of the Council, and are hereby directed to report to the Council, as well as severally to the Boards and Agencies represented.

Resolved, 2. That the Permanent Committees be and are hereby authorized and directed to confer with the regular Committees of the Council, which latter shall represent the Council at the joint meetings.

11. FINANCES.—The report of the Treasurer for the fiscal year is as follows: Receipts, $755.00; balance from previous year, $1,175.78; total, $1,930.78. Expenditures, $613.16; balance, $1,317.62; total, $1,930.78.

12. The Schaff Christian Unity Fund.—The attention of the Supreme Judicatories is respectfully requested to the movement to honor the memory of the Rev. Philip Schaff, D.D., one of the chief advocates in the past of Church Unity. The action of the Council might be well duplicated by the Supreme Judicatories of the Churches, and is as follows:

Resolved, That the Council of the Reformed Churches holding the Presbyterian System learns with pleasure of the purpose to create the Philip Schaff Christian Unity Fund for the purpose of promoting closer coöperation and eventually union between the Presbyterian and Reformed Churches in the United States, this Philip Schaff Christian Unity Fund to be invested in the Schaff Memorial Building, the income to be used for the purpose mentioned, and when the organic union of at least five of the Presbyterian and Reformed bodies has been effected, the principal to be placed in trust in the hands of the Publication and Sunday-school Board of the United Church, the income to be used for the purposes of the Board under the direction of the General Assembly of the United Church.

13. Federation.—The subject of the relation of the Council to the future of the Churches was referred to a special Committee, consisting of Drs. Lyons, Roberts, McGill, Searle, Richards, and Wolfe. The Report submitted by the Committee was discussed at length, and after amendment was unanimously adopted. It is respectfully submitted for the action of the Supreme Judicatories, and reads:

Whereas, There has been a widespread awakening of the spirit of fellowship and coöperation between the Evangelical Churches of our country, in which the Churches of the Presbyterian family have taken a notable part; and

Whereas, The articles of Agreement, adopted by the constituent Churches of this Council, specifically refer to their coöperative work as one of the reasons for the existence of this Council; and

Whereas, Article 5 of the said Articles of Agreement reads:

"5. The Council shall promote the coöperation of the constituent Churches in their Foreign Missionary work, and also in their general work in the United States of America, in connection with Home Missions, Work Among the Colored People, Church Erection, Sabbath-schools, Publication and Education. The Council may also advise and recommend in other matters pertaining to the general welfare of the Kingdom of Christ;" therefore, be it

Resolved, 1. That the Council hereby overtures the Supreme Judicatories of the constituent Churches that they authorize and direct the Council:

a. To give careful and full attention to the whole subject of closer relations and more effective administrative coöperation between the several Presbyterian and Reformed Churches represented in the Council, with particular reference to the formulation of an effective federation of their plans, work, and executive or administrative agencies, both in the home and foreign fields.

b. That the Council shall report its conclusions to the Supreme Judicatories at their meetings in May and June, 1916.

Resolved, 2. That when as many as four of the Supreme Judicatories shall approve the above Overture, the Executive Committee of the Council shall appoint a Committee of members of the Council, not exceeding eleven in number, which Committee shall undertake the duties provided for in the Overture, shall confer with the Boards and Agencies interested in coöperative work, and shall report to the Council at its next meeting, either special or regular.

14. Representatives of Agencies, etc.—The Council asks the consent of the Supreme Judicatories to the following resolutions:

Resolved, 1. That the Supreme Judicatories authorize their Executive Agencies to appoint representatives to be present at future meetings of the Council.

Resolved, 2. That each of the Supreme Judicatories appoint Standing Committees to report upon the minutes and recommendations of the Council.

15. Elections.—The Supreme Judicatories are also respectfully requested to elect at their next meetings the members to represent them in the Council for the next two years, or for such other periods as to the Judicatories may seem proper. The total membership of the Council is as follows:

Reformed Church in America	8
Presbyterian Church in the U. S. A.	32
United Presbyterian Church	8
Presbyterian Church in the U. S.	12
Reformed Church in the U. S.	12

Very respectfully submitted in behalf of the Council.

GEORGE ALEXANDER, *President;*
WM. H. ROBERTS, *Stated Clerk.*

III. REPORT OF THE EXECUTIVE COMMITTEE OF THE FEDERAL COUNCIL OF THE CHURCHES OF CHRIST IN AMERICA.

To the General Assembly of the Presbyterian Church in the U. S. A.:

BRETHREN:—The Executive Committee of the Federal Council, in rendering its Annual Report to the General Assembly of the Presbyterian Church in the U. S. A. as one of the bodies creating the Council, is glad to bear record that the thirty denominations united in the Council are not only coming closer together in fellowship, but are by this means rapidly increasing their efficiency in service, and the power of their moral and spiritual influence.

One year ago we reported to you, mainly in general terms, concerning the organization and spirit of the Council, and we now append to this report a Statement of Principles adopted by the Executive Committee, which was issued in order to make clear to the Churches the functions of the Council as determined by its constituent bodies.

The reports for the year 1913 include the following matters which the Council has undertaken as representing the Churches:

CHAPLAINS IN THE ARMY AND NAVY.—In the effort to obtain an adequate number of chaplains for the navy, and to secure the discontinuance of discrimination in relation to the chaplains as compared with the other officers in the navy, the Council recommended that the number be made one for every thousand men, which would bring about an increase from twenty-four to

sixty-five. The Naval Committee of the House, in response to this request, has recommended to Congress one for every 1,250 men, which will make fifty-two in all. The Naval Committee also agreed with the sentiment of the Federal Council, that welfare secretaries should not be substituted for regularly ordained chaplains, and that to insure efficient chaplains the grade of acting chaplain should be created. The measure providing for the increase of chaplains and the improvement of their status is now before Congress.

A similar movement is under way relative to chaplains in the army, and will be earnestly prosecuted by the Associate Secretary at Washington, D. C.

Religious Activities in connection with the Panama-Pacific Exposition.—In response to requests from the Church Federation of San Francisco and other bodies on the coast, the Secretary of the Council was commissioned to go to California and organize a National Committee of One Hundred to have charge of such activities which, according to present plans, will constitute an extensive campaign during the entire exposition.

The Federal Council, and through its initiative the constituent bodies, local federations, and a multitude of other state and local religious conferences and organizations, memorialized the mayor of San Francisco and the authorities of the exposition relative to the exploitation of commercialized vice, and this situation is still being carefully watched.

Eastern Race Relationships.—In response to urgent memorials from missionaries in Japan, a tentative joint committee made up of the Administrative Committee and members of the Commissions on Foreign Missions and Peace and Arbitration, now have under serious consideration important action concerning our relationships with Japan and the Eastern races from the Christian point of view.

To the furtherance of this end, Rev. Sidney L. Gulick, D.D., of Doshisha University and the Imperial University of Japan, has been engaged by the Federal Council for the purpose of enlightening our people concerning these important questions. He is visiting the leading cities of the country in this interest.

The Work of the Commissions.—The Commission on Peace and Arbitration has started a campaign which is international in its scope. During this month over 50,000 letters are being sent out to the churches urging them to observe Peace Sunday. The work of this Commission is developing very rapidly. Under its auspices a National Committee of One Hundred has been formed for the celebration among the churches of the Treaty of Ghent.

The Commission on Evangelism is arranging a celebration of the two hundredth anniversary of the birth of George Whitefield in December of this year, and is planning an organization national in its scope.

In the Commission on the Church and Social Service, the denominational secretaries are working very closely together. The recently organized Committee on Country Life is bringing new light upon the relation between the country-church problem and church federation, and the Commission has aroused rapidly deepening interest in its campaign for One Day in Seven for Industrial Workers. We believe that this work is now adjusting itself to the normal functions of the churches.

The Commission on Home Missions has brought about an arrangement whereby the Home Missions Council, representing the Home Mission Boards, becomes a coöperating body with the Federal Council, and the Federal Council has authorized the Home Missions Council to act as the Home Missions Agency for the Federal Council.

The Commission on Foreign Missions has been active in the arrangements for Dr. Gulick's campaign, and is now working toward a closer relationship between the Church bodies and the federations of churches in foreign fields, and the Church bodies and the Federal Council in this country, in coöperation with the Committee of Reference and Counsel of the Foreign Missions Conference, whose personnel is almost identical with that of the Executive Committee of the Commission.

The Commission on Religious Education is gradually bringing about cooperation between the various educational committees of the Churches which, when carried out, will undoubtedly bring greater efficiency.

The Commission on Temperance is seriously attempting a similar task with relation to the temperance forces of the Churches.

The following Commissions have executive secretaries who have been made definitely responsible for their administration: The Commission on Evangelism, Rev. W. E. Biederwolf, D.D.; The Commission on Temperance, Rev. Charles Scanlon; The Commission on Religious Education, Rev. Henry H. Meyer. The Secretary of the Council, Rev. Charles S. Macfarland, serves also as the executive secretary of the Commissions on Social Service, and Peace and Arbitration, and is the secretary of all the other Commissions not named above. Rev. Charles O. Gill is the Field Investigator of the Committee on Church and Country Life, and Rev. E. M. McConoughey, assistant at the National Office, serves as clerk of the Commission on State and Local Federations.

INTERNATIONAL RELATIONS.—The questions raised by the memorials from the missionaries in the East and the important relations between our Commission on Peace and Arbitration and similar bodies in various parts of the world, are gradually bringing us toward a larger international relationship. It has been proposed to the Executive Committee that a World Congress be convened, which shall be for the interests of the churches in general what the Edinburgh Conference was for the missionary interests. This matter is under consideration.

Conference is now in progress with the Evangelical Alliance looking toward an adjustment of forces in these interests.

OFFICE AT WASHINGTON, D. C.—Ever since the organization of the Council there has been an increasing feeling that the Council, inasmuch as it is a national organization of the Churches, should have an office at the seat of the national life.

Moreover, there has been complaint from the South that that section of our country was not receiving the influence of the Federal Council in due proportion.

Meanwhile, the Home Missions Council and the Foreign Missions interests of the Churches were in more or less constant relationship with interests centering at Washington, and the Secretary of the Council was called upon to make frequent visits there.

Special financial support having been offered for this purpose, your Executive Committee, under instructions from the Federal Council, preceded by Overtures from constituent bodies, has established an office at Washington, D. C., and elected Rev. Henry K. Carroll as Associate Secretary.

The activities of this office thus far have been in relation to a closer connection with the churches in the South; the campaign for chaplains in the army and navy; the matter of adequate religious instruction for the students of the Naval Academy at Annapolis; the compilation of statistics of Church bodies of the United States; the supplying of the religious press of the country with such information regarding the interests of the Churches as comes most directly from the National Capitol, and the incorporation of the Council. The Washington office is also the headquarters of the National Committee of the American Churches, appointed to act in coöperation with the American Committee for the Celebration of the Treaty of Ghent, and will serve important interests of the Commission on International Peace and Arbitration. An Advisory Committee, representing the churches both North and South, has been appointed to counsel and advise with the Administrative Committee and the secretaries.

Realizing that its larger work is that of correlating the existing forces, rather than the extension of its own distinct activities, the administration of the Council is kept upon as economical a basis as is consistent with efficiency. Only the work of the Secretary for the general administration is supported by the general funds of the Council. The work of the Associate Secretary is to be cared for by special appropriation for that purpose. The support of the work and the secretaries of the Commissions, the Committee on Eastern Race Relationships, and on Church and Country Life, is not taken from the funds contributed by the constituent bodies.

The records of the national office indicate a large amount of correspondence called for by an office dealing with so large a constituency. During the year 1913 the correspondence amounted to about 150,000 letters; and over 200,000 volumes and pamphlets were sent out.

The above matters have been selected from the many and increasing activities to indicate the nature of the work undertaken.

Your Executive Committee invites most earnest consideration of the Council's

task by the constituent bodies, and assures those bodies that the purpose of the Federal Council is to carry out the common will of its constituency. It is hoped that in the form of resolutions from the constituent bodies to the Federal Council and by other expressions of the views of the constituent bodies relative to the actions of the Council, your Executive Committee may receive the counsel, advice and direction which are needed for the conduct of so important a service as that which they are called upon to render to the Churches.

We ask for the Federal Council and the great interests which it represents, that while considering your large and important denominational tasks, you shall give not only the support and sympathy which the constituent bodies are all showing for each other's interests and for the common interest, but also a measure of your thought and deliberation upon the common work as represented in the Federal Council.

Your obedient servants,

A Statement of Principles Underlying and Guiding the Development and Work of the Federal Council of the Churches of Christ in America.

Report of a Committee appointed to prepare a Statement of the Principles of the Federal Council, as adopted by the Executive Committee at Baltimore, Md., December 4, 1913.

The Preamble of the original Plan of Federation reads as follows:

Original Plan of Federation.—"In the providence of God, the time has come when it seems fitting more fully to manifest the essential oneness of the Christian Churches of America in Jesus Christ as their Divine Lord and Saviour, and to promote the spirit of fellowship, service and coöperation among them."

The Plan of Federation which became a part of the constitution includes the following statements:

"This Federal Council shall have no authority over the constituent bodies adhering to it; but its province shall be limited to the expression of its counsel and the recommending of a course of action in matters of common interest to the churches, local councils and individual Christians.

"It has no authority to draw up a common creed or form of government or of worship, or in any way to limit the full autonomy of the Christian bodies adhering to it.

"Any action to be taken by this Federal Council shall be by the general vote of its members. But in case one-third of the members present and voting request it, the vote shall be by the bodies represented, the members of each body voting separately; and action shall require the vote not only of a majority of the members voting, but also of the bodies represented."

This Plan of Federation did not become operative until it had been submitted to all of the proposed constituent bodies and had been adopted by them.

Its Distinctive Character in Relation to the Denominations.—The difference between the Federal Council and organizations of similar general purpose which preceded it, is that it is not an individual or voluntary agency or simply an interdenominational fellowship, but it is a body officially constituted by the Churches.

Its differentiation from other movements looking towards unity is that it brings together the various denominations for union in service rather than in polity or doctrinal statement.

The original delegates to the Inter-Church Conference on Federation, which organized the Federal Council, felt that these limitations were necessary in order that such an organization might have adequate strength and momentum.

Representative Character.—The Federal Council is, therefore, the sum of all its parts. It is not an unrelated organization. Its function has been to express the will of its constituent bodies and not to legislate for them. Were this, however, to be construed as precluding the utterance of the voice of the Churches upon matters in regard to which the consciousness and the conscience of Christianity are practically unanimous, the Federal Council would be shorn of the power given it by the constituent bodies when they adopted as one of its objects: "To secure a larger combined influence for the Churches of Christ in all matters affecting the moral and social condition of the people, so as to promote the application of the law of Christ in every relation of human life."

Denominational Autonomy.—In the original Plan of Federation the autonomy of the constituent bodies is, however, wisely safeguarded. No action by the Federal Council, even though taken, as all its important actions have been taken, by the unanimous vote of the officially constituted delegates of the constituent bodies, can, by the terms of its constitution, be legally imposed upon those constituent bodies. Such action, by the terms of the constitution, goes back to the constituent bodies in the form of a recommendation for their action or ratification, which may either be assumed or definitely expressed.

It is, however, clearly the duty and the function of the Council to determine upon objects for such common action and to find appropriate expression of the consciousness and the conscience of the Churches upon them.

Functions of the Council.—While the duties of the Council are thus, with these safeguards and limitations, to represent the Churches upon important matters of common concern, and in the senses above indicated, to exercise a genuine leadership which recognizes the whole body of its constituency, the Council may not consider itself primarily as an independent entity, but rather as a common ground upon which the constituent bodies through their official delegates come together for coöperation.

Under this conception the Federal Council does not create new agencies to do the work of the Churches, nor does it do the work of the denominations or the Churches for them. Its policy is that of using the existing agencies, and this policy should be followed out with relation to the interdenominational movements which are recognized by the Churches. In the main, however, these existing agencies are the constituent bodies themselves and their official boards and departments.

It is, therefore, the function of the Council, not so much to do things, as to get the denominational bodies and the interdenominational movements to do the work of the Churches in coöperation. Here its function is not that of overseer and director, but that of an agency for the correlation and the coördination of existing forces and organizations, and so far as it may be permitted, it is to recommend, give guidance and point out the way.

RELATION TO LOCAL FEDERATIVE AGENCIES.—With relation to State and Local Federations, the Plan of Federation distinctly, it is held by many, intended that the Federal Council should be the initiator, creator, inspirer, and so far as possible, the directing agency of such federations.

There is, however, no organic relation between the Federal Council and State and Local Federations, and it can assume no responsibility for the constituency of such federations or the form which they make take, or indeed any responsibility, except so far as they may carry out the principles and the policy of the Council.

COMMISSIONS.—These same principles of policy apply to the various Commissions appointed by the Council. They act always as agents of the Council and distinctly represent themselves as such. They also hold themselves as subject to the Executive Committee of the Council in accordance with the by-laws of the Council.

Like the Council itself, these Commissions, in relation to the denominational agencies regard themselves as the sum of all their parts.

RESULTS.—The Council thus seeks to find the will of the constituent bodies and their departments and to interpret and express it in common terms. The Council then aims to secure the doing of the will and conscience of the constituent bodies by common and united action.

The coöperation implied in the fellowship of the Federal Council does not require any one of the constituent bodies to participate in such coöperative movements as may not be approved by it or for which its methods of organization and work may not be adapted.

As your Committee review the history of the Council and the actions of the Council, its Executive Committee, its Commissions and its national office, we find that to a remarkable degree these principles have been closely followed in a way that has brought about effective utterance and action without division or disintegration, and we heartily commend in these respects the administration of the Council, its Committees and its Executive Administration.

Respectfully submitted,

FRANK MASON NORTH,
WILLIAM I. HAVEN,
SHAILER MATHEWS,
GEORGE WARREN BROWN,
WILLIAM H. ROBERTS,

VI. General.

Rev. Robert Hastings Nichols, Ph.D., has been advanced from the position of Assistant Professor of Church History to Professor of Church History.

Rev. Frank Wood Moore, A.B., has been chosen Instructor in Elocution.

Rev. Harris Bates Stewart, A.B., has been chosen Instructor in English Bible and Assistant to the President.

The Seminary conducts two Summer Schools, one a School of Theology for three weeks, and the other a School for Christian Workers for two weeks. The indications are for a good attendance at both Schools.

The Seminary has inaugurated a Correspondence School for the pursuit of the theological disciplines.

These three Schools are part of our general scheme for Seminary extension, which will be enlarged as funds and opportunity permit.

The "Ministers in Residence" during the past year were Rev. Charles Wood, D.D., Washington; Rev. Shailer Mathews, D.D., Chicago; Rev. Edmund S. Rousmaniere, D.D., Boston; Rev. Charles F. Goss, D.D., Cincinnati; Rev. Wilton Merle-Smith, D.D., New York City; Rev. William P. Merrill, D.D., New York City; Rev. James Stalker, D.D., Aberdeen, Scotland. They have remained "in residence" for a number of days, preaching, lecturing, and meeting the students in personal interviews.

By means of our Summer Social Fellowships we are enabled to send eleven of our students to New York, Chicago, Cleveland, and Buffalo for the study of the city problem during the summer months. This is proving to be one of the most approved methods for theological students to become acquainted with the great city problem. They devote eight months of undivided attention to their Seminary duties, and four months of their undivided attention to Social Settlement Work.

There has been no incident of special significance in the history of the past year.

All of which is respectfully submitted,

GEO. B. STEWART, *President.*

VI. Curricula.

An exchange of professors was arranged for the past year with the University of Pittsburgh. Dr. Farmer, of the Seminary faculty, gave a regular university course on "The Social Teaching of the New Testament" at the University. In return, Dr. Benjamin, Professor of Sociology, gave a course of one hour a week in the Seminary on Sociology. The arrangement was found very helpful, but on account of the distance between the two institutions it made a large demand on the time of the professors.

VII. General

A Committee of the Board of Trustees, consisting of Messrs. Robert Wardrop, J. B. Finley and S. S. Marvin and Dr. Kelso, conducted a whirlwind financial campaign, October 24 to November 3, for the purpose of securing funds for the erection of a new administration building. The ten days' canvass netted over $136,000, and it is likely that several more subscriptions will yet come in. It is the first time in the history of the country that a theological seminary has had the temerity to make a general appeal to the public after the manner of colleges and Y. M. C. A's.

V. Report of the Examiners.

The Examiners have listened with a great deal of interest to the examinations in the various branches of study pursued during the past year by the students of the Seminary. They desire to express, first of all, their gratification at the loyalty to the system of doctrine of the Presbyterian Church, manifested in the questions of the teachers and the answers of the students. There is no uncertain sound upon the great fundamental doctrines of the Church.

They would commend the fidelity of the instructors to the task committed to them. It is very manifest that the instructors are animated by high ideals of scholarship and by an earnest desire to prepare to the utmost of their ability the young men for the great work of the ministry of the Presbyterian Church.

That the young men may avail themselves to the full of the opportunities and advantages that are theirs, we would recommend that all outside work be discouraged during the Seminary years, until the Senior year.

We believe that Lane Seminary is doing a great work for the Church and merits the fullest confidence and help of the Church in the doing of this work.

Respectfully submitted,
David R. Moore, *Chairman;*
E. P. Thomson, *Secretary.*

Rev. Thomas A. Wigginton, D.D., pastor Broadway Presbyterian Church, Nashville, Tenn.; Ruling Elder W. M. Cosby, Fifth Avenue Church, Birmingham, Alabama, and Rev. John F. Carson, D.D., Central Presbyterian Church of Brooklyn, N. Y., were elected Trustees.

Dr. J. Wilbur Chapman, D.D., an alumnus and a member of our Board and our Commencement speaker, by his presence and burning words spoken in the power and demonstration of the Spirit, touched all hearts. He congratulated his Alma Mater upon the great field opening before her and the progress which she had already made in entering into it. The gracious presence of Mrs. Chapman gave an added quality to the rare occasion, upon which Lane graduated the largest class and gathered to her Commencement the largest assembly in many years.

VI. Curricula.

Upon recommendation of the Faculty, the Board has authorized the introduction into the curriculum of additional courses of study and the expansion of others. The new courses are in Christian Sociology and in Christian Duties or Ethics. The courses in Missions and in Religious Education and the Sunday-school will be extended in scope, and the course in Biblical Theology, which has always been an integral part of the Chair of English Bible and Biblical

Theology, will be enlarged. The course in Church Polity will be made more practical and effective by organizing the students in such a way as to give them training in the methods of conducting the business of the various Church courts from the Session to the General Assembly.

The Executive Committee was authorized to appoint one or more lecturers, should this be found desirable. Candidates for the full diploma of the Seminary will be allowed election between the third year's studies in Old Testament Exegesis or New Testament Exegesis and two or more of the new or enlarged courses of study.

VII. Needs.

The Seminary is in urgent need of additions to its funds, both for endowment and scholarship. The steady growth of the institution is attended with increasing expense. The amount of $25,000, toward $100,000, hitherto reported to the Assembly, has been increased, by the generous friend of the institution, to $50,000, on condition of securing $50,000 additional by December 31, 1915. The Board took steps for beginning promptly a systematic campaign, not only to secure this amount, but if possible the sum of $200,000.

The work of the latter professorship, which has been vacant for a year, has been conducted by the other members of the Faculty in a way that has given general satisfaction to the students. It is hoped, however, that a new professor of Practical Theology will be secured before the opening of the next Seminary year, so that all the Chairs may be filled.

VI. Curricula.

The Board of Directors have instructed the Faculty and the Seminary Committee of the Board to outline a curriculum for a complete year's work in English, to be offered to those who are preparing for service as social workers, Y. M. C. A. missionary work and various other kinds of missionary service other than evangelistic. Increasing applications are being made by those who are going out to the Orient to teach in our Christian institutions, in the Departments of Science, Engineering and the like, for a short, practical theological course. The above action has been taken to meet these demands. It will be required of all applicants for this course that they have collegiate training or the equivalent. The Seminary hopes by this plan to enlarge its usefulness to the Church.

VII. Needs.

The pressing need of the Seminary is an endowment of $50,000 for the Chair of New Testament Interpretation. It will not be as fully equipped for its work as it should be until that is accomplished. The Directors are giving this matter their earnest and prayerful attention.

The Alumni Fellowship is also without endowment. It needs $10,000.

The Library Fund should have an endowment of at least $10,000. At present it has only $1,000. The fact that it is the finest theological library west of Chicago is due to the donations of a few friends. It will be difficult, however, to keep the library up to date, as it should be, without a permanent endowment.

VIII. General.

The Synod of California, at its annual meeting, held in Santa Rosa, October last, voted unanimously to place the Seminary, which has heretofore been under the care of the Synod, under the sole control of the General Assembly, as are all the other Seminaries of the Church.

A copy of the new Plan under which the Seminary will operate, certified by the Stated Clerk of the Synod of California, accompanies this Report. It has been drawn under the careful scrutiny of the Seminary's attorney, and has been made to conform to the present laws of the State as well as to the form of government of the Church. No changes have been made which in the least endanger any of the endowments of the institution.

According to the new Plan, there will be 25 Trustees, divided into five classes, to serve five years each, instead of 26 Directors, divided into three classes, serving three years each.

The General Assembly is given veto power over the election of Trustees as well as of professors.

After the General Assembly has approved this Plan, the new Board, which has already been elected by the Synod, will reincorporate and take over the property of the former Board. Under the reincorporation the Seminary will receive authority to grant the B.D. degree, which it has not had before.

Mrs. Munro, widow of the late Rev. John H. Munro, D.D., of Philadelphia, has recently given her husband's valuable theological library to this Seminary. The collection numbers 2300 volumes, and is a very substantial addition to our library. Mrs. Munro also generously paid the freight from Philadelphia to San Anselmo.

The Seminary celebrated the twenty-fifth anniversary of Prof. Charles G. Buck's connection with the Seminary as Instructor in Vocal Culture on April 13. Professor Buck has rendered a large service to the Church through his work in this Department. The celebration was an occasion of much interest.

The students, under the direction of a member of the Faculty, have engaged, in connection with their regular work, in practically every kind of Christian service in San Francisco and vicinity. They have labored in the regular work of the churches, in city rescue missions, in hospitals and asylums of various kinds. They have preached in self-sustaining churches, in missionary churches and on the streets and water front of our great city. This has reacted upon the life of the Seminary in a very wholesome way.

An important feature of the year's work has been the addition of a gymnasium. Rev. Charles L. Duncan, a graduate of the Seminary, who was formerly Assistant Physical Culture Director in Stanford University, has had charge of the gymnasium in connection with his work as pastor of the local church. The students are receiving excellent training, particularly for work among boys in city and rural districts. The Directors are considering the propriety of making the gymnasium discipline a required part of the curriculum.

LECTURES.

Valuable addition to the curriculum is made by the lecture courses. Among the lectures this year special mention must be made of the distinguished German scholar and missionary, Dr. Johannes Warneck, Professor in the Theological Seminary at Bielefeld, who delivered two interesting and impressive lectures on Christian missions.

Dr. George C. Fracker, Educational Superintendent for the Board of Sabbath-school Work in the Synod of Iowa, devoted three weeks to lectures and instruction on religious education.

Prof. August Lange, of Halle, Germany, Professor of Church History in the Halle University and minister of the Cathedral Church at Halle, Germany, delivered lectures on the Heidelberg Catechism.

IV. NEEDS.

If the school is to keep pace, or even hold its own, additional endowment is absolutely necessary. This institution is under the immediate care of the General Assembly, and all its funds revert to the Trustees of the General Assembly at dissolution, if such a crisis should occur. At the meeting of the General Assembly in 1913, the effort to secure $500,000 additional endowment received the approval of the General Assembly, and the following committee was ap-

pointed: Rev. David G. Wylie, D.D., Ph.D., Frank Armstrong, Ralph W. Harbison, J. Milton Colton, Hon. William S. Bennet, and Louis H. Severance. A strange providence has made it impossible to enter upon such a campaign because of the death of two members of this committee—Mr. L. H. Severance and Mr. J. Milton Colton. Mr. Ralph W. Harbison and Mr. Frank Armstrong were in the midst of local campaigns in their respective cities. The President, Rev. Cornelius M. Steffens, D.D., because of the pressing needs of the institution, was unable to secure a committee sufficiently large to prosecute the canvass. With the death of five of our most generous contributors, the tremendous strain of securing enough funds to carry on the work of the school has made thought of endowment-raising for this year impossible. Your Board would, therefore, ask the General Assembly to consider some way in which this institution may receive such endowment during the coming year.

Your Board would also call the attention of the General Assembly to the fact that this institution is not only a Theological Seminary, but also a training school for foreign-speaking students. There is no institution west of Bloomfield, N. J., where such education is given. Indeed, it is the West Point on the Mississippi for the training of a religious leadership for the peoples of many languages who have come to these shores. The demand for a leadership of this kind is so imperative that it seems hardly necessary to add anything to what is generally accepted to be a tremendous opportunity and responsibility. With the budget system, which makes it impossible to secure special offerings from churches, the need for endowment becomes more pressing. A cursory study of the *Minutes* of the General Assembly will show the delegates that the foreign-speaking churches are not sufficiently strong to maintain an institution of this character. Also, the Synod of Iowa, which has five colleges, preempts the local fields, so that Dubuque has not the advantage of going through the State to secure the necessary financial support which this institution demands. Our teachers, who serve faithfully, do not receive adequate salaries. They are all men and women of consecration, who deserve larger financial return for the services they render to the Church. We have been fortunate, thus far, to meet the small salaries, payable monthly, but this has been accomplished through continual effort, and, in some instances, through troubling friends almost to the straining point. Your Committee, therefore, must recognize that the President of the institution should find relief in more generous support on the part of the entire Church.

We, therefore, most urgently request the General Assembly to consider the needs and the importance of this institution with more than ordinary care. Unless relief is secured, the institution will be compelled to meet a crisis which will shake its very existence. We trust that this earnest appeal will not be put aside without due consideration and prayerful coöperation.

V. General.

We are indebted to friends for the generous assistance given during the past year. Through the generosity of Mrs. Nettie F. McCormick, we have added a gymnasium, which was greatly needed, but additional equipment for the different departments means heavier demands upon the resources of the institution. Many smaller gifts were received from faithful church members scattered throughout the United States of America. We have also added many useful books to our library.

We would respectfully call the attention of the Committee to the standardizing of our academic, collegiate and theological courses. Especially do we call attention to the curriculum of the Seminary as it is set forth on pages 73–82 of our catalog. We should be very glad to have any criticism or commendation of these courses.

We are grateful to the Head of the Church for being privileged to continue the work. It has grown beyond our expectations, and we have been compelled to hold back, rather than to expand, because our financial support has not been sufficiently adequate to meet the larger opportunities for service. We crave the continued intercession of the Church, that we may not only be assisted in the material growth and educational enlargement, but also in that grace and blessing that God alone can give.

Respectfully submitted,

WILLIAM GRAHAM, *Secretary.*

VI. Needs.

We repeat, and confine ourselves to the special needs mentioned last year. Instead of enumerating them, and they are many, we would lay emphasis on one. And in a certain sense we accept it as a parting charge from him who presided over the destinies of this School of the Prophets for nearly fifty years. Shortly before his death, Dr. I. N. Rendall repeated his longing for a building in which the religious and social life of the students might find scope. They need a place where the missionary societies and other gatherings for the advancement of religious activity can meet and work. In connection with it there might be also, with advantage, some of the features of a gymnasium, especially for exercise in the winter months. Such a building could be erected for $40,000.

VII. General.

The year has been characterized by hard and faithful work. The demand for an educated ministry is increasing. While the standard for the Presbyterian and Episcopal minister is high, it is noteworthy that the Methodist and Baptist Churches are demanding better trained men. We remember the day when the old ministers of these last two bodies ridiculed the men who had "rubbed their heads against a college wall." That day is over. The trained man, with them, is now at a premium. It is a gratifying fact that out of the 149 students in the College, 45 are candidates for the ministry, and several are looking forward to the mission field.

Men may come and men may go, but the work goes on. A harvest of new students enters each year. They are winnowed and sifted with the passing years, and then those who have endured to the end go out into the world's larger work. And so with the professors. Professor Robert Laird Stewart, D.D., gave his hand and heart to this work twenty-three years ago. In his college days he heard his country's call, and was a soldier in the Civil War for three years. As he went to and fro on the campus, he had still the soldier's step and carriage. Always prompt and at his post of duty. A teacher who kindled the interest of his students. He followed them out into their fields with a large sympathy. He had the happy faculty of making helpful friends for the University wherever he went. And his strength and usefulness were undiminished, but a milder climate seemed desirable for his family, so the devoted husband and the faithful and successful teacher resigned the professorship he adorned for twenty-three years, and they moved to Alhambra, California, with the good will and God-speed of Trustees, professors and students.

The Trustees have made provision for filling the chair thus made vacant, an important part of which is Pastoral Theology, by calling the Rev. W. T. L. Kieffer, D.D., a man with a rich experience as a successful pastor, to the Chair of Pastoral Theology and Christian Evidences, subject to the confirmation of the General Assembly. The approval of this election is therefore respectfully requested.

Rev. John M. Galbreath, D.D., Professor on Instruction in the English Version of the Bible, was given leave of absence for a season, and Rev. John Wythe Lewis has very satisfactorily conducted this work during this interval.

ABSTRACT OF THE ONE HUNDRED TWELFTH ANNUAL REPORT.

The Board of Home Missions presents its One Hundred Twelfth Annual Report to the General Assembly. It has been a year of stress in the administration of the work, occasioned by many and unusual problems.

I. GENERAL STATEMENTS.

NECROLOGY.—It has also been a year of unusual mortality on the field. Fourteen missionaries have ceased from earthly labors and entered on the freer, richer service of the Kingdom above. Their names are starred in the memory of the Church.*

*See list, p. 131.

On March 25, that veteran of a civil war and of many religious battles, the Rev. Robert N. Adams, D.D., of Minneapolis, Minn., passed suddenly through the gateway of sleep to the heavenly awakening. The Board has been sorely bereaved also in the death, on August 7, of Mr. Robert C. Ogden, who for nearly sixteen years served the Board with unfailing fidelity.

FINANCES.—The financial results of the year give no ground for rejoicing. The Board reports a deficit, on the year's work, of $97,628.75. To meet this deficit, a draft on legacy funds that were free for current use has been necessary. The reasons for the shortage are the business conditions of the country, the withholding of home mission funds for State or local work, and the attacks on the progressive policies of the Board.

Notwithstanding the financial pressure, the regular work of the Board has gone on with undiminished volume.

CORRESPONDING MEMBERS, SELF-SUPPORTING SYNODS.—As directed by the General Assembly, corresponding members from the self-supporting Synods attended one meeting of the Board at the Board's expense. At their request, a preliminary conference was held, these sessions and the regular meeting of the Board covering two days, March 11 and 12. Officers and members of the Board joined in the conference, except at one session. At this one, when the representatives of the Synods were alone, they adopted the following resolutions:

I. WHEREAS, The representatives of the self-supporting Synods recognize the great value of the pioneering work of the Board of Publication and Sabbath School Work, which has laid the basis for the major part of the home mission work; and

WHEREAS, The delegates from the Synods, in their analysis of conditions, feel the necessity of a closer relationship between the distinctly missionary part of the Sunday-school work and the regular home mission activities;

Resolved, That this conference approve the measure of coöperation already attained in many of the Synods and urge the combination of these two similar agencies to the fullest extent possible.

II. *Resolved*, That a committee of five, representing the Synods of Ohio, Indiana, Illinois, Minnesota and Wisconsin, be appointed to secure needful data, and meet in Chicago during or immediately following the Assembly in May, 1914, and formulate a plan to be submitted to the various synodical committees, at the fall meeting, 1914, relative to greater efficiency.

III. *Resolved*, (1) That the standardized form of statistical report of Presbyterian churches employing a foreign language employed by the Home Board's Department of Immigration, and as adopted with certain additions by the Home Missions Council, be commended to the synodical organizations; and that the Synods coöperate with the department in maintaining a central place of record and report for Presbyterian churches employing a foreign language, as well as a register of Presbyterian pastors employing a foreign language.

(2) That, having learned of the Bohemian-Slavic Conference to be held in Chicago, May 21 to 23, this conference desires to record its hearty sympathy with and interest in the gathering in Chicago and its desire to share in the pleasure and benefit of a day devoted to a consideration of our Presbyterian work among the Slavic peoples in this country. Also, that we record our hearty interest in a fitting celebration of the John Huss anniversary in 1915.

(3) That it is the sense of this conference that our Presbyterian work among the Magyars of this country would be encouraged by a conference to be held this spring or autumn, including a representation of all our Magyar churches, Synods and Presbyteries concerned and the Boards of the Church interested.

IV. *Resolved*, That it be the sense of the conference of self-supporting Synods, held in New York, March 11 and 12, 1914, that

(1) The truly Presbyterian system of installed pastors be encouraged by every Synod in each of its Presbyteries, and the speedy provision of a suitable manse on each field.

(2) The resident pastor, on a sufficient salary, is undoubtedly the best shepherding of a church, and should be realized at the earliest possible moment.

V. The corresponding members of the Board from the self-supporting Synods, recognizing the importance of educating the children and young people of the Presbyterian Church in Christian giving, would respectfully urge all the

synodical and presbyterial committees in these Synods to ask every Sabbath-school to make one annual offering to the Board of Home Missions, on the Sabbath nearest Washington's Birthday, and that the Home Board be requested to coöperate with the synodical authorities in the presentation of this appeal.

Home Missions Council.—As during the past six years, the Presbyterian Home Board has coöperated heartily in the programme and activities of the Home Missions Council. Thirty-four denominational Boards are now co-operating, and their officers take an active part in the Council's proceedings. Measures looking to closer and more economical coöperation on the home mission field in every branch have been pressed, to the gratification of all.

The movement for coöperative activity among the denominations in the West has received marked impetus through a series of institutes in January and February in six western States—at Huron, South Dakota; Jamestown, North Dakota; Helena, Montana; Portland, Oregon; Salt Lake, Utah; Denver, Colorado. Each institute covered two days. In each of the States touched, either a federated movement among the Churches was initiated or an existing organization was strengthened. Special attention was given to the peculiar conditions in Utah, and plans were laid which it is hoped will bring the evangelical forces together in a common programme, while recognizing the autonomy and responsibility of each denomination in its own work.

The immigration committee of the Council has instituted some wise and far-reaching plans, including a thorough investigation of religious conditions of immigrant groups throughout the country.

The Joint Executive Committee.—The Home Board, in common with all the other Boards of the Church, has coöperated in the Presbyterian United Movement, under the direction of the Joint Executive Committee. This Committee has maintained four representatives during the year, one of whom is supplied from the force of the Home Board. He is the Rev. Moses Breeze, D.D., whose territory lies in the far West. He spent the fall and winter in North and South Dakota and in Colorado, following a hurried itinerary also to the Pacific coast. From every Presbytery he has served, the most hearty and gratifying commendation of his work has reached the Board.

Missionary Education.—The number and type of the mission study classes enrolled in the Presbyterian Department of Missionary Education is perhaps a fair index of the general trend of interest in missionary education in the churches. Last year the department reported 2,975 mission study classes. This year there are enrolled 3,173 classes. Last year 899 of the classes were studying home mission text-books. This year 1,581 of the total number of classes enrolled have been studying home missions. Of this number 889 have been classes in women's home missionary societies. A very large proportion of the home mission classes have been using immigration text-books.

The correspondence of the department has been large and an attempt has been made to understand the various needs of the local workers and to provide appropriate helps.

As previously, the department has coöperated in the summer conferences under the auspices of the Missionary Education Movement and the Young People's Department of the Board of Publication and Sabbath School Work. Missionary courses have been arranged, missionary leaders secured and representatives of the department have been in attendance at the following conferences: Silver Bay, New York; Lake Geneva, Wisconsin; Pocono, Pennsylvania; Winona, Indiana; Hollister, Missouri; Storm Lake, Iowa.

Student Work and Enlistment.—The continual demand for seminary graduates in the West and in other frontier work, the need of our country churches for a ministry resident in the country, and the growing importance of religious work in immigrant and industrial centres call for a new emphasis on the work of getting recruits. Beginning with October 1, the Board has made this new emphasis, sending Mr. Ralph A. Felton, a worker of its force, to Presbyterian seminaries to look after this enlistment. Interest in home missions has been aroused by the organization of home mission committees, by talks on various aspects of the subject, by exhibits of charts showing the needs of the field, and by the distribution of literature pertaining to the work of the Board.

II. Bureau of Social Service.

The work of this bureau was seriously crippled last fall, when the superintendent, the Rev. Charles Stelzle, felt obliged to resign in order that he might take up a broader social ministry. The Board accepted his resignation with sincere regret and with best wishes for his success in his new undertaking.

Since October, general surveys and exhibits have been handled by Mr. G. B. St. John, one of the force in the Bureau of Social Service. Several important pieces of work have been done.

Two important social surveys have been conducted—in New Brunswick and Morristown, New Jersey. In each case a most careful and painstaking study was made, based on a house-to-house canvass, and a great exhibit was held, where the findings of the survey were depicted in graphic form. Thousands visited each exhibit. In both cities large mass meetings were held, where the findings were given and recommendations made.

Three surveys are at present in process—two in Cleveland, Ohio, and one in Chicago. All of these are community studies of fields, each surrounding a Presbyterian church, and are made for a definite and immediate purpose.

Research and Statistics.—The research and statistical work of the Board is largely technical and serves all the offices and departments of the Board. By taking from them certain kinds of tasks which seem to be mere drudgery, systematizing and applying to them our labor-saving devices, a greater efficiency is promoted, resulting in a saving of time, energy and money. This work is in charge of the Rev. Arthur R. Burnet, for several years one of the force of the Bureau of Social Service.

An example of research work was the investigation of the economic status of the liquor trade in New Jersey. A comparison was made of the brewing industry with certain other industries, to show that, whereas the former represents a large investment of capital, the same money would hire more men, pay more wages and produce a greater value in output if invested in other industries.

This office handles all the multigraph work of the Board. This includes the printing not only of letters, but of letter-heads, record forms, questionnaires, etc. From January 1 to March 31, the machines turned out over 200,000 impressions, representing about 60 individual jobs.

III. Lumber Camps.

During the year just closed, the Board of Home Missions has supported 20 men in this work. Foremost among these has been the Rev. Frank E. Higgins, who for five years has been the Board's messenger to the men of the camps. Prolonged illness during the last months has hindered him from the work which had been planned and in which he has been not only efficient as a workman, but inspiring as a leader. As nearly as can be estimated, we are reaching in camps over 20,000 men with the Gospel, but when we remember there are as many as that in Minnesota logging camps alone, we realize how little we are doing.

The primary work of all the missionaries is to preach the Gospel, and, after nineteen years spent among the men of the woods, Mr. Higgins is more than ever convinced this is the one message for the missionary to carry and the one the men are looking for.

IV. Church and Country Life.

The most important fact in the year for the Department of Church and Country Life has been the action of the Assembly at Atlanta, in May, directing the discontinuance of the department as soon as practicable. No new work has been undertaken in the course of the year. The effort has been to complete so far as possible the work in hand by May, 1914.

The fact that Presbyteries desire special work in the field of rural organization is shown by the requests which come from many parts of the Church for service of this sort. The department has been asked to establish "demonstration centre" churches, by Buffalo Presbytery and the Synods of New York, Texas and Arkansas. These official requests have been laid aside during the

year, to await more explicit action of the General Assembly relative to country life work.

The final aim of the department in all its activities is to secure that spiritual life which is the supreme strength of any Church.

V. Immigration.

The work of the Home Board among the recent immigrant populations is under the direction of the Rev. William P. Shriver.

A million two hundred thousand immigrant aliens entered this country in the last fiscal year (ending June 30, 1913), a record exceeded only once in the entire history of the immigration movement. The steady development of the Home Board's work among the recent immigrant populations is indicated by the increase of its disbursements in six years, from $25,000 to $89,000, in the year ending March 31, 1914. This does not include the Board's work among the Germans of the West and Spanish-speaking people in the States, totaling $39,485.

The work of this department is effected directly on the field and only upon the request of Presbyteries and Synods. The Board has coöperated with 23 Presbyteries in inaugurating or developing work in 67 different immigrant and industrial communities; 109 missionary pastors, visitors and lay workers were engaged, an increase of 30 over the previous year. Ten languages, in addition to English, were regularly employed: German, Bohemian, Slovak, Polish, Russian, Ruthenian, Italian, Hungarian, Armenian, and Arabic among the Syrians. In some centres, a neighborhood work embraced as many as fifteen races.

City Centres.—The immigration question is discovered in its acuteness in the city centres of our industrial zone. Over one-third of the population of Boston, Cleveland and Chicago is foreign-born, while that of New York exceeds 40 per cent. In the past year, the Board extended its coöperation to not less than 22 important cities—New York, Brooklyn, Buffalo, Baltimore, Indianapolis, Cleveland, Milwaukee, St. Louis, South Omaha and San Francisco, among others. The immigrant communities of these city centres test the efficiency of Presbyterian home mission administration, and demand a new social consciousness and unified purpose on the part of the churches. In the last year, in the Presbyteries of Brooklyn and Baltimore, exhaustive studies were made of the resources of all the churches and the needs of the city, under the designation of a Church Efficiency Service.

Immigrant Rural Communities.—It is a matter of congratulation that the recent immigrants in steadily increasing numbers are "returning to the land." The Home Board is heartily back of the work of the two new Bohemian Presbyteries. In the Presbytery of the Central West, extending over five Western States, the Board assists in maintaining work in nine centres. This Presbytery enrolls 18 organized churches with a membership of 1,403. In the Presbytery of the Southwest, where the larger Bohemian communities have been preëmpted by an independent evangelical body, our Presbyterian work is more or less of a pioneering character, 6 missionaries being under the commission of the Board, with 7 organized churches and a ministry to 13 communities.

Self-administering Synods.—In the past year, difficult problems have been jointly worked on with the Synods of New York, Baltimore, Indiana, Wisconsin, and, with the close of the year, conferences have been held with the superintendents of Illinois and Ohio, and a preliminary investigation made of immigration conditions in the recently organized Synod of New England. In Indiana, persistent interest has been given to the work at Gary, which has suffered the handicap of a changing leadership. The department thus serves as a medium through which a wide and diversified experience wrought out by the Synods may be made of value to the whole Church.

Ore and Coal Camps.—Two fields of finest possibilities for unique services were entered the past year in the coal mining camps of southern Colorado (Pueblo Presbytery) and the Mesaba iron range of Minnesota in Duluth

Presbytery. In the summer of 1913, an expedition for survey and evangelism was organized under the Rev. Howard V. Yergin, for the Presbytery of Pueblo. On the Mesaba ore range of Minnesota, where 80 per cent. of the population is foreign, a similar expedition was organized under the Rev. William J. Bell. Mr. Bell has had the assistance of Slavic- and Italian-speaking missionaries.

Daily Vacation Bible Schools.—There is no door so wide open into the heart of a city or immigrant community as that afforded in the eager, restless interest of its children. The Home Board commends the daily vacation Bible school to a place in the programme and appeal of every well-organized city home mission committee. Beginning with the Presbytery of New York four summers ago, in 1913 the Board's coöperation was extended to 10 leading city Presbyteries; 53 schools enrolled over 11,000 children. The 7 schools in St. Louis enrolled 2,000 children, where the record attendance of 86 per cent. was made. Among over 7,000 children whose nationality was recorded, the Germans led with 1,300; followed by Italians, 1,000; Bohemians, 500; Hebrews, 460; Hungarians, 450; Poles, 270. More than 1,500 were not attending any Sunday-school. The 53 schools cost $11,000, of which only approximately one-half came from home mission funds, the work itself constituting such an appeal that the remainder was made up by volunteer offerings. The 8 schools in Milwaukee were so strong an argument for such ministry that the Milwaukee Federation of Churches plans to make their number 25 for the coming summer.

Immigration Fellowships.—No effort of the Board is of greater promise and significance than its plan of immigration fellowships for recent graduates of theological seminaries. Eight men are now under appointment or have completed their residence of a year or more abroad. In this present fiscal year, the Rev. Ralph Cummins, who also received the fellowship of McCormick Seminary, has taken up residence in Agram, Croatia; the Rev Harvey E. Holt, of McCormick, is near Budapest in Hungary; the Rev. Howard V. Yergin, of Auburn, is in Italy, and the Rev. Henry L. Hellyer, of Princeton, is studying Jewish conditions in Russia and Jewish evangelization on the Continent.

Clearing House.—The statistical report of Presbyterian churches and missions in this country employing a language other than English has been prepared from the card files of the department. A directory of foreign-speaking pastors is also kept. The files of the department are constantly being augmented with information concerning immigration, and immigrant and city evangelization, classified by topics, races and localities.

VI. Indian Missions.

Presbyterian missions to the Indians have been making a steady advance. The statistics as collated recently show a substantial advance in our missions among 57 tribal divisions in 20 States, as follows: churches, 121; mission stations, 115; ordained ministers and helpers, 87; commissioned helpers, 99. The total number of communicants is 8,047, and estimated adherents 18,319, not including 1,620 native Alaskan Presbyterians.

We have at present, exclusive of Alaska, 323,000 persons among the Indian tribes in the United States. Of these Indians, 296,000 are reported under the general supervision of the Federal Indian Service. The Government has recently gathered statistics of the religious affiliations of a large number of Indians. Reservation superintendents and heads of Government schools reported 177,401 Indians whom they had questioned on this subject. Of these, 69,529 have professed Christianity—39 per cent. of the total. It is probable that a larger per cent. of the Indian population, not included in these statistics, is non-Christian. In this transition stage of their development, the destiny of the Indians is at stake. No longer confined in reservations, 39,000 of their children are in school and, with the Christian leaders already developed, constitute the hope of the future.

VII. Mexican and Spanish-speaking Work.

Of the four leading denominations attempting work among the Mexicans in our country, each of the three others—Baptist, Congregational and Methodist Episcopal—has its own superintendent. A "Permanent Interdenominational

Council on Evangelical Work Among Spanish-speaking People in the Southwest" has been organized, and has held two annual sessions in El Paso, Texas. Careful papers, on topics of interest to the whole Mexican work within the States, were presented by the denominational superintendents and by other workers on the Mexican field, at least four of whom were our own men.

The work done this year in connection with our Board is within the Presbyteries of Brownwood and El Paso in Texas; of Rio Grande and Santa Fé in New Mexico; of Pueblo in Colorado; of Southern Arizona and Phœnix in Arizona; of Los Angeles and Riverside in California.

VIII. The District Work.

1. The District of the South and Southwest.—This section comprises the Synods of Alabama (including Florida), Arkansas, Kentucky, Mississippi, Missouri, Oklahoma, Tennessee (including our work in Georgia and North Carolina), and Texas (including our work in Louisiana).

Conditions are more or less settled in this district. There are no marked changes in the population, so that the constituency remains practically the same from year to year. However, it seems to be the consensus of opinion that we are at the beginning of a new day in this entire district in the opening of the Panama Canal. This being true, it appears that it would be the part of statesmanship to strengthen our forces in this territory not only with equipment, but also with men.

Evangelistic work in the district is encouraging. Perhaps no single year has witnessed so many and so successful evangelistic meetings as this. Large accessions have been made to our churches and there seems to be an evangelistic spirit not hitherto known. In June a campaign was made in Mississippi, in connection with the representative of the Foreign Board for the district, in the interest of "Evangelism and better financial system." The effort was cordially received by the people, and the attendance upon the conferences was encouraging.

2. District of the Northwest.—This district comprises the Synods of Minnesota, Nebraska, North and South Dakota, and includes 27 Presbyteries, 867 churches, and 62,250 communicants. Southern Minnesota and the eastern part of the other States are well settled, and our Church is comparatively strong and well organized, but in northern Minnesota and western Nebraska and the Dakotas pioneer conditions still prevail. In each Synod we have the two extremes.

During the past few years emphasis has been put upon organization as a means of efficiency, with the result that in each Synod we now have a splendid committee made up of representatives of the Presbyteries. These committees hold two or four meetings each year and study not only the financial needs of the Presbyteries, but the whole mission problem as it affects every part of the Synod.

The field secretary has been invited to assist in carrying on the work in nearly every Presbytery in the district, and has spent by far the greater portion of his time on the field. In this way he has come to know the actual conditions of every Presbytery.

Comity.—There has been considerable growth of sentiment in favor of comity and federation during the year. This is especially true in North and South Dakota. The relations of the evangelical denominations toward each other are more cordial, and the spirit of comity is being actually worked out on the field.

Evangelism.—There have been no pronounced religious awakenings in the district, but the spirit of evangelism has increased with the year. In many of our churches there has been a gradual and steady growth and the influence of the Church is more dominant than ever. The pastor-evangelists and district missionaries have held a good many special meetings in the mission churches with more or less success.

3. Rocky Mountain District.—This section includes Montana, southern Idaho, Utah, Wyoming, Colorado, New Mexico and Arizona.

A smaller field force was at work than in any previous year. Arizona has been without a synodical superintendent since the first of October. The

readjustment of field work has shortened the term of service in other States. The fact that the Indian Department and the Spanish-American Department have been erected since the Rocky Mountain District was formed, reduces the items of our report mainly to work among the Americans. New lines of work have been undertaken in several regions. The summer was given to a survey of the coal camps of southern Colorado. A missionary has been secured for the lumber camps in Montana and social service has been introduced into camps in Wyoming.

To-day there are more Presbyteries in the district than there were churches in the same region in 1870. There are more than 60 churches, each of which has a larger communicant membership than had been received into all the churches of that early day. Some 200 mission points, not yet organized, are served by our missionaries and pastor-evangelists. Within the last year 13 new churches were organized; 12 of these were at places occupied by no other denomination; the other was in a rapidly growing centre, where our coming was not contested by the organizations on the ground, and where we organized with 65 charter members.

A study of the District during the past seven years shows that a number of churches have been increased by nearly one-third; that the total number of additions during that period is almost equal to the net total membership of to-day; that the average contributions to home missions exceed fifty cents per member, and to all causes about fourteen dollars per member per year.

4. Pacific Coast District.—*Washington.*—The Synod of Washington includes within its boundaries all of the State of Washington, the northern part of Idaho and all of the Territory of Alaska. The Presbyteries, by action of Synod last fall, were organized for self-control in home mission lines, and divided into five evangelistic districts, namely, Seattle, Central Washington, Columbia River and Olympia; Bellingham and Wenatchee; Spokane; and Walla Walla; each in charge of a pastor-evangelist. There are 255 ministers and 248 churches in this part of the Synod, 180 of these being missionary churches. This makes the home mission problem the greatest of the Synod, as these churches require from a hundred dollars to a thousand dollars each to carry on their work—making a total of about $60,000 for the year.

The great problem of the Synod is to keep pace with the home mission opportunities and bring the work to the highest efficiency. In one district—that of Spokane—there are as many unorganized preaching stations as there are organized mission churches, and many such in all the districts—all eventually likely to petition for organization. About a dozen new churches were organized the past year and as many new buildings erected. Organization, education, evangelism and reconstruction are going hand in hand with new and up-to-date plans for financing the work. Nearly all the mission churches throughout the Synod have been well manned this year and everywhere we hear of evangelistic meetings and plans for expanding the Church's influence and efficiency.

Oregon.—All churches and business are looking forward to the opening of the Panama Canal.

Very efficient work is done in Pendleton, Portland, Willamette and Southern Oregon Presbyteries. They report all home mission churches supplied during the year. Grande Ronde Presbytery had a turbulent year of many changes and vacancies. There is a growing spirit of comity among denominations. The community church idea is popular. Federation is solving some problems in over-churched towns. Synodical organization is unpopular and rejected.

Among the resolutions adopted by the home mission committee of the Synod of Oregon at a meeting in February was the following: that no minister receiving aid from the Home Board shall be expected to engage in any other pursuit in order to add to his salary.

California.—The Synod of California is composed of the two States of California and Nevada; there are ten Presbyteries, of which Nevada is one and the largest in area.

If the great Home Mission Board were bodily transported to this Synod it would still have its immigrant—its country life—its Labor Temple—its exceptional population—its lumber camp—its mining centre—its colored man—its red man—its Mormon—problems on its hands. They are all here; they are crying out for solution; they refuse to be palliated.

We are growing in our strength as well as in our problems and needs. In the past ten years we have nearly doubled our Presbyterian church numbers. In the same period we have nearly doubled our contributions to the Home Mission Board.

We feel that the greatest opportunities of the Church to-day are within our synodical boundaries. The Synod cannot meet these opportunities. She looks to the Church at large for help, but not as a mendicant; she is conscious of a coming ability that will return an hundred-fold to the Church.

Alaska.—Never in the history of Alaska has so hopeful a feeling pervaded commercial and material interests as at present. More constructive measures looking toward the development of the territory have been adopted by the Government, since the last Report of the Home Mission Board was made, than in all the preceding forty-seven years since the acquisition of "Seward's Iceberg." Since the settlement of the railroad legislation, a feeling of confidence has transformed the communities included within the Yukon Presbytery.

While the history of interior and western Alaska is largely in the future tense, that of the southeastern part is in the actual making. The fruition from the pioneering of the past years is manifesting itself in things commercial and spiritual.

The year has been marked by a decided impulse toward civilization and citizenship on the part of the native people. A native brotherhood has been organized, composed of such young men as have adopted the civilized life and have an ambition to become full-fledged citizens of the United States. At the first meeting of this organization, held recently in Juneau, steps were taken to extend the local societies so as to include each native village in Alaska as soon as possible. This new organization has for its avowed purpose the unification of all Alaskan natives in the great brotherhood of American citizenship.

The Presbyterian Church has been at the forefront in the advance of civilization westward and will not fail in this last effort, in the far Northwest, to establish the standards of religious faith and practice, to correspond with the development of material things which is just at hand.

5. West Indies District.—*Porto Rico.*—Our work in Porto Rico during the year has been characterized by a few outstanding features. A year ago our Report made mention of the fact that the *Training School* which we had established at Mayaguez had become a union Training School, shared by the United Brethren as well as ourselves. Its work can best be presented in the following statement of its activities. "We have had three classes in the school all the time, with a total of twenty students. There are now five in the graduating class. I would call special attention to the work done by all students in Homiletics, the Psalms, Life of Christ, and Music. The students have mastered such books as Mair's Evidences of Christianity, Fisher's History of the Reformation, Burrell's Religions of the World. Also as part of their work in English, some have translated John Timothy Stone's book, 'Recruiting for Christ,' and have read the translation to all the students."

A second important feature of the year's work is in connection with the *Polytechnic Institute* located at San German, of which the Board's Report a year ago made mention somewhat at length. Its aim is distinctly Christian and its training decidedly practical. The record of the year is but added proof of the value of its work.

Cuba.—The following facts regarding the status of this work are presented:

We have 36 chapels where regular weekly services are held. Of these, 19 are organized churches with a total membership of about 1,500. Our Sabbath-schools number 34 with an attendance of 1,600. Of day-schools we have 14, 3 of which pertain to the Woman's Board and 3 are self-sustaining. The total enrollment is 700. We are represented in the capitals of all the provinces save Santiago. Only in these 5 large cities and in Cienfuegos are other missions established.

Our distribution according to provinces is as follows: In Pinar del Rio, 10 chapels; in Havana, 19 (of which 7 are in the city proper); in Matanzas, 1; in Santa Clara, 5, and in Camaguey, 1. Of young people's and Christian Endeavor societies we have 10 with a membership of 400.

The Presbytery of Havana, organized in 1901, numbers 15 ministers and has a list of 7 licentiates. We have 4 students for the ministry, 2 each at

Mayaguez and at Coyoacan, all of whom will graduate the coming year. Of our ministry and licentiates, 2 are Americans, 12 are Cubans and 8 are of Spanish birth. Among these latter are 4 ex-priests and 1 physician, all men of rare culture and consecration.

IX. Woman's Board.

Circumstances have made necessary several changes in the official force. Miss Julia Fraser, the secretary for three and a half years, retired from the service of the Board, on May 1, 1913.

The Nominating Committee, at the last annual meeting, was not prepared to name a successor to the former president, Mrs. F. S. Bennett, resigned. The two new offices of first and second vice-presidents were, however, created. Mrs. D. E. Waid was elected as first vice-president and Mrs. A. S. Crane as second vice-president. January 1, 1914, Mrs. D. E. Waid resigned as an officer of the Board, and Mrs. F. S. Bennett consented to return as acting president for a short period. Miss Anna Hyatt was, on February 10, 1914, elected first vice-president.

Four resignations were regretfully received from members of the Advisory Committee of the Board, but we are happy to record the addition of seven new members.

Boxes for Mission Schools.—The report from the department supplying boxes for schools calls attention to increasing interest in societies in supplying the needs of the different schools, hospitals and mission stations, preparing clothing, bedding, table linen, carpet, rugs, and other articles so necessary to the comfort of both teachers and pupils. Through this interest and generosity of our auxiliaries, the following was pledged for the different stations during the past year: About 300 boxes of clothing; 430 yards of rag carpet; 112 rugs; 8 wonder bags for our teachers; hymn books; material for the preparation of clothing and money for the purchase of medicine. Gifts were sent through 174 boxes and packages, and money for Christmas treats in other stations. These have all been helpful in carrying cheer to both teachers and pupils.

Home Mission Monthly.—The *Home Mission Monthly* again turns a surplus, over expenses, into the Woman's Board treasury, this year $2,500, to be used for sanitary improvements at the Farm School, North Carolina. At the same time that this amount has been saved for work on the field, the magazine has pushed ahead, giving increasingly interesting pages to its readers.

Over Sea and Land.—*Over Sea and Land* is making valiant efforts to retain old and gain new subscribers, and results are most gratifying. With a total gain of 1,116 new subscriptions, a creditable record for the year is shown.

Extensive alumnæ work was carried on during the fall with the help of several members of the Joint Committee on Student Work.

Young People's Department.—A review of the year's work in our Young People's Department shows the usual variety of activities. The constituency of this department is constantly changing, and our financial records must be correspondingly variable from year to year. Salaries of 14 missionary pastors, 4 community workers and 12 teachers have been assigned to groups of organizations or of Sunday-schools, and shares in the general work for a number of the schools under the Woman's Board. Young people have also supplied the amount needed for the support of four beds in our hospital at San Juan, Porto Rico, and the Juniors contribute the maintenance of the children's ward. About 300 scholarships and scholarship shares are also provided by the Sunday-schools and young people.

The secretary pays tribute to the faithful coöperation of the 365 synodical and presbyterial secretaries who have so loyally carried out the instructions sent from headquarters.

Conclusion.

In closing this Report, it is proper to say that for the new year we have made an adventure of faith. We have not dared to retrench where retrenchment would spell disaster. We have accepted the obligation to advance—where

failure to advance would mean retreat. We count upon a Church which has always rated high its sense of stewardship not to fail us in this critical time.

Respectfully submitted by order of the Board,
CHARLES L. THOMPSON, *Secretary.*

Abstract of the Seventy-seventh Annual Report.

In beginning the Seventy-seventh Annual Report of the Board of Foreign Missions to the General Assembly, mention may fittingly be made of the losses which have come to the Board this year.

Necrology.—At home, the Board has been called to part with three of its most valued members: Mr. Louis H. Severance was called to his home, on June 25, 1913. On January 1, 1914, the Board was again faced with a great loss in the death of its Vice-President, Mr. Warner Van Norden; and on March 14, 1914, the members of the Board were once more summoned to the house of sorrow by the death of the Rev. Dr. James S. Dennis.

Eight missionaries were also called to their heavenly reward.*

Statistics.—During the past year the Board has sent to the Mission field 118 new missionaries. Balancing the recruits as against the losses, our missionary force which we now report to the General Assembly, as compared with last year, is as follows:

	1913.	1914.	Increase.	Decrease.
Missionaries	1,157	1,226	69	
Ordained men, native	315	349	34	
Other helpers	4,970	5,417	447	
Organized churches	678	728	50	
Communicants	122,009	133,713	11,704	
S. S. pupils	136,846	154,139	17,293	
Hospitals	73	73		
Dispensaries	118	100		18
Patients treated	456,658	512,065	55,407	

Home Administration.—If one would feel the pulse of the growing vigor of the foreign missionary work, it could nowhere be found more clearly than in the administrative work of the Board. For several years prior to his death, Mr. Louis H. Severance, with the acumen of clear business insight, felt that, owing to rapidly changing conditions, there should be an adoption of new policies in reference to the supervision of the field. At the same time it was evident that a necessity existed at home for a more intimate connection with

* See List, p. 161.

the churches, through more frequent visitations. In order to do this without diminishing the administrative accuracy of the work in the central office, a plan was devised by which the secretarial force should be underbuilt by the presence of men who could aid in carrying out the routine work of the offices while the Secretaries were left with greater freedom for work among the churches and visitation of the field. This was accomplished by adding to Mr. Carter's work of Recording Secretary that of Assistant Secretary, and by bringing into the office, also as Assistant Secretaries, Rev. Orville Reed, D.D., Rev. William P. Schell and Rev. George T. Scott. The increased efficiency of the work has already more than vindicated this policy, inaugurated by Mr. Severance and unanimously endorsed by the members of the Board.

The China Campaign, inaugurated a year ago, has been continued with enthusiasm. Beginning in New York and Maryland in the fall, the members of the team spent some days in Indiana, Illinois and Oklahoma, proceeding thence to the Pacific coast, where a six weeks' campaign was carried out, beginning at Spokane and closing in Los Angeles.

The Literature Department has responded to many special requests for leaflets and bulletins, and has sent out 959,600 pieces of literature.

The Library of the Foreign Board has lent 1,099 volumes, while the stereopticon slides have been used 667 times. The number of books now in the Library is 10,717.

During the year 1913–14, the Educational Secretaries have rendered valuable service to the local churches. They have corresponded with thousands of persons engaged in the work of missionary education, and have aided them in planning a curriculum and in making it effective. The work has been done in coöperation with the other missionary Boards of our Church, through the Presbyterian Department of Missionary Education. The Department reports 3,173 classes, in 249 Presbyteries and 36 Synods. Of these, 1,592 classes have studied some phase of "The New Era in Foreign Missions." For 1914–15, the Department is preparing a United Programme of Missionary Education, with plans and materials for all leaders, departments and organizations in the local church. The theme will be "The Social Force of Christian Missions."

The Sunday-school Department of the Board has carried on its educational work during the year as a constituent part of the Presbyterian Department of Missionary Education. Much literature has been issued and widely distributed. The Sunday-schools have contributed to Foreign Missions $78,906.16, as compared with $82,228.50 last year. This decrease is in part explained by the fact that during the fiscal year closing March 31, 1913, there were two Easter Sundays, whereas there was no Easter Sunday in the fiscal year just closed.

Mention should be made of the increasing number of schools adopting the "Station Plan" of giving to Foreign Missions. Nearly 400 Sunday-schools are now contributing regularly under the "Station Plan," and the number is increasing rapidly.

The Board would also report its continued effort to carry out the instructions of the General Assembly and the work of the Presbyterian United Movement under the guidance of the Joint Executive Committee, composed of representatives of the Executive Commission and the Boards of the Church. The Board has taken action by providing one of the members of the staff, Mr. David McConaughy, to act as a Secretary of this Committee.

This Report would not be complete without making specific mention of the continued loyalty of the women of the Church to the Board of Foreign Missions; both in their regular contributions and in the special gifts under the China Campaign, they have set an example to the Church which is in fullest accord with the devotion which they have so often manifested.

Following the policy of the Board, which was adopted on April 1, 1912, Secretary White paid a visit to the mission field, extending from October, 1912, to July, 1913.

Survey of the Fields.—*South America.*—The mission work of our Church in Colombia, Venezuela, Brazil and Chile has prospered abundantly, with steady growth and with bright promise everywhere. New and unforeseen opportunities have opened in Santiago among the students in the Government University. Desirable property has at last been acquired for the American School in Curityba, while an Agricultural and Industrial School has been begun

at Castro, to do in the South Brazil Mission what has been accomplished in the great ranch school at Ponte Nova in the Central Brazil field. A new work has been opened through the generosity of a layman of the Church on the Sinu River in Colombia. Mackenzie College, in Sao Paulo, only indirectly connected with the Board, has prospered beyond belief.

Mexico.—The year of revolution in Mexico has brought into clear light the sterling qualities of the representatives of the Board at work in this unhappy land. All the male members of the Mission and nearly all the women missionaries have remained at their post of duty. It was deemed advisable that some of the wives and children and a few of the single women missionaries should return to this country. The Mexican Christian has also shown remarkable evangelical zeal, patience, courage and great generosity during these days of distress.

While some of the work has had to be suspended, the school at Aguascalientes being closed all the year and that at Saltillo for a portion of the time, yet it is significant that the school at San Angel had the largest number in attendance in all its history; that the Press continued its work without intermission, and that much itinerating work was done by the missionaries, an especially long tour being taken by a group of missionaries in the State of Yucatan.

Guatemala.—The Guatemala Mission recently issued a little paper called *Some Guatemala Mission Results*, which indicates the new life that has come to the Mission, through the Board's encouragement, which has been given in the last two or three years. It says:

"In our church in the capital the attendance varies from 50 to 200 ordinarily, and passes 300 on special occasions. Another evangelical mission in the same city has a congregation nearly as large.

"The Quezaltenango Church has grown in ten years from 3 to over 200. Walls of prejudice that existed years ago have been broken down. A fine beginning has been made in the work for the Indians."

Philippines.—This Mission, next to the youngest of the twenty-seven Missions under the care of the Board, has continued to justify its reputation of being one of the most vigorous and rapidly developing of our mission fields. The Silliman Institute, at Dumaguete, is one of the greatest educational institutions under the care of the Board, having enrolled for the year no less than 940 students, of whom 640 were boarders. The buildings, while excellent for a mission college, are far from adequate for the increasing attendance. The dormitories are overcrowded, the class-rooms insufficient and the apparatus very limited. The Ellinwood Bible Seminary for men in Manila and the Ellinwood School for Girls in the same city have also had prosperous years.

India.—In India the conditions confronting our Mission work have remained practically the same as in past years, although one might describe the general situation by saying that it is one of increasing tenseness. In our North India and Punjab Missions they are feeling the full force of the mass movement towards Christianity. The problem is one of gathering the harvest, and there are far too few laborers to put in the sickle. The Board, recognizing this fact, has voted to send twelve new men to the India Missions to meet this emergency.

One of the most significant steps forward in our Presbyterian work has been the formation during the past year of the India Council, similar to the China Council, which has been operating in China for several years. This Council consists of two representatives from each one of the three Missions and an elected Secretary. It will strive to unify the work, draw the Missions into closer harmony and enable them to follow a constructive and definite policy rather than to work in an individual character.

Siam and Laos.—The Siam Mission has had a year of quiet but faithful work, and while the visible results have not been exceptional, they have been good, and they indicate that steady progress is being made. In no other mission field in the world do missionaries enjoy greater favor from the Government.

The conveniences of modern civilization are being extended throughout the country. The old days when missionaries had to travel six weeks by house-boat from the port of Bangkok to the Laos stations have passed forever, and the journey to the end of the railway is now comfortably made in two days, where a motor 'bus awaits the traveler and transports him to the nearest mission station.

The Laos Mission, occupying the northern part of Siam and working among the Laos-speaking people, has had a continuance of the extraordinary conditions which were referred to in last year's report. We are happy to be able to report that the epidemic of malignant malaria, while still serious, is waning. The missionaries have been indefatigable in their labors. The result has been by far the most fruitful year in all the history of the Laos Mission, the number of enrolled communicants having increased from 4,618 last year to 6,299 this year.

Syria.—Reports from our Syria Mission indicate that new situations resulting from the war and the political changes are demanding adaptations in policy that will meet the emergency. It is evident, that the work in Syria, which has largely been of an educational character in the past, must turn its attention more than ever towards aggressive evangelism and the establishment of a native leadership. In carrying out this policy the Mission has, for the first time in many years, a thoroughly equipped theological seminary, given through the kindness of the late Mr. J. Milton Colton, of Philadelphia. Already a number of students have gathered in the seminary at Beirut, and one is hopeful that from this place there will go out throughout Syria, those who are called of God to give to her what she most needs at this time, namely, the message of the Gospel.

Persia.—The altered political conditions in Persia have not interfered with the progress of the missionary work. On the other hand, they have been distinctly favorable to it. The year has been marked by the firmer establishment of Russian control over all that section of Persia in which our Missions are located. The general results of this new order for the mass of the people have been good.

In Teheran, each school has had the largest enrollment in its history—345 in the Girls' School and 487 in the Boys', with 53 per cent. of the whole, or 449, from Moslem homes. The schools are crowded, with three on a bench meant for two, with absolute freedom to teach Christianity and with increasing liberty on the part of Persian subjects to accept it. There have been open confessions of Christianity on the part of Mohammedans, one of whom holds, each Sunday afternoon, in his own house, a meeting to which Sayids, Mullahs and men of rank come to question him about Jesus Christ. Great transformation has taken place since the early days.

What is true of Teheran is true also of other parts of the field, even of Tabriz and Urumia, where the spirit of Mohammedanism is more intense and exclusive than in any other part of Persia except, perhaps, in Meshed, and here also Dr. Esselstyn has worked without hindrance through the year.

Africa.—The past year in the West Africa Mission has been one of great expansion. Ten years ago communicants in the Mission numbered 1,852. At that time there was no record of catechumens or adherents: the number was small. The report this year shows: Communicants, 5,121; catechumens, 21,958; adherents, 37,365. These figures proclaim louder than words the missionary spirit that has dominated the entire native Church.

The new station opened two years ago at Metet, 120 miles from Elat, the most interior station, has shown rapid advance. During the year a station was opened at Fulasi, 70 miles from Metet. Still another at Endenge, 140 miles from Fulasi. These are outposts, yet at Endenge as many as a thousand people are assembled on a Sunday to listen to the Word of God; and at Fulasi there have been communion seasons during the year where more than 6,000 persons listened to the preaching of the Word from the lips of the missionary and the native evangelist.

Korea.—The Korean Conspiracy Case, which has been so prominently before the whole civilized world during the last two years, has reached the close of the judicial proceedings. Of the 123 men who were brought to trial, the acquittal of 117 was confirmed by the higher courts, so that only six of the entire number were finally found guilty. We are glad to report that the acquitted men included all of the Presbyterian ministers, elders and teachers connected with our Mission and church, only one of the six condemned men being a Presbyterian, and he not being an office-bearer.

Korea is in a period of transition not only politically, but economically, socially, intellectually and religiously. It is inevitable in such circumstances

that the missionary work should feel the effects of the changing conditions. With the building of railways and the extension of telegraphs, wagon roads and the other large improvements which the Japanese have inaugurated, has come a veritable tide of materialism. While the period of phenomenal church growth in Korea has passed, the churches are making steady advance in numbers, and they are growing in Christian character.

Japan.—The year which has just passed has been a year of deep significance in the life of Japan. The years of popular education which have elapsed, the penetration of the minds of the leading class of the nation by Western political ideas, the growth of industrial problems through the introduction of factories and capitalism, the decay of the old ethical ideas, have plunged Japan into conditions of transition and difficulty for which she is unprepared. There have been various Cabinet changes, attended with public demonstration and violence. Charges of financial corruption have been made against prominent officials in the navy, and even against the Prime Minister, who was an admiral. The general excitement of the public mind has been intensified also by the California land legislation, of which Mr. Brokaw writes:

"The hurt and resentment of the California legislation is undoubtedly deep, but the wide discussion has made broad-minded Japanese realize the two sides to the question, and compelled the nation to see some of its deficiencies."

Back of all these stirrings of public thought and feeling, however, lies the deepening discovery of the nation's need of true religion. The fact that the Educational Department is now made also a Department of Religion, indicates the complete change in the attitude of the government.

China.—The extraordinary progress of mission work, which was reported a year ago, has continued with unabated power. The great republic is open to the Gospel from one end to the other. The era of suspicion and hostility to Christianity appears to have passed, and the missionaries report a readiness to hear the Gospel which is to the highest degree inspiring. Every consideration of Christian statesmanship calls for the pouring into China of large additional funds and reinforcements.

Much disappointment was expressed among Christian people, both in and out of China, when President Yuan Shi Kai appeared to make Confucianism the state religion. It is significant that the leader in this movement was a Chinese who had spent three years as a student in Columbia University, New York. It is not altogether reassuring, that the highest intellectual training which one of the greatest universities of the West could give to a Chinese equipped him for the leadership of a movement to enthrone Confucianism, which is a combination of agnosticism and ancestral idolatry, as the established religion of China.

Serious problems confront the Board and the Missions in connection with the missionary work in China, but they are the problems of success and not of failure. It is in the highest degree encouraging to know that the obstacles which were so long formidable in China and which caused so much anxiety have largely disappeared and that we face the most extraordinary opportunity in the history of the Kingdom of God. Our difficulties now are not in China, but in America. If the Board and the missionaries could secure enough prayer and intelligent interest and gifts and reinforcements, they could do what needs to be done and do it on an adequate scale.

Chinese, Japanese and Koreans in the U. S.—The Board carries on work among the Chinese at seven mission stations in California and assists in the Chinese work in New York City. The aggregate number of Chinese Christians in the stations in California is 396, of whom 51 were added during the year. Their contributions for all purposes amounted to $6,017. Some 80 children have been cared for in the Refuge Home in San Francisco.

The work among the Koreans is carried on in six places in California. We have five organized churches, five missions and nine other preaching places for the 58,000 Japanese in California. The present church membership is 560. The contributions of the Japanese to the work for the past year amounted to $8,292. It is stated that there are between seven and eight thousand Japanese children in California, but comparatively few are attending Sunday-school.

In behalf of the Board,
STANLEY WHITE, *Secretary.*

Treasurer's Report.

The fiscal year of the Board of Foreign Missions ending March 31, 1914, closed with a deficit, on the year's account, of $226,848.58. The preceding year closed with a deficit of $65,301.58, so that the accumulated deficit on this date amounts to $292,150.16.*

Contributions for the regular work decreased, for the year, $35,000. If, therefore, the Board had appropriated for its regular work for the year the exact amount of money which it appropriated during the preceding year, there would have been a deficit, at the end of the year, of this $35,000 plus the $65,000 of deficit with which the preceding year closed, or a total deficit of $100,000 for the year. But the Board did not feel justified in making no advance whatever in appropriations, and it decided that a conservative increase would justify an additional original appropriation over the preceding year's original appropriation of $145,000, especially in view of the clamant appeals for enlargement from the many fields under the Board.

The contributions from Women's Boards show an increase in gifts for the regular work of the Board of $5,481.89, or a total for the year of $367,155.99. They have increased their special gifts for the year by $138,400, their total gifts to the work for the year aggregating the handsome figure of $553,988.08.

The China Campaign has produced to date cash contributions of $402,782.07, representing receipts during two years. Of this amount appropriations from the fund have been made, amounting to $259,794.77. Deducting expenses and charges against it, there remains a balance on the books of the Board of $126,423.75. The Woman's Board of Philadelphia has been credited on our books with $79,761.18 toward the China Campaign Fund during the past two years, the New York Board with $48,481.01, the Northwest Board with $51,665.97, the Southwest Board with $11,101.10, the Occidental Board with $3,983.85 and the North Pacific Board with $6,264.40, or a total from Women's Boards for the two years toward the special China Fund of $201,257.51. There remains a balance on our books of gifts from these Boards not yet designated and appropriated.

The Treasurer would call special attention to the accompanying Balance Sheet.

Abstract of Ninety-fifth Annual Report.

The Board of Education announces a record year in point of service to our beloved Church. God has greatly blessed our labors. The Board has been enabled to reach farther down into the heart of the colleges and universities, and to touch more nearly the sources of supply for Christian leadership in churches and Sabbath-schools. About 105,000 young people have this year received a direct message from our Board. The cause of Christian Education, as your Board prosecutes it, has perhaps been presented to a larger number of Presbyterian bodies than in any previous year in the history of the Church.

Financial.—We have received from churches, Sunday-schools and societies, $85,434.89, an increase of about 3% over last year; $18,790.38 from individuals, a decrease of $9,971.60; $12,852.85 from legacies; $30,903.94 from interest, etc.; $2,103.31 from refunds; $36,591.62 in cash, notes and securities from the Westminster Association, Lawrence, Kansas, for an Endowment Fund, and $1,062.18 from other sources, a grand total of $187,739.17.

The Treasurer's Report shows liabilities, in excess of assets, of $14,241.86. This is due to the fact that our contributions from churches, Sunday-schools and societies aggregate but $86,070.71, as against the budget of $100,000 authorized by the last General Assembly, and upon which budget the Board acted in regulating its expenditures.

UNIFICATION OF CHRISTIAN EDUCATION.—In our last Report, we called attention to the need of meeting new conditions with new policies, declaring that the Church's educational policy should be subjected to careful scrutiny, because we believed there was not, as yet, a well-defined programme of education in our Church. Our claim was, that Christian Education should be made a major issue, and that the Church should see the wisdom of unifying her forces so as to give education its proper fundamental position in Church life.

The Assembly of 1913, in line with the above observations, appointed a special Committee on the Educational Policy of the Church. This Committee requested our Board to present its views in writing, which was done in November.

The Board did not presume to advise the Committee, but discussed, as a reporter of conditions, certain suggested methods of approach. It put itself on record as favoring any plan that would place Christian Education where it rightly belongs, in the heart and mind of the Church, urging that it might be "written in as large letters across the firmament of our Church as Christian Missions, being indeed fundamental to all other causes."

LOAN OR GRANT.—The Assembly of 1913 directed the Board to "give careful consideration to the methods now in operation touching beneficiary aid to candidates for the ministry, with a view to securing, if possible, a more equitable adjustment to their needs."

The Board is of the opinion that a modification of existing rules governing beneficiary aid is both desirable and feasible. It believes that the question of aiding by grant or by loan should be determined by the Board rather than by the student. Out of the 825 candidates accepted this year, there were only four asking loans. The Board believes that if the loan feature were adopted for those in the preparatory and collegiate courses, it would make students more conservative in asking for the maximum amount of aid offered. The plan suggested would also put ministerial candidates more nearly on the same basis as other students who borrow funds according to business principles. Furthermore, the Board would be able more easily to secure refunds than at present, in the case of men who relinquish the ministry.

RULES.—The Board has been given permission by the Assembly to modify its rules so as to embody the following provisions:

1. The offer of grants to students in the preparatory and collegiate years shall be withdrawn, and loans only shall be made, on the following basis: The maximum loan to students in the last two preparatory years shall be $75 per year. The maximum loan to students in the Freshman, Sophomore and Junior years, $100 per year, and the maximum loan to students in the Senior year, $150 per year.

2. A note shall be taken for each loan, bearing 5% interest per annum, both principal and interest being payable upon the beneficiary's abandoning the course in preparation for the ministry, or upon his demitting the ministry in an Evangelical Church within five years of his ordination. In the case of students in the last two preparatory years, the Board shall require notes secured by satisfactory endorsement. In the case of students in the collegiate years, the Board may accept the student's regular unendorsed note.

3. These loans shall be canceled by the Board after five years of actual ministerial service in an Evangelical Church, upon the request of the recipient of a loan, or in case of satisfactory proofs of the beneficiary's involuntary disability. In case of his death, such loan shall not be collectible.

In the case of students who, upon ordination, receive less than $900 a year, the amount of the obligation shall be reduced each year by the difference between $900 and the salary actually received.

4. The present rules affording an option between loans and grants shall continue to be applied to students in our theological seminaries, and the maximum amount shall be $100.

STUDENTS UNDER THE BOARD.—The Board has had 874 men recommended for aid by the Presbyteries during the year; 825 were accepted, an increase of 31 over last year, 23 of them being "*new*" men; 338 are in the seminaries; 379 in the colleges, and 108 in preparatory schools.

The Board has aided 238 students of foreign speech, grouped racially as follows: German 110, Bohemian 21, Italian 20, Hungarian 20, Porto Rican 16,

Ruthenian 9, Mexican 8, Cuban 6, Bulgarian 3, Russian 2, Swiss 2, Syrian 1, Danish 1, Grecian 1, Servian 1, Chaldean 1, Croatian 1, Persian 1, Greek 1, Monacan 1, Swedish 1, Spanish 1.

There are 47 colored men under the care of the Board, 26 at Biddle University and 21 at Lincoln University. The needs of the colored race for a trained ministry should be considered seriously by the Churches of America. Biddle and Lincoln are doing a noble work, but are not receiving the encouragement they should have.

Special Scholarships.—Mr. Harold W. Wylie, a graduate of San Francisco Theological Seminary, Class of 1913, won the Newberry Scholarship, yielding $1,200, and is completing his year of graduate study at Glasgow University. Mr. Paul E. Hinkamp, graduating in this year's class of McCormick Seminary, will take his graduate year at New College, Edinburgh, on the Secretary's Scholarship, yielding $900, $700 of which is available for the graduate year. The Mutchmore Scholarship, which has been accruing during the present year, will be awarded next fall.

Medical Missions.—In coöperation with the Foreign Board, which approves grants of aid made by this Board to students in medical schools, who have volunteered for service on the foreign field, the Board has assisted eighteen students, the appropriations totaling $2,650. These students are attending the following medical colleges: Johns Hopkins University, Leland Stanford University, Louisville University, Rush Medical College, University of California, University of Illinois, University of Maryland, University of Minnesota, University of Nebraska, University of Oklahoma, University of Pennsylvania, and Western Reserve University.

Training Schools.—Since 1908, Assemblies have instructed this Board to enter into relations with Presbyterian schools for the training of lay workers, and to outline a policy whereby the Assembly, through this Board, might administer to the needs of such schools.

The Presbyterian Training School of Baltimore, the Philadelphia School for Christian Workers of the Presbyterian and Reformed Churches, and the Presbyterian Training School of Chicago have complied with the conditions required by the General Assembly relative to making this Board their agent for the holding or forwarding of designated offerings and gifts. The Board, therefore, in the exercise of its discretionary power, granted aid, to the amount of $900, to nine students in the Baltimore School, $500 to five students in the Philadelphia School, and $250 to three students in the Chicago School.

Vocation Day.—In coöperation with the College Board, this Board carried out the instructions of the last Assembly, by observing as Education Week the eight days beginning with the first Sunday in February. The first Sunday was observed as Vocation Day, the second Sunday as Education Day, and the Thursday between as the time-honored Day of Prayer for Schools, Colleges and Academies. While four hundred churches observed Vocation Day last year, nearly 600 churches observed it this year, and many churches gave expression to their interest in some public way.

College Visitation.—The work of candidate enlistment, being closely connected with the Plan of College Visitation prosecuted jointly by the Board and the Evangelistic Committee for the past three years, necessitated the erection of a Joint Committee on College Visitation and Candidate Enlistment, consisting of members of the Board of Education and of the Evangelistic Committee. Mr. William H. Crothers has been working, under the direction of the Joint Committee, for four months of the present year, his work for that period being the organization of the yearly campaign of Joint College Visitation. For the remainder of the year, he has been the special agent of the Board in visiting the colleges, and presenting the claims of the ministry and the missionary life to students. The momentum of the three previous years of College Visitation has contributed to the marked success of the fourth year. The most cordial coöperation has been given by the colleges. The meetings held by our representatives are counted upon to bring to a climax the religious activities of the college year. This year, forty-two visitors have spent an aggregate of

eight months in evangelistic and vocational work, in 47 institutions; 275 evangelistic meetings and many conferences were held; 500 students are reported as having been converted during these meetings.

CHRISTIAN EDUCATION IN STATE UNIVERSITIES.—During the year now closing there have been many evidences of the continued success and steady development of the work of the Church in the comparatively new field of Christian education in the State-controlled institutions of higher learning. Among the students there have been many decisions for Christ and for service in the Christian ministry, at home and abroad, and there are many more who have consecrated themselves to a life of Christian service as laymen. Many members of the faculties have shown a deeper interest in the spiritual life of the students, and taken a more active part in the work of the local churches. The spiritual life of the local churches has been quickened and deepened, and there has been a remarkable increase of the spirit of unselfish coöperation between the representatives of the several denominations and between these representatives and the Christian Association workers. The churches have found an effective way of making their influence felt upon the life of the university, and there have been discovered many more points of contact between the university and the churches, with a most wholesome effect upon each. The number of university pastors employed by other communions has increased, and a genuine advance has been made in the amount of work done and in the spiritual value of the results obtained. The method has been thoroughly tested; the work has passed the stage of experiment; the investment of men and money by the Church has brought a rich return for the Kingdom, in the reconsecration of multitudes of Christian students, in the conversion of many, and in the preparation of a trained leadership for pew and pulpit.

There are 87 State universities and State colleges in the United States. Presbyterian pastors are employed in 14 of these, and the Board is coöperating with local churches in 13 other university centres—a total of 27. The need of similar work in other institutions is very great.

Respectfully submitted,

JOSEPH W. COCHRAN, *Secretary.*

Abstract of the Seventy-sixth Annual Report.

1. GENERAL.

The work of the Board of Publication and Sabbath School Work grows in volume and variety. In several particulars the results of the year's work have exceeded those of any previous year.

The Business Department shows an increase of $27,089.40, bringing the total volume of business very close to the million mark.

Substantial additions have been made to the number of field workers—both to the missionary force and the educational superintendents. This enlarged

work entailed an expenditure of $235,315.98, which was $22,519.46 more than the missionary expenditures of the previous year; yet the increase in the Board's income enabled it to carry on this larger work and to close the year with a credit balance of $5,783.09.

A NEW SERIES OF GRADED LESSONS.—The last General Assembly adopted resolutions expressing its hearty approval of the efforts of the Board to secure coöperation with the Sunday-school Boards of the Churches in the United States holding the Presbyterian System, in the publication of a new series of Graded Lessons.

The Board would report to the Assembly that its efforts for such syndication have been entirely successful. Several conferences were held with the representatives of the Presbyterian and Reformed Churches. Plans for syndication have been adopted; the distinctive characteristics of the new series of Graded Lessons determined; and lesson writers selected. Consequently, no further efforts have been made to secure a revision of the former series of Graded Lessons.

THE DEPARTMENT OF RELIGIOUS EDUCATION.—The report of the Committee on Religious Education, to the Assembly of 1913, proposed that the Board be made the Assembly's *appointed agency* for carrying on the work of religious education in the local church.

The following resolution was adopted, therefore, by the Assembly: That "The Board of Publication and Sabbath School Work be commended to the pastors and all others engaged in educational work in our churches, as the appointed agency of the Assembly in this field of service."

The proposal to transfer the work of the Assembly's Special Committee on Religious Education to the Board of Publication and Sabbath School Work, having received the approval of three successive Assemblies, and the Executive Commission having authorized the Board to carry on its educational work under a Department of Religious Education, the Board amended its by-laws so as to provide for a Standing Committee on Religious Education. This Committee has supervision of the young people's work, Sabbath-school education and religious education in the home, together with general supervision of all the educational work conducted by the Board.

EDITORIAL SUPERINTENDENT.—Upon the death of Dr. J. R. Miller, Editorial Superintendent of the Board, efforts were made to secure a successor. A large number of writers were considered, and several were approached upon the subject, but no acceptable arrangement could be made. Meantime, the Rev. John T. Faris, D.D., Dr. Miller's assistant in the office, was superintending the Editorial Department. His management gave such general satisfaction to the Board and the Church at large, that the Board came to feel that he was not only Dr. Miller's logical successor, but was well qualified to take up and carry on its editorial work. Accordingly, on March 24, he was unanimously elected Editorial Superintendent.

II. THE SABBATH-SCHOOL AND MISSIONARY DEPARTMENT.

It is gratifying to note the steady growth of this work in the field and in the affections of our churches and Sabbath-schools. This is shown by the increasing number of field workers whose services are sought and by the increased contributions toward their support. The work has been carried forward with enthusiasm and in harmony with other field agencies.

During the year, 131 Sabbath-school workers have been employed. Of this number, 11 are District and Synodical Superintendents; 10 are Educational Superintendents, and 110 are Presbyterial missionaries. In our immigrant work, 30 colporteurs have been engaged in canvassing districts where foreigners have settled, proclaiming the Gospel to them in the various languages of their native countries, and distributing Bibles, Testaments and other evangelical literature. In all these labors we have coöperated closely with other denomi-

national agencies. The total number of field workers in service during the year was 161.

Our missionaries have confined their work largely to the fields which are destitute of religious privileges. Such localities are unreached by any other agency of our Church, and in many of them churches could not be maintained. As a result of these labors, 788 new Sabbath-schools have been organized, and 268 revived, a total of 1,056, into which 37,025 persons have been brought, 3,613 being officers and teachers, with 33,412 pupils.

The Sabbath-schools under the care of the missionaries are developed in two ways: (*a*) By frequent visitation and conference with the officers and teachers, they are assisted in adopting the best methods, and urged to become "Standard" schools. The Presbyterial Sabbath-school missionaries held 877 conferences and institutes with officers and teachers of their mission schools last year, making 5,081 visits to Sabbath-schools in session. (*b*) By evangelistic services and in coöperation with Home Mission committees, the Sabbath-schools from which church organizations may evolve are encouraged and directed toward taking the steps that are necessary to that end. The Sabbath-school missionaries have 2,563 Sabbath-schools under their care, with a membership of 105,970.

During the winter months, many of the missionaries find opportunities for holding evangelistic services in localities where mission Sabbath-schools have been organized. In this way the spiritual life of the people is stirred, and frequently from these meetings the desire is developed for the organization of a Presbyterian church. Aside from this, however, the Sabbath-schools are strengthened, their officers and teachers are given a spiritual vision and many of the pupils are led to make a public profession of their faith. Last year, 720 such services were held and 2,163 conversions reported.

During the year, 31,825 religious volumes and 9,768,572 pages of tracts have been distributed, besides 7,500 Bibles and Testaments, of which 2,072 were in foreign languages.

It is gratifying to be able to report the organization, during the year, of 84 churches whose existence may be traced back to the little Sabbath-schools planted by our missionaries. Of these churches, 63 are Presbyterian and 21 of other denominations.

Many of these churches have erected chapel buildings, upon some of which the missionaries have been called upon to render material aid. The value of such buildings erected last year is $144,350. This represents about 78 per cent. of the entire cost of the field work for the year.

Grants.—During the year, donations were made to the value of $13,777.08

Contributions amounting to $2,304.41 were received for special objects, such as the erection of chapels and purchase of missionary equipment.

Children's Day and Rally Day.—Children's Day occupies an important place in the life of our Sabbath-schools, and it is becoming more generally observed year by year. Last year about 5,700 orders were received for Children's Day supplies, and more than 750,000 programmes and supplements were distributed. Rally Day is not so widely observed. About 2,000 Sabbath-schools ordered the Board's Rally Day programmes, over 300,000 copies being shipped. The total amount received from Sabbath-schools during the year, largely as the result of the observance of these special days, is $92,408.51.

Foreign Colporteur Work.—The Board's colporteur work continues to meet with the approval of Presbyteries in which it is being carried on. In this phase of our missionary operations 30 colporteurs have been engaged, working among Bohemians, Hungarians, Italians, Lithuanians, Poles, Russians, Roumanians, Ruthenians, Slovaks and others.

These colporteurs have visited, during the year, 41,775 families, distributed 9,125 religious books and 95,630 pages of tracts; besides 2,072 Bibles, Testa-

ments and portions of Scripture in at least twenty different languages. The total sales of these workers amounted to $1,246.02.

FOREIGN PERIODICALS.—Our weekly papers in foreign languages are a most effective means of evangelization. More than one million copies were distributed last year. These papers are printed in the languages spoken by three-fifths of the immigrants coming to America.

Two weekly papers in the Bohemian language have been published during the year, one for adults, *Krestanske Listy* (*Christian Journal*) and *Besidka* (*Story Hour*), a popular four-page weekly for children. Bohemian ministers tell us that these papers are rendering helpful service in developing a spirit of unity and cohesion in missionary work among the Protestant Bohemians.

The Ruthenian weekly paper, *Sojuz* (*Union*), is the only publication in that language devoted exclusively to promoting the Protestant cause among the Ruthenian people.

Our Magyar weekly paper, *Reformatusok Lapja* (*Reformed Sentinel*), is being received with increasing favor among the Hungarian Protestants. It is the official organ of the Hungarian Beneficial Societies.

The Italian weekly paper, *L'Araldo* (*The Herald*), is doing excellent work.

The work among Polish people has been encouraged by the use of the Polish bi-weekly paper entitled *Slowa Zywota* (*Words of Life*), published by the United Presbyterian Board of Publication.

In addition to conducting the Italian weekly paper, the Editor maintains a depository for the best religious literature in the Italian language. This is patronized by Italian pastors and missionaries of all denominations.

The demand for our Bible Picture Cards containing the Sabbath-school lesson story, which are printed in six different languages, is constantly increasing. We are now printing 16,000 sets each quarter, or more than 800,000 cards per year. Many of these cards are sold for use in Sabbath-schools attended by foreigners, and in mission stations in Cuba, Porto Rico, Mexico, South America and the Philippines, besides being used effectively by our colporteurs as an introduction to their message.

FINANCIAL.—Again we are privileged to report an increase in contributions, the amount received exceeding that of any previous year in the Board's history. The total of contributions received is $192,707.92, an increase of $3,343.84 over the total for last year.

While there has been an increase of nearly $70,000 in contributions during the past ten years, and an increase of nearly $80,000 in annual expenditures during that period, the cost of administration has shown but a slight increase. For the past four years the amount charged to this item has remained stationary, being less than $9,500 annually, an average of 4.03 per cent. of the total expenditures. The appropriation of profit from the Business Department amounting last year to $25,974.79, covers this entire expense, and leaves a substantial sum to be added to the contributions of churches, Sabbath-schools and individuals for field work. The total amount expended directly upon the field during the year was $186,451.15.

EDUCATIONAL WORK.—All the work done by the Editorial and Missionary Departments of the Board, and much of its other work, is essentially educational. The Sabbath-school missionary, in organizing and sustaining a little frontier school, is opening the educational door in religious things for the handful of pupils thus gathered; and some of the strongest men and women in the Church to-day have thus been found and started on their course of Christian training. The visits of the missionaries to these fields, accompanied in many cases by the holding of institutes, extend and improve this educational process. In its annual conferences the Board seeks to increase the efficiency of the missionaries for this service, through lectures and addresses by the Educational Superintendent of Sabbath School Work and others.

Teacher Training.—The Teacher-training classes enrolled with the Educational Superintendents, and at the Board's headquarters in Philadelphia, number 415. These classes contain 3,779 students, some of whom are pursuing the Advanced Course. During the year 467 teacher-training students were graduated and diplomas were awarded.

III. YOUNG PEOPLE'S WORK.

For seven years the department of Young People's Work has endeavored to meet the responsibility of inspiring, training, organizing and guiding the youth of the Presbyterian Church along all lines of Christian activity connected with organizations for young people, with increasing satisfaction upon the part of its constituency. It occupies an important place in the Church's programme of religious education. The scope of this work is constantly widening.

As a fresh impulse to more vigorous work, it is suggested to all Young People's societies that a Special Rally Day Service be held in the fall of each year. Programmes and literature for such a service are prepared and issued. The General Assembly has set aside the first Sunday in February for a special service. It is known as Young People's Day. This affords an opportunity to present not only the work of the Young People's organizations in each church, but the larger work being done in the interests of Young People's societies in general. A programme with suggestions for observing the day and other related literature are prepared and furnished by the Department.

"Study Classes 1914 for Young People's Societies" has been carefully prepared to help answer the questions that naturally arise in planning educational work within the society. The leaflet suggests subjects adapted to meet the special needs of the society or study group, recommends text-books available on the chosen subject, and "helps" available for leaders who desire general and special preparation for educational leadership.

IV. EDITORIAL DEPARTMENT.

Intermediate and Senior Lessons.—On October 1, 1913, there were introduced into many of our Sunday-schools Graded Lessons prepared by our own writers, and produced entirely under the direction of the Presbyterian Board of Publication. The lessons available at that time were those of the second and fourth year of the Intermediate Course and the second year of the Senior Course. On October 1, 1914, the lessons for the first and third years of the Intermediate Course and the third year of the Senior Course will be available.

Beginners, Primary and Junior Lessons.—Gratifying progress has been made in the effort to arrange new lessons for the Beginners, Primary and Junior departments. Following the instructions of the Assembly, the Board sought the coöperation of the representatives of the Presbyterian and Reformed Churches in the preparation of the new lessons. It was proposed to them that the new series of lessons should differ from the former series in that they should be on a Biblical basis, distinctly evangelical, suited to departments rather than years, and issued periodically. These suggestions were cordially received.

Subsequently, in November, 1913, representatives of the Presbyterian and Reformed Churches met in the Witherspoon Building and discussed a modified series of lesson outlines, based on the present series of International Graded Lesson outlines.

When the plan for the new departmental series of lessons became known, Sunday-school workers in other Churches realized that the new lessons would meet a need that was apparent in the Sunday-schools of all denominations. Request was therefore made by representatives of several Churches that our plans be held in abeyance until the annual meeting of the Sunday-school Council of Evangelical Denominations, in the hope that the publishing houses represented in this national body might unite in the preparation of a series of outlines especially adapted to departmental use.

At the meeting of the Sunday-school Council, held in Chicago in January, 1914, it was decided to postpone action on the request for outlines for departmental lesson treatment until after a conference with the Executive Committee of the International Sunday-school Association. This was held in the Witherspoon Building, April 21, 1914. Following this meeting, it was determined by the Board to proceed at once to the preparation of the new lessons, in order that these may be offered to the schools for use January 1, 1915.

V. BUSINESS DEPARTMENT.

During the year the Business Department has availed itself, to the utmost, of such opportunities as have presented themselves for a permanent growth of the business. This necessarily resulted in expenditures taken from the current income and charged against such income, but which should properly be regarded as investments which, it is believed, will yield large return in the future. It is gratifying to report, notwithstanding, that the revenues available from the Witherspoon Building and invested legacies have materially increased, so that, with the profits available from the business of the year, as a result of the work of the year, the amount turned over to the Sabbath-school and Missionary Department of the Board as its share will be, in the aggregate, $38,540.04.

Reduction in Prices.—One important factor that has had its effect upon this year's business is the reduction in the prices of the Graded Lesson material now being supplied to our schools. This was in fulfilment of a promise to the schools that, when the original investment involved in the production of these lessons had been paid for, the Church would reap the benefit by a reduction in the price of the material. This promise has been kept, but not without effect upon the financial condition of the Business Department.

Cincinnati Depository.—During the year, arrangements were completed whereby the Board was enabled to take over the assets of The Western Tract Society of Cincinnati and establish a new depository in that city. For over fifty years The Western Tract Society had represented the Board and supplied that section of the Church lying contiguous to Cincinnati with its publications. The original purpose for which the Tract Society was founded having been served, and the work now being done by its becoming more and more allied with the Presbyterian Church, it was thought best to embody itself entirely with it by turning over the assets to the Board of Publication. This resulted in an outlay of capital on the part of the Board during the past year that will be recovered as soon as the new depository is well under way and in satisfactory running order.

Sales.—Notwithstanding conditions generally adverse to increased business, the business of the Board has progressed and it reports to the Assembly a larger volume of sales than ever before in its history. The sales of books and church and Sunday-school supplies for the year amount to $396,061.54, an increase of $29,518.70 over those of last year. These include not only the publications of the Board, but those of other firms as well. The sales of the Periodical Lesson Helps and Illustrated Papers amount to $572,019.26, an apparent falling off of $2,433.30 from last year's figures. The decrease in price mentioned above, however, accounts for this deficiency, and the actual volume of business transacted was really in excess of last year. The total sales for the year, therefore, aggregate $988,080.80, a total increase of business of $27,089.40.

The work of placing the publications of the Board on the market is performed by means of the main store and headquarters in Philadelphia, the seven depositories in New York, Chicago, Cincinnati, Nashville, St. Louis, San Francisco and Portland, and five other houses that are more or less closely related to the work of the Board.

The Hymnal (Revised).—The success of the Revised Hymnal continues, and during the year 246 churches have adopted it, making a total of 598 introductions since its publication. The many other collections in the market have little effect on our sales, the loyalty of our people combining with the excellence

of our book to secure its choice by most Presbyterian congregations desiring a new hymn-book; so that our sales average about 100 copies for each working day since publication, and the total number of copies sold approximates 90,000.

Abstract of the Forty-fourth Annual Report.

The Board of the Church Erection Fund takes pleasure in presenting to the General Assembly its Forty-fourth Annual Report. The work of the past year has been a work of distinctive progress, in which we heartily rejoice.

Following the meeting of the last General Assembly, the Board promptly and loyally undertook the task of putting into operation the constructive and progressive policy inaugurated by the Assembly. The initiative of this policy was undertaken by the Board, under the direction of Rev. Ford C. Ottman, D.D., who was elected to the Secretaryship until a permanent Secretary could be secured.

The Board and the General Assembly have unanimously and heartily expressed their appreciation of Dr. Ottman's services.

The present Secretary also desires to bear testimony to the kindness and courtesy of Dr. Ottman, and to express his thanks for the valuable suggestions and assistance given him by Dr. Ottman, while he was familiarizing himself with the details of the work of the Board.

The Board has begun an active campaign to assist in securing a manse for every Presbyterian minister. We are convinced that more effective service will be rendered by young ministers who have the courage to face the privations of pioneer life or who are called to labor in difficult fields, if they can be provided with a comfortable and attractive home in which to live.

During the past year, under the direction of our efficient Field Secretary, Rev. Jesse C. Bruce, D.D., there has been put into operation a plan for recovering, as far as possible, grants made in former years to churches when they were weak and in need of such help as the Board could give, but that have now become strong, and are in a financial condition to return to the Board the amounts once granted.

Another active campaign has been started for the recovery of the Board's interest in churches that have been dissolved by Presbyteries. The tremendous pressure upon the office of administration has hitherto prevented the Board from making a forward movement in this direction. Presbyteries can render valuable services to the Board by giving direct and immediate information in regard to churches which have been dissolved, so that steps may be taken for the protection of the Board's interest. It is a needless expense to send out the Field Secretary for the purpose of selling these properties, when, as a rule, in every Presbytery some wise agent, the Synodical Missionary, for example, may be selected and appointed to transact such business in the Board's behalf.

It was the sentiment of the last General Assembly, and, so far as we are able to judge, we believe it to be the sentiment of the Church at large, that when churches secure loans from the Loan Fund, the repayment of which is guaranteed by personal bondsmen, such churches should expect the Board to call upon them in case of default of payment, either of principal or interest.

The Board is in entire accord with the will of the Assembly in all matters, and it is prepared to execute, to the best of its ability, the policy desired and formulated by the Church.

Since the meeting of the last Assembly notable changes have occurred in the membership of the Board. Among the retiring members were Mr. E. Francis Hyde, who served the Board for thirty-six years, and Dr. David R. Frazer, a member for over one-third of a century and for nearly twenty-five years the Board's honored and efficient Recording Secretary. Dr. Frazer was the last of the members to retire, and the Board gave expression to its appreciation of his long and faithful service by passing suitable resolutions and presenting to him a loving cup. The members who retired from the Board carried with them the esteem of the members remaining.

The Board of the Church Erection Fund may justly be called a National Board. Its field extends over the entire Church, and it is the earnest effort of the Board to carry into effect the principle enunciated by the last Assembly, that no section of the country be favored at the expense of any other section, and that in making grants, the Board, all other things being equal, give perference to the weaker churches and less costly buildings. An examination of the work done by your Board during the past year will show that every section of the country has been fairly treated.

The Funds.

1. *The Permanent Fund.*—This Fund was established in 1854, and, until 1870, was called "*The Church Erection Fund.*" It originally consisted of an endowment of $100,000. By successive additions, it has reached the sum of $2,702,561.81.

The interest derived from this Fund forms the larger part of the General Fund, from which all grants and loans without interest are made.

2. *The General Fund.*—This Fund is made up of the interest of the Permanent Fund, the contributions of churches and Sunday-schools, contributions of individuals, sales of the properties of defunct churches and appropriations returned by churches. It is the sole dependence of feeble churches needing grants and small loans without interest.

3. *Buell Fund.*—This Fund is derived from a bequest of $34,000 from the estate of Mrs. Electa K. Buell, of New York, for the aid of churches in our "Western States" and in communities where there is no other Presbyterian church. This Fund is now practically exhausted.

4. *The Van Meter Fund.*—This Fund consists of $6,000 from the estate of the Misses Van Meter, of New Jersey, the interest from which is to be used to aid church building within the bounds of the Presbytery of West Jersey, and is appropriated by that Presbytery.

5. *The Gilchrist Fund* consists of $10,000 derived from a bequest of Robert and John Gilchrist, of Boston, Mass. The interest, as it accrues, is to be used in aid of church building within the bounds of the Presbytery of Boston.

6. *The Stuart Fund* is a small supplemental fund to be used in exceptional cases which do not come under the rules of the Board. It is now practically exhausted.

7. *The Barber Fund.*—This Fund is held by the Trustees of the General Assembly. The apportionment of interest which falls to the Board of Church

Erection is used exclusively in aid of negro churches not under the care of the Board of Missions for Freedmen.

8. *The Sara A. Palmer Memorial Fund.*—The income from this invested fund is used under the rules of the General Fund in every respect.

9. *The Loan Fund.*—This Fund had its origin in 1891 and was founded by funds derived from the Stuart Estate. It amounted last year to $422,078.68. To this amount there was added by action of the last General Assembly $500,000 from the Kennedy Bequest, so that now the munificent sum of nearly $1,000,000 may be kept in constant circulation, principal and interest being amply safeguarded.

10. *The Manse Fund* had its origin with the late James R. Hills, and was endowed by Mrs. R. L. Stuart. From this Fund small loans without interest, and small grants in exceptional cases, are made to feeble churches erecting inexpensive manses. This Fund is all in use, but returnable in annual installments to the Board, to be loaned again as required.

11. *The Raynolds Fund* was endowed by the late General William F. Raynolds, of Detroit, Mich. From this Fund loans are made, at a low rate of interest, to churches building more expensive manses than those to which the former Fund applies.

12. *The Hoyt Fund.*—This is a small Fund derived from a bequest of the late Dr. Ezra Hoyt, a former member of this Board. It is used much as the Raynolds Fund, but for weaker churches and at a still lower rate of interest.

13. *Life Interest Funds.*—These Funds are available only after the death of the donors.

The work of the Board is thus divided into distinct departments. In order to a definite understanding, it is necessary to tabulate the resources by which the work is maintained.

NO APPEALS TO THE CHURCHES.—The Board of Church Erection has made no direct appeal to churches during the past year, but has relied for its income upon the regular contributions of the churches, many of which have adopted the Budget System and have put into use the Duplex Envelope as the best means of developing the benevolences of the Church. We express the hope that by this system a steady and larger stream of benevolences will flow into the treasury of the Board. Churches desiring contribution envelopes should make application to Mr. Adam Campbell, 156 Fifth Avenue, New York.

LITERATURE.—Persons desiring literature upon the subject of Church Erection or application blanks, should address the Secretary, David G. Wylie, 156 Fifth Avenue, New York.

The Board is in perfect harmony with the Church, and stands ready to carry out the will of the Church as expressed through the General Assembly. With proper enthusiasm and with the blessing of God, we confidently believe that a new era is about to dawn in the important and fundamental work of building houses for the worship of God and manses for His ministers.

VII. CUMBERLAND PRESBYTERIAN BOARD OF MISSIONS AND CHURCH ERECTION.

MEMBERS OF THE BOARD.

Terms expire 1915:

Rev. C. E. Hayes, D.D., of Arkansas, Rev. E. E. Morris, D.D., of Arkansas.

Terms expire 1916:

Mr. John C. Cobb, of Missouri, Mr. Isaac H. Orr, of Missouri,
Mr. W. J. Edwards, of Missouri.

* In comparing the number of appropriations with the number of churches still upon the roll which have been aided, it should be noted, as appears in the columns of payments, that about 5 per cent. do not call for their appropriations, that about the same number have received more than one appropriation, and that others from one cause or another are either dissolved or consolidated, the actual average increase in the number of churches upon the roll of the Assembly being about 65 per cent. of the number reported as organized. It is therefore probable that the number of churches now enrolled which have been assisted by the Board is not more than two-thirds of the total number of appropriations paid.

Terms expire 1917:

Mr. Thomas H. Cobbs, of Missouri, Rev. E. B. Surface, of Oklahoma.

Sixty-eighth Annual Report.

We submit herewith our Sixty-eighth Annual Report to the General Assembly, in session at Chicago, Ill., May, 1914.

The Board has chosen, subject to your approval, Mr. Thomas H. Cobbs, of St. Louis, Mo., and Rev. E. B. Surface, of Oklahoma City, Okla., to succeed themselves in office as corporate members until 1917.

The Board has confined its efforts entirely to collecting outstanding loans due the Church Erection Fund and settlement of some estates and the sale of some real estate properties.

The remaining Church Erection claims are in process of adjustment, as are also two small estates.

There remain uncollected loans at this time as follows:

Abstract of Second Annual Report.

Annuitants on the Roll.—The Relief Department has had upon its roll, for the year, the names of 1,403 persons. Of these, 734 were widows, 589 were ministers, 52 were orphan families, 25 were missionary women, 3 were commissioned lay missionaries. This is an increase of 93 over the previous year. Of the ministers, 248 are Honorably Retired. Their average age is 78 years, and their average service 49 years.

The Sustentation Department has on its roll 840 members and 36 beneficiaries; 152 members were added during the year, and 10 withdrew from the Fund.

Amounts Paid Beneficiaries.—The Relief Department paid to its beneficiaries, last year, $323,937.17, which is an increase of $15,771.85 over the previous year. The average appropriations were, to the Honor Roll men, $394.95; to all ministers, $313; and to all widows, $181.25.

Summary of Assets and Resources.—The total Assets and Resources of both Departments of the Board at the close of the fiscal year were as follows:

Relief Department:			
In Custody of Board	$2,074,783 84		
In Custody of Trustees of General Assembly	404,116 09		
		$2,478,899 93	
Cash in Hand, all Funds		85,671 81	
Merriam Home, Valuation		25,000 00	
Time Subscriptions, Unpaid		107,544 68	
Total Relief Department			$2,697,116 42
Sustentation Department:			
Invested Funds		$388,446 74	
Cash on Hand		7,682 43	
Time Subscriptions, Unpaid		283,394 69	
Total Sustentation Department			679,423 86
Grand Total, Relief and Sustentation Departments			$3,376,540 28

ENDOWMENT CAMPAIGNS.—In carrying out the instructions of the General Assembly to secure permanent Funds amounting to $10,000,000, the Board has resorted to the policy of holding Presbyterial Campaigns. The response to these campaigns has been hearty and generous, and similar campaigns are now arranged for the present fiscal year.

PUBLICITY.—The Publicity Policy has been continued, using almost exclusively our Church papers. The results of this publicity have been eminently satisfactory.

MINISTERS' MEMORIAL COTTAGE.—Under the sanction of the General Assembly, the initial steps have been taken toward the erection of a cottage at Albuquerque, New Mexico, for the care of ministers or members of their families who are affected with tuberculosis. The site has been secured and paid for, and more than $7,000 contributed to the building fund, by 2,186 ministers. It is expected that the entire amount of the $10,000 needed for the building will be provided from the same source.

NEW AUXILIARIES.—The Board is endeavoring to enlist the help of the Women's Aid Societies and the Sunday-schools for the Relief Department. Already a number of societies and schools have shown their interest by sending offerings.

BOX WORK.—Inasmuch as the Woman's Board of Home Missions has given up its Box Work in aid of Home Missionaries, the Relief Department of this Board expects to find a growing place for this special help.

SUSTENTATION.—The real genius of the Sustentation Department is that it enables every minister, by regular payments, according to his age at entrance, to provide, in part, for the day of his own disability or the dependence of his loved ones.

GROWTH OF SUSTENTATION DEPARTMENT.—The steady growth of the Sustentation Department is shown by the fact that for the current year the Board is able to pay three-fifths of the total annuity, instead of two-fifths, as reported last year.

Abstract of Forty-ninth Annual Report.

Once more, and for the fourteenth time, in annual succession, we have closed our fiscal year with more than enough funds on hand to meet all outstanding financial obligations.

During the last year the annual congregational collections from the churches amounted to $1,208.93 more than the year before.

The Sunday-schools increased their gifts to the Board by $2,165.66.

The Young People's Societies increased their gifts to the amount of $1,350.90.

And the Women's Societies went ahead of last year, to the amount of $5,298.12.

The receipts from miscellaneous sources, including mainly individual gifts and interest on invested funds, increased from $24,474.96 to $37,333.59, the largest increase from any one source.

The receipts from legacies, as compared with last year, were $9,970.16 less.

The number of churches that helped us in any one way was 6,318, an increase of 27 contributing churches.

The number of churches that helped us by congregational collections this year was 5,252, this being an increase of 53 over last year.

The number of Sunday-schools that contributed to the Board directly was 402, this being 31 more than the year before.

The number that gave through the Woman's Board was 879, an increase of 204—making a total increase of 235.

The number of Young People's Societies that contributed direct to the Board was 34, a decrease of 3, while the number contributing through the Woman's Board was 1,230, an increase of 148.

The total receipts from all sources for the year was $247,188.20, this being an increase of $13,459.62, as compared with last year.

The amount of money given to the work by the colored people on the field, as reported to us by the ministers, was $82,585.30. This included expenses for church building, repairs, contingent expenses and ministerial support.

The amount given by patrons and friends of our schools, as reported from the field, was $84,981.78. None of this money went through our treasury or is in any way included in our statement of receipts and expenditures for the year.

The colored people under our care gave to the work of the Freedmen's Board $978.68.

They gave to the other Boards of the Church $2,631.77.

Adding the amount raised on the field for church and school purposes to the amount given by these churches to the benevolent agencies of the Church, we have a sum total passing through the hands of our ministers, leaders and teachers, directly or indirectly, for their own good, in their own communities and for the good of others, in other parts of our land and other lands, amounting to $171,177.82. This is $21,500.70 more than they gave in this way last year.

Rev. J. L. Phelps, colored minister in charge of the Farm Homes scheme, near Keyesville, Ga., erected three new cottages on the land this year, and has collected from his tenants sufficient rent to yield a reasonable profit on the money invested. No one of the tenants has as yet begun to purchase his home, but some of them hope to begin next year.

Facilities for doing good work at Mary Potter School at Oxford, N. C., have been greatly improved by the erection of an Administration Building at a cost of $9,100 and the changing of the old Recitation Building into a Boys' Dormitory at an expense of $900.

The work at Albion Academy, at Franklinton, N. C., suffered temporary interruption by the burning of a Boys' Dormitory, known as Carolina Hall.

At Irmo, S. C., Harbison College came into the possession of thirty-six more acres of land, at a cost of $3,600, through the generosity of the Harbison Estate. Seventeen acres of this land will form part of the College Campus and the remainder will be divided into town lots of one acre each to such purchasers as are looking to the establishment of modest homes with sufficient land to provide for garden and pasture.

Rev. S. M. Davis, D.D., for fifteen years President of Barber Memorial Seminary, at Anniston, Ala., retired from active control of this institution, and by action of the Board assumed the title of President Emeritus, and Rev. Robert L. Alter, of North Washington, Pa., was elected President in his stead.

At Mary Allen Seminary, Crockett, Tex., a small frame building was enlarged for the better accommodation of the music department at a cost of $780. Better sewerage provided at a cost of $380, and the third floor of the new MacMillan Hall was completed at a cost of $800.

The second story of the Teachers' House in connection with our school at Cordele, Ga., was finished at a cost of $300.

Various sums were appropriated towards church buildings by way of repairing, enlarging or building anew, at Asheville, N. C., Heath Springs, S. C., Arkadelphia, Ark., Brooklyn Church, Charlotte, N. C., Dalton, Ga., Hope, Ark., Lithonia, Ga., Valliant, Okla., Lima, Okla., Monticello, Ark., and Dandridge, Tenn.

Aid was given toward manses at Ridgeway, Va., Carthage, N. C., Grant, Okla., Rock Hill, S. C., Conyers, Ga., and Greensboro, N. C.

During last year two small fires occurred, hardly worth mentioning, and three others entailed considerable loss—the Boys' Dormitory at Albion Academy, Franklinton, N. C., and the Boys' Dormitory and two days later a Teacher's Cottage at Brainerd Institute, Chester, S. C. There is no reason to believe that any of these fires was the work of an incendiary and we are thankful to say that no lives were lost. The buildings were insured.

The Board during the year added to our list of co-educational schools an institution situated at Brunswick, Ga., and known as Selden Institute. Forty-seven acres have been recently added to the belongings of the school and $8,500 have been placed in our hands with which to erect a new building that will serve for school and dormitory purposes. When the new building is finished

and all the other properties owned by the school are turned over to our Board we will have in our possession a new plant for doing good, consisting of about one hundred acres of land with buildings worth not less than $20,000.

An additional evangelist has been placed in the field, and during this year the churches of our four synods received 2,024 new members on examination and profession of their faith in Christ.

On January 18th, Rev. Henry D. Lindsay, D.D., who had been a useful and faithful member of our Board for twenty-one years, quietly and peacefully entered into that rest that remaineth for the people of God.

Dr. Lindsay, like several other members of the Board, was by birth a Southerner, and brought in youth into contact with slavery and its effects, and his personal experience, added to that obtained elsewhere, enriched his views and gave his counsel and advice greater value. His natural kindness of heart, intensified by his Christian character, made him sympathetic with every true effort to uplift the neglected, to defend the oppressed and to assist the lowly and friendless.

On behalf of the Board,

E. P. COWAN, *Corresponding Secretary and Treasurer.*

ABSTRACT OF THE THIRTY-FIRST ANNUAL REPORT.

The secretarial force has been increased, in accordance with the Assembly's directions, aggressive work has been undertaken along the lines of publicity and extension, an educational campaign designed to awaken greater interest in the Board's work has been carried forward.

EDUCATIONAL EFFORTS.—A campaign of education and publicity was planned for the fall Presbyteries. In this the Board of Education coöperated. A suggestive programme was prepared, speakers were secured, special leaflets distributed, and every effort made to concentrate the attention of the Church upon the cause of Christian education and the Christian college.

STEREOPTICON LECTURES were prepared and used constantly during the year on the work of our Presbyterian colleges.

EDUCATION WEEK.—A second educational method was the observance of Education Week. In this also the Board of Education coöperated. The week covered the period beginning with the first and ending with the second Sabbath of February, and was widely observed throughout the Church, sermons being preached on the ministry as a vocation and on Christian education and the Christian college and prayer being offered for students and educational institutions.

ENLISTING YOUNG PEOPLE.—The third new plan put into operation was designed to interest children and young people in the work committed to its care. It is proposed that the Sunday-schools of the Church be asked to make contributions for the maintenance of Bible chairs in Presbyterian colleges. The object in view is not merely nor mainly to secure additional gifts, but to give to the children of the Church true conceptions of the meaning and importance of Christian education, to acquaint them with our Presbyterian colleges and to encourage the desire to attend these institutions.

BIBLE DEPARTMENTS.—One of the tasks which is now engaging the attention of the Board is that of perfecting the departments of English Bible in our colleges.

In view of the facts and the recognized need, the Board believes that one of the most imperative demands of the Presbyterian educational world is to provide for each college an adequately endowed chair of English Bible, so that each college can secure a thoroughly equipped professor who shall teach the Scriptures and be the leader of the religious activities of the institution.

STANDARDIZATION.—The Board is at work, in coöperation with a committee of college presidents, locating all of our colleges with reference to the standard approved by the General Assembly, and encouraging the colleges to attain to that standard. As a result, eight of our colleges which were below the standard at the time of its adoption, in 1912, appear to have met its requirements during the past two years. Others would have been able to so do if the Church had provided sufficient funds, the failure, as a rule, being entirely due to an insufficient endowment.

ASSOCIATE SECRETARY.—In September, 1913, the Board called to its assistance the Rev. Calvin H. French, D.D., as a second Associate Secretary, for the extension work.

GIFTS.—From 5,742 churches have been received offerings aggregating $116,105.60. Last year the number of contributing churches was 5,366. *All* church collections received by the Board are paid out in appropriations to aid such colleges as are but poorly endowed to meet their current expenses. No part of church collections is used by the Board for its own expenses. Through the Board and from individuals directly the colleges received last year the splendid total of $1,094,457.18.

ABSTRACT OF THIRTY-THIRD ANNUAL REPORT.

This agency makes its Thirty-third Annual Report to the General Assembly. For thirty-two years it was a Permanent Committee, and as such made an honorable record of gratifying progress. But the action of the last Assembly in making it one of the regular Boards of the Church, both in the name and in the fact, has had a wholesome influence.

FINANCES.—The actual receipts for the year have been $38,121.49, which, added to the balance of $6,423.07 from last year, makes the assets of the year $44,244.56. The expense of the year, itemized in the Treasurer's report, was $35,300.17, leaving a balance of $8,944.39.

BEQUESTS.—In addition to bequests reported last year, the Board is advised of bequests of $17,317.62 from the late John M. Colton, and one of undesignated amount from Miss Anna Inskipp.

OUR REGULAR WORKERS.—Our regular workers include G. W. Wadsworth, D.D., Miss Marie C. Brehm, Rev. C. G. Miller, Ph.D., Rev. R. C. Westenberg, D.D., Rev. John Steele and Rev. John E. Fulton.

SPECIAL WORKERS.—In addition to the regular staff of lecturers, the Board has offered to pay the traveling expenses, up to a specified limit, of 250 Presbyterian ministers and elders living in the States which vote on prohibition this fall, who are to donate their services and make addresses in behalf of temperance.

A BUREAU OF INFORMATION.—The Board conducts fifteen different lines of work, which, taken together, comprise in reality a bureau of information, where any and all of our people may secure information, either general or special, upon request. Memorials, petitions and protests are sent to local, State and national civil authorities, as occasion may require, and our people are kept advised of the progress of measures in which they are interested.

THE BOARD EFFECTIVE.—Upon learning that a distilling company was seeking a concession from the Liberian government for the establishment of a

distillery to foster trade in alcoholic liquors in western Africa, the Board apprised the Department of State of the facts, and requested, if the way be clear, that the United States Government intimate to the Liberian government that such a concession would be undesirable. Two days later, we received advice that the Secretary of State had cabled the American minister at Monrovia to use his strong moral influence with the Liberian government to have the proposed concession denied. Warm letters of commendation, and expressions of appreciation of the large, liberal and effective service of the Board, were received during the year from representatives of nearly all churches and leading temperance organizations.

The Amethyst and Other Literature.—*The Amethyst*, the official organ of the Board, has a circulation of 140,000, an increase of 25,000 during the year. The literature of the year, furnished in twelve languages, exceeds 25,000,000 pages. Pledge cards, pledge rolls, programmes, music, recitations, suggestions and outlines have been furnished in large quantities.

A Temperance Library.—A library consisting of six volumes, comprising the leading up-to-date books on the various phases of the reform, has been furnished, for $5, to many colleges, schools and other institutions.

Prizes in Oratory.—As in former years, a prize of $25 in gold has been given to each of our theological seminaries and colleges for a Prohibition oratorical contest, on conditions stated in a circular which is furnished upon application.

One Hundred Colleges in Line.—Systematic study courses on the liquor problem have been conducted in more than 100 colleges and universities. In some of the institutions full credit is given for this course, the same as for other courses.

Journalism Responds.—Nearly 50 of the leading monthly magazines and more than 150 daily and weekly publications exclude all liquor advertisements, and the number is rapidly increasing.

The Indians.—Hon. Cato Sells, Commissioner of Indian Affairs, sent a letter to each of the 6,000 employees in the Indian service in which he said: "As a matter of good faith to our treaty relationships, to legislative enactments, to the Congress which appropriates $100,000 a year for the suppression of the liquor traffic among the Indians, we should do everything reasonable within our power to justify this appropriation and insure the best results obtainable. This accomplished, we have laid a substantial foundation for all of our work in solving the Indian problem and made a long step forward looking toward their equipment for the responsibilities of citizenship."

Consistency in the Navy.—Secretary Daniels, of the United States Navy, issued an order during the year, prohibiting the use of liquor by naval officers, as it had before been prohibited to the enlisted men. When the army is under the same rules as the navy, there will be less clamor for the return of the beer canteen, better discipline among the men and more confidence and respect on the part of the people.

A Notable Gathering.—The Fourteenth International Congress against Alcoholism, held in Milan, Italy, September 22 to 28, 1913, was attended by 1,097 delegates, representing thirty-two countries. The sentiment in favor of total abstinence and prohibition was pronounced and overwhelming. The Congress has accepted the invitation to meet in the United States in 1915. Mr. Scanlon, General Secretary of the Board, and Miss Brehm were appointed by the President as delegates to this Congress from the United States.

A Potent Power.—The Temperance Commission of the Federal Council of Churches of Christ in America was formally constituted at Washington, D. C., last December, with Rev. Rufus W. Miller, D.D., of the Reformed Church in the United States, as Chairman, and Charles Scanlon, of the Presbyterian Church, U. S. A., General Secretary. This Commission officially represents thirty denominations with 17,000,000 communicants.

How We Stand.—The total area of continental United States is 2,973,890 square miles, of which approximately 2,000,000 square miles have made the liquor traffic an outlaw. More than 46,000,000 of our people live under prohibition, including the nine Commonwealths which have State-wide prohibition, namely, Maine, Kansas, North Dakota, Oklahoma, Georgia, North Carolina, Mississippi, Tennessee and West Virginia. The per capita consumption of all kinds of alcoholic liquors in the United States for the past year was 22.68 gallons.

A Prohibition Amendment.—On December 10, 1913, a bill providing for an amendment to the Constitution of the United States, prohibiting the manufacture, importation, sale and transportation of alcoholic beverages, was introduced into both Houses of Congress. Our General Assembly had passed a resolution in favor of such an amendment, in 1911, and again in 1913, thus placing our Church in the lead of organizations making such a request.

The Task We Face.—Conditions are encouraging, but do not warrant over-confidence. A bare majority in either branch of each of the legislatures of thirteen States would prevent an amendment to the Constitution of the United States, while it would require a majority in both branches of each of the legislatures of thirty-six States to carry such an amendment. In other words, it would require seventy-two legislative units to enact such an amendment into law, but only thirteen to defeat it. There must be persistent, systematic fundamental education by all friendly agencies and people, in all ways and in all places. Only thus can we succeed.

Wasted Billions.—Reliable estimates place the cost of the liquor traffic in the United States, for 1913, at $2,455,639,634.

Second Annual Report.

In presenting its Second Annual Report, the Permanent Committee on Vacancy and Supply desires to express its genuine appreciation of the profound interest in its work manifested by the last General Assembly, the cordial support throughout the year of the Executive Commission, and the general spirit of sympathy and coöperation in evidence throughout the Church.

The year has been one of intense labor on the part of those directly responsible for the administration of the work of the Committee. In addition to numerous conferences and meetings of sub-committees throughout the year, one general meeting of the Committee, largely attended, was held in October, when careful consideration was given to the details of the work and definite policies approved, for realizing in a practical way the desires of the Church as expressed by the General Assembly.

Pursuant to the action of the last Assembly, for convenience and more particularly for economy, it was deemed wise for the present to continue the central office in Columbus, Ohio, and the Secretary was instructed by the Committee to secure larger and more suitable rooms with additional clerical help, for the proper administration of the very large and growing volume of business constantly coming to the Committee. The new offices of the Committee are located on the fifth floor of the Commercial Building, Columbus.

The Committee has now been actively operating for nearly eighteen months, although the Corresponding Secretary was not able to devote his full time to the work of Vacancy and Supply until December 1, 1913. Since the Committee started to organize its work there has continually come to it a volume of business far beyond its facilities for promptly handling the same. Some of this has at times been of a character only remotely related to the real purposes for which the Committee came into existence. Our experience indicates that there has been not a little misunderstanding as regards the real mission of this new Agency. Here and there it has apparently been regarded as having been constituted primarily to exercise the functions of an ordinary employment agency. The Committee has not so interpreted the provisions of the Overture which authorized its appointment, nor the action of the General Assembly in connection therewith. In the light of Constitutional Rule No. 4, and also of the several principles adopted by the Assembly of 1912, we have been inclined to interpret our mission as a Committee, as particularly falling under three heads:

(1) Supervision.—The Overture adopted by the Presbyteries in its opening sentence indicates the general purpose of this Committee to be "To supervise the supply of vacant pulpits and the service of unemployed ministers." The term here used is of course capable of many and widely varied interpretations. The Committee, however, has understood the word "supervise" in the light of the more specific provisions of the Overture, and particularly in view of the several principles adopted by the Assembly of 1912 for the guidance of this Committee. From these several declarations the Committee understands that the prime object of the General Assembly was to create an agency that should devote its attention to the one specific and difficult problem of vacancy and supply; that it should make careful examination of conditions as they exist throughout the Church; and that it should establish and maintain a central office which more and more should become a clearing house for all of the Presbyteries, and a centre from which assistance might at all times be rendered in accordance with the needs of any particular section of the Church.

From the very beginning the Committee has sought to discharge this function with fidelity and persistency. Repeated inquiries have been systematically made as to conditions in every section of the Church, and much important data closely related to the problem in hand has been collected. Attention as prompt as possible has been given to the many communications received from Presbyterial Committees, and in connection therewith we believe that a considerable service has been rendered.

(2) Information.—It is further provided by the Overture, making possible the appointment of this Committee, that one of its powers shall be "To conduct correspondence with Synods and Presbyteries and their committees, concerning unemployed ministers and vacant churches." In the principles adopted by the Assembly of 1912 it is stated that the Corresponding Secretary shall be "A depository and distributor of facts, both as to unemployed ministers and vacant churches, to whom both ministers and churches may apply, and by whom they may be put at once in correspondence with Presbyterial or Synodical Committees, or with other parties or bodies interested." Early in the year a system was outlined and fairly well organized for the securing of information such as might be desired either by men or churches. With the coöperation of

Presbyterial representatives it has been possible for the Committee to regularly secure the facts as to the vacancy situation in practically every section of the country. At least once each quarter, the Committee has undertaken to compile and issue a list of the vacant fields covering the entire Church with certain important items of information in regard to each.

During the year more than four hundred different ministers came to the Committee for needed assistance in locating. This fact and the added consideration that the number of men thus coming is steadily increasing is in itself a commentary on prevailing conditions, and an unanswerable argument in favor of definite and effective action. The men thus seeking assistance have regularly been kept informed as to possible openings in the territory preferred, and fully one-half of them have been able to locate, while a considerable number of others are under consideration by various fields. A number of men for reasons of health, either of themselves or their families, have during the year come to the Committee seeking help in finding more favorable locations, and wherever possible we have been glad to render assistance in shifting these ministers, sometimes long distances, in order that there might be secured the advantages of some health-restoring climate.

Responding to the many requests from churches and Presbyterial Committees for information as to available men, the Committee has so far as its limited facilities would permit, endeavored to render prompt and effective service. The number and diversified character of the Committee's correspondence throughout the past year clearly indicates that both ministers and churches have in the past strongly felt the need of some centre where unbiased and trustworthy information could be secured.

Early in the year 1913, the Committee made inquiry as to the actual needs throughout the entire Church and discovered that in order to properly supply the fields able to furnish at least a living support, the Presbyteries would, on the average, each require three additional pastors. A year later in January of 1914, a similar examination of conditions indicated that the needs of the average Presbytery were about twenty-five per cent. less than the year previous. Neither of these calculations included any of the fields unable to support men, but inasmuch as both dealt with the same phase of the situation and in each case the inquiry included about two hundred and twenty-five Presbyteries from which carefully prepared reports had been received, it would seem as if the general situation made considerable improvement during the year.

Incidentally it may be stated that from the very beginning of its work, the Committee has constantly been face to face with the problem of ministerial support. To one not familiar with actual conditions, it is easy to imagine that we are a denomination of large churches, most of which furnish a liberal support. It is true that we have a few large churches, but only a very few. The average Presbyterian church has a membership of 140, and a year ago of 9,940 churches in the home field a total of 6,134 of these had a membership of 100 or less, while more than one-third of the entire number of our churches in membership fell below 50. Without having accurately worked out the final figures, this Committee is safe in stating that less than ten per cent. of our churches furnish a support of $1500 or over, while it is equally certain that fully fifty per cent. of our ministers feel the need of such a support, and in consequence there is continued embarrassment. While there is a tendency with a considerable number of churches to increase the amount of pastoral support furnished, yet this inclination is far from being universal, and the increase is not nearly so rapid as is the growth of the feeling of need on the part of the average pastor and his family.

Of 490 vacant pastorates reported to us early in January, 1914, where full information was furnished, the average support offered was $1100, and sixty-three per cent. of these vacancies had manses. Among these vacant fields were 62 churches each furnishing a pastoral support of $1500 or over, the average for the 62 being $2350. By deducting these 62 from the whole number of vacancies, the remaining 428 offered an average annual support of $930. The average for the same class of vacancies about a year ago was just about $900. These figures in themselves are sufficient to indicate the need that the Presbyteries throughout the entire Church give careful consideration to the question of ministerial support.

(3) Adjustment.—Another power of the Committee, according to the Overture, is "To seek to adjust, in coöperation with Synodical and Presbyterial committees, the requirements of vacancy and supply by methods adequate to given conditions in any Synod or Presbytery." Furthermore, the Assembly of 1912, in specifying the duties of the Corresponding Secretary provided that he should "stimulate to organized and concerted action, so that at the earliest moment the plan in its essential features, shall be in operation in every Presbytery." In the light of these declarations of the General Assembly, and also in view of the general spirit prevalent throughout the Church, the Committee early reached the conclusion that what the Assembly intended and what the Church earnestly desires is, that this Committee discover some creditable solution for the vacancy and supply problem, formulate its conclusions into a plan that is definite and gives promise of being effective, and then seek to secure the operation of this plan in every Presbytery, and that "at the earliest moment."

With this commission from the General Assembly, the Committee has therefore undertaken to go immediately to the heart of the question at issue, and after a careful study of the whole situation it has prepared and submitted directly to the Presbyteries "A definite plan for handling vacancy and supply under the Presbyterian Form of Government," with the recommendation that each Presbytery carefully consider the same and adopt it as the Presbytery's own plan for dealing with the vacant-church situation. This vacancy problem is primarily a Presbyterial problem, and recognizing this fact the Committee has deemed it not only wise, but its incumbent duty, to undertake to practically carry out the spirit of the instructions given by the Assembly of 1912, and "seek to adjust the requirements of vacancy and supply," and "stimulate to organized and concerted action" so that at the earliest possible date a definite plan for handling vacancy and supply may be in operation in every Presbytery.

The plan recommended to the Presbyteries for consideration and adoption is couched in terms broad enough to meet the conditions of any section of the Church. It is distinctly a Presbyterian and a Presbyterial plan. The Committee might have come to the Assembly, as not a few have suggested, with a series of Overtures seeking to overturn present provisions of the Form of Government. This Committee, however, has abundant faith in genuine Presbyterianism as a system entirely capable of adaptation to the present needs of the Church and to the demands of the times in which we live. The Committee therefore deems it the part of wisdom to urge upon the Presbyteries the prompt adoption of a plan that will at once definitely put to the test the fundamental principles of our system, still remaining entirely ready to recommend changes in the system should experience prove the necessity for or the wisdom of such changes.

The widespread adoption by the Presbyteries of this plan recommended by the Committee will not only definitely provide for the proper care of the work in every Presbytery, but will immediately make possible the establishment of a genuine system of inter-presbyterial coöperation, the lack of which makes it certain that no proposals to relieve the present situation can have widespread or permanent success. In the Providence of God we have become a National Church, and the new conditions thus created call for a definite program for dealing with the problem of the vacant church and the unemployed minister. To fail at this point is to compromise the whole situation and sadly diminish the legitimate harvest that should annually result from the united efforts of a company of God's people, a million and a half strong.

In the judgment of this Committee there are few, if any, problems before our Church to-day more important or more far-reaching in effect, than the problem for the dealing with which this Committee has been called into existence by the Presbyteries and the General Assembly. The Committee has full confidence in the principles of the plan proposed to the Presbyteries as furnishing an approximate solution for this historic problem of vacancy and supply. How rapid the definite results of this or any other plan shall be realized must, under our Form of Government as it now exists, be determined by the Presbyteries themselves.

Recommendations.

(1) That, the General Assembly call the attention of the Presbyteries to the changed economic conditions in this country whereby in recent years the cost

of living has materially increased, and urge that the Presbyteries take definite steps to impress the churches with the duty of furnishing adequate support, to the end that ministers and their families may really be "free from worldly cares and avocations."

(2) That, the General Assembly approve the prompt efforts of the Permanent Committee on Vacancy and Supply in seeking to formulate and secure the operation in every Presbytery of a definite plan for dealing with the vacant-church situation.

(3) That, the General Assembly approve the principles of the plan recommended by its Permanent Committee on Vacancy and Supply to the Presbyteries, as being adapted to the correction of abuses that have become all too prevalent within the bounds of our Church, and commends this plan as worthy of consideration and adoption by each Presbytery.

(4) That following the action of the Assembly of last year, the expenses of the Permanent Committee be included in the Assembly's Budget.

(5) That the following members of the Committee whose two-year term expires with this Assembly be elected for the full term of three years, namely, Rev. Drs. John Timothy Stone and William L. McEwan, with Ruling Elders Robert S. Sinclair and Benjamin F. Edwards.

GEORGE N. LUCCOCK, *Chairman.*

VACANCY AND SUPPLY.

The Proposed Plan.

(Recommended for adoption by the Presbytery.)

There shall be a Permanent Committee on Vacancy and Supply composed of three members who shall be elected by the Presbytery for terms of three years each, except that in the initial election one member shall be chosen for a term of three years; one member for a term of two years; and one member for a term of one year.

"Every Presbytery shall arrange for the supply of the vacant pulpits within its bounds, either by direct action at a meeting or through a committee." Form of Government, Chap. 21, Sec. 2.

"Each Presbytery, it is recommended, should appoint a Committee, under the provisions of the Form of Government, Chap. 21, to have supervision of all vacant churches within its bounds, etc. The term of service of this Committee should be not less than three years." Action of General Assembly, 1912.

TIME OF ELECTION.

After the inauguration of the Plan, the election of members of this Committee shall annually be the fixed order of business for the hour of 10.30 A.M. on Tuesday of the regular spring meeting of Presbytery (or other definitely appointed hour), except that in case of the removal or resignation of a member of the Committee, Presbytery may take immediate steps to fill the vacancy thus created by electing a member to serve for the unexpired term.

MANNER OF ELECTION.

Nominations shall be made only by ballot, each member of Presbytery voting for three persons regarded by him as specially fitted for membership on this Committee, and the six persons who on this initial ballot receive the highest number of votes (if so many receive votes), shall by the Moderator be declared to have been duly placed in nomination by the direct vote of the Presbytery.

Election shall be by ballot. On the first electing ballot the nominee who receives the highest number of votes, providing that he has received a majority of all votes cast, shall be declared elected a member of the Committee to serve for three years. In like manner the nominee receiving the second highest number of votes shall be declared elected for two years, and the nominee receiving the third highest number of votes shall be declared elected for one year.

However, should it be found that any one of these three persons failed to receive a majority of all votes cast, then the name of the nominee who on the same ballot received the lowest number of votes shall be dropped and a second ballot taken, and this course shall be followed until three persons are duly elected.

Vacancies in the membership of the Committee shall be filled in the same manner. On the initial ballot each member of Presbytery shall vote his choice of persons to fill the vacancies on the Committee, and from those receiving the highest number of votes the Moderator shall declare duly nominated a number of persons equal to twice the number to be elected (if so many receive votes), and no ballot shall at any time be counted which does not contain a number of names equal to the number of members of the Committee to be elected at that particular time.

ELECTION OF CHAIRMAN.

From the members of the Committee thus chosen, Presbytery shall without nominations and by ballot elect one person to serve as Chairman of the Committee for a period of one year, or until the next spring meeting of Presbytery. If after the vote is taken it shall be found that no member of the Committee received a majority of all votes cast, then the name of the member receiving the lowest number of votes shall be dropped from further consideration in connection with the Chairmanship and another ballot taken. A Chairman shall be regularly elected at each spring meeting of Presbytery.

DUTY OF CHURCH SESSIONS.

Whenever the Session of any church in the Presbytery shall have knowledge that a vacancy in the pastorate of that church is soon to occur, it shall be the duty of the Session to promptly convey this information to the Chairman of the Presbyterial Committee on Vacancy and Supply, and the Committee shall take immediate steps to adequately provide for the supply of the pulpit, and the proper care of the work of the church when it shall have become vacant. (See also Article 5 of the following section.)

STATUS OF THE VACANT CHURCH.

Any church of the Presbytery becoming vacant shall by virtue of that vacancy be under the care and direction of the Committee on Vacancy and Supply of the Presbytery.

(1) The Committee on Vacancy and Supply shall nominate to Presbytery a minister to serve as Moderator of the Session of the church during its period of vacancy.

(2) It shall be the duty of the Committee on Vacancy and Supply to see that the pulpit is properly supplied until a pastor is chosen, and remuneration of such supply shall be at a rate approved by the said Committee.

(3) If the Presbyterial Committee does not have knowledge of a suitable minister who is available for immediate consideration for the pastorate, then the Committee shall promptly report this fact to the office of the Permanent Committee on Vacancy and Supply of the General Assembly in order to secure therefrom information as to men located elsewhere, who may be available and adapted to the needs of the vacant field.

(4) All correspondence in regard to the vacant churches of the Presbytery shall go to the Presbyterial Committee on Vacancy and Supply which Committee shall make all appointments of ministers to preach in the vacant pulpits of the Presbytery, whether as temporary supplies or as being under consideration for pastorates.

(5) Each vacant church shall at all times have the right, through its Session or Committee regularly appointed, to be heard before the Committee on Vacancy and Supply in regard to any matter related either to the temporary supply of its pulpit or to the location of a pastor, and suggestions or recommendations thus presented by the church shall always be given first consideration by the Committee.

(6) The Presbyterial Committee shall seek to avoid all "candidating" in the sense of putting one minister against another in competition for a vacant church. When a minister apparently suited to the needs of the field has been

appointed to visit and preach before the congregation, he shall be regarded as the only man then under definite consideration by the vacant church. The Committee may arrange for him to return and fill the pulpit on additional Sabbaths, but when heard as often as the situation seems to demand, the matter shall then promptly be disposed of by the congregation, either by the issue of a call, or if there is not sufficient unanimity to make this advisable, then by definite elimination.

DUTIES OF THE CHAIRMAN.

In addition to the duties ordinarily attached to this office and those growing out of the foregoing provisions, the Chairman of the Presbyterial Committee shall render service as follows:

(1) He shall promptly report vacancy conditions in the Presbytery to the office of the Permanent Committee on Vacancy and Supply of the General Assembly, these reports to be of such character and furnished at such intervals as the Assembly's Committee may desire.

(2) He shall report fully on the work of the Committee at each regular meeting of the Presbytery, and at such other times as Presbytery may determine.

EXPENSES.

Presbytery shall provide for the ordinary expenses incurred by this Committee, by annually including in its financial budget an amount equal to the estimated expense of the Committee in the proper prosecution of its work.

AMENDMENTS AND SUSPENSIONS.

This Plan may be amended by a two-thirds vote of the members of Presbytery enrolled at any regular meeting, said amendment having been proposed in writing at a previous regular meeting.

The operation of this Plan or any part of it may in any specific case be suspended only by the vote of two-thirds of the members of Presbytery enrolled at a regular meeting.

GENERAL ASSEMBLY APPROVAL.

The above Report was approved in general by the Assembly in session at Chicago, Ill., May, 1914, and also the principles of the plan. The action taken is recorded in the Assembly's Minutes.

It is with profound gratitude to God for His blessing upon the evangelistic work of the Church, and upon the efforts of your Committee during the past year, that we present this Report.

The last General Assembly gave the Committee a new standing in the Church and a larger opportunity, at the beginning of its thirteenth year of service, by constituting it the Assembly's Permanent Committee on Evangelism. The churches have since shown, by their more general coöperation with the Committee, that they were quick to discern in this action a new expression of the Assembly's conviction that a true evangelistic spirit and a vigorous evangelistic work is vitally necessary to their life and growth, and it is the Committee's judgment, based upon careful observation, that in no single year for a decade have our churches been engaged in a more earnest and widespread evangelistic work than that which this Report reviews.

The results herein recorded could not have been obtained without the cordial coöperation of the members of the Committee, and of many devoted men who have freely given their time and energy to its meetings, institutes and conferences, and to the arduous college campaigns. Their names are not recorded here because they have not labored for the praise of men, but for the saving of men, through our beloved Church, for the glory of God.

Immediately following the action of the Assembly, the Committee reorganized as instructed by appointing its members in groups of six, for one year, two years and three years.

Three successive meetings of the Committee were held in Atlanta, Ga., and later a meeting was held in New York City for the purpose of outlining its program in accordance with the instructions of the General Assembly. These instructions were in effect that the Committee continue the policy approved by the previous Assembly, which is summarized as follows: that the Committee

shall by direct coöperation with churches, Presbyteries and Synods encourage and help them to undertake and maintain their own evangelistic work rather than that it should itself act as an administrative evangelistic agency.

The definite instructions of the Assembly, under which the year's work has been carried on, are as follows:

(1) "To call upon all pastors and elders not only to give themselves wholeheartedly to the work of evangelism, but to exercise such care in their oversight of the churches as to check the present appalling loss to the Church through the lapse of its members."

(2) "To give all possible assistance to the Evangelistic Committees of Presbyteries and Synods in their present effort to develop a more effective supervision of the evangelistic work of the churches in their fields."

(3) "To extend the work of college visitation so as to insure a longer stay at each college on the part of the representatives of the Committee and the Board of Education than has heretofore been possible, in order that this work may go more deeply into the spiritual life of the colleges."

(4) "To take part with other denominations in every practical evangelistic undertaking which may commend itself to the Committee, and particularly to coöperate with the Evangelistic Commission of the Federal Council."

I. Office and Correspondence.—The Committee notes that there has been an increased volume of correspondence growing out of inquiries from churches, Presbyteries and Synods concerning their evangelistic work. In regard to this correspondence the Committee observes:

(1) That the inquiries received during the year from pastors and churches reveal a greater depth of interest, and a larger degree of activity in the work of evangelism than has been apparent in recent years. Information concerning methods of pastoral evangelistic work and literature on evangelism have been eagerly sought. This leads your Committee to express the earnest hope that by an arrangement with the Board of Publication, or in some other way, there shall be made available to the Church at large, at a low price, a literature on evangelism which will be both inspirational and instructive, and that this may take the place of the service formerly rendered by the Committee in its free distribution of evangelistic leaflets. Requests from churches for evangelistic help, which came direct to the office of the Committee, and those which have been reported by Presbyterial Committees, have been so numerous as to demand the services of almost every pastor in the Church who is known to possess evangelistic gifts; while the men who have given themselves wholly to the work of evangelism report more calls for their services during the past year than they have received in any year during the past five years.

(2) A cordial correspondence has been maintained with evangelistic and other committees of Presbyteries and Synods during the year, the volume of which has increased as a result of their increased activity. This correspondence has dealt with inquiries from these committees concerning their work, with requests from them for the coöperation of the Assembly's Committee, and with the discussion of the details of the work carried on by them during the year. In fact, much of the work recorded in this Report has grown out of this correspondence and of the literature distributed in connection therewith.

(3) The Committee gathers from its correspondence and contact with the evangelistic leaders of other denominations that the attitude of our Assembly towards evangelism, as indicated by its consistent maintenance of an Evangelistic Committee, has strongly influenced them. Numerous inquiries concerning the evangelistic work of our Church, and congratulatory messages with reference to the Assembly's establishment of the Committee on a permanent basis, came to us from these leaders shortly after the meeting of the last Assembly. At the first general meeting of the Evangelistic Commission of the Federal Council, which was attended by representatives from twenty-one denominations, it was frequently stated by them that the steadfast advocacy of evangelism by our Church has been a constant source of encouragement to them in the prosecution of their work. The Committee's pamphlets have been in demand by other denominations, and quite recently the Chairman of the Evangelistic Committee of one of them asked for the privilege of republishing them for use in their work, stating in connection with this request that the continued endorsement of evangelism by our General Assembly, and the con-

structive nature of the Assembly's evangelistic propaganda through its Committee had exerted a marked influence upon their own body.

II. Institutes and Conferences.—The definite object of your Committee in its institute and conference work has been to encourage our pastors and churches to undertake and to maintain an aggressive evangelistic work. The following paragraphs record the steps which the Committee has taken in this direction.

Thirty-three institutes and conferences were conducted by the Assembly's Committee during the year within the bounds of the Synods of New England, New York, New Jersey, Baltimore, Pennsylvania, Ohio, Tennessee, Missouri, Wisconsin, Montana, North Dakota, South Dakota, Colorado, Oklahoma and Washington.

The series of Evangelistic Institutes have formed one of the most practical and inspiring features of the work of the Committee. They have not been miscellaneous gatherings, but genuine schools of instruction for the benefit of men whom the Synods and Presbyteries have chosen to be their leaders in the work of evangelism. The institutes have been held in convenient centres. The entertainment expenses of the delegates and all expenses connected with the programs have been met by the Assembly's Committee. The teachers have been experienced and successful pastors. From fifteen to forty Presbyteries have been represented in each institute, and the attendance at these gatherings has ranged from fifty to one hundred and fifty. The programs have been developed with great care, and from one to two days have been spent in each instance in a close and careful study of those forms of Presbyterial and pastoral evangelism which were best suited to the fields represented.

During the past three years these institutes have enabled the Evangelistic Committees of Presbyteries and Synods, in all sections of the Church except on the Pacific coast, to come together for conference, and it is the purpose of the Committee to include this part of the Church in its plans for the coming year.

Men who have attended these institutes are continually sending messages of appreciation. The Committee feels that the following heartfelt and earnest paragraphs in a letter from the local chairman of the Evangelistic Institute recently held in Kansas City, Mo., will not be out of place in this Report, because his letter illustrates the present attitude and feeling of men in many sections of the Church with reference to this department of the Committee's work.

"The Evangelistic Institute in Kansas City, attended by representatives of the Presbyteries in the Synods of Missouri and Kansas, was, in the judgment of the ministers and elders participating, one of the most practically spiritual sessions ever held in this city. I use the words 'practically spiritual' with a view to bringing out the thought of the men who have spoken to me of the help which the institute brought to them. They said that they had attended meetings which were deeply spiritual but void of practical help and suggestion for the pastor's actual task, and that they had attended meetings which offered many suggestions but were void of spiritual uplift. The institute was different from any of these in that it had the double value of giving both suggestion and inspiration. I count this a ministry of rare accomplishment. We can never forget the insight given to us, especially by one of your speakers, when he opened up for us his own life and church work in such a way that for the time we were praying with him, working with him, and seeing with him the program of a great Church in action. I am sure that every man left that meeting with a new passion for souls and new help for his definite work. May I add that even as I write word comes to me from all over the Presbytery that the churches are hard at their evangelistic work and happy in results attained. That tells the story of the meaning of the institute to us."

Stimulated by the work of the Assembly's Committee, at least one hundred and fourteen conferences on Evangelism have been arranged for and conducted during the year by Presbyterial Committees. The character of these conferences leads your Committee to point out the following significant facts in connection with them:

(1) They were not merely inspirational gatherings, but they aimed to secure and in fact did secure in many instances, such coöperative action on the part of Presbyteries that all the churches in their bounds were helped to do a more efficient evangelistic work.

(2) The leaders of these conferences were ready to devote the time necessary to the many details connected with the arrangement of programs, the securing of speakers and the issuing of announcements.

(3) The responsibility placed upon the Conference leaders led them in turn to make a careful examination of the whole problem of evangelistic need and work of the churches in their Presbyteries, that they might be prepared to present intelligently the topics assigned to them.

(4) It is significant that these Presbyteries were led to set apart on their dockets periods of time ranging from one hour to an entire day for the consideration of evangelism.

(5) By this presentation, the vital importance of the Church's evangelistic work was impressed upon the ministers and elders in all these Presbyteries, and a steadying hand was placed upon some men, at least, at a time when they were in great confusion and uncertainty concerning the real mission of the Church.

(6) Following the suggestion of the Assembly's Committee, the Presbyterial committees arranged in various ways to communicate the impressions of these conferences at once to the local churches. In some instances the Presbyterial conferences were immediately followed by district conferences, calculated to reach all the churches. In other instances, the committees, by a plan of deputation work, arranged to visit every church in their fields and thus to challenge pastors, elders and people to a new evangelistic activity. In other instances elders' associations were formed, and earnest men among the eldership offered themselves for service to assist pastors in their evangelistic work; perhaps the most conspicuous instance of this form of work being that of the Elders' Association of the Presbytery of Philadelphia North.

We cannot compare the news columns of our Church papers during the past year with those of three or four years ago without coming to the conclusion that in no previous year in the recent history of our Church has there been more practical discussion and advocacy of evangelism than that which has been carried on in connection with these conferences, or a more perfect concert of action on the part of pastors and churches in carrying on their evangelistic work.

III. College Evangelism.—In order to make the work in the colleges more definite and effective, your Committee and the Board of Education formed a Joint Committee for the conduct of evangelistic and vocational work in Presbyterian colleges, and on November 1st this Joint Committee engaged the Rev. William H. Crothers as Secretary for College Work. The success of the college work during the past year is due in a large measure to his faithful and painstaking preparations.

The Committee has been engaged in the work of college evangelism for seven years. For four years of this period the work has been carried on in coöperation with the Board of Education. Out of the experience of these years has come abundant evidence of the need and opportunity for evangelism in the colleges. Forty of our experienced pastors, aided by the Secretaries of the Committee and the Board of Education, have carried on this work during the winter in forty-seven institutions.

According to the present plan, it is designed to have a representative visit each one of our Presbyterian colleges every year, if possible, and in addition to this annual visitation to arrange for the conduct of an intensive evangelistic and vocational campaign in each of the colleges at least once in four years.

Besides the vocational meetings and conferences with students, which will be reported to the Assembly by the Board of Education, two hundred and seventy-five evangelistic meetings were held, and were attended by practically the entire student body of the institutions visited. These meetings represent merely the focal points of the campaign, for practically every hour of each day, and sometimes many hours of the night during the period of visitation, were spent either in personal interviews, or in intense and searching conferences with small groups of students.

We recognize that figures are of little use in reporting spiritual results, yet it cannot but be significant of a great triumph for Christ that during these visits more than five hundred students made a definite confession of their faith in Him and gave every evidence of a work of grace in their lives. But what figures cannot portray is the spiritual revolution which took place in the lives of many nominally Christian students who, although they were registered as

members of the Church, had nevertheless fallen into dark and deadly practices, and were in reality as much in need of the Gospel as any of the students who were not professed Christians. Evidences of the change brought about in the institutions and in the lives of these students are indicated in the reports received from many of the colleges.

Your Committee questions whether any American college has in this generation undergone a more profound change in this respect than did Lafayette College, for example, during the last week in January. Definite prayer had been offered daily for this institution for more than a year. Thirty of the students entered into a covenant of prayer some weeks before the meetings began. Letters were sent to the parents of Presbyterian students, asking them to pray for the meetings and urging them to acquaint their sons with their earnest desire that through this effort a blessing should come to them and to the college. As a result of this preparation, the way was opened for eight successive days of ministry of the Word of God in searching messages to the students, and God, fulfilling His promises, poured out a greater blessing than the faith of the workers had anticipated. Religion became the one subject of discussion on the campus. Voluntary group prayer-meetings were held at the beginning of each day, and sometimes as late as midnight, students were still engaged in prayer, discussion, or Christian testimony. All of these meetings were marked by a frank and open confession of sin and by earnest entreaty for victory over sin through the power of God.

Stories of similar intensity and interest from other institutions could be told if there was space for them in this Report. But the best story of all comes in the repeated assertions that the colleges themselves are vastly different in their atmosphere as a result of these evangelistic efforts. Perhaps none were made happier by this year's work in the colleges than the visiting representatives themselves, and the earnest Christian presidents and professors whom the Church has made responsible for the education of her youth. These men have seen in this annual visitation the greatest encouragement and ground of hope for the spiritual welfare of students which has come to the colleges from the Church in many years.

One of the oldest and best-beloved professors in Lafayette College declares:

"This Week of Prayer has been a week of power with us. Usually at this annual season a few Christian students have been quickened in spiritual life, and possibly a few others brought to serious thought, but this week there has been such an outpouring of the Spirit of God that the whole college has felt the touch of power and throngs of students have definitely yielded to it."

The President of Maryville College writes:

"Maryville College expresses her gratitude to the Assembly's Committee on Evangelism for sending its representative to us during our recent meetings. God gave him all hearts and blessed his services with Pentecostal power. Nearly sixty professed conversion while more than two hundred renewed their vows to God. There was a great revival of conscience and of the spirit of brotherly service among the students. May all our colleges have similar visitations of human helpfulness and divine blessing."

The President of Emporia College writes:

"In answer to our prayers God sent us a really deep and abiding blessing. The meetings were marked by quiet thoroughness, intense earnestness, prayer, and the moving of the Spirit. Both faculty and students coöperated to make the services a success. A number of strong personalities among the students, who had not been Christians, were won to Jesus Christ, and many who had been shallow Christians were awakened to a new faith and vision of service. The faculty were unanimous and enthusiastic over the ideal methods pursued by the visitors. The good work still goes on and several students who did not respond during the meetings have been lined up since."

The student-pastor at Wooster University writes:

"The evangelistic work in the University of Wooster was of utmost value. All the members of the faculty and students were enthusiastic over it. The work was sane and constructive. Christian students were brought to much heart-searching and contrition. About four hundred students in our meetings responded to a very high ideal and strong covenant in Christian devotion and

service. The change to a really pure and consecrated life will be life long in very many cases."

The President of Hastings College writes:

"At the beginning of the campaign we had sixteen students who were not professing Christians. To-day we have only eight such, and one-half of these are in our Academy and are young. The entire basket-ball team are now Christian men. The captain of the basket-ball team, the representative of the college in the oratorical contest, with others—in all six young men and two young women—declared themselves for Christ. The whole college is richly blessed. Older members of the faculty here tell me that we have never had such meetings within their memory."

The following paragraphs taken from reports of three of our visitors, who are honored and successful pastors of the Church, indicate the strenuous nature of the work called for by the college campaigns.

"I spent thirty-three hours of actual work in individual conferences, and had seventy-six interviews of not less than twenty minutes each. I spoke twenty-eight times, and nineteen of these addresses were given before the entire school. They worked me so hard that I was nearly dead when I left, but I want to commend the Board of Education and the Evangelistic Committee for this program. It is a great plan for keeping the colleges in line with the policies and genius of the Church at large. It is a great thing for developing the educational ideals, both of the school and of the students on one side, and their spiritual ideals on the other. It was a great week for me, and I feel that I received more from it than I put in it. I hope this work will be continued."

"I find myself somewhat exhausted this morning. There is good reason for it, for within the week I have delivered twenty-one addresses to the students. Nevertheless, I rejoice in the results. In order to register decisions, a loose-leaf book was provided and left in the lobby of the main building, in front of the chapel doors. In it a pledge was written: 'We, the undersigned, hereby renew our covenant vows with Jesus Christ and pledge ourselves to a life of service under His guidance.' All who would dedicate their lives or renew their vows were asked to enlist by enrollment. When I left on Saturday morning one hundred and forty had signed the book."

"It is a great pleasure to give the report of the work among the Kiskiminetas Springs School students. Strong emphasis was laid upon personal interviews and the stream of boys coming to see me grew each day. Nearly all of the one hundred and fifty boys came in or were brought in by other students. These interviews gave an opportunity of getting close to the boys, and the evening talks were largely built up to meet their needs as brought out during the day. The total number of boys who came out directly and made a stand before the student body was just forty. Many of them were leaders in the social, athletic and literary life of the school.

IV. World-wide Work.—The sub-committee on Coöperation with other Presbyterian and Reformed Churches reports as directed to the Assembly. The Chairman of this sub-committee is the Rev. William H. Roberts, D.D., the Stated Clerk of the Assembly. The work of this sub-committee has been continued during the past year through the Chapman-Alexander Mission in Scotland. This mission, under the blessing of God, has been most successful.

The meetings held in Glasgow, beginning in October, 1913, stirred the whole city, resulted in a great awakening among Christians, and also in the recorded conversion of over eight thousand persons. After the close of the Glasgow meetings in December, 1913, Dr. Chapman took a brief season of rest, and then in January, 1914, began a mission in Edinburgh, which it was the privilege of the chairman of this sub-committee to attend on January 16, the opening day. At the afternoon gathering, in the small hall of the General Assembly of the United Free Church of Scotland, some four hundred ministers—representing all the denominations in Edinburgh and vicinity—united in a service of welcome to Dr. Chapman and Mr. Alexander. The meeting was presided over by Principal Whyte, of New College, one of the outstanding leaders of the United Free Church of Scotland. In the evening of the same day the ministers and

officers of all the churches in Edinburgh met the evangelists in the large hall of the United Free Church General Assembly. This hall has a capacity of 2,500 and was crowded to the limit. The meeting was presided over by the Rev. George Wilson, D.D., the senior pastor of the Church of Scotland in Edinburgh. It was the privilege of the Chairman, as representing the Assembly's Committee, to address briefly both meetings.

The city of Edinburgh has also been moved spiritually beyond that accomplished by any mission or meetings during the past forty years. Indeed, Principal Whyte, and Dr. John Robertson, the chairman of the Committee on Christian Life and Work of the Church of Scotland, say that there is no record of such a spiritual awakening since the days of George Whitefield. The number of persons confessing conversion in Edinburgh is in excess of ten thousand. At the urgent request of the Glasgow Committee of Management, Dr. Chapman returned to the city for a three weeks' closing mission during March and April. The meetings connected with this second visit were characterized by greater success than those previously held. It is with the greatest pleasure that the success given by God to these missions is reported.

Requests have come from leaders of the two great Churches of Scotland—the Established and the United Free Churches—for the return of Dr. Chapman to that country in the autumn of this year. The letters indicate that all Scotland has been stirred by the evangelistic spirit, and give expression to the hope that a yet greater evangelistic movement in Scotland may not only result increasingly to the spiritual benefit of the Scottish people, but may spread throughout Europe and the world. Several of the letters give expression to the feeling "that it is good to let the members of the Presbyterian Church in America know that they have placed the old lands under the deepest obligation."

It will be of further interest to the Assembly to know that a conference on Evangelistic Work was held in Aberdeen, Scotland, in connection with the Tenth Council of the Alliance of the Reformed Churches throughout the World holding the Presbyterian System, in June, 1913. The conference was attended by representatives of most of the Churches in the Council.

It is proper that attention should be drawn to the fact that the Executive Committee of the Federal Council of the Churches of Christ in America, at its meeting in Baltimore, Md., December, 1913, received and approved the report of the Commission on Evangelism, the Chairman being the Rev. William H. Roberts, D.D., and the Secretary the Rev. William E. Biederwolf, D.D. The Executive Committee of the Commission is composed of fifteen persons, who are representatives of different denominations. The representative of the Presbyterian Church in the U. S. A. is the Rev. George Gordon Mahy, D.D.

The general situation among the Presbyterian and Reformed Churches, both in Europe, America and Australia, is very encouraging as to the prevalence in them of the evangelistic spirit. The masses of men, it is said, were never more sensitive to religious influences than at present, and leaders in many of the churches declare that the one thing above all others needed is united prayer for the outpouring of God's Spirit upon the nations.

V. FINANCE.—The Committee is happy to report, as in former years, that its expenses for the year have been met without difficulty. Contributions from individuals, members of the Committee and others who have been in close touch with its work have been sufficient to meet the entire office and secretarial expenses, while the churches have evidenced their approval of the Committee's work by increasing the amount of their gifts to its budget. In fact, each year, for the past three years, the contributions from the churches have been more than doubled and it is to be noted that these gifts from the churches have been accompanied by the most cordial expressions of appreciation and approval on the part of the Sessions.

The Executive Commission, at its meeting in Atlantic City, September 24, 1913, commenting upon the action of the last Assembly, issued the following statement for presentation to the Churches:

"The Executive Commission calls the attention of the Church at large to the fact that the 125th General Assembly changed the status of its Committee on Evangelistic Work and gave it a new relation to the Church by the following action:

"(1) It constituted the Committee as the Permanent Committee on Evangelism.

"(2) It ordered a new column inserted in the statistical return of the annual report of benevolences to be headed 'Evangelistic Work.'

"(3) It passed a resolution calling upon all the churches to coöperate to the fullest possible extent with the work of the Committee, and to extend it their spiritual and financial support.

"In order to fulfill the instructions of the General Assembly to 'present to the whole Church the challenge of the Assembly to a more persistent and efficient pastoral and presbyterial evangelism,' and 'to present to the students of our Presbyterian colleges the evangelistic message,' the Assembly's Committee on Evangelism must have for the current year not less than $15,000, and the Executive Commission calls upon Sessions and churches to make needed provision for this important work, in accordance with the action of the Assembly as to Agencies of the Assembly other than the Boards.

Attest: "WM. H. ROBERTS, *Secretary.*"

The Committee feels that the action of the last Assembly, thus referred to by the Executive Commission, if reaffirmed by this Assembly, is a sufficient action to enable it not only to meet its present needs, but also gradually to extend its work from year to year in accordance with the policy approved by the last two Assemblies and recommended in this Report, being fully assured that, in so far as it continues to furnish definite assistance to the churches in their evangelistic problems and work, it may rely upon them for a willing and generous support.

The Committee recognizes that this action does not place it upon the budget in the same way that the Boards are placed upon the budget, but that it does give the Committee a definite standing with the churches, and at the same time gives the churches an opportunity to report to the Assembly with equal definiteness the amount of their contributions to its work.

ABRAHAM R. PERKINS, *Treasurer.*

The following recommendations are submitted for adoption:

Resolved, I. That, as the terms of service of the following members of the Committee expire with this Assembly, viz.: Rev. E. B. Cobb, D.D., Rev. John R. Davies, D.D., Rev. Stephen S. Estey, D.D., Mr. Ralph W. Harbison,

Mr. J. H. Jefferis and Mr. Andrew Stevenson, the Moderator be authorized to appoint six members—three ministers and three elders—for the ensuing term of three years.

Resolved, II. That the Committee be given the following instructions:

(1) To continue its institute and conference work in Presbyteries and Synods and its coöperation with Presbyterial and Synodical committees responsible for the supervision of evangelistic work in their fields.

(2) To continue its correspondence with pastors and churches concerning their evangelistic work, and to secure, by arrangement with the Board of Publication and Sabbath School Work or in some other way, the publication at a low cost of a new series of evangelistic leaflets.

(3) To continue the promotion and direction of evangelistic work in Presbyterian colleges, and to carry on this work in connection with the vocational campaigns conducted by the Board of Education.

(4) To coöperate with the Committee on Christian Life and Work in making a general inquiry concerning the practice of the churches in placing members on the suspended roll, and in preparing for the consideration of Presbyteries a statement on this matter, accompanied by recommendations concerning methods of coöperative effort designed to improve present conditions.

(5) To coöperate with the Evangelistic Commission of the Federal Council of the Churches, and with the evangelistic committees of other denominations in all undertakings which may commend themselves to the Committee.

Resolved, III. That the Assembly rejoices in the activity of Presbyterial evangelistic committees and workers during the past year, urges the Presbyteries to continue the policy recommended by previous Assemblies, of maintaining and strengthening Standing Committees on Evangelism, and calls upon Presbyteries and Synods to coöperate with the Assembly's Committee in its institute, conference and other forms of work.

Resolved, IV. That the Assembly notes with approval the cordial support given by the churches to the Permanent Committee on Evangelism, as evidenced by their hearty coöperation with its program of work and the increased number of churches which are placing the Committee on their benevolent lists, and urges the churches to continue to give the Committee their support and coöperation.

Resolved, V. That the Assembly invites the faculty and student bodies of all our Presbyterian colleges to coöperate, in every way possible, with the Permanent Committee on Evangelism and the Board of Education in their joint program of college evangelism, and enlistment of students for Christian service.

Resolved, VI. That the Assembly rejoices in the hearty coöperation of our churches with other churches in great revival movements during the year, in the blessing which has come to them as a result of these movements, and in the evidence that the Holy Spirit has blessed the labors of the earnest and faithful evangelists who have been the chosen leaders in these efforts.

Resolved, VII. That the Assembly rejoices to learn of the success of Dr. Chapman in Scotland, cordially recommends him and his co-laborers to the churches in Scotland, and invokes upon their work the continuance of the awakening and regenerating influences of the Holy Spirit.

Resolved, VIII. That the Committee be authorized to reappoint its subcommittee on Coöperation with other Presbyterian and Reformed Churches in order to keep in touch with their work, particularly with the work that may be carried on among them under the leadership of the Rev. J. Wilbur Chapman, D.D., for so many years the Committee's honored secretary, and that the Committee be authorized to appoint the Rev. J. Wilbur Chapman, D.D., as representative at large.

Resolved, IX. That the Moderator and Stated Clerk of the Assembly be *ex-officio* members of the Committee, and that the Committee be authorized to appoint special representatives to coöperate with it in its work throughout the Church.

Respectfully submitted,

CHARLES L. HUSTON, *Chairman;*
GEORGE GORDON MAHY, *Corresponding Secretary.*

Term expires in 1916:

Term expires in 1917:

The Brotherhood is endeavoring to meet the most urgent need in the Church, viz., the consecration of the men to, and their engagement in service for, the world through the Church. The great program of the Church can never be carried out in any adequate way until we engage the men in it. The statement is current that only about ten per cent. of the men of the Church are actively interested in its work. The Assembly's Committee undertakes to reduce the ninety per cent.

We had last year the "Every-Member Canvass." It bore fruit because there was a great need and because it was heartily supported by the various agencies of the churches. The next logical step is the "Every Man At Work" canvass. Your Committee has adopted this slogan, "Every Man At Work," and appeals to the Church to propagate it with the same zeal and system that it gave last year to the Every-Member Canvass.

The Church must have not only men's money, but especially men's time, wisdom and business ability. As the Macedonians first gave their own selves to the Lord and to the Church, so will the men do now.

1. Means to Promote the "Every Man At Work" Propaganda.

1. A national convention of Presbyterian men. The Brotherhood of Ohio Synod has called for it. The definite purpose of the convention to be—the presentation of tried methods, the discussion of real problems, and the quiet, spiritual, business-like conference.

2. The use of Synodical and Presbyterial meetings, and

committees; a place in their dockets; pre-Synodical and district conferences, to which would be brought picked men, who would become leaders in Synods, Presbyteries and local churches. The plan that is proposed for Synodical organizations in the Ohio Synod is commended, viz., a Brotherhood Committee, to consist of a representative from each Presbytery, this Committee to elect its own officers and executive committee.

3. Literature.—

(1) The larger circulation of "Men At Work."
(2) More use of the Church papers.
(3) Provision of leaflets.
(*a*) On the relation of the Assembly's Committee to the Assembly, and to the Synods, Presbyteries and local churches.
(*b*) Leadership in local Brotherhoods.
(*c*) The responsibility of pastors and Sessions in developing men's work in their own churches.
(*d*) Other literature, as needed.

2. Preventing Needless Multiplication of Men's Religious, Philanthropic and Fraternal Organizations.

This will be done by employing men definitely and continuously in the work of the Church, thus concentrating their activities and fellowship in it. There are too many organizations that have little or no relation to the Church, which consume men's interest. We can show them a better way. If we do not, Christian organizations will spring up outside of the Church or men will go to non-Christian organizations for fellowship and work. Men's organizations in Great Britain are loosely attached to the Church because the Church did not provide for men's fellowship and work. If the Church neglects these interests that are craved by the men, other organizations will spring up to meet them. There is no such opportunity for men's fraternity and service as the Church offers. Men are religious and the great interests of life are religious. Christ's whole rich full life flows into the fellowship of Christian men. Their joy is thus made full. By His power they do even greater things than He did in His earthly ministry. Much experience proves that men rally to this Christian alliance and work.

3. An Administrative Agency.

The Assembly's Brotherhood Committee is administrative, and not another agency for which columns in the General Assembly's Reports will be asked. It competes with no

established agencies, but aims to aid them. It is administrative, and not benevolent. It is to induce the men to work through channels already provided. Such organization as is used, is necessary that men may stimulate one another, thus securing and developing the group stimulus and applying it to the Church. In this function the Committee co-operates with pastors, Sessions, committees, members of Boards, etc.

4. The Work of the Secretaries.

Since the last meeting of the Assembly, Dr. Henderson's work has been the addressing of Synods, Presbyteries, numerous conventions and local Brotherhoods. He has arranged and directed conferences in Summer Bible Schools at Winona Lake, Ind., and Hollister, Mo. Much of his time has been given to the Budget. Through personal appeals and correspondence he has received from thirty-four individuals, $3,003, and from sixteen churches, $151. He has conducted an extensive correspondence with Brotherhood men, particularly Synodical and Presbyterial chairmen, and has given much time to the affiliating of organizations with the Assembly's Committee.

Dr. Fox has given most of his time to Chicago Presbytery. In twenty-eight churches he has done definite work in aiding existing organizations, and in twenty-four other churches men's organizations have been effected. The time given to these churches varied from one day to two weeks. Dr. Fox has been in charge of the office, conducted a large general correspondence, given valuable assistance to the Strangers' Bureau, and made numerous addresses at Synods and conferences outside of Chicago. In Chicago Presbytery, an all-day conference for men was conducted and two series of noon-day luncheons, which were attended by an average of 150 men, at which addresses were made by the Assembly's Moderator and other leaders in the Church. Schools of Methods were held in three sections of the city.

5. The Brotherhood of the Body of Christ.

No greater objective can ever be presented to the Church than the building, for fellowship and service, of a true Christian Brotherhood. The Church is the Body of Christ. Christ wants the men of the Church for His own dwelling place. If a true Christian Brotherhood is provided for Him, He will dwell in it, and through it will accomplish all the work for which the men of the Church are responsible. They are to be the body and He the head, in the work by men for the

world. There is no organization of men comparable to this Christian organization, with its vital union with Christ the Head. This means Divine wisdom, Divine energy and power in the service of men for the world. It is the best available way for energizing the lifeless members and adding multitudes to the Church.

The above statement shows, in general, the financial condition of the General Assembly from year to year for twenty-nine Assemblies. The management which began with 1884 resulted in such economies that a surplus was accumulated, which enabled the Assembly to meet in Portland, Ore., in 1892, and Los Angeles, Cal., in 1903, without calling for additional funds from the Presbyteries, and also to reduce the apportionments from 1896 to 1905. The interest earned during the period amounted to $35,452.33.

WILLIAM H. ROBERTS, *Stated Clerk.*

* The Assembly year is in each case that of the year first given, *i.e.*, the Assembly year 1902–1903 is the year including the expenses of the Assembly meeting in 1902. The Assembly year ended about April 30 until 1909 and now ends March 31.

‡ Includes loans of $19,500.

The Trustees of the General Assembly of the Presbyterian Church in the U. S. A., in accordance with the ninth section of its Charter, respectfully report to the General Assembly the state of the accounts of the Corporation for the year ending March 31, 1914.

These accounts are herewith presented and made part of this Report, and consist of the Treasurer's annual account of the principal and income, showing the receipts and disbursements of both funds and the balance of cash on hand at the end of the fiscal year, together with the investment of the principal.

These accounts are accompanied by the Report of the Committee of the Board on Finance, with the usual certificate of this Committee, and the report of the Committee on Accounts as to the conditions of the finances and the investment of the Funds as shown by the account, and the audit of the Treasurer's account. The certificate of Vollum, Fernley, Vollum & Rorer, certified public accountants, as to the examination of the accounts, cash and securities of the Corporation, is also appended.

The disposition of the income received upon the various trusts appears in the Treasurer's accounts.

During the year the Corporation has received but one legacy, amounting to $2,908.45, upon which $1,658.45 has been paid, final distribution not having yet been made, all of which will be found in the account of the receipts for the year in the principal account.

The Trustees are now administering the following trusts:

Princeton Theological Seminary:		
"	29 Scholarships	$46,575 83
"	4 Professorships	34,284 60
"	Permanent Fund	10,661 80
"	Students' Fund	10,794 10
		$102,316 33
36 Miscellaneous Funds		989,531 64
Total		$1,091,847 97

As many of the Miscellaneous Funds are subdivided, the actual number of beneficiaries is in reality fifty-six.

The funds in the hands of the Trustees are invested as follows:

97 separate loans on real estate, secured by first mortgage	$588,975 00
1 ground rent	700 00
41 separate investments in securities	479,684 71
Real estate devised to Trustees	8,750 00
Real estate bought under foreclosure, carried on books at (appraised value $9,100)	9,016 83
Advances made to secure bequests	700 58
Balance uninvested	4,020 85
Total	$1,091,847 97

The figures in the column marked Assessed Amount in the values placed upon real estate upon which mortgages are held are those of the *official* assessment of the properties. Those in the column marked Appraised Amount are the valuation of the expert appraiser of The Philadelphia Trust, Safe Deposit and Insurance Company, Treasurer of the Board.

The average net income for the year on the investments was about 4.60%.

The Trustees are restricted in their investments to the highest class of securities.

The entire expense of administering the various trusts was $2,563.95. This includes the salaries of the Treasurer and Secretary, the compensation of the Solicitor, certified public accountants, the bookkeeping, and all other expenses of every kind.

In addition to acting as Treasurer, The Philadelphia Trust Company supplies to the Board, free of charge, a safe in its burglar-proof vaults under two separate sets of keys, for the safekeeping of the securities, and also provides storage facilities for the large number of title papers, insurance policies, etc., that accompany the mortgages, and also allowed $965.43 interest on current balances in their hands.

The indemnity bond of the Treasurer for $25,000 has been renewed for another year.

Application has been made to the Trustees by the Presbytery of Ewing, Ill., asking that the proceeds of the sale of the forty acres of land in Decker Township, Richland County, Ill., devised by the will of Edwin Hedrick, be expended in Home Mission work under the direction of the Home Mission Committee of the Presbytery of Ewing. There has also been furnished what purports to be the consent and petition of the heirs of the testator, that the proceeds from this bequest be used in that locality, and that the title be transferred to the Home Mission Committee of Ewing Presbytery of Ewing, Ill., to be used by said Committee.

This devise, as above indicated, is to the "General Assembly of the Presbyterian Church, U. S. A." "My Executor to report to the Moderator of the General Assembly."

In the opinion of the Trustees, the above application should first be referred to the General Assembly for decision and action by that body, and is hereby so referred.

The attention of the General Assembly is called to the following matter:

Henry B. Palethorp died in Philadelphia, May 20, 1913, and letters testamentary upon his estate were granted to the Provident Life and Trust Company of Philadelphia, by the Register of Wills of Philadelphia County on May 23, 1913.

A paragraph of the will is as follows:

"*Sixth:* I give and bequeath unto the General Assembly of the Presbyterian Church, seventy-five thousand dollars for the purpose of erecting a church on such lot of ground on such portion of Palethorp Street in the City of Philadelphia as they may purchase out of said fund or otherwise acquire for that purpose, to be called 'The Palethorp Memorial Presbyterian Church of the City of Philadelphia.'"

There is doubt in the minds of the Trustees of the General Assembly as to their power to accept a bequest for the purpose of *erecting* a church in the city of Philadelphia, as set forth in the paragraph above referred to; and, on motion, it was resolved that this subject be referred to the General Assembly of the Presbyterian Church in the United States of America, soon to assemble in the city of Chicago, Ill., for advice and instructions to the Trustees as to their power and duty in this matter.

Rev. Benjamin L. Agnew, D.D., LL.D., Corresponding Secretary and for twenty-six years a member of the Board, has resigned.

The following laymen, members of the Board, have died during the year:

John Milton Colton, Warner VanNorden,
Hon. James A. Beaver.

It will be necessary for the General Assembly to elect four others to fill the vacancies.

GEORGE STEVENSON, *President.*
E. R. STERRETT, *Recording Secretary.*

The undersigned, in accordance with the direction of the General Assembly of 1899, have caused the securities, bonds and mortgages, and other evidences of property belonging to the Trustees of the General Assembly of the Presbyterian Church in the United States of America, as set forth in the foregoing statement of the Treasurer, to be examined by Messrs. Vollum, Fernley, Vollum & Rorer, certified public accountants, whose certificate hereto annexed shows that the same are in proper order, and amounting at their cost value in the aggregate, at the close of the fiscal year, March 31, 1914, to one million, eighty-seven thousand, eight hundred and twenty-seven and $\frac{1}{100}$ dollars, adding to which four thousand, twenty and $\frac{85}{100}$ dollars, cash balance of principal for investment, makes total permanent fund on hand at close of fiscal year, as shown on books, one million, ninety-one thousand, eight hundred and forty-seven and $\frac{97}{100}$ dollars.

All the securities are deposited in the vaults of The Philadelphia Trust, Safe Deposit and Insurance Company, Philadelphia, and are all registered in the name of the corporation, with the exception of ten thousand (10,000) dollars Cincinnati, Indianapolis, St. Louis and Chicago Railway Company General 4's and twenty thousand (20,000) dollars Chicago and Eastern Illinois Railroad Company General Consolidated and First Mortgage 5's, which are coupon bonds, with no provision for registration.

Part of the securities mentioned in said statement were specifically bequeathed to the corporation.

The Committee further reports that all investments have been made and are maintained in carefully selected high-class securities strictly within the category and classes prescribed by Article IV of the By-Laws. All real estate

securities are based upon values of the specific properties not exceeding an average of sixty per cent. thereof as ascertained by both official assessment and appraisement of competent experts, and all of highest class, and, while under the exceptional monetary and financial conditions just now existent the present market price of some of the securities, other than mortgages, may be somewhat less than their cost price, their real value is, in the judgment of the Committee, not diminished; the interest and income therefrom being regularly paid and none are in default.

V. Miscellaneous.

I. THE MILEAGE AND CONTINGENT FUNDS.

Special attention is called to the *Mileage and Contingent System* adopted by the General Assembly of 1870, and amended by the General Assemblies of 1875, 1877, 1884 and 1896. As amended, it is as follows:

"The Committee to whom it was referred to consider and report a uniform system of Mileage, whereby full provision may be made for the traveling expenses of the Commissioners to our General Assemblies, and to meet the contingent expenses of each Assembly, respectfully report:

"It is affirmed, *Form of Government*, Chapter xxii, Section 3, that, 'in order, as far as possible, to procure a respectable and full delegation to all our judicatories, it is proper that the expenses of ministers and elders, in their attendance on these judicatories, be defrayed by the bodies which they respectively represent.'

"The principle is thus established, that provision should be made for the payment of the traveling expenses of Commissioners to the General Assembly. This provision should be made by the Presbyteries. As far as possible, the feebler Presbyteries should be aided in this matter by the stronger. It appears just and reasonable, and so has been found by experience, that the estimated contingent expenses of each Assembly, and the traveling expenses of the Commissioners in coming to and returning from the Assembly, should be fully met by the apportionment of the whole amount among the several Presbyteries, according to the number of their communicants respectively.

"It is therefore recommended—

"1. That the Standing Committee on Mileage, annually appointed, be instructed to present an estimate of the probable amount that will be needed by the next General Assembly, in order to meet their contingent expenses and the traveling expenses of their Commissioners, with a statement of the *per capita* rate, based on the number of communicants, that will be needed to secure the amount.

"2. That the Presbyteries, at their Stated Meeting next following the adjournment of the General Assembly, apportion the amount required of their churches as they deem best.

"3. That the churches be instructed to pay over their respective apportionments at the Stated Meeting of their Presbyteries next preceding the meeting of the General Assembly—the whole amount due from the Presbytery to be forwarded to the Assembly.*

"4. That, as early as the fourth day of the sessions of the Assembly, the apportionment of each Presbytery be paid in full, and a bill of the necessary traveling expenses of its Commissioners be presented to the Standing Committee on Mileage. N.B.—It is understood that Commissioners, both in coming to and returning from the Assembly, will avail themselves of any commutation of fares that may be offered in season; and that in other cases they are to take, when practicable, the most economical route; no allowance to be made for extra accommodations on the way. Also, that Commissioners asking compensation for sleeping car fare attach receipts to their claims for Mileage for all sleeping car fares. Also, that no one will charge for return expenses unless he intends to go back to his field of labor; and that no one on a business tour, or excursion of pleasure, will make a convenience of the meeting of the Assembly and expect payment of his traveling expenses from the Mileage Fund. Also, that Commissioners, as soon after their arrival as practicable, are to report themselves to the Committee of Arrangements, and have their respective places of abode assigned them.

* See also Sec. 8, p. 448[55].

"5. That the Mileage Committee, after appropriating from the whole sum an amount sufficient to meet the estimated contingent expenses of the Assembly, be instructed to audit these bills, and that the Stated Clerk pay them *pro rata* (if found in accordance with the preceding regulations), as far as the funds will permit.

"6. That, in order to avail themselves of the proceeds of this fund, the Presbyteries must contribute their full proportion to it according to the *per capita* rate.

"7. That every Minister, and every vacant church contributing to this fund, connected with the Presbyteries thus complying with the provisions of this plan, be entitled to a copy of the Annual Minutes of the General Assembly.

"8. That the Commissioners from Presbyteries in foreign lands receive their necessary traveling expenses, *pro rata*, from and to their place of residence in this country."

In accordance with this system, every Presbytery is requested to pay in full, next year, to the Stated Clerk of the General Assembly, a sum equal to *three cents* for Mileage, and *three cents* for Contingent Expenses, or in all *six cents* for every communicant under the care of their churches, as determined by their Statistical Report, herewith printed. This will entitle their Commissioners to a full share in the apportionments for necessary traveling expenses. It is expected that these expenses will be fully met, if the Presbyteries comply with the recommendations of the Assembly.

They are expected, also, to provide for an

ENTERTAINMENT FUND.

In addition to the Mileage Fund, the Assembly of 1877 made provision for a "Supplemental Contingent Expense Fund," to "be used for the purpose of meeting the expense of entertaining such Commissioners as are not otherwise provided for." Each Presbytery is requested to contribute to this fund a sum equal at least to *two cents* per church member, and to forward it, with the Mileage and Contingent Funds, to the Stated Clerk of the Assembly. It is to be disbursed by the Committee of Arrangements, whose bills for entertainment the Stated Clerk and the Treasurer are authorized to pay, subject to the provisions of the Plan of Financial Administration of the Assembly.

☞See, *Minutes* of 1914, p. 261.

II. THE ANNUAL MINUTES.

The *Minutes* for 1914 will be supplied at *One Dollar* per copy, carriage included. A copy will be sent, without charge, to the Stated Clerk of every Presbytery and of every Synod; also (in the case of every Presbytery which has paid its full apportionment to the Mileage and Contingent Funds of the Assembly) to every ordained Minister, and to the Session of each contributing *vacant* church, *whose address is known;* also to every ordained missionary of the foreign Presbyteries.

III. SYNODICAL REPORTS.

A *Statistical Report* is to be forwarded to the Assembly by the Stated Clerk of every Synod; in which are to be stated the number and names of the Presbyteries within their bounds; the changes which may have been made in the number or arrangement of their Presbyteries; the names of the Stated Clerks of the Presbyteries; the place and hour of the next annual meeting; and the names of the Moderator and Stated Clerk of the Synod. A blank will be sent to the Stated Clerk of every Synod, near the close of the calendar year, which should be filled up and forwarded, without delay, to the Stated Clerk of the Assembly.

IV. PRESBYTERIAL REPORTS

It is required of every Presbytery to prepare and forward to the General Assembly:

1. A *Statistical Report*, according to the form exhibited on page 448[49] of the present Appendix; a printed blank for which will be furnished in due season,

by order of the Assembly, to the Stated Clerk of every Presbytery. This Report should, if possible, embrace all the changes in the Presbytery previous to the first day of April.

2. A *Narrative of Christian Life and Work* within the bounds of the Presbytery, for the year ending March 31st. A blank for the Narrative was adopted by the General Assembly of 1906 (*Minutes*, p. 223), and a copy will be forwarded to every Stated Clerk. As the Narratives are not to be publicly read, less care may be given to their style, and more to the details of particulars, such as will aid the Standing Committee of the Assembly in preparing their Annual General Narrative of the State of Religion within the bounds of the Church. The blanks for the *Congregational* Narratives are also furnished by the Stated Clerk of the Assembly.

3. *A Tabulated Statement.* By order of the Assembly of 1880, a blank for a Tabulated Statement of facts will annually be forwarded to the Stated Clerk of each Presbytery, to be filled properly, and duly reported to the Assembly. This Tabulated Statement should be sent to the Stated Clerk of the Assembly, together with the Narrative, at least ten days before the meeting of that body.

A statement of the number of licensures, ordinations, installations, dissolutions of pastoral relations; organizations and dissolutions of churches; receptions and dismissions of Ministers and churches; together with the number of deaths of Ministers since the last Annual Report, are to be inserted in the proper places in the Tabulated Statement.

V. STATED CLERKS OF PRESBYTERIES.

In preparing the Statistical Report, let the following RULES be strictly observed:*

(1) Fill up the *Statistical Report Blank* in every detail. (See above, §1.)

(2) Record Ministers in the order of their MINISTERIAL AGE, *not alphabetically*, with their CHRISTIAN names in full, without abbreviations, or duplications, and put their P. O. address on the same line, in the adjoining column.

(3) Report as *in transitu* the name of each "dismissed" Minister. Do not strike his name from your Roll until you have been officially informed of his reception by another Presbytery.

(4) ☞ Place the name of every Church and Mission Chapel opposite the name of its Pastor, or Stated Supply; never opposite the name of any other Minister. If the Church is Vacant, place it at the foot of the roll and give its P.O. address. If the Church uses in worship a language other than English, indicate the fact by words, such as German, Welsh, Spanish, Indian, Bohemian, etc. ☜

(5) Place after the name of every Minister an abbreviation, denoting his occupation: *e.g.*, P., for a Pastor; P.E., for a Pastor Elect; P.Em., for a Pastor Emeritus; C.P., for a Colleague Pastor; A.P., for an Associate Pastor; Univ. P., for a University Pastor; S.S., for a Stated Supply; D.M., for a District Missionary; C.M., for a City Missionary; T.M., for a Tract Missionary; S.M., for a Synodical Missionary; S.S.M., for a Sabbath-school Missionary; P.M., for a Presbyterial Missionary; P.Ev., for Pastor-Evangelist; F.M., for a Foreign Missionary; Pres., for the President of a College; Chan., for a Chancellor; Prof., for a Professor of a Theological Seminary or College; Prin., for the Principal of an Academy, etc.; Sec., for a Secretary or Stated Clerk; D.Sec., for a District Secretary of a Benevolent Institution; Agt., for an Agent of do.; Ch., for a Chaplain; Tea., for a Teacher; Ed., for an Editor; Ev., for an Evangelist; H.R., for a Minister honorably retired; Col., for a Colporteur; Com., for a Commissioner; Supt., for a Superintendent; Libr., for a Librarian; and for other Ministers without pastoral charges, no designation whatsoever.

(6) Place after the name of every Church the abbreviation P., for one that has a Pastor; P.E., for one that has a Pastor-Elect; S.S., for one that has a Stated Supply; V., for one that is vacant, and also add "m" for each church with a manse.

(7) If a Church fail to report, let the "whole number" of communicants be given as reported to the Synod, or to the last Assembly, with an asterisk (*) in the column of communicants, denoting the fact.

*The Reports of the Presbyteries in last year's *Minutes* show the established form, which should be carefully followed in every particular.

(8) *Additions.*—In the additions to church membership, distinguish between those by Examination, those by Certificate, and those by Restoration. The column headed "Restored" is to include all those who have been reinstated, whether from the Suspended Roll, or by action of Session in restoration after full judicial process.

(9) *Losses.*—In the losses, distinguish between those dismissed, those placed upon the Suspended Roll, and those deceased. The column headed "Dismissed, etc.," is to include the members dismissed to other churches, also those erased from the roll under Sections 49 and 53, Book of Discipline, and also those excommunicated. The column headed "Suspended Roll" is to include the number of non-resident members whose cases were acted upon during the year by the Session under Sections 50 and 51, Book of Discipline; also those suspended after full judicial process.

(10) *Baptisms.*—In the baptisms, distinguish between the persons baptized upon confession and those baptized as infants.

(11) *Balancing of Returns.*—Compare your report of communicants with that of the previous year and adjust the return so that it will balance. For example: Total members previous year, 205. Additions, "Examination" 22, "Certificate" 16, "Restored" 5, total 43. Losses, "Dismissed," etc., 12, "Suspended Roll" 18, "Deceased" 6, total 36. Gain, 7. Net total this year, 212.

(12) *Sabbath-school Membership.*—To include officers, teachers and scholars in all Sabbath-schools connected with the congregation, not including the "Cradle Roll" nor the "Home Department." [*Note.*—A separate statement of the details of Sabbath-school work is to be made, on its special blank, for the use of the Board of Publication and Sabbath School Work.]

Funds.—The columns for the Funds Contributed are to be filled as follows:

1. *Home Missions.*—To include all moneys paid to the Board, all moneys paid for Presbyterial and Synodical Home Missions and Church Extension, also all moneys paid to any general Home Mission object; including contributions of societies, value of boxes, etc.

2. *Foreign Missions.*—To include all moneys paid for the spread of the Gospel in foreign fields, whether given to the Board or other agencies; including contributions of societies, etc., and gifts to institutions connected with the Board.

3. *Education.*—To include all moneys paid for the education of candidates for the ministry, whether to the Board or other agencies, and also gifts to Theological Seminaries.

4. *Sabbath-school Work.*—To include all moneys paid to the Board of Publication and Sabbath-school Work for its missionary operations, and to other Sabbath-school organizations. The contributions for the support of the Home Sabbath-school are to be placed in the column headed "Congregational."

5. *Church Erection.*—To include all moneys paid for church erection outside of the congregation, whether through the Board or otherwise.

6. *Relief and Sustentation.*—To include all moneys paid in behalf of disabled ministers and missionaries, and in aid of their families, whether to the combined Boards of Relief and Sustentation or otherwise; including contributions of societies, etc.

7. *Freedmen.*—To include all moneys paid for the evangelization and education of Freedmen, whether through the Board or otherwise; including contributions of societies, etc., and gifts to institutions connected with the Board.

8. *Colleges.*—To include all moneys paid to Colleges, Academies and Schools, whether to the Board or otherwise. Contributions to the institutions connected with Foreign Missions and Freedmen are to be placed under those heads.

9. *Temperance.*—To include all moneys given to the Board of Temperance or to other Temperance agencies.

10. *General Assembly, etc.*—To include all moneys given for ecclesiastical expenses, whether for Presbytery, Synod or General Assembly. Give both dollars and cents in this column.

11. *Congregational.*—To include all moneys collected in or by the congregation for local church purposes—the salary of the minister, the support of the church Sabbath-schools, the relief of the poor, building and repairing edifices, the liquidation of debts, church endowments and other objects. Moneys received from any other church or Board for the salary of the minister or other expenses should not be included.

12. *Miscellaneous.*—To include all moneys paid to the Assembly's Permanent Committee on Evangelism and other evangelistic agencies, also to Tract Societies, Christian Endeavor, Young Men's Christian Associations, Hospitals, and general benevolence.

Bible Society.—To include all moneys paid to the American Bible Society, or to other Bible agencies. A blank is sent for these contributions, which are reported separately (see p. 448[9]), in addition to being included in the "*Miscellaneous*" column.

Individual Gifts.—If the donors do not object, the direct gifts of individuals to any of the Boards, or to the causes they represent, should be reported with other gifts under the proper head. Individual gifts for religious and charitable causes not included in the regular schedule should be placed under the head "Miscellaneous."

Be sure to omit the fractions of the dollar, except in the General Assembly column.

(13) The *Names* of the Licentiates are to be recorded immediately after the list of Ministers, in the same column, with their *Addresses* in the next column; next give the *Names* and *Addresses* of the Local Evangelists; these are *not* ordained ministers. Of the Candidates—including all who are studying for the ministry under the care of the churches of the Presbytery—the *Number* only is to be given.

(14) ☞**ADD UP**☜ and **verify** every column of figures, and *Authenticate* the Report with your signature, together with the date.

(15) Avoid erasures and interlineations, **make names and numbers distinctly legible,** and punctuate properly.

(16) Affix no extraneous matter, such as memoranda, explanations, or orders for the delivery of the printed *Minutes* of the Assembly; let these be given on a separate sheet; also, every Overture to the Assembly.

Revise your Report, and find out its defects. Put in the commas and periods that are wanting; fill out the abbreviations; supply the *Christian* names of every Minister (an *initial* letter is not a name), and see that every name and figure is perfectly legible and arranged in strict accordance with the established form.

☞Forward the Statistical Report by April 24, or if this cannot be done, let it be sent at the earliest date possible to the office of the Rev. W. H. Roberts, D.D., the Stated Clerk of the General Assembly.

IX. STANDING ORDERS AND RULES.

1. The General Assembly shall meet annually, on the third Thursday of May beginning at 10.30 A.M.; the afternoon session shall be held at 2.30 P.M.

2. The credentials of Commissioners and Delegates are to be presented at a previous hour of the same day, or of the preceding day, according to public notice, to the Stated and Permanent Clerks, acting as a Permanent Committee on Commissions.

3. The Lord's Supper is to be celebrated by the Assembly on the evening of Thursday, the first day of its sessions.

4. The dates assigned to popular meetings are as follows:

The evening of Friday, the second day, to the Board of Publication and Sabbath School Work and the Sabbath-school interests of the Church.

The evening of Saturday, the third day, to the Presbyterian Brotherhood and to the Board of Education.

The afternoon of the first Sunday, to the Woman's Executive Committee of Home Missions; the evening to the College Board.

The evening of Monday, the fourth day, to Missions among the Freedmen.

The evening of Tuesday, the fifth day, to the Home Mission Work.

The evening of Wednesday, the sixth day, to the Foreign Mission Work.

The evening of Thursday, the seventh day, to the cause of Temperance.

5. The whole territory of the Church shall be divided into twenty-two Electing Districts, composed of Presbyteries, so arranged, by combining the smaller Synods, and dividing the larger by Presbyteries, as to make nearly equal delegations, as follows, *e.g.*:

6. (*a*) The General Assembly shall be divided into twenty-two Electing Sections, composed of Commissioners, so arranged as to make the Sections of nearly equal delegations. The Electing Sections shall be numbered the same as the Electing Districts.

(*b*) The members of each Electing Section shall be seated together in a compact body. Accordingly, each Commissioner shall be assigned to his seat in advance of the meeting of the Assembly, by the Committee of Arrangements, under the supervision and direction of the Stated Clerk, and shall occupy such pew or seat from the beginning of the first session until the end of the second day.

(*c*) The organization of the Electing Sections shall be effected in the following manner, to wit:

Immediately after the roll call, and before the nominating and seconding speeches for Moderator shall be made, the Stated Clerk shall announce one Commissioner in each Electing Section as the Convener thereof, and the receiver of any necessary papers for the Section. Under the supervision of such Convener, each Electing Section shall then elect a Chairman and a Secretary. The quorum of an Electing Section shall be a majority of its members.

7. (*a*) The roll shall be called immediately after the opening prayer at the afternoon session of the first day, in the following manner, unless there be a motion to the contrary, to wit: only the names of absentees as they appear on the roll of the Permanent Committee on Commissions shall be called, at which time any needed corrections may be made.

(*b*) After the election of the Moderator, the Permanent Clerk shall report absentees from the first roll-call. Vacancies in the Electing Sections may then be filled by the Assembly. Whenever additional members take their seats, the Permanent Clerk shall add their names to the roll.

(*c*) No Commissioner failing to enroll shall be allowed to vote in his Electing Section.

8. The election of the Moderator shall be effected immediately after the roll-call and the organization of the Electing Sections, in the following manner, to wit:

(*a*) Only one speech nominating a candidate for Moderator shall be made, limited to ten minutes; and only one speech, and that not to exceed five minutes, shall be made in seconding the nomination of a candidate.

(*b*) Where there is only one nominee for Moderator, the election may be made by acclamation. Where there are more than one, the election may be made by ballot, in the following manner, to wit:

After the nominations are made (the organization of the Electing Sections having been effected (see Rule 6, (*c*)), the Chairman of each Electing Section shall appoint two tellers. Each Commissioner shall write the name of his choice on a blank, to be provided in advance by the Stated Clerk. The tellers shall collect the ballots and count them, under the supervision of the Chairman. The result shall be recorded by the Secretary on blanks in duplicate, one of which shall be handed to the Stated Clerk, with the number of the Section written thereupon. The other shall be retained by the Secretary.

(*c*) When the reports of the ballots have been handed in from all the Sections, the Stated Clerk shall read each aloud, giving the number of the Section and the vote cast. Tellers appointed by the Stated Clerk shall take and tabulate the votes as read. The Moderator shall then announce the vote as tabulated. If no one has received a majority of the whole vote, another vote shall be taken in the same manner. When one shall have received a majority, the Moderator shall announce the result, and declare him to be elected.

9. The election of the Standing Committees, by the Electing Sections, shall be effected immediately after the election of the Moderator, in the following manner, to wit:

(*a*) The Electing Sections shall meet, at the places assigned them, for the purpose of electing the Standing Committees, toward the close of the second session of the first day; but if not at that time, then at 9.30 A.M. of the second day.

(*b*) The Standing Committees shall be numbered consecutively, and shall each consist of twenty-three members, including the Chairman and eleven ministers and eleven elders. The Committees shall be chosen from the Electing Sections as herein provided. The quorum shall be a majority of the members. Each Presbytery shall be represented on some Standing Committee.

(*c*) On odd-numbered years, each odd-numbered Section shall elect one minister for each odd-numbered Committee, and one elder for each even-numbered Committee.

On the same year, each even-numbered Section shall elect one minister for each even-numbered Committee, and one elder for each odd-numbered Committee.

On the even-numbered years this order shall be reversed.

(*d*) The Stated Clerk shall furnish to each Electing Section properly printed Election Return Blanks, for the election of the Standing Committees, which shall be filled in by the Secretary of the Electing Section, and returned forthwith to the Stated Clerk, and the Stated Clerk shall, if possible, furnish to each Chairman, before the close of the first day, a list of the members of his Committee, and shall also announce, at the close of the evening session, the names of the Committees on Bills and Overtures and on Judicial Business.

(*e*) As soon as possible after his election, the Moderator shall appoint an additional member of each Standing Committee, who shall be the Chairman thereof, provided that he shall not appoint more than one member, as Chairman, from the same Electing Section, except in the case of the Committees on Mileage and on Finance, and the Chairmen of these two Committees shall be Ruling Elders.

If the Moderator shall appoint, as a member and Chairman of any Standing Committee, any one chosen by any Electing Section, as a member of that or any other Standing Committee, the appointment of the Moderator shall take precedence, and the Electing Section shall choose another member to fill the vacancy on the Committee, caused by the Moderator's appointment.

10. The Stated Clerk shall give notices to the Commissioners as to their places in the Electing Sections and as to the Committeemen to be chosen. He shall also assign their places, in the Electing Districts, to new Presbyteries that may be erected during the intervals of the meetings of the Assembly, and he shall attend to other details connected with the operation of the Plan.

11. The Reports of the Committees shall be considered at the times herein designated, viz.:

12. That the Standing Committees on Home and Foreign Missions have each two hours; and those on Education, Publication, Church Erection, Ministerial Relief, Freedmen, Temperance and Colleges have each one and a half hours; that the Chairmen of the Standing Committees be allowed two-thirds of the time allotted to their Committees, which may be divided as the several Committees may elect; the remaining one-third of the time shall be given to the Commissioners, no Commissioner being allowed to speak more than five minutes, until all other Commissioners have been heard who desire to speak on the pending question. Only one formal address in explanation of a Report shall be made. It shall be the duty of the Stated Clerk to communicate these Rules to the Chairmen of the Standing Committees, upon their appointment.

13. The Stated Clerk shall receive all Memorials, Overtures and other miscellaneous papers addressed to the General Assembly, shall make record of the same, and then deliver them, for distribution or reference, to the Standing Committee on Bills and Overtures. All complaints and appeals, however, shall be transmitted by the Stated Clerk directly to the Judicial Committee.

14. All Special Committees appointed by one General Assembly to report to the next Assembly shall be ready to present their Reports on the second day of the session. Only one formal address in explanation of a Report shall be made. (See Rule 27.)

15. The Stated Clerk shall have printed and ready for distribution, so far as practicable, on the morning of the day fixed for their consideration, the resolutions appended to the Reports of Standing Committees.

16. The Stated Clerk and Permanent Clerk shall be a Committee to revise the phraseology of all papers sent down to the Presbyteries to be voted upon, provided that in no case shall this Committee so change the phraseology as to alter the meaning [1886, p. 113].

17. The Stated and Permanent Clerks shall be a Committee to supervise the publication of any and all editions of the Constitution hereafter issued by the Board of Publication, and also of the Rules for Judicatories [1886, p. 113].

18. Each Board and Permanent Committee is instructed to send up its minutes with its Report, that these minutes may be reviewed by the Assembly, on the Report of the appropriate Standing Committee [1885, p. 690].

19. A sufficient number of the Reports of the Boards and Committees shall be forwarded by them to the place of meeting of each Assembly, prior to the day of meeting; and a complete file of the same, stitched together, shall be delivered to each Commissioner [1886, p. 77].

20. In all regions, where through the organization of Union Presbyteries or the existence of Missions without Presbyterial organization, there are no Presbyteries in connection with this Assembly, each Mission organized, as such, under our Board of Foreign Missions, may send to the General Assembly an ordained missionary, or ruling elder, as a delegate; and the Standing Rules of the Assembly are hereby so amended that such delegate is entitled to sit as an advisory member in the Assembly, and to speak, under the rules, on all questions, and that his expenses from his domicile, in this country, to and during the Assembly, and return, shall be met as those of Commissioners, out of the funds of the Assembly [1887, p. 247]. This rule shall also apply to Home Mission Presbyteries whose members are so located as to prevent regular meetings, and in the discretion of the Assembly. The names of the Advisory members shall be called at the first Roll-Call, and seats shall be assigned them by the Stated Clerk. [1907, p. 88; 1908, p. 130.]

21. No person shall serve as a member of a Board who is a salaried executive officer or employé of said Board, or a member of any other benevolent Board of the Church; and no more than one ruling elder from the same congregation shall serve on a Board at the same time [1887, pp. 51, 108; 1898, p. 132].

22. Any vacancy occurring in the membership of any of the Boards of the Church, during the interval between Assemblies, may be filled, until the next succeeding meeting of the Assembly, by the Board in which such vacancy may occur [1887, p. 128].

23. The Moderator is authorized to fill by appointment any vacancies which may occur, by resignation or otherwise, in any of the Special Committees [1892, p. 209].

24. All resolutions for the appropriation of money, outside the Boards, should be brought before the Finance Committee, before action by the Assembly [1892, p. 199].

25. The recommendation of any particular congregation to the benevolence of the denomination, by the General Assembly, is not to be understood as creating either a legal or a moral obligation upon the Assembly for the payment of the amount recommended to be contributed by the churches [1892, p. 36; 1893, p. 41].

26. The Stated and Permanent Clerks shall be a Committee to have the oversight of arrangements for the entertainment of the General Assembly [1896, p. 130].

27. All reports of Special Committees shall be delivered to the Stated Clerk forty days prior to the meeting of the General Assembly, shall be printed by him, and copies shall be sent, in bound form, to Commissioners, so far as practicable, immediately upon notification of their election; and copies shall also be delivered to the Assembly on the second day of the sessions.

28. Upon the original appointment of any salaried executive officer of any of the Benevolent and Missionary Boards of the Church, such appointment shall be subject to the approval of the General Assembly [1898, p. 132].

29. The Moderator, with the Stated and Permanent Clerks, should an emergency requiring action at any time arise, are authorized to provide a new place of meeting for the General Assembly.

30. Hereafter, all Overtures from Presbyteries and Synods, which are to come before the General Assembly, shall be, so far as practicable, in the hands of the Stated Clerk at least two weeks before the meeting of the Assembly, and by him shall be printed in convenient form for distribution on the floor of the Assembly, such distribution to be made not later than the second day of the Assembly.

31. All Overtures, memorials and miscellaneous papers, connected with the business of the Assembly, must be presented to the Assembly not later than the close of the second day of its session.

32. The election of members of Judicial Commissions of the General Assembly shall take place on the morning of Tuesday, the fifth day, as the first Order of the Day, in the following manner:

It shall be the duty of the Judicial Committee of the General Assembly to report to the Assembly, on Tuesday, the fifth day, suitable nominations to fill the vacancies on the Permanent Judicial Commission of the General Assembly, from which nominations, together with any others regularly made by the Commissioners at the same time as those made by the Judicial Committee, the necessary number of persons shall be elected, on Thursday, the seventh day, as the first Order of the Day.

33. The Permanent Judicial Commission of the General Assembly shall have authority to adopt rules pertaining to its own method of procedure, and shall report the same to the General Assembly; *provided*, that such rules shall not be inconsistent with the Constitution of the Church or the rules adopted by the General Assembly.*

34. The Standing Orders and Rules may be suspended by a two-thirds vote of the Assembly, upon motion duly made.

GENERAL RULES FOR JUDICATORIES.

[The following "General Rules for Judicatories," not having been submitted to the Presbyteries, make no part of the Constitution of the Presbyterian Church. Yet the General Assembly of 1871, considering uniformity in proceedings in all the subordinate judicatories as greatly conducive to order and despatch in business, having revised and approved these rules, recommended them to all the lower judicatories of the Church for adoption. Subsequent Assemblies have modified them from time to time.]

I. The Moderator shall take the chair precisely at the hour to which the

* See Rules for Judicatories, No. XLIV. See also p. 448[62].

judicatory stands adjourned; and shall immediately call the members to order; and, on the appearance of a quorum, shall open the session with prayer.

II. If a quorum be assembled at the time appointed, and the Moderator be absent, the last Moderator present *being a Commissioner*, or, if there be none, the senior member present, shall be requested to take his place without delay, until a new election.

III. If a quorum be not assembled at the hour appointed, any two members shall be competent to adjourn from time to time, that an opportunity may be given for a quorum to assemble.

IV. It shall be the duty of the Moderator, at all times, to preserve order, and to endeavor to conduct all business before the judicatory to a speedy and proper result.

V. It shall be the duty of the Moderator, carefully to keep notes of the several articles of business which may be assigned for particular days, and to call them up at the time appointed.

VI. The Moderator may speak to points of order, in preference to other members, rising from his seat for that purpose; and shall decide questions of order, subject to an appeal to the judicatory by any two members.

VII. The Moderator shall appoint all committees, except in those cases in which the judicatory shall decide otherwise. In appointing the Standing Committees, the Moderator may appoint a Vice-Moderator, who may occupy the chair at his request, and otherwise assist him in the discharge of his duties.

VIII. When a vote is taken by ballot in any judicatory, the Moderator shall vote with the other members: but he shall not vote in any other case, unless the judicatory be equally divided; when, if he do not choose to vote, the question shall be lost.

IX. The person first named on any committee shall be considered as the chairman thereof, whose duty it shall be to convene the committee; and, in case of his absence or inability to act, the second named member shall take his place and perform his duties.

X. It shall be the duty of the Clerk, as soon as possible after the commencement of the sessions of every judicatory, to form a complete roll of the members present, and put the same into the hands of the Moderator. And it shall also be the duty of the Clerk, whenever any additional members take their seats, to add their names, in their proper places, to the said roll.

XI. It shall be the duty of the Clerk immediately to file all papers, in the order in which they have been read, with proper endorsements, and to keep them in perfect order. The Stated Clerk shall receive all overtures, memorials and miscellaneous papers addressed to the judicatory; shall make record of the same and deliver them to the Committee on Bills and Overtures for appropriate disposition or reference. This committee shall have the floor on the reassembling of the judicatory after each adjournment, to report its recommendations as to orders of business or reference of papers, and this right of the committee shall take precedence of the Orders of the Day. This committee shall report the papers retained by it, as well as those recommended for reference to other committees, and no committee shall report on matters which have not been referred to it by the judicatory.

XII. The minutes of the last meeting of the judicatory shall be presented at the commencement of its sessions, and, if requisite, read and corrected.

XIII. Business left unfinished at the last sitting is ordinarily to be taken up first.

XIV. A motion made must be seconded, and afterwards repeated by the Moderator, or read aloud, before it is debated; and every motion shall be reduced to writing, if the Moderator or any member require it.

XV. Any member who shall have made a motion, shall have liberty to withdraw it, with the consent of his second, before any debate has taken place thereon; but not afterwards, without the leave of the judicatory.

XVI. If a motion under debate contain several parts, any two members may have it divided, and a question taken on each part.

XVII. When various motions are made with respect to the filling of blanks, with particular numbers or times, the question shall always be first taken on the highest number and the longest time.

XVIII. Motions to lay on the table, to take up business, to adjourn, and the call for the previous question, shall be put without debate but it shall not be

in order for any one debating another motion to propose the motion to lay on the table or the previous question, at the close of his remarks, unless he shall obtain the floor again for that purpose. On questions of order, postponement, or commitment, no member shall speak more than once. On all other questions, each member may speak twice, but not oftener, without express leave of the judicatory.

XIX. When a question is under debate, no motion shall be received, unless to adjourn, to lay on the table, to postpone indefinitely, to postpone to a day certain, to commit, or to amend; which several motions shall have precedence in the order in which they are herein arranged; and the motion for adjournment shall always be in order.

XX. An amendment, and also an amendment to an amendment, may be moved on any motion; but a motion to amend an amendment to an amendment, shall not be in order. Action on amendments shall precede action on the original motion. A substitute shall be treated as an amendment.

XXI. A distinction shall be observed between a motion to lay on the table *for the present*, and a motion to lay on the table *unconditionally*, viz.: A motion to lay on the table, *for the present*, shall be taken without debate; and, if carried in the affirmative, the effect shall be to place the subject on the docket, and it may be taken up and considered at any subsequent time. But a motion to lay on the table, *unconditionally*, shall be taken without debate; and, if carried in the affirmative, it shall not be in order to take up the subject during the same meeting of the judicatory, without a vote of reconsideration.

XXII. The previous question shall be put in this form, namely, Shall the main question be now put? It shall be admitted only when demanded by a majority of the members present; and the effect shall be to put an end to all debate and bring the body to a direct vote: First, on a motion to commit the subject under consideration (if such motion shall have been made); secondly, if the motion for commitment does not prevail, on pending amendments; and, lastly, on the main question.

XXIII. A question shall not be again called up or reconsidered at the same sessions of the judicatory at which it has been decided, unless by the consent of two-thirds of the members who were present at the decision; and unless the motion to reconsider be made and seconded by persons who voted with the majority.

XXIV. A subject which has been indefinitely postponed, either by the operation of the previous question, or by a motion for indefinite postponement, shall not be again called up during the same sessions of the judicatory, unless by the consent of three-fourths of the members who were present at the decision.

XXV. Members ought not, without weighty reasons, to decline voting, as this practice might leave the decision of very interesting questions to a small proportion of the judicatory. Silent members, unless excused from voting, must be considered as acquiescing with the majority.

XXVI. When the Moderator has commenced taking the vote, no further debate or remark shall be admitted, unless there has evidently been a mistake, in which case the mistake shall be rectified, and the Moderator shall recommence taking the vote. If the House shall pass the motion to "vote on a given subject at a time named," speeches shall thereafter be limited to ten minutes. Should the hour for adjournment or recess arrive during the voting, it shall be postponed to finish the vote, unless the majority shall vote to adjourn; in which case the voting shall, on the reassembling of the House, take precedence of all other business till it is finished. Under this rule, the "yeas and nays" shall not be called except on the final motion to adopt as a whole. This motion to fix a time for voting shall be put without debate.

XXVII. The yeas and nays on any question shall not be recorded, unless required by one-third of the members present. If division is called for on any vote, it shall be by a rising vote, without a count. If, on such a rising vote, the Moderator is unable to decide, or a quorum rise to second a call for "tellers," then the vote shall be taken by rising, and the count made by tellers, who shall pass through the aisles, and report to the Moderator the number voting on each side.

XXVIII. No member, in the course of debate, shall be allowed to indulge in personal reflections.

XXIX. If more than one member rise to speak at the same time, the member

who is most distant from the Moderator's chair shall speak first. In the discussion of all matters where the sentiment of the House is divided, it is proper that the floor should be occupied alternately by those representing the different sides of the question.

XXX. When more than three members of the judicatory shall be standing at the same time, the Moderator shall require all to take their seats, the person only excepted who may be speaking.

XXXI. Every member, when speaking, shall address himself to the Moderator, and shall treat his fellow-members, and especially the Moderator, with decorum and respect.

XXXII. No speaker shall be interrupted, unless he be out of order, or for the purpose of correcting mistakes or misrepresentations.

XXXIII. Without express permission, no member of a judicatory, while business is going on, shall engage in private conversation; nor shall members address one another, nor any person present, but through the Moderator.

XXXIV. It is indispensable that members of ecclesiastical judicatories maintain great gravity and dignity while judicially convened; that they attend closely, in their speeches, to the subject under consideration, and avoid prolix and desultory harangues; and, when they deviate from the subject, it is the privilege of any member, and the duty of the Moderator, to call them to order.

XXXV. If any member act, in any respect, in a disorderly manner, it shall be the privilege of any member, and the duty of the Moderator, to call him to order.

XXXVI. If any member consider himself aggrieved by a decision of the Moderator, it shall be his privilege to appeal to the judicatory, and the question on the appeal shall be taken without debate.

XXXVII. No member shall retire from any judicatory without the leave of the Moderator, nor withdraw from it to return home without the consent of the judicatory.

XXXVIII. All judicatories have a right to sit in private, on business which, in their judgment, ought not to be matter of public speculation.

XXXIX. Besides the right to sit judicially in private, whenever they think proper to do so, all judicatories have a right to hold what are commonly called "interlocutory meetings," in which members may freely converse together, without the formalities which are usually necessary in judicial proceedings.

XL. Whenever a judicatory is about to sit in a judicial capacity, it shall be the duty of the Moderator solemnly to announce. from the chair, that the body is about to pass to the consideration of the business assigned for trial, and to enjoin on the members to recollect and regard their high character as judges of a court of Jesus Christ, and the solemn duty in which they are about to act.

XLI. It is expedient that Judicatories appoint a Standing Committee, to be known as the "Judicial Committee," to whom shall be referred all papers and questions of a judicial nature, and whose duty it shall be to recommend to the judicatory answers to judicial questions, and orders of procedure in all judicial cases.

In the General Assembly, the province of the Judicial Committee shall be to pass upon the question of the regularity of the papers and the record in all cases referred to it by the Assembly; to determine, upon the face of the papers, whether questions of doctrine or Constitution are raised, and if, *prima facie*, there is a case, to recommend the same to the Assembly for reference to Judicial Commissions. The members of the Judicial Committee are not debarred by their appointment from sitting and voting as members of the judicatory.

XLII. The permanent officers of a judicatory shall have the rights of corresponding members in matters touching their several offices.

XLIII. The Moderator of every judicatory above the Church Session, in finally closing its sessions, in addition to prayer, may cause to be sung an appropriate psalm or hymn, and shall pronounce the apostolical benediction.

XLIV. Whenever a case is to be taken from an inferior judicatory to the General Assembly, the Stated Clerk of such inferior judicatory shall, at least twenty days before the meeting of the General Assembly, send a notice concerning such case to the Stated Clerk of the Assembly, who shall forthwith notify the Chairman of the Permanent Judicial Commission, unless the General Assembly shall have ordered otherwise, that the services of the Commission will be needed at the approaching Assembly; but if no such notice shall be received by

the Stated Clerk of the General Assembly, he shall forthwith notify the Chairman of the Permanent Judicial Commission that the services of the Commission will not be needed at the approaching Assembly.

XLV. These Rules may be suspended by a two-thirds vote of the judicatory, upon motion duly made.

6. Immediately after the organization of the Commission, at any meeting of the General Assembly, the fact shall be reported to the General Assembly, and at the same time a report shall be made as to vacancies existing or about to occur, caused either by the expiration of the term for which members were elected or by death or resignation, for reference to the Judicial Committee, according to the Constitution.

7. The officers of this Commission shall be elected, annually, on Tuesday, the fifth day of the meeting of the General Assembly, at 3 o'clock P.M., and such officers shall assume the duties of their several offices upon the final adjournment of the General Assembly, serving in the interim between meetings of the General Assembly and until final adjournment of the next succeeding General Assembly.

8. It shall be the duty of the Moderator, or some one designated by him, to appear before the General Assembly to present the findings of the Commission in cases referred to it by the General Assembly.
